The Role of Our Local Library and the Need for Your Continued Support

Modern public libraries, local or municipal, offering free library services to the public and supported by tax money date back at least to the mid-1800s. Since their inception, they were conceived as part of the nation's broader educational movement, and it was precisely their educational function that provided the main justification for public support. Initially, libraries contributed to improving the general well-being of their communities by aiding in literacy development, making reading materials available not only to school children, but also to adults in the community.

Today, libraries offer much more than books. The resources offered include newspapers, magazines, movies, games, electronic and audio materials, puzzles, parks and museums passes, etc. Spanish language materials are available as well. In addition, libraries also provide children and adult programming, lectures, a place to gather, assistance with tax preparation, technology tutoring, social assistance information, English as a Second Language resources, assistance, and interpretation, and many other services.

In short, we are a community center committed to building strong ties by sharing resources and efforts in a sustainable way to promote a collaborative, healthy, and informed citizenry. Please support us to carry on this important work.

CALL 811: We work diligently to meet the needs of our communities while keeping everyone safe. However, every year, there are dozens of incidents involving third-party damage to our underground natural gas and electric facilities. These incidents can put people's lives in danger, are costly and can interrupt essential utility services. If you're planning an outdoor project that involves digging, please be sure to call 811 to have all underground utilities marked. The marking service is free, and requesting it is only a phone call away. You can also enter a request for this free service online. Contact Dig Safely New York by calling 811 or entering a ticket online at least two (but not more than 10) working days before you start your digging project. Remember, it's free, it's easy, and it's the law!

Holiday Memorials

The Christmas Season can be one of the happiest times of the year. Yet it can also be a difficult one too as the holidays tend to stir memories of loved ones who have passed before us. As a way of remembering those we have lost, the Mount Morris Shopper will sponsor its annual holiday memorial pages in the **Sunday, December 24th** edition.

... Here's Why You Should Always Sleep With the Door Closed ...

Did you know that a simple action can help increase your safety in the event of a fire? Closing your bedroom door at night may not seem like it would make a big difference, but studies show it does. Fire Safety is always a concern, so we're sharing some tips to help you and your family practice fire safety. Watch this Youtube video to see how quickly a fire can grow and how drastic the difference is when the door is left open.
