## Easy ways to support small businesses

It's easy to overlook how integral small businesses are to local, national and even global economies. The Small Business Administration and the U.S Census

Bureau indicate small businesses account for 99.7 percent of all American businesses, employing 56.8 million people. Similarly, according to Statistics Canada, local businesses classified as micro or small businesses made up 98.1 percent of all the employers in Canada in 2021.

Since small businesses are the economic engine of many neighborhoods and communities, it's in everyone's best interest to pitch in and ensure such firms' success. Thankfully, it's easy for anyone to support the small businesses that make their communities unique.

- Shop locally and online from small businesses as much as possible. If you cannot shop right away, consider purchasing gift cards to the retailer or service provider and share them as gifts to others.

- Before you immediately go with a well-known chain or e-commerce giant, find out if a local retailer offers the same items you need and shop there.

- Actively discover new brands, check them out, and then spread the word about your findings to

others.

- Share posts from small businesses on social media. It's good exposure for them and can help to widen their customer base.

- Attend special events or promotions hosted by local businesses. Well-attended events may spark others' curiosity.

- Share a quick photo of something you bought at a small business or of a service they provided. For example, if a local landscaping company did a wonderful job putting in a new patio or pavers, share the before and after with those you know.

Communities can embrace various strategies to support the small businesses that make Main Street unique.

# Christmas Open House at John's Country Nursery

Every year as we roll from Fall to Winter, John's Country Nursery kicks off the holiday season with a magical Christmas Open House! This year's festivities are scheduled Nov 17-19. On Friday (9am-5pm), and Sunday (10am-5pm) shopping opportunities will include sales and special MYSTERY discounts. Find a specially wrapped gift box in the store and receive the discount in the gift box. On Saturday, Nov 18th the holiday spirit ramps up as the greenhouse is transformed into a winter wonderland! Mr. & Mrs. Claus will be available for photos (take your own), and cookie decorating with Mrs. Claus. Enjoy music by Harp & Hammer, and watch the Yuletide Train display as it runs through a festive winter village. A Christmas Market will be available with several local crafters

helping you get those perfect Christmas gifts. The Nursery will also be decorated for the holidays, inside and out! Face painting, and balloon artistry by Joyful Arts will be offered, and a complimentary Childrens' craft will also be

available to take home. The fun is not limited to inside... Outside the Holly Jolly Express (barrel train ride) will be taking kids of 'all ages' on rides and visit the 'toy' minis as they get all 'wound' up for the holidays. Visit Dragon's

Head Forge as they share the art of blacksmithing, and make your own iron acorn using a Da Vinci hammer. If you are feeling generous, please consider bringing a new (unwrapped) toy to donate, as we are a stop for Merry Middlefield. The Hambden Grange will also be cooking up some goodies to make this the perfect holiday stop for the entire family.

## LaVera Party Center Built on Tradition

In 1952, Larry and Vera Gaudio, our Grandparents and the founders of La-Vera Party Center, started a catering business. With that came the traditions of homemade Italian cooking. They used only the finest ingredients to prepare each item off their menu. Three generations later, we still follow those same recipes.

La-Vera Party Center is a spacious and newly remodeled two-room banquet and conference facility that customizes each event to the needs of our guests. Our facility can accommodate events ranging from 100-720 guests. Functions we regularly host include weddings, proms, bar and bat mitzvahs, anniversary parties, luncheons, holiday company parties, sales rallies, seminars,

and fund raisers.

We are blessed to have such a great community that will always support local small businesses. As such, La-Vera is trying to make life a little easier. We are now offering a new curbside family meal pickup program. We will offer this service every Monday, Wednesday & Friday and our menus will change accordingly. Our daily meal option will include a protein, starch and vegetable and will be good for 4-6 people and will cost somewhere in the neighborhood of \$36-\$40. We are also offering curbside takeout Thanksgiving dinner options!
