Best of the Best: Northpointe Shores Marina

By Andrew Janusch, Manager

In the heart of our picturesque lakeside community, a transformation has taken place over the last few years, and it's one that has been embraced by both residents and fellow businesses alike. Located on the shores of our beloved Lake St. Clair, Northpointe Shores Marina, formerly known as Chateau Marina, has been voted "Best of the Best." This recognition has allowed us to share our story of dedication, passion and revitalization with our community.

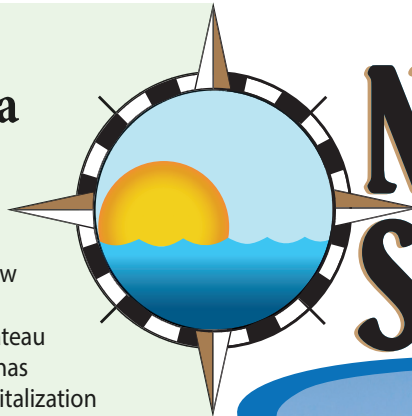

It all began in 2019 when Adam Janusch and his family took the helm of Chateau Marina, a local marina with the opportunity for tremendous growth. The transformation into Northpointe Shores Marina was not just a fresh coat of paint—it required a total facelift to truly make it our own.

Under this new leadership, a wave of improvements swept through the property. All-new floating docks were installed which provide a safe and secure haven for boaters and travelers alike. Seawall repairs were made to ensure the longevity of the marina, as well as protection of our members' boats. Every inch of landscaping was redone, meticulously crafted by Precision Landscaping, to create a lush and inviting atmosphere. One of the more exciting additions was the state-of-the-art Bluetooth-controlled gate, enhancing security and convenience for marina members and guests.

Another noticeable transformation was the reimagining of the existing marina clubhouse into "The Cottages at Northpointe." These three charming cottages, nestled within Northpointe Shores Marina, are available not only to marina members, but also to anyone looking to explore all the area has to offer—especially smallmouth anglers. It's the perfect getaway to enjoy Lake St. Clair, while also experiencing the many amenities of the local community.

At Northpointe Shores Marina, the emphasis is on family and fostering a welcoming community. Marina members can gather and utilize our beautiful public gathering spaces, including picnic tables and grills. The welcoming smile of our infamous Harbor Master, Doug Bair and management of Andrew Janusch, have become the heart and soul of our marina, ensuring that everyone's experience on our majestic lake is truly unforgettable.

Northpointe Shores Marina isn't just a marina; it's a testament to the dedication and passion of a family who believe in preserving the essence of our beautiful lakeside community. The nomination for "Best Marina" is not just a recognition of our accomplishments, but a celebration of our commitment to providing an unparalleled experience to everyone who steps through our gates. We are deeply honored to receive this designation and even more honored that we have the opportunity to share our hard work and passions with this community. We want to extend a special thank you to this community, because without them, none of this would have been possible.
