What is A Town?

A town is a group of people.

It is a school.

It is a city government.

It is churches.

It is industry and jobs.

It is retail businesses.

They all have to work together. All must have the support of the people or there is no town.

Give your local merchant a chance for your business and the first opportunity to make the sale. The local retailer pays the highest percentage of local taxes. They are the ones contacted first for contributions to charitable projects. They provide jobs.

Without their store you have no town.

**Thank you, God, for everything, the big things and the small.
For "every good gift comes from God"... the giver of them all.
And all too often we accept, without any thanks or praise,
The gifts God sends as blessings, each day in many ways.
And so at this Thanksgiving Time, we offer up a prayer...
To thank you, God, for giving us a lot more than our share.**

**First, thank you for the little things that often come our way,
The things we take for granted but don't mention when we pray,
The unexpected courtesy, the thoughtful, kindly deed,
A hand reached out to help us in the time of sudden need.
Oh, make us more aware, dear God, of little daily graces
That come to us with "sweet surprise"
From never-dreamed-of places.**

**Then, thank you for the "Miracles" we are much too blind to see,
And give us new awareness of our many gifts from Thee,
And help us to remember that the Key of Life and Living
Is to make each prayer a Prayer of Thanks
And every day Thanksgiving**

I Don't Need To Advertise

You're Right... There is a time **NOT** to advertise, when...

1. You have no competition.
2. You have all the business in town.
3. There are no new people moving into your area.
4. You want to keep your large inventory.
5. You have more business than you can handle.
6. The birth rate is zero.
7. You have more than enough friends that shop your business, keeping you far too busy.
8. You've netted your third million (after taxes).
9. You have no desire to work hard.
10. You would have to hire more people to handle the additional business advertising brings.

The time to start advertising is...

When you don't agree with all the above.

The place to start advertising is...

The one that has a combined circulation of 71,500 homes.
