Building Stronger Communities

Through positive stories

Consuming angry, sad, and negative news can make readers feel overwhelmed and helpless. We want to remember there are still uplifting people to meet and positive stories to tell.

There's Good News out there! We want to shine a light on people, businesses, and events that uplift the community. We are looking for businesses like you that care about our local people.

Good News is...

- Exclusively local
- Only positive
- Exceptional quality

The Value of Good News

Good News Magazine not only lets you reach your audience directly, it's also a way to build brand recognition and positive associations over time. Placing your ad alongside engaging, positive stories means it's much more likely to be seen and well received.

Our beautiful design and community focus result in a premium publication that readers keep in their home for long periods of time — leading to more views of your ad.

IN-HOME DELIVERY

Your ad goes to proven buyers. We only mail to families with both money and/or interest.

LOCAL AUDIENCES

Your message reaches fans of the magazine. Local readers suggest more than 90% of the stories we tell.

LONG SHELF LIFE

Readers look at your ad over and over again. 60% of readers keep every issue for more than 60 days.

ADVERTISE CONSISTENTLY

People need to see an ad many times before buying. Your ad stays in front of readers every month.

POWER OF PRINT

Social media is drowning in negativity. Readers notice your ad as they crave the good ol' days.

POSITIVE ASSOCIATION

Your ad lives with positive and 'viral' content. Readers fall in love with their town and your business.

What our readers say

Our readers told us why you should advertise in Good News

“I am exposed to more advertisers in Good News than in any other publication that I have seen in this area.”

“Great magazine for shopping and eating LOCAL! Thank you for publishing useful information on our little community.”

“This magazine allows owners to share what is closest to their hearts while showcasing their products. Plus the customer service Good News offers is outstanding. The magazine is very well put together, well polished, neat, and very inviting. I look forward to each one!”

“The content of the magazine is wholesome and seems to support a good cause. It is much preferable to other advertising sources because it seems to build up the community, rather than solely profit from it.”

“Good News is a great magazine, and it is delivered to many people, probably more than the local newspaper. I look all the way through and read most of it. It is the best place to advertise.”
