Why I Volunteer for Glacial Lakes Conservancy

By Karla and Dave Krueger

My husband Dave and I discovered Glacial Lakes Conservancy through the 2019 Land Trust Days. After enjoying a couple of events and learning more about conservation, we wondered how we could be a little part of the good things happening at GLC to support their mission for future generations. We started by volunteering. What could be better than spending time outside doing things that really matter, working with and learning from knowledgeable people whose passion for plants, animals, and the land is demonstrated time and time again? Over the years, we've done everything from planting trees, discouraging invasive plants, trapping turtles, counting amphibians, and helping to restore the Willow Creek bed habitat, to organizing events and decorating tables at fund raising parties using

local plants and natural wonders.

The staff at GLC work tirelessly to protect and preserve the unique and delicate ecosystems of the Glacial Lakes region, and volunteering provides us with a sense of personal fulfillment and a feeling of contributing to the greater good. Knowing that our contributions directly impact the protection of natural habitats and the species that call them home is immensely gratifying. It reinforces the belief that every small effort can make a big difference to our plant and animal friends and the future of our natural world.

Grace Lutheran Church Gift Giving Tree

Grace Lutheran Church members would like to say Thank You to the communities of Elkhart Lake and Glenbeulah for their continued support of those in need especially during the Christmas season. With the help of Off The Rail Cafe, Vintage Elkhart Lake, National

Exchange Bank & Trust, Cleveland State Bank and Grace Lutheran Church and many private individuals, they received enough donations to provide 16 families with gift cards and 16 families with gas cards

75th Anniversary Milestone Steffes Builders, Inc.

Steffes Builders has reached a milestone to be proud of: the local, custom homebuilding business is celebrating 75 years.

Located at W402 River Ln. St. Cloud, Steffes Builders was founded by Roland Steffes in 1949. Through the years of building custom homes, the family-owned and run company is currently owned and operated by Charles Steffes following the recent retirement of his brothers Jerrold, Jerome and Allen.

The members of the Steffes Builders team are also dedicated to hard work and quality. Having built hundreds of homes in over five counties, their goal is to exceed expectations through diligent work in order to deliver value for their services while bringing their clients' designs to life.

Like many things in life that have changed

over the years regarding technology advancements, construction has also faced a number of changes. Some of those changes include engineered lumber, advanced insulation techniques, low-maintenance material, green technologies and improved mechanicals just to name a few. The contractors have stayed current on the technology advances, while also still remaining true to proven methods for best results when servicing their clients.

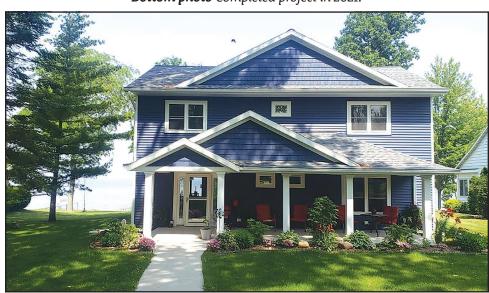

Whether clients are first-time home buyers to clients looking to renovate their current homes, Steffes Builders has an array of services and homestyles within their repertoire. Services include general contracting, architectural drawings, handicap installation and accessible cabinetry, along with other services that can be found at their website, www. steffesbuilders.com. Home styles that are included in Steffes Builders' list range from ranch and townhomes to victorian, split-level, lake homes and vacation homes.

Other items that the Steffes Builders team have experience with include additions, decks and porches, foundations, design services and many others. On the Steffes Builders website, a gallery is available to view past projects that were completed by the homebuilding business.

Those interested in utilizing the skills and experience Steffes Builders has to offer can call 920-999-2091 or email at steffesbuilders@charter.net.

LTC & Western Governors University Announce New Transfer Agreement

LAKESHORE TECHNICAL COLLEGE

Lakeshore students and employees gain another option to earn their bachelor's or master's degrees.

Lakeshore Technical College and Western Governors University announced a new agreement providing Lakeshore graduates and employees with a new affordable pathway to earning their bachelor's or master's degrees. Under terms of the agreement, students graduating with associate degrees from 10 different Lakeshore programs can now seamlessly transfer their credits to WGU. They, along with all Lakeshore graduates or employees, may also apply for the Community College Partner Scholarship, valued at up to \$2,500 each.

"Lakeshore is excited about this opportunity which expands higher education opportunities for our graduates and employees, and will help satisfy local workforce needs," said Lakeshore President Dr. Paul Carlsen. "This agreement provides another option for those completing their degree while continuing to work part time or full time. We appreciate WGU partnering with us to provide this flexible and affordable option."

Lakeshore Technical College is a comprehensive community and technical college educating more than 9,000 students annually. More than 70 programs are offered and approximately 800 students graduate each year. In addition to its Cleveland campus, Lakeshore has learning campuses in downtown Manitowoc and downtown Sheboygan.

WGU is a nonprofit, fully online university delivering instruction for more than 80 undergraduate and graduate degree programs in the fields of business, K-12 teacher education, information technology, and health professions including nursing. Instruction is delivered through a competency-based education model. The model, also in use at Lakeshore, allows students to use prior education and work-based experience to move through courses at their own pace and graduate quicker.

"We are pleased to provide continuing education options to graduating students and staff of Lakeshore Technical College," said Dr. Terrance Hopson, Regional Vice President of Western Governors University. "WGU values the important role community colleges play in upskilling the workforce and is pleased to offer an affordable and flexible pathway for

thousands of Lakeshore area residents who need postsecondary education and training to advance their careers and improve their lives."

For more information on the partnership between Lakeshore and WGU, visit gotoltc.edu

About Lakeshore Technical College

Lakeshore Technical College is a comprehensive community and technical college educating more than 9,000 students annually. Students enroll at Lakeshore to master real-world, employable career skills and start their pursuit of a bachelor's degree. Lakeshore faculty and staff are focused on providing each student an individualized learning experience.

Lakeshore Technical College is a nationally recognized two-year college. The college was ranked #2 in the nation by Washington Monthly, #17 in the nation by Forbes, #20 in the nation by WalletHub.com, a top-150 two-year college by the Aspen Institute, a top 10 Bellwether Award finalist five out of the last six years, and named the 2021 Large Business/Industry of the Year by the Chamber of Manitowoc County.

Approximately 800 students graduate from Lakeshore each year, and associate degree graduates report earning a median salary of \$59,899 within six months of graduating. In addition to the Cleveland campus, Lakeshore educates students at learning campuses in downtown Manitowoc and downtown Sheboygan. Classes are also offered at additional sites throughout the district. Visit Lakeshore at gotoltc.edu

About Western Governors University

Established in 1997 by 19 U.S. governors with a mission to expand access to highquality, affordable higher education, online, nonprofit WGU now serves more than 165,000 students nationwide and has more than 345,000 graduates in all 50 states. Driving innovation as the nation's leading competency-based university, WGU has been recognized by the White House, state leaders, employers and students as a model that works in postsecondary education. In less than 30 years, the university has become a leading influence in changing the lives of individuals and families, and preparing the workforce needed in today's rapidly evolving economy. WGU is accredited by the Northwest Commission on Colleges and Universities, has been named one of Fast Company's Most Innovative Companies, and has been featured on NPR, NBC Nightly News and CNN and in The New York Times. #1 Practical Nursing Program in Wisconsin

According to PracticalNursing.org, which analyzed all practical nursing programs in the state, the practical nursing program at Lakeshore Technical College is the best in Wisconsin. Lakeshore received a perfect score of 100 based on an analysis of first-time licensing exam pass rates over the last three years, the number of students taking the exam, and the number of years pass rate data was available.

"This top ranking was earned by our dedicated, hardworking students and instructors," said Lakeshore President Dr. Paul Carlsen. "We are extremely proud to provide our community with the highly qualified graduates needed to help fill the growing demand for licensed practical nurses, as well as other nursing professionals."

To become an LPN in Wisconsin, individuals must complete a state-approved practical nursing program and pass the required National Council Licensure Examination for Practical Nurses. According to PracticalNursing. org, the average statewide NCLEX-PN

pass rate in 2022 was 92.3%. Lakeshore's pass rate was 100%.

The Board of Commissioners for the Accreditation Commission for Education in Nursing (ACEN) granted continuing accreditation to Lakeshore's practical nursing program earlier this year. At that time, the ACEN board recognized the NCLEX-PN pass rate among the college's practical nursing graduates as an "outstanding achievement."

2024 Elkhart Lake Travel Guide

By Kathleen Eickhoff, Elkhart Lake Tourism

There are many reasons people from around the globe are drawn to Elkhart Lake; the naturally beautiful setting, the small-town charm, and lively lake vibes are at the top of the list. When you layer on the genuine welcoming spirit of our residents and our locally owned businesses it's easy to see why Elkhart Lake

offers a quintessential vacation experience people long for.

This is why Elkhart Lake Tourism is excited to unveil the new Travel Guide every year. It's truly a labor of love for Creative Advertising Coordinator, Laura Ebbers, creating a fresh new design with the most up-to-date business

information, and a carefully curated collection of fresh Elkhart Lake images and perspectives.

In addition to our beautiful landscapes, the 2024 Travel Guide highlights the shared community values we hold dear. Preserving our small-town charm along with the lush natural surroundings has Lake to join us in being mindful with how we live, work, and play in our beloved resort village. We encourage our visitor and residents to join us in a communitywide mission called The Elkhart Way. This initiative encourages responsible stewardship of our public trails, cedar tree-lined shores, and most certainly the crystal-clear waters of our lake-the jewel

of our destination. It's also about slowing our pace and being intentional with our time. We encourage everyone to dive deep into the rich and interesting history

and discover the hidden gems in our vibrant resort community. We also know connecting with our residents

> and business owners is part of the Elkhart Experience.

Insider advice on the best spot to catch fish or a favorite dish will always be shared with genuine passion and enthusiasm.

It's all about

taking time to embrace the beauty of "community", our community, it's living The Elkhart Way.

Stop by the Welcome Center at 41 E. Rhine St. for your copy of the 2024 Elkhart Lake Travel Guide. It's also available at businesses throughout the Village.

Cedar Community Selects Buyer for Elkhart Lake Campus

Matter Development, together with its senior living operations partner Koru Health, proudly announces the successful acquisition of Cedar Community's Elkhart Lake assisted and independent living campuses – known as Cedar Bay and Cedar Landing. This strategic move signifies the companies' dedication to expanding their presence into Sheboygan County. In July of last year, Matter Development also received approval from the City of Sheboygan, alongside Froedtert Health, to develop a 187-unit senior living campus next to a new \$70M Froedtert community hospital.

Cedar Community, with a rich history dating back to 1953, has been a provider of award-winning care and services for seniors aged 55 and better in Elkhart Lake since 2007. Nicole Pretre, Chief Executive Officer of Cedar Community, remarked, "After many months of thoughtful consideration and deliberation, our board of directors and executive leadership team concluded that campus-based services and resident engagement activities would be increased by partnering with Matter Development, an organization who not only shares our values and commitment to quality, but who is also growing its footprint in the local community."

Matter Development focuses on developing and revitalizing purposeful, lifestyle-forward, highly connected, and active housing. "While this acquisition is our first venture into Sheboygan County,

care, vibrant communities, and a future filled with exciting possibilities," said Matter Development CEO, Aaron Matter.

it's just the beginning. We're proud to Matter Development has a successful carry on the legacy Cedar Community set for this campus, and we are committed to making a lasting impact on the residents and the community through exceptional

track record of developing, acquiring, and transitioning several other senior living communities alongside highly rated senior living operator, Koru Health. Koru Health will oversee daily operations at the Elkhart Lake campuses, leveraging their expertise from managing over a dozen senior living communities in Wisconsin and Minnesota. Koru Health was recently recognized by BizTimes Media as a Future 50 company, and the 3rd fastest growing company in the region.

Andy Lange, President and Founder of Koru Health, stated, "This strategic partnership with Matter Development is one of many, and signifies a meaningful milestone for Koru Health. We are excited to bring our expertise in operating senior living communities to Elkhart Lake, and we look forward to enhancing the quality of life for residents at Cedar Bay and Cedar Landing."

Cedar Community CEO Nicole Pretre affirmed, "Ultimately, this transition marks the ongoing pursuit of intentional and thoughtful efforts to provide services that are excellent in their mission-driven, resident-focus. Aligning with Matter Development and Koru Health provides an extraordinary opportunity to ensure that our friends and neighbors in Elkhart Lake are served well in the years to come."

Sheboygan County Addresses Shortage and **Supports Workforce** Growth

The Sheboygan County Economic Development Corporation (SCEDC) and Forward Fund are thrilled to announce that homes in the Founders' Pointe subdivision are now available for purchase. Recognizing the housing shortage in Sheboygan County and throughout Wisconsin, the SCEDC has taken proactive steps to address this issue by facilitating the development of new neighborhoods across the county.

The first project is the fifty-four home Founders' Pointe subdivision, which offers an exciting opportunity for individuals and families to secure quality housing and become part of the vibrant Sheboygan County community. The initial four homes are now available for purchase. Moving forward, interested buyers can expect approximately four (4) homes to be released for sale each month.

Located just minutes away from key amenities such as quality schools and major employers, the homes in Founders' Pointe offer a perfect blend of comfort, convenience, and community. These homes not only meet the immediate housing needs but also will contribute to filling the over 2,000 open high-paying production positions available in the County.

"We are thrilled to announce homes are ready for sale in Founders' Pointe subdivision along with the City of Sheboygan Falls providing up to a \$65,000 down payment program to support home ownership in this subdivision," said Brian Doudna, Executive Director of the SCEDC. "This and future developments

will provide entry-level housing options for those seeking to move into the county while enjoying high wages, low cost of living and the incredible amenities found in Sheboygan County."

Due to the anticipated demand and to accomplish the mission of the housing initiative, the SCEDC will implement a Home Buyer Selection Process based on various factors. Prospective buyers must be certified by a lender for mortgage approval to be eligible to purchase a home in Founders' Pointe. Detailed information regarding eligibility, home deed restrictions, financing options, and lender information can be found on someplacebetter.org/homes.

For those interested in learning more about Founders' Pointe or staying up to date on the release of future homes for purchase, please visit someplacebetter. org/homes. Be sure to sign up for the newsletter to receive updates and be among the first to know.

The Sheboygan County Economic Development Corporation (SCEDC) is a public-private partnership leading economic, community, and workforce development efforts in Sheboygan County to improve the well-being and longterm prosperity of businesses, residents, and communities. Through technical assistance, the SCEDC leverages a variety of tools to encourage business growth, startups, investment, skill development, and talent attraction. By applying the appropriate resources, the SCEDC helps fulfill Sheboygan County's growing economic and business needs.

Shine a Light of Love in Our Community

...love that comes from acts of kindness

Dear Valentine, we invite you to join ElkhartCares in spreading genuine love and kindness, making Elkhart Lake an even better place for everyone.

ElkhartCares is a local non-profit organization that assists individuals in need in our Elkhart Lake-Glenbeulah community. With a neighbors-helping-neighbors approach, donations go towards offering such opportunities as summer reading programs, grants for school projects, scholarships for students in need, and support for essential needs of struggling children and families. ElkhartCares is a 501(c)3 organization, and all donations are tax-deductible.

If you are moved to join hands with ElkhartCares by offering your support during this season of love:

Please consider making a donation through our website

1000 BOOKS BEFORE KINDERGARTEN

We have our first reading star of

2024! Jordan Schmitt completed the 1000 Books before Kindergarten program at ELPL. The 1000 Books before Kindergarten program encourages parents to read to their preschool children. Reading together develops important pre-reading skills - a key to school and learning success. Each child receives a sheet to record the books that have been read to them. At each 100 books read the child receives a sticker and places a star on the 1000 Books before Kindergarten display. When completed, the child receives a prize and a trophy. A large star with the child's name is displayed in the library.

Semi Crashes into Cal & Gus Motors

The driver of a semi ran a stop sign on Highway 67 in Elkhart Lake on Wednesday morning, Jan. 10, before striking a vehicle and becoming lodged in a business. Two other parked vehicles were also struck. The wreck happened shortly before 11 a.m. Wednesday. Officials say the driver of the semi was not injured. However, the driver and two juveniles in the vehicle that was hit were hurt. They were taken to a hospital for treatment.

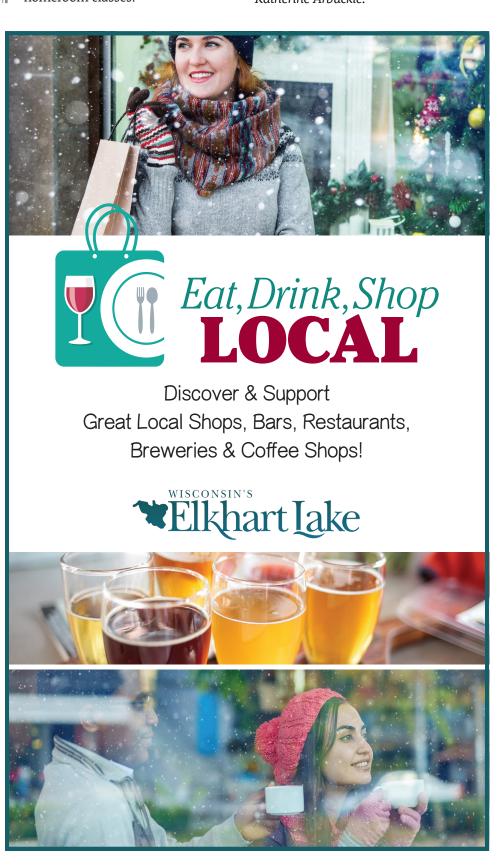

Elkhart Lake-Glenbeulah Middle School Spelling Bee

On Wednesday, January 10th, the Elkhart Lake-Glenbeulah Middle School held their annual Scripps National Spelling Bee contest. This year's bee was again held in the middle school gym and was live streamed on the school's Youtube channel. Big thanks to our technology department as we were able to once again live stream the bee to all classrooms and families watching from home. Congratulations to Jocelyn Fogarty, a 7th grade student from Mrs. Roth's homeroom class who was the school's champion in Round 22 with the word "malnutrition". Our first runner up was Katherine Arbuckle, a 7th grade student in Mrs. Well's class; and the second runner up was Delia Dolezal, an 8th grade student in Mr. Kracht's class. Great job to all who qualified and participated. Jocelyn will represent Elkhart Lake-Glenbeulah at the National Scripps Regional Bee on February 1, 2024 which will be held at Acuity Insurance in Sheboygan with the winner going on to participate in the state spelling bee. Congratulations, once again, to all students who represented their homeroom classes!

Center: ELGS Spelling Champion, Jocelyn Fogarty on the left with first runner up, Katherine Arbuckle.

Please be aware, the sidewalk, the area between the sidewalk and street (parkway), the street, lake street walkway, and all parks and parking lots are public property!!

WINTER RULES BEGIN NOVEMBER 15TH

Winter parking regulations go into effect on November 15th. As a reminder, here is the ordinance

Parking is allowed overnight in the N. East Street parking lot and the Square parking lot overnight until 8 am, at that time your vehicle must be moved so we can plow the lot.

PARKING REGULATIONS

All Night Parking Regulated.

6.04(2) (a) No parking of any motor vehicle shall be permitted on either side of any Village street between the hours of 2 am. and 6 am, and no parking in the Square Street and N. East Street peaking lots from 8 am until 10 am commencing the fifteenth (15th) day of November and ending on the first (1st) day of April of every year.

(b) Any vehicle parked in violation of the provisions of this ordinance shall be removed from the streets and stored, and such removal and storage shall be at the expense of the owner of said vehicle.

Vehicles violating this ordinance will be ticketed.

SNOW REMOVAL WARNING

As in past years, you will not be notified that snow needs to be removed. If you have not shoveled in the prescribed time, the Village will shovel your walk and bill the property owner. Also, the entire width of the sidewalk must be shoveled. A path is not sufficient, and you will be in violation.

"Over the River & Through the Woods" Sleigh Rides

Outdoor winter fun will be featured at Wade House this February. The excitement is planned for Saturday, February 17 from 10 a.m. to 3:30 p.m. when Wade House will host "Over the River and Through the Woods" sleigh rides. Horse-drawn sleigh rides will be offered every thirty minutes from 10 a.m. to 3:30 p.m. on Saturday, February 17.

The sight of colorful sleighs and the sound of sleigh bells breaking the snowy silence were commonplace during cold winter months in the late 19th century. Sleigh rides were one of the joys of winter with sleighing parties often organized by family and friends for an opportunity to socialize.

At Wade House's "Over the River and Through the Woods" sleigh ride event, guests will be invited to climb aboard a horse-drawn sleigh (or wagon) for a ride through the northern reaches of the Kettle Moraine State Forest. The cost for the sleigh rides are: \$15 for adults and teens; \$13 for seniors; \$8 for children; and free for children under 5 years of

age. Sleigh ride reservations are highly recommended and may be booked by visiting www.wadehouse.

org. Reservations in advance and on the day of will be accepted on a first come, first serve basis.

Besides going on a sleigh ride, guests will be able to see Wesley W. Jung's wonderful collection of horse-

drawn vehicles in our carriage museum. Also included in the fee for the sleigh rides is use of snowshoes to explore Wade House's 240 acres. Snowshoes will be loaned on a first come, first serve basis.

The Wade House historic site is one of 12 Wisconsin Historical Society historic sites and museums. For more information, please call 920-526-3271 or visit www.wadehouse.org.

Hearthside Dinners at the Wade House

On Saturdays, February 17, March 9, April 13 and May 11, from 11 a.m. to 3 p.m., Wade House historic site in Greenbush will be hosting Hearthside Dinners, a foodways program in which participants will have the opportunity to enjoy a delicious hearth-cooked meal, prepared with their own hands, in the historic Wade House stagecoach hotel.

Hearthside Dinner guests will experience a link to culinary history by helping to prepare 19th-century dishes on a wood-burning stove and over an

open-hearth fire just as Mrs. Wade did more than 150 years

ago. A close gathering
of up to 20 guests
will be guided
by costumed
staff as they
learn about
historic food
preparation,

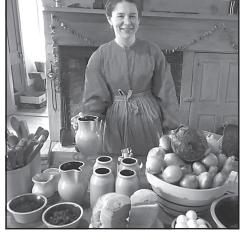

ingredients and historic cooking

tools.

Authentic recipes from late-19th-century cookbooks will be referenced as guests chop and stir, season and roast, preparing their midday meal. When the dinner preparation chores are complete, guests receive a guided tour through the stately stagecoach hotel and learn about the respite which it offered to weary travelers along the plank road between Sheboygan and Fond du Lac in the 1850s and 1860s.

Once dinner is prepared, participants gather family style in the lovely Wade House dining room for a wonderful sitdown meal with lively conversation. The menus are themed and include a Wisconsin Winter menu, a Yankee menu and a German menu.

• The Wisconsin Winter menu includes wild rice soup, pork ragout, maple glazed sweet potatoes, baked macaroni and cheese, buttermilk biscuits, applesauce

with lemon and nutmeg, and cranberry apple cobbler.

- The Yankee menu includes corn chowder, Yankee pot roast with vegetables, ragout of French beans or succotash, brandied cranberry sauce, brethren cheddar bread, apple pandowdy, and Muster Day gingerbread.
- The German menu includes potato leek soup, sauerbraten (spiced beef roast), spaetzle (German noodles), Dutch beans/carrots, Pennsylvania style sauerkraut, apple bread, and krumkake (sour cream coffee cake).

This satisfying encounter with central Wisconsin's past concludes with everyone pitching in to clear the table, wash dishes (19th-cenury style) and sweep the hearth.

Hearthside Dinners are \$75 per person, and reservations are required. If you have any questions about the program or would like to reserve your spot at the table, please visit our website at wadehouse.org. Private Hearthside Dinners for groups of 10 to 20 may also be arranged.

The Wade House historic site is one of 12 Wisconsin Historical Society historic sites and museums. For more information, please call 920-526-3271 or visit www.wadehouse.org
