PRAYER TO THE HOLY SPIRIT: Holy Spirit, You who makes me see everything and who shows me the way to reach my ideal; You who gives me the divine gift to forgive and forget the wrong that is done to me; and You who are in all instances of my life with me; I, in this short dialogue, want to thank You for everything and confirm once more that I never want to be separated from You no matter how great material desires may be. I want to be with You and my loved ones in perpetual glory. Amen. Thank You for Your love towards me and my loved ones. A person must pray this prayer 3 consecutive days without asking your wish. After the third day, your wish will be granted no matter how difficult it may be. Then promise to publish this dialogue as soon as your favor has been granted. G. S.

Board of Elections Announces “I Voted” Sticker Contest

The Livingston County Board of Elections (BoE) is launching the County’s first “I Voted” sticker design contest, a new initiative for Livingston County students aimed at promoting and increasing participation in local elections.

The BoE is asking students in 5th-12th grades to create a unique logo design that includes the words “I voted.” BoE officials will print the winning entry on circular two-inch stickers given out at polling sites on election days and also use the design for digital graphics promoting upcoming elections. The contest begins this Monday, January 15, and all submissions are due to the BoE by March 29, 2024.

“Our aim is to give young folks in our community a creative platform for civic engagement,” said Livingston County Board of Elections Commissioner Gary Nageldinger. “Involving our youth in the democratic process from an early age is important for shaping future engaged citizens. We’re very excited to offer this contest to our students and see their creativity on display during the next election.”

Students or their teachers may submit finished artwork in photo, PDF, PNG, JPG or JPEG file formats to election@co.livingston.ny.us before the deadline. The BoE will select the top five entries and place them on their website for a final public vote during the month of April 2024. The winning design will appear on election-related materials until the November 2025 general election when a new design will be chosen in the next “I Voted” Sticker design contest.

For information on the contest visit the Board of Elections website, or call 585-243-7090.

New Director of Leisure Time Activities

Peter Donlon

New Director of
Leisure Time Activities

The Livingston County Center for Nursing and Rehabilitation (LCCNR) has named Peter Donlon as the facility's new Director of Leisure Time Activities.

Donlon comes to the County from Elm Manor Nursing and Rehabilitation Center in Canandaigua, where he served as an activities director. He joins the LCCNR with a robust background in developing and implementing effective programs for rehabilitation patients and long-term residents. Donlon looks forward to using the skills honed in his previous positions to offer varied and engaging activities for residents of the LCCNR.

"I'm planning for my team to work and communicate directly with our residents to find exactly what they find most engaging, meaningful, and fun," explained Donlon.

"We'll use this information to build a program centered around our residents and ensure plenty of opportunities for feedback so that we can remain flexible to changing resident needs and interests. We're seeking new ideas and opportunities so that residents feel heard, are engaged within LCCNR and the larger community, and, most importantly, are having fun."

A graduate of SUNY Geneseo with a bachelor's degree in Communication specializing in interpersonal and professional communications, Donlon's educational background aligns well with his goals for a resident-driven activities program. He looks forward to introducing new experiences that also meet the diverse needs of LCCNR residents.

In his free time, Donlon enjoys spending time with his wife and three children. He also likes studying history, participating in trivia nights, and playing games of any kind.

Learn more about various programs, outpatient services, career and volunteer opportunities, support services and more by visiting the Center for Nursing and Rehabilitation's website or calling (585) 243-7200.
