# LET YOUR EQUITY SHINE

## Home Equity Lines of Credit

# 3.49% APR\*

for the first 12 months

Let your home stand tall & shine this fall – with a line of credit through HRCU.

\*APR = Annual Percentage Rate. Home Equity Lines of Credit (HELOCs) feature a variable interest rate and are limited to an 80% loan-to-value (LTV). The interest rate adjusts on a semi-annual basis in January and July each year based on the Prime Rate. The interest rate applied cannot increase or decrease more than 2.5% at each potential adjustment. The minimum APR is 4.00% and the maximum rate can never exceed 18.00%. The minimum HELOC loan amount is \$10,000 and the minimum advance amount is \$500. Monthly payment may vary. HELOC makes of final rate determinations based on applicant's credit score, debt ratio, etc. See the Credit & Security Agreements available at HRCU.

READER'S Recipe

FRENCH BREAD

2 pkgs. Fleischman's yeast	2 Tbsp. sugar
1 tsp. sugar	2-1/2 tsp. salt
1/4 c. warm water	2 c. boiling water
2 Tbsp. Crisco	6 c. Gold Medal flour

Place yeast in measuring cup. Sprinkle with 1 teaspoon sugar. Add water. Let stand 5 minutes or until yeast is dissolved. Place shortening, sugar and salt in large mixing bowl. Add boiling water. Cool to lukewarm. Combine yeast and shortening mixtures. Blend thoroughly. Add half of the flour. Beat until smooth. (Reserve 1/4 cup of flour for kneading.) Add remaining flour to dough. Remove to floured board. Cover and let stand for 10 minutes. Remove cover and knead for 12 minutes. Place in well-oiled bowl. Cover and let rise in warm place about 1-1/2 hours or until double in bulk. Punch down and let rise again. Remove to bread board and form 2 balls. Cover and let rest for 10 minutes. Remove cover and roll each ball in 13x9 inch rectangle. Begin with wide side and roll each rectangle tightly toward you. Seal edges by pinching together. Form 16 inch loaves with tapered ends. Place on baking sheet. Cut slashes 1/4 inch deep in loaves at 2 inch intervals. Brush tops and sides with beaten egg. Let stand in warm place until double in bulk. Bake in moderate oven (400°) for 25 to 30 minutes. (Keep a large shallow pan of boiling water on the bottom of the oven while baking. This helps to give a delicious crusty brown loaf.) Remove from baking sheet and place on cooling rack.

# What is A Town?

## A town is a group of people.

- It is a school.
- It is a city government.
- It is churches.
- It is industry and jobs.
- It is retail businesses.

**They all have to work together. All must have the support of the people or there is no town.**

Give your local merchant a chance for your business and the first opportunity to make the sale. The local retailer pays the highest percentage of local taxes. They are the ones contacted first for contributions to charitable projects. They provide jobs.

Without their store, you have no town.

## GIVE THE LOCAL MERCHANT A FAIR SHAKE.
