**NEW! CNC Machining:
FANUC Simulator Training**

We're thrilled to introduce our FANUC CNC Simulators. These bring the world of CNC right into the classroom, allowing you to get up close and personal with FANUC CNC controls without needing a full machine. You'll become intimately familiar with navigating the FANUC control, setup work and tool offsets, macros and basic G and M code programming. This real-world experience will set you up for success in modern manufacturing industries.

Upon completing this course, you'll be well-prepared to embark on a fulfilling career in CNC machining, programming, or related fields. You'll play a crucial role in the ever-evolving world of precision manufacturing. Start your career with a competitive salary ranging from \$18-\$20 per hour. As you gain hands-on experience and expertise, watch your earnings soar to \$23 - \$30 per hour or more.
