Why I Volunteer for Glacial Lakes Conservancy

By Maribel Kund

It might be interesting to some why a twenty something would be spending so much time volunteering for a land trust, but it's pretty simple. You know a few people and you fall in love with being outdoors, even if you're falling into the water...

My initial involvement with Glacial Lakes Conservancy began this past spring when I was asked to participate in biodiversity monitoring at Willow Creek Preserve. One of my friends previously worked as the Land Intern on this property, and currently my friend Isabel manages it. So naturally, I had no out. What I didn't expect to have was a pretty decent time trenching about the property. Through monitoring, I got to see parts of the preserve that you normally wouldn't. Along with that I got to meet many of GLCs other volunteers, a bunch of new aquatic species, and got to spend my evenings in nature which is always good for mental health. While you might not categorize me as someone who likes to be hiking around in a pond, I think this gave me the perfect opportunity to pull on some waders and get myself outdoors! This was my first opportunity to volunteer for a Land Trust as typically my volunteer work is subject to indoor type non-profits. But I would highly recommend to anyone wishing to get outdoors and spend some time with community members to volunteer some time with GLC, especially in the spring. Just maybe, a word of advice, don't fall into the water while checking the traps!

📷 **Mystery Photo Contest** 📷

Can You Identify Our November Mystery Photo?

Take a look at the November mystery photo. Do you know anything about it? Where is/was the location? What year was this photo taken?

Elkhart Lake, WI 53020, or drop off at the Chamber Office, 41 E. Rhine Street.

The person with the best submission will receive a finely matted, quality enlarged print of the original, courtesy of Schamberger Gallery in Elkhart Lake.

If you know, let us know! To enter the November contest, send an email to depotdispatch@elkhartlake.com or a letter with as many details as you can to the Elkhart Lake Chamber, P.O. Box 425,

Please share your guesses and help us keep the contest up to date.

answer **October Mystery Photo**

Thank you to everyone who submitted an entry for our October photo. The winner of the print is **Bob Bromm**. Please contact the Elkhart Lake Chamber at 920-876-2922 to arrange pick-up.

Gerri Nelson submitted an entry saying the photo is of Camp Brosius around 1968.

Erik (Jake) Jacobsen said the photo is of course, the Camp Brosius (formerly Fleck's Resort) "Round House" probably constructed in about 1903. As an Architect, I have done some renovation work at the camp.

Bob Bromm shared that he is a part-time resident of beloved Elkhart Lake. This month's photo of Camp Brosius Round House was my residence for 5 summers when I worked there during college in the late 60s & early 70s. (Yes, that dates me). My great grandfather Bromm was a German immigrant and started coming to Elkhart Lake from Southern Indiana when Camp

Brosius was still Fleck's Resort. The area of Elkhart Lake reminded him of his homeland. My granddaughter is now the 6th generation to fall in love with the area.

The picture featured in this month's Depot Dispatch is very recent, probably in the last 5 years. When I lived upstairs in the round house with no indoor plumbing, there was a different set of steps to the top, blue & white striped shutters, and no picnic tables outside as all dining was in the formal dining room. Thank you for this month's photo as it evokes many fond memories.

Monica Suemnicht My guess is Camp Brosius.

answer **September Mystery Photo**

Thank you to **Yvonne Gessert Landgraf** who submitted an entry for our September photo. She has won the print from September. Please contact the Elkhart Lake Chamber at 920-876-2922 to arrange pick-up.

The unidentified picture in the September issue of the Depot Dispatch is the main lodge at Pine Point Resort, now known as the Point Elkhart condos. The resort was founded in 1879 by C. V. Pettibone, a Fond du Lac businessman. Although intended to be a family summer home, the property became dotted with enough cottages to accommodate 250 guests.

After twenty years, ownership was transferred to George Diefenthaler and

then Walter and Helen Stark. High school graduations, dances, and parties gave life to Pine Point's pavilion. In the 1940's it was used by the Ernest Graves and Kathryn Darrell Acting Companies. The resort also provided a ten-piece band for dancing.

Jay and Leatha Stein bought the property in 1943 and operated it until 1971. During that era, a number of comedians spent their summers at Pine Point as they improved their routines while on the road to stardom.

The property became known as Point Elkhart when the Steins sold it to Leisure Facilities which then sold it to Milwaukee businessman, John Burke. Old buildings were razed and the present condos began to pop up - one after the other.

I have seen many changes during my 91 years -yes, 91 years - as an Elkhart Lake resident - Yvonne Gessert Landgraf

Community Members Come Together in Sheridan Park

Community members came together last week to complete revitalization projects in the Sheridan Park neighborhood. As part of Habitat for Humanity’s Rock the Block event, corporate and individual volunteers rolled up their sleeves to tackle various projects including a porch repair for a homeowner with young children, window and door repairs and replacement, brush removal and yard maintenance.

While Rock the Block is primarily focused on exterior rehabilitation, the Habitat Lakeside team did accept the task of revitalizing the teachers lounge at Sheridan Elementary School. “On our first visit to the school, my initial thought was that this room was where furniture and supplies came to die”, shared Niki Zohrab, Executive Director. “It was bland with far too much furniture, and clearly a room where supplies that weren’t being used were dropped and left. Thanks to the hard work by our wonderful volunteers, the space is now an inviting and relaxing spot for teachers to enjoy a little downtime.”

Multiple area organizations sponsored the event, helping cover out-of-pocket expenses, volunteer lunches and necessary supplies. “Alliant Energy is proud to support Habitat for Humanity Lakeside’s work to create sustainable solutions for housing security,” said Julie Bauer, Executive Director of Alliant Energy Foundation. “We are committed to building stronger communities and making a positive difference where Alliant Energy employees, retirees and customers live and work.”

Sheridan Park is the sixth neighborhood in Sheboygan to benefit from the annual Rock the Block event. Habitat for Humanity Lakeside partners with the City Planning & Development, Public Works, Fire and Police departments to determine the neighborhood that has the most need. In the following weeks, the Fire Department will install smoke alarms in homes who have requested the service, and members of the International Brotherhood of Electrical Workers Local 494 will assist in updating exterior lighting providing improved safety for those residents who have requested it.

“Like our Home Repair program, Rock the Block is an opportunity for us to help area homeowners with necessary repairs to their homes, providing a safe and healthy environment for them,” said Zohrab. To learn more about Habitat for Humanity Lakeside programs, visit habitatlakeside.com.

Habitat for Humanity Lakeside is part of a global nonprofit housing organization operated on Christian principles that seeks to put God’s love into action by building homes, communities and hope. Habitat for Humanity Lakeside is dedicated to eliminating substandard housing locally and worldwide through constructing, rehabilitating and preserving homes; by advocating for fair and just housing policies; and by providing training and access to resources to help families improve their housing conditions.

3 Sheeps Brewery Joins Chamber

What began as a hobby for owner Grant Pauly over 11 years ago has grown into an impressive and successful brewery. Our new Elkhart Lake Chamber of Commerce member, 3 Sheeps Brewing Company, creates in-demand products for the fast paced, customer focused, and dynamic beer industry.

Pauly began with a homebrew kit, as many brewers do. This hobby quickly became a passion and then in 2012, Pauly decided to turn his passion into a career and opened a small packaging brewery in a corner of a local bar that once housed the old Wigwam sock factory in Sheboygan. 3 Sheeps' products quickly found their way into hands of dedicated fans throughout Wisconsin, resulting in long hours to keep up with the demand, a rapidly expanding team of employees, and a desire to make the best beer possible.

During the early years they asked themselves "What kind of brewery do we want to be?" With a love of the art and science behind so many different styles, the decision was made to do them all: barrel-aged beers, Belgian-style beers, IPAs, lagers, and along the way even a beer that incorporated squid ink. This decision formed the basis of what 3 Sheeps would ultimately become: a brewery that questioned established methods, pushed boundaries, and reveled in their love of experimentation and pursuit of outstanding beer.

However, they never lost sight of what is truly important when it comes to running a brewery: making delicious beer. 3 Sheeps is now one of the top breweries in Wisconsin and is known for their outstanding barrel-aged beer program, wide range of flavorful IPAs, accessible year-round offerings, and their Cloudless Hard Seltzer brand.

Along with their passion for beer, 3 Sheeps has always valued taking care of their community and being a good neighbor. Every month they partner with a different local charity and help to raise money through events and beer sales. They often donate \$1 from every pint of their 3 Sheeps Pils that is purchased at the taproom. Some of the organizations they have partnered with are The Sheboygan County Food Bank, Safe Harbor, The Lincoln Park Zoo in Manitowoc, MyTeam Triumph, The Movember Foundation and many, many more.

Founder, Grant Pauly

But all work and no play makes Grant a dull boy. So, if you are looking for entertainment, 3 Sheeps has you covered. You can find free live music most Fridays in their taproom. Visit their website at <https://3Sheepsbrewing.com> to see which acts will grace their stage or check out their Facebook events page. They enjoy featuring local and regional acts that range from bluegrass and indie folk, to pop and reggae, and everything in between. Look for performers like Cold Soda Club, Brett Newski, and even Elkhart Lake's own BBMC. If you are looking for a mid-week night out, they host Feudmaster: a Family Feud-style

game, every Wednesday night at 7PM. Need a more educational experience? Join their brewery tour which is offered every Saturday at 1PM. It includes samples of beer, a pint glass to take home, and 45 minutes of behind the scenes information and stories. Tours can be booked online or at the taproom.

3 Sheeps Brewery is open Monday through Thursday from noon until 9 p.m., Friday and Saturday from 11 a.m. until 11 p.m. and Sunday from 11 a.m. until 6 p.m.. The 3 Sheeps taproom also has event spaces available to rent for groups from 20 to 300+, and can personalize the space to fit your needs.

Elkhart Lake Chamber
NEW MEMBER
3 Sheeps Brewery

In 2017, Founder and Brewmaster Grant Pauly decided to expand his quickly growing brewery and moved 3 Sheeps from its original home to the former Coca-Cola facility located at 1837 North Ave in Sheboygan. He and his team of dedicated employees quickly renovated the warehouse location into a 30,000 square foot modern production brewery and a 10,000 square-foot destination taproom.

2 Deans Named at Lakeshore Technical College

Lakeshore Technical College has named two new deans. Rachel Kroeplien is dean of applied technology and economic development. Chris Schatz is dean of health and human services, a role he previously held from 2017 to 2021.

Kroeplien joined Lakeshore in 2015 as an agriculture instructor. In 2020 she moved into the role of senior flexible instructional design coordinator. Her achievements include creating the first online agriculture-focused associate degree in the Wisconsin Technical College System, earning the Wisconsin Association of Agricultural Educators Outstanding Post-Secondary Agricultural Program nomination in 2018, and leading Lakeshore's competency-based education initiative. Kroeplien is pursuing her doctorate in educational leadership.

Schatz's accomplishments at Lakeshore include leading efforts with area high

schools and healthcare facilities to provide opportunities for students to take college-level healthcare courses. He also led Lakeshore's initiative with the University of Wisconsin Green Bay to offer a 2-2-1 nursing pathway, which allows students to complete three academic degrees while learning locally and saving on tuition and expenses. Schatz holds a doctorate in higher education leadership.

For information about Lakeshore Technical College, visit gotoltc.edu.

About Lakeshore Technical College

Lakeshore Technical College is a comprehensive community and technical college educating more than 9,000 students annually. Students enroll at Lakeshore to master real-world, employable career skills and start their pursuit of a bachelor's degree. Lakeshore faculty and staff are focused on providing each student an individualized learning experience.

Lakeshore Technical College is a nationally recognized two-year college. The college was ranked #2 in the nation by Washington Monthly, #17 in the

nation by Forbes, #20 in the nation by WalletHub.com, a top-150 two-year college by the Aspen Institute, a top 10 Bellwether Award finalist four out of the last five years, and named the 2021 Large Business/Industry of the Year by the Chamber of Manitowoc County.

Approximately 800 students graduate from Lakeshore each year, and associate

degree graduates report earning a median salary of \$59,899 within six months of graduating. In addition to the Cleveland campus, Lakeshore educates students at learning campuses in downtown Manitowoc and downtown Sheboygan. Classes are also offered at additional sites throughout the district. Visit Lakeshore at gotoltc.edu.

Lakeshore Technical College Saves Students Over \$2M

With the average college textbook costing around \$105, according to Education Data Initiative, students can spend hundreds of dollars every semester. However, students at Lakeshore Technical College have been saving money —\$2.1 million since 2018—thanks to the college making open educational resources available.

Open educational resources include free online textbooks, videos, and other learning tools that reside in the public domain. Rather than renting or purchasing textbooks, students download materials to their electronic devices. The college library also offers hard copies of the materials for checkout.

“Access to open educational resources is valuable to our students not only for the cost savings but also because these resources tend to be timelier and more relevant to industry than textbooks

from the traditional ivory tower,” said Lakeshore President Dr. Paul Carlsen.

Instructors for more than 180 Lakeshore courses have eliminated textbook costs by adopting open educational resources. In addition to saving students money, the resources provide more equitable access to course materials. All students can access materials on the first day of class since they do not need to wait for bookstore shipments or financial aid awards.

More information on Lakeshore Technical College can be found at gotoltc.edu.

More than 180 Lakeshore Technical College courses allow students to use free open educational resources instead of buying textbooks. The resources are also used during study sessions, such as this nursing pharmacology tutoring session.

Veterans Day Program

The Elkhart Lake-Glenbeulah School District will hold a Veterans Day Program on Friday, November 10th at 11:00am in the high school gymnasium. The High School Band and Chorus will perform a few selections for this event, which will also include speeches and poetry readings from high school students. Guest speaker for the program is retired United States Army National Guard, Alex Miller.

Alex Miller is a 2012 graduate of Elkhart Lake-Glenbeulah High School. He served in the Wisconsin Army National Guard as a HIMARS artilleryman. His tour in Afghanistan in 2014 was with Alpha Battery of Sussex Wisconsin. His tour was served in Jalalabad near the Pakistan border and his unit was attached to the Special Operations Command. There, they supported the day to day operations of the Navy SEALs and the Army Rangers.

Alex has since attended the University of Wisconsin River Falls with a bachelor in Finance as well as Economics. He then went on to start AEM Construction which is a home building and land developing company, as well as a wannabe YouTuber at one point.

His speech will cover his time in Afghanistan and the Army National Guard. He will also discuss some of the lessons learned as a young man who turned 21 in a far away war. And finally the importance of days like Veterans Day, and a unique perspective on war and the conflicts we currently see today.

The school district would like to invite the community to attend and share in this event of honoring all who have served or are currently serving.

CHAMBER SPOTLIGHT Dogs2DogTags

Our October Elkhart Lake Chamber of Commerce member spotlight is Dogs2DogTags.

D2DT creates an opportunity to save at risk, rescued, or donated dogs, train them, and place them with deserving service members who have been diagnosed with post combat stress and anxiety. The purpose is to provide the veteran, at no cost, a trained dog that they can gain a constant companion to help them

cope with their unique challenges in everyday life.

It is Dog2DogTags' mission to help the men and women who have sacrificed so much to defend our country and her citizens. They aim to support those who have returned home but are not fully able to integrate back into the normal lives they once enjoyed because of traumatic experiences. Road America Announces 2024 Season Schedule

Event Tickets are Now Available!

As the motorsports world eagerly anticipates the dawn of the 2024 racing season, enthusiasts have reason to rejoice. Road America, the hallowed ground of high-speed competition nestled near the picturesque village of Elkhart Lake, Wisconsin, has unveiled its tentative 2024 schedule that promises many experiences for fans and competitors alike. With a storied history from its inception in 1955, Road America has become synonymous with world-class events, and the 2024 season is poised to be no exception.

The season starts in style with the SVRA Spring Vintage Festival Weekend from May 17 to May 19. This nostalgic celebration pays homage to classic cars and the racing heritage that has

captivated generations. Enthusiasts can witness timeless race machinery thundering around the track, evoking the glorious days of motorsport's past.

Following closely is MotoAmerica Superbikes and Vintage MotoFest from May 31 to June 2. Prepare for heart-pounding motorcycle racing action, where competitors will push the limits in a quest for supremacy. The event promises fierce competition and unforgettable moments that will leave spectators on the edge of their seats.

The season's crown jewel arrives with the NTT INDYCAR Series Grand Prix, Presented by American Medical Response, scheduled from June 6 to June 9. This prestigious event gathers the finest open-wheel racers from around the globe, ensuring a breathtaking showcase of speed, skill, and strategy. It's an electrifying spectacle that no motorsports enthusiast should miss.

Mid-June ushers in the WeatherTech Chicago Region SCCA June Sprints from June 21 to June 23. This tradition spotlights grassroots racing talent and an eclectic array of vehicles, making it a fan favorite.

The Trans Am Speed Tour Weekend

roars into action from June 28 to June 30. Building upon its illustrious history, this event features iconic American muscle cars battling it out on the track. Mustangs, Camaros, Challengers, and Corvettes provide a dose of pure Americana, promising thrilling races and high-speed nostalgia.

July brings the WeatherTech International Challenge with Brian Redman from July 11 to July 14. Historic racing machines take center stage, paying homage to the golden era of motorsports. It's a must-see event for those who appreciate the timeless beauty of vintage racing.

August heats up with the IMSA SportsCar Weekend August 1-4 and the Fanatec GT SportsCar Weekend August 16-18. Fans can witness cutting-edge sports car technology and intense competition on Road America's iconic circuit, a true testament to the evolution of motorsports.

The Ariens Art on Wheels Vintage Weekend Featuring VSCDA Sept. 13-15 adds an artistic flair to the racing scene, seamlessly blending vintage cars with the world of art, creating a unique and captivating atmosphere.

The grand finale, the SCCA National

Championship Runoffs Oct. 4-6, promises an adrenaline-packed spectacle. Competitors nationwide will vie for championship glory in various classes, bringing the season to a thrilling close.

Road America's 2024 season schedule promises a breathtaking journey through motorsports, with each event offering its unique blend of history, competition, and excitement. Whether you're a die-hard enthusiast or a casual spectator, Road America has something extraordinary in store for you. Mark your calendars as the roar of engines and the thrill of racing await you at America's National Park of Speed.

Road America's season pass is the most affordable way to attend all the events, with over 50 days of action. The season pass is available at an advance price of only \$570. January 1 through June 1, 2024, the price for a season pass is \$655. Each season pass provides admission, special events, and incentives for club events - details are available at www.roadamerica.com/season-pass

Anyone 16 and under gets in FREE when accompanied by a paying adult at the gate. For full event details and information, visit www.roadamerica.com.

Big Crowd Returns for Lakeland Homecoming

A beautiful, warm fall day welcomed a huge crowd of alums and their families to campus on September 30 for a variety of events for Homecoming 2023.

Three individuals were honored Saturday morning along with members of the Class of 1973, who were welcomed into the esteemed Emeritus Club, which includes alumni with a Mission House or Lakeland College graduation date of at least half-a-century ago.

Emily Rendall-Araujo '11 MBA '14 was named winner of the Outstanding Recent Young Alumni Award. She is director of senior services with the City of Sheboygan. She led the successful strategic planning and rebranding of the organization, transforming it from the Senior Activity Center of Sheboygan to the popular Uptown Social. Rendall-Araujo resides in rural Glenbeulah with her husband, Andres '06 MBA '08, their children, Freddie and Josie.

Wayne Wildman '79 received the Service to the Community Award. He served as music director of the Manitowoc Symphony Orchestra for 29 years beginning in 1990 and won the 2020 Wesley Tepy Community Service Award in the Arts, an award from the Lakeshore Wind Ensemble Association to recognize individuals who have substantially contributed to the arts in the greater Manitowoc area.

Vin Mannix received an Honorary Alumni Award. Mannix spent just one year at Lakeland, but the Florida journalist and 2018 Lakeland Hall of Fame Service Award recipient is an ambassador for Lakeland who has authored two books about Lakeland. "A Muskie Memoir" recounts the 1967 football season for the Gateway Champion Muskie, and "MOOSE," honors the legacy of Duane Woltzen, beloved athletic director and basketball coach.

Alumni, faculty, staff and friends gathered in the Lauer Center Saturday to remember and celebrate the late Rev. David Lauer. It was an opportunity to visit with the family and hear tributes from Lakeland President Beth Borgen, Kip Bedore '77, Mike Brunmeier '73 and President Emeritus David Black. Lakeland Chaplain the Rev. Julie Mavity Maddalena offered a closing prayer.

It was a homecoming trip back to campus for Black as well as President Emeritus Steve Gould and his wife, Susan, who served as longtime registrar.

The weekend got started Friday night with the induction of five standout athletes into the Lakeland Athletic Hall of Fame.

The Class included:

- Cleveland Clark '86, football
- Kimani Chambers '00, football
- Bryon Vandlen '06, football
- Steve Plucinski '06, baseball
- Sara (Roberts) Hall '10, softball

Clark was a standout cornerback and strong safety, earning NAIA honorable mention All-American honors in 1985. He's one of just 16 All-Americans in Lakeland football history. He was a four-time All-Illini-Badger Football Conference honoree, graduated No. 2 in career interceptions (18), and his nine interceptions in 1985 is tied for the most in a single season and among the nation's best as he led several defensive-minded teams.

Chambers re-wrote the rushing record book as the Muskie rolled up the points and yards during his career. He graduated as the program's career rushing leader with 2,733 yards (he's now third), and he was second in career scoring (266 points) and touchdowns (44). He was a key component on two IBFC championship teams, including the 10-0 finish in 1997.

From left: Lakeland President-Beth Borgen joins former Lakeland Presidents-Steve Gould and David Black.

Plucinski was a dominating pitcher that helped lead the Muskie to three conference championships, the 2002 NCAA Division III World Series and a fifth-place finish nationally. He's a fixture on the career pitching record book with the top spots in career strikeouts and earned run average, second in innings pitched and shutouts, third in starts, fourth in wins and fifth in complete games.

Vandlen is among the football program's most decorated offensive linemen that helped lead the Muskie to the program's first NCAA Division III postseason playoff berth. He was a two-time IBFC Offensive Lineman of the Year, two-time first team All-IBFC and two-time Football Gazette North All-Region.

Hall was a dominating pitcher for the softball program and has career records in five of the program's six pitching

categories: games started, wins, innings pitched, strikeouts and shutouts. A four-time First Team all-conference honoree, she is in the top five in five categories in the Northern Athletic Collegiate Conference record book.

Elkhart Lake Study Club Centennial Luncheon

On Monday October 4, the Elkhart Lake Study Club culminated its 100th Anniversary celebratory year with a luncheon at the Grashorn Civic Center in Elkhart Lake. Lace-covered tables and flower bouquets greeted members, many in vintage attire, for the historic occasion. Member Sue Puls, owner of Vintage of Ada, provided hats for the afternoon which added to the fun. Trays of finger sandwiches and desserts were catered by Off the Rail. Karen Robison provided fresh flower arrangements for all of the tables.

The first meeting of the Elkhart Lake Study Club took place on October 10, 1923. Fourteen charter members, lead by Mrs. Winifred Dorr, formed an organization dedicated to the intellectual improvement of its members and service to the community. A major early project was the purchase and staffing of the first library on East Street in Elkhart Lake in 1929.

The original founders of the Elkhart Lake Study Club were Mrs. Docia Craine, Mrs.

Winifred Dorr, Mrs. Burdie Grashorn, Mrs. Alma Kissinger, Mrs. Adele Laun, Mrs. Meta Lavey, Mrs. Norma Loos, Mrs. Regina Nametz, Mrs. Willard Mefzger, Mrs. Ida Raeder, Mrs. Edith Trotter, Miss Margaret Wittkopp, Mrs. Waleska Zorn, and Miss Adell Schwartz.

With 64 current members, the Study Club continues to be a community-oriented, educational and philanthropic organization whose activities range from volunteers who clean the highway to a scholarship awarded a high school senior each year. Interest groups include a monthly book group, a monthly quilting group (Cutting Edge Quilters), and Burdie Grashorn Memorial Garden maintenance.

Members of the Centennial Committee who arranged the luncheon and other events during the centennial year are Kathleen Barrett, Margaret Busse, Mary Dalhaimer, Pat Dinolfo, Mary Grafenstein, Paula Perrin, Dee Sheehan, Sue Staum, and Leoda Wolf.

The Study Club meets on the first Monday of the month, September through June, at the Grashorn Civic Center. New members are welcome.

The luncheon was a fitting finale to the 100th year and a salute to new beginnings.

Study Club members enjoy a vintage-themed luncheon at the Grashorn Center honoring the Elkhart Lake Study Club's 100th birthday.

Past presidents who were present at the centennial luncheon. **Top left:** Lynne Lauer, Mary Dalhaimer, Pepper Katte. **Bottom left:** Ruth Perry, Karen Grace, Laurelle Lubotsky.

The current officers of the Elkhart Lake Study Club are: **from left:** Deborah Lind, President; Mary Dalhaimer, Ex Officio; Leoda Wolf, Vice President; Carol Zadalis, Treasurer; Karen Calhoun, secretary.

Members of the Centennial Committee are: **from upper left:** Margaret Busse, Kathleen Barrett, Mary Dalhaimer. **Lower left:** Sue Staum, Leoda Wolf, Paula Perrin. (Not pictured: Pat Dinolfo, Mary Grafenstein, Dee Sheehan)

Village of Elkhart Lake Updates

NOVEMBER 2023

TRICK OR TREAT

The Trick or Treat hours have been set for the Village. Trick or Treat hours will be on Sunday, October 29, 2023 from 3:00 pm to 5:00 pm.

2024 BUDGET

The Village Board will hold a public hearing on its 2024 budget on November 20th, 2023 at 5:50 pm. More information will be posted on the budget over the coming weeks. Please watch the posting places and Plymouth Review for the official public hearing notice for the 2024 budget.

YARD WASTE DUMPSTER

The yard waste dumpster is unattended. Please follow the signs about using the dumpster, you are on camera. If you require assistance, we ask that you set up an appointment with the public works department (920-876-2231), so someone can help you. The dumpster is provided at the Village garage from the end of May through the beginning on November. This dumpster is for yard waste only, not lake waste. A truck for large brush or trees can be obtained by calling the Village garage at 920-876-2231.

**GENERAL CAPITAL/
VAN HORN DEVELOPMENT**

General Capital and Van Horn have begun working on the site at 604 S. Lincoln Street. A lot of earthwork has been done in the last month. You may have also noticed that Sohn Manufacturing will be having a new entrance on Highway 67. The earthwork for this project has also begun. We would expect the last of the buildings on the old County property to be demolished in the next month as well. There will be a 50-unit apartment building which is being built by General Capital. There were also be 11 townhouse buildings which will total 70 units which are being developed by Van Horn. If you have questions or comments on the project, please contact Jessica Reilly at 920-876-2122 or clerk@elkhartlakewi.gov or reach out to a Village Board member.

AUTO PAY YOUR WATER BILL

The Village of Elkhart Lake accepts Automatic Clearing House (ACH) payments

for your water/sewer bills. If you are interested in having your water/sewer bill automatically debited from your bank account, please contact the Village at 920-876-2122 or email clerk@elkhartlakewi.gov and we will work to set you up on the program.

WATER & SEWER RATES INCREASING

Water rates will be increasing on October 1, 2023. The rates have not changed since 2015. The water rates will be higher for the 4th quarter billing. Below are the new water rates as approved by the Public Service Commission.

Quarterly Service Charges:

: 5/8 - inch meter:	\$20.23
3 - inch meter:	\$117.07
¾ - inch meter:	\$20.23
4 - inch meter:	\$177.36
1 - inch meter:	\$24.83
6 - inch meter:	\$248.31
1¼ - inch meter:	\$31.92
8 - inch meter:	\$319.26
1½ - inch meter:	\$39.02
10 - inch meter:	\$390.20
2 - inch meter:	\$63.85
12 - inch meter:	\$461.15

Plus Volume Charges:

First 3,000 cubic feet used each quarter:	\$2.18 per 100 cubic feet
Next 17,000 cubic feet used each quarter:	\$1.88 per 100 cubic feet
Next 30,000 cubic feet used each quarter:	\$1.52 per 100 cubic feet
Over 50,000 cubic feet used each quarter:	\$1.17 per 100 cubic feet

Sewer rates will also be increasing. The increase is due to Northern Moraine increasing rates, so in turn we need to increase our rates. These rates will not increase until January 1, 2024. The sewer consumption rates will increase from \$7.15 per 100 cubic feet to \$7.55 per 100 cubic feet. If you have any questions on these rate increases, please contact 920-876-2122.

**WINTER RULES
BEGIN NOVEMBER 15TH**

Winter parking regulations go into effect on November 15th. As a reminder, here is the ordinance.

Parking is allowed overnight in the N. East Street parking lot overnight until 6 am, at that time your vehicle must be moved.

PARKING REGULATIONS

All Night Parking Regulated.

6.04(2) (a) No parking of any motor vehicle shall be permitted on either side of any Village street or in the parking lot north of Square Street between the hours of 2 am. and 6 am, and no parking in the lot on North East Street from 6 am until 9 am commencing the fifteenth (15th) day of November and ending on the first (1st) day of April of every year.

(b) Any vehicle parked in violation of the provisions of this ordinance shall be removed from the streets and stored, and such removal and storage shall be at the expense of the owner of said vehicle.

Vehicles violating this ordinance will be ticketed.

SNOW REMOVAL

Ordinance 10.03 Removing Snow from Sidewalks: residents must clean snow and ice from sidewalks within 14 hours of any snowfall in a 24-hour period.

Snow cannot be blown or plowed onto Village Streets. Residents must also shovel out any hydrants near their home.

SNOW REMOVAL WARNING

As in past years, you will not be notified that snow needs to be removed. If you have not shoveled in the prescribed time, the Village will shovel your walk and bill the property owner. Also, the entire width of the sidewalk must be shoveled. A path is not sufficient and you will be in violation.

**VILLAGE ORDINANCE -
8.32 ANIMAL FECES**

Any person owning or having control of any animal shall clean up the feces of such animal immediately and dispose of it in a sanitary manner when the animal has defecated on the property of another or on public property. Please be aware, the sidewalk, the area between the sidewalk and street (parkway), the street, lake street walkway, and all parks and parking lots are public property!! If you see this happening, you can report it to the police. If you know the owner of the dog, you are able to make a statement to the police and the owner will be cited. Also, if you catch someone on video (doorbell cameras) not picking up animal waste you can turn the video to the police, who can then cite the owner of the animal. Please keep Elkhart Lake clean.

DOG REFUSE STATIONS

The Village has installed Dog Refuse Stations throughout the Village. We have installed two new ones along Victory Lane. These stations will dispense plastic bags to help in the cleanup effort. The dog stations are located at:

- S. End of Walkway
- N. End of Walkway
- Near Village Square Park
- S. Lake Street near Elm St.
- Osthoff Avenue
- Lions Park
- E. Rhine St. near Charlene's
- E. Rhine St. near Two Fish Gallery
- Victory Lane near Cedar Landing
- Victory Lane near Moraine Drive

BUILDING PERMIT REQUIRED

If you are planning a construction project on your home or business, you must apply for a building permit. Permits must be obtained prior to commencement of work. We have had a few people looking to install patios and doing some work and then finding out they cannot have one. We want to prevent this from happening. It is best if you call the Clerk's Office at 920-876-2122 to find out if your project will require a permit. Failure to do so will result in double the permit fees, potentially tearing out of what has been done, and could even result in a fine of up to \$1,000.

EMAIL NOTIFICATION LIST

The Village would like to keep you informed of news and changes that may occur on occasion. We would like your email address. These will be kept confidential. We will remind you of changes in the garbage collection schedule and any other things that come up periodically.

Email Jessica Reilly at jreilly@elkhartlakewi.gov to be added to the list.

Meals for Older Adults Increases in Elkhart Lake Area

Due to an increase in need for fresh meals among older and homebound adults throughout the greater Elkhart Lake area, Fresh Meals On Wheels of Sheboygan County, Inc. (FMOW), is bringing a volunteer connection point to National Exchange Bank in Elkhart Lake.

A Sheboygan courier driver will bring packaged meals, which are plugged into

a warmer, and then transfer the meals to a volunteer at National Exchange Bank on Osthoff Road. The volunteer will then deliver to meal recipients throughout the Elkhart Lake and Glenbeulah areas.

Pre-COVID, a similar arrangement had been made with a local church. But COVID changed FMOW's delivery model for more than three years. "We are so happy to again see more people reaching out for services in the Elkhart Lake area and look forward to connecting with area businesses and community members who may be seeking a joyful way to give back to their neighbors," said Allison Thompson, FMOW CEO.

The route will take less than an hour to deliver while providing about a dozen area residents with a friendly face, a quick safety check and a tasty meal. Meal recipients can select from two meal options every day. More than seven diets and preferences can be accommodated including gluten free, lactose intolerant, low carbohydrate, heart healthy and belly friendly.

FMOW has been delivering meals throughout all of Sheboygan County for 53 years. In the last two years the need for meals has increased by more than 33% and the expense for groceries has increased even greater, to nearly half a million dollars in 2023. The non-profit organization maintains a no-waitlist policy.

If you or someone you know would benefit from homemade, nutrient-dense, fresh meals, please contact FMOW at clientservices@FreshMealsOnWheels.org or call 920-451-7011. Any business or individual interested in adopting a route to deliver weekly/monthly should contact volunteers@FreshMealsOnWheels.org or call 920-451-7011.

Fudgienuckles Joins Chamber

Jake and Cary are thankful for community support

This past August marked 31 years as a family-owned business for Fudgienuckles, with Cary and Jake taking over from Cary's father, Curt, and his wife Wyonne, in 2010.

Offering a family friendly atmosphere, Fudgienuckles is open Tuesday through Sunday at 11:00, and offers daily food and drink specials and an excellent Friday fish fry. Carryout is also available.

Fudgienuckles also hosts many events for the community, including fundraising for the Glenbeulah Fire Department and Paws Up Pet Rescue. Fudgienuckles is also a hot spot for many poker runs, including Gift of Life Bike Ride.

For the kids, Fudgienuckles has breakfast with Santa and Mrs. Claus on December 23rd. This includes a free pancake and sausage breakfast for children under eight, along with free horse-drawn wagon rides and fun for the whole family. Fudgienuckles also hosts breakfast and an egg hunt with the Easter Bunny March 30.

Jake and Cary and their dedicated employees would like to thank the community for their continued support.

New members of the Elkhart Lake Chamber of Commerce, Cary and Jake of Fudgienuckles Family Sports Pub and Grill, are proud to serve, as Jake says, "the best food in beautiful, downtown Glenbeulah" at 133 W. Main Street. Phone: 920-526-3511.

Loose Named LTC Foundation's Executive Director

Lakeshore Technical College has named Christine Loose executive director of the LTC Foundation. She takes on the role previously held by Kristin Liphart, who Lakeshore named vice president of institutional advancement earlier this year.

Loose joined Lakeshore as development officer in April 2023 after retiring from a career with Kohler Co. spanning more than 20 years. She retired as vice president of lodging and wellness for Kohler Co. Hospitality & Real Estate, the division she served since 2009.

Loose brings decades of stewardship and leadership experience to the LTC Foundation. She currently serves on the Sheboygan County United Way board of directors and St. Norbert College board of trustees. Loose previously held community leadership roles with the Sheboygan Chamber of Commerce, LTC Foundation, Sheboygan Service Club, Silver Lake College, and other organizations.

"As one of the nation's premier two-year colleges we continue to attract top talent to support our mission," said Lakeshore President Dr. Paul Carlsen. "We have seen significant growth in our fundraising efforts since 2019, and we look forward to Christine driving even greater growth."

Details about the LTC Foundation and Lakeshore Technical College can be found at gotoltc.edu.

About Lakeshore Technical College

Lakeshore Technical College is a comprehensive community and technical college educating more than 9,000 students annually. Students enroll at Lakeshore to master real-world, employable career skills and

Christine Loose

start their pursuit of a bachelor's degree. Lakeshore faculty and staff are focused on providing each student an individualized learning experience.

Lakeshore Technical College is a nationally recognized two-year college. The college was ranked #2 in the nation by Washington Monthly, #17 in the nation by Forbes, #20 in the nation by WalletHub.com, a top-150 two-year college by the Aspen Institute, a top 10 Bellwether Award finalist four out of the last five years, and named the 2021 Large Business/Industry of the Year by the Chamber of Manitowoc County.

Approximately 800 students graduate from Lakeshore each year, and associate degree graduates report earning a median salary of \$59,899 within six months of graduating. In addition to the Cleveland campus, Lakeshore educates students at learning campuses in downtown Manitowoc and downtown Sheboygan. Classes are also offered at additional sites throughout the district.

Van Horn Terminates Franchise Agreement with Mazda

North-side Sheboygan location remains as a pre-owned auto dealership.

Van Horn Automotive Group has terminated the franchise agreement with Mazda Motor Corporation, effective September 30, 2023. The dealership will remain operational as a retailer and service center for pre-owned vehicles.

Van Horn Mazda of Sheboygan, located at 3512 Wilgus Ave., Sheboygan, WI 53085 is currently owned by Chuck Van Horn, and managed by Van Horn Automotive Group Holdings, LLC. Termination of the Mazda franchise is scheduled for Saturday, September 30, 2023. It will reopen for business on Monday, October 2, 2023 under the name Van Horn Motors of Sheboygan.

This location has been in the Van Horn Family since 1989, when Joe Van Horn and Dan Wieland went into business together. Dan and Joann Wieland operated the dealership as Van Horn Wieland Oldsmobile. Hyundai was added shortly after, and then Mazda more recently. In January of 2020, Van Horn Hyundai of Sheboygan moved to a new facility on Racetrack Road, leaving Mazda as the sole franchise. "The move to sell the franchise back to Mazda was strictly a business decision," said Jeff Niesen, President of Van Horn Automotive Group. "We had early success with this location as a stand-alone Mazda dealership, but the effects of COVID made new Mazda vehicle acquisition very difficult, and the investment to build a new facility

didn't match up with new vehicle sales. We're excited to continue to operate this location as a used car dealership serving Sheboygan and beyond."

All current staff will remain employed at Van Horn Motors of Sheboygan, and very little will change in day-to-day operations. It will continue to operate as a pre-owned auto dealership and full-service repair facility. The only difference

will be that it can no longer perform warranty service on Mazda vehicles, and current customers will need to travel to another Mazda dealership to have warranty work completed.

About Van Horn Automotive Group

Van Horn Automotive Group, Inc. is a family born, employee owned automotive group with headquarters in Plymouth,

Wisconsin. Founded in 1966 by Joe Van Horn as a single Chevrolet dealership, Van Horn Automotive Group has grown to include 16 automotive dealerships, a finance company and a wholesale financial products company. The group employs over 750 people throughout Wisconsin and Iowa. For employment opportunities visit the Careers page at <https://www.vhcars.com/careers/>.

PICK-UP DATE: Tuesday, December 5th
3:00pm-6:00pm

Colors: Red, White, Burgundy and Marble

Mini\$7.00
 Single\$14.00
 Double\$24.00
 Triple\$38.00

THANK YOU for supporting the ELG Music Department!

Warm Poinsettias With Ample Sunlight

This may seem strange due to their holiday connotations, but poinsettias are tropical plants. Provide lots of sunlight — a sunny window with east, west, or southern exposure is best. Also try to keep the temperature between 65 and 70 degrees during the day, keeping in mind that the area around a drafty window can be quite a bit cooler than the rest of the room. If your plant's leaves are touching a cold window, they may drop off. At night, poinsettias like a slightly lower temperature (55 – 60 degrees), but avoid drastic drops in temperatures.

How to Water Poinsettias

Make sure to water the poinsettia whenever the surface of the soil feels dry. Give the plant a good watering, but don't flood or soak it — gravel in the bottom of the pot will help keep the roots dry. If your home is dry during the winter months, a humidifier or plant mister can help your plant stay hydrated.

How to Prevent Leaf Loss

If your plant starts to lose leaves, there are a few likely culprits. Ask yourself these questions: Is the plant resting against a cold window or near a draft? Is it too warm or dry in the room? Is the plant thirsty?

If the leaves wilt, and the soil gets dry to the touch, water your poinsettia right away. But remember: Wilting or dropping leaves can also be a sign of over watering. If the soil is soggy when the leaves fall, you've probably watered too much.

Encouraging Poinsettias to Rebloom

Poinsettias can stay attractive for months. But it's tricky to get them to re-bloom — that is,

unless you live in a subtropical area. Then you can transplant them to your garden in January, and let the natural changes in daylight trigger their color later in the year.

To coax your plant back into bloom, let it dry out gradually starting in April. Water just enough to keep the stem from shriveling, and put the plant in a spot that stays about 60 degrees.

In mid-May, prune the stems to 4 inches high and repot the poinsettia in a slightly larger pot. Move it to a warm location with good light and resume watering. When new growth emerges, fertilize every two weeks with a complete fertilizer.

In July, pinch back the stems. Pinch again in mid-August. Poinsettias need 10 weeks of 12 hours or less of sunlight each day to show color. For Christmas flowers, keep the plant in complete darkness from 5 p.m. to 8 a.m. daily, starting around Oct. 1.

This is too much work for most of us, so don't feel bad if you compost your poinsettia after you've enjoyed it indoors.

Quick facts

- Poinsettias bloom when the days get shorter.
- The colorful "flowers" of poinsettias are actually modified leaves called "bracts."
- Poinsettias grow well in moist soil and temperatures between 65 and 70 degrees F.
- They can be grown outdoors during summer.
