Tips For Baking Better Christmas Cookies

Cookies and other baked treats are everywhere come the holiday season. It's not uncommon to give cookies as gifts or arrive at holiday gatherings with cakes and other decadent desserts. Cookies are a classic holiday treat, and some families even build entire traditions around baking Christmas cookies. Novice bakers making cookies for the first time may be a little overwhelmed when perusing recipes. Baking is a science, and sometimes it takes practice to get the results just right. However, there are some tips that can help yield better, but-tery boun-ties.

Handle butter with care
Butter can make or break a cookie recipe, as butter is often the glue that holds the cookie together. Therefore, it is key to follow the directions carefully regarding how to handle butter. Smithsonian.com says to leave butter at room temperature for 30 to 60 minutes to properly soften it. This takes patience, but fiddling with butter too much can damage its delectable integrity. While purists may say butter is best, margarine may be acceptable if it has a high fat content; otherwise, cookies may spread out and flatten. When it comes time to cream the butter with sugar, be sure to do so thoroughly to incorporate air into the butter and remove

ANNOUNCEMENTS

Replace your roof with the best looking and longest lasting material, steel from Erie Metal Roofs! Three styles and multiple colors available. Guaranteed to last a lifetime! Limited Time Offer – 50% off Installation + Additional 10% off install (for military, health workers & 1st responders.) Call Erie Metal Roofs: 1-855-338-4807 (*232052).

the grainy texture of the sugar. **Measure flour properly**
Measuring flour the right way can ensure cookies come out right. The Cooking Channel says to spoon the flour lightly into a dry measuring cup, then level it off with a knife. Do not dip the measuring cup into the flour or tap the knife against the cup. This will pack too much flour into the measuring cup and result in dry, tough cookies.

Slow down the eggs
Add eggs one at a time to make sure each will emulsify properly with the fat in the butter. Adding eggs en masse may cause the emulsification to fail.

Chill out
Follow recipes that call for chilling cookie dough carefully. This process is important for making sliced and shaped cookies. By chilling, the dough becomes more malleable for rolling and even slicing.

Use a bottom rack
Too much heat may compromise cookie integrity. The food experts at Delish say to try moving cookies onto a lower rack in the oven if they aren't retaining their shape when baked. Put an empty cookie sheet on the top rack. That will block the cookies from the most intense heat that rises to the top of the oven. Mastering cookies takes a little patience and some trial and error. Once bakers get their feet wet, Christmas-cookie-baking becomes even more special.

Tear Sheets Will Not Be Sent To You For Your Classified Ad.

READER'S **Recipe**

SWEDISH SPRITZ COOKIES

- 1 cup butter (no substitutes), softened
- 2/3 cup sugar
- 1 egg
- 1/2 teaspoon almond extract
- 1/2 teaspoon vanilla extract
- 2-1/4 cups all-purpose flour
- 1 teaspoon baking powder

In a mixing bowl, cream butter and sugar until light and fluffy. Beat in egg and extracts. Combine the flour and baking powder; gradually add to the creamed mixture. Using a cookie press fitted with disk of your choice, press dough into desired shapes 1 in. apart on ungreased baking sheets. Bake at 400° for 7-9 minutes or until edges are firm and lightly browned. Remove to wire racks to cool. Frost as desired.

Send your recipes to: The Windsor Press, Inc.

YOU CAN CALL, FAX OR EMAIL US ANYTIME
Family owned and independent since 1958
WE ARE HERE TO SERVE YOU!

The Windsor Press, Incorporated, publishers of the Northern Berks Merchandiser and East Penn Valley Merchandiser, reserves the right to review all material submitted for publication, and to reject any material, in whole or part, which The Windsor Press, Incorporated, in its sole opinion, deems inappropriate for publication.

We assume no financial responsibility for any typographical errors in any advertisement, but will reprint that portion of an ad in which an error occurs.

The closing time for both the Northern Berks Merchandiser and the East Penn Valley Merchandiser "classified advertisement" and the East Penn Valley "display advertisement" is Thursday at 4:00 p.m. of the week prior to publication; the Northern Berks display advertisement is Friday noon. Any deviation from this will be published in both papers.
