# SAILING THE SEASIDE RESORT OF OCEAN CITY!

with Oceanfront Rooms & Gorgeous Views • May 20-24 • Perfect Blend of Touring and Free Time!

If you love Seaside Resort Towns and the sensations that only sparkling waters & the gentle breezes of sailing can provide, you will want to join us for this VERY UNIQUE tour we have planned for you! ~ The sun and surf of Ocean City, Maryland, has been attracting visitors since Algonquian tribes first came to the beaches to fish and sun themselves. In 1900, the wooden Boardwalk was added - (Fun Fact: Originally the boards were all taken up in the winter and stored 'til spring - Wow!). With the building of the Chesapeake Bay Bridge in the 60's, in a few short years OC became the favorite resort for visitors from all over the eastern seaboard. Today, Ocean City stretches along 10 miles of beautiful beach from the Inlet to the Delaware state line, and the Boardwalk offers nearly 3 miles of food, games and shopping. The weather this time of year is perfect, plus the crowds have not yet arrived and the water is warming up nicely - a wonderful time to visit the ocean! ~ Look what all this scenic, carefree adventure holds: 4 nights at the Beautiful Courtyard by Marriott Oceanfront with direct access to the beach and Boardwalk (unpack once!), and breakfast each morning \* An educational Eco-Cruise on "The Explorer" around picturesque Assateague Bay \* Guided tour of Assateague Island's famous "Wild Ponies" - beautiful animals and great photo ops! \* Dickens Dinner Theater & Show (our folks LOVE this!) \* Browsing in historic Berlin \* The unique Discoversea Shipwreck Museum, a gem on Fenwick Island \* A fun visit to Seashell City! \* Wonderful Dinners at The Bonfire and scenic Harborwatch (plus Dickens) \* A picturesque, relaxing trip that's especially fun with friends - call for some extra flyers to pass around!! \* \$1,285 p/p, double occ \* \$1,155 p/p, triple occ \* \$1,085 p/p, quad occ \* \$1,685 single

Remember when our childhood included innocent and playful games of ‘Cowboys & Indians’?... Me, too! For those always asking about “new” short tours, here’s a really entertaining one for you! While we won’t be doing any cattle rustlin’, riding in covered wagons, or seeing any sheriff’s posses ride by (at least I don’t THINK we will – ha!), we WILL step back into an era where history made its mark establishing settlements, fighting for land rights, and cheering each other on to expand America westward. Come with us on this journey for an inside look at what it’s like to pioneer a new nation, and how Ohio played a significant role in that! Here are some highlights...

“TECUMSEH” – The outdoor drama of the legendary Shawnee leader is labeled as one of the most mesmerizing dramas in the nation. The stuntmen give a dazzling display of stage-combat and flintlock firing. Learn how they recreate historical battles right in front of your eyes! \*\* Mule-Drawn Canal Boat Experience – Travel back to the 1870’s aboard the ‘Volunteer’, an authentic 60-ft. canal boat as you pass thru an original lock and view a working canal-era sawmill. \*\* Meet ‘Annie Oakley’ who will reminisce about her journey from a humble background to becoming a celebrated sharpshooter and female symbol of American West’s resilience and skill! \*\* Guided tour of Ft. Meigs along the Maumee River, and a visit to Ft. Ancient with its preserved earthworks. \*\* ‘Dig up the past’ with a Ranger at the Hopewell National Historical Park. \*\* A special visit to “The Wilds”! An extraordinary wildlife experience exploring this vast, open-range habitat that’s now home to rare and endangered species from around the globe ~ So fun! \*\* The National Road & Zane Grey Museum offers fascinating American transportation history - discover Mr. Grey’s unique contributions to it all. \*\* What a wonderful ending... A visit to the Dickenson Cattle Company is always delightful as we’re given a tour of ranch life showcasing the care of their herds of cattle, and then topped off with a delicious dinner from the ranch’s own high-quality, grass-fed beef served in a rustic setting that captures the spirit of the American West!

If you've ever thought about giving a present to yourself at Christmastime, this one can't be beat. Call your friends and grab your sleigh bells for a truly beautiful start to your Holidays! ~ Here's what you'll be doing...

**AMERICAN MUSIC THEATER'S 'JOY to the WORLD':** Each time our TLC folks return from this AMT production, they struggle for words to describe it - "Magical" and "Breathtaking" are just a couple we hear. ~ The ringing of church bells in a quaint town square sets the scene. Evoking the holiday nostalgia of hometown America, the stage transforms into a small-town winter carnival brimming with family, friends, and entertaining elves. Awe-inspiring music and dance, phenomenal voices, live orchestra, and holiday humor are the ingredients for this holiday extravaganza!

**FULTON THEATER CHRISTMAS SHOW:** This gorgeous, historic theater in downtown Lancaster puts on some of the finest productions anywhere. At this writing, their 2024 Christmas show has not been announced, but it's sure to be one of our favorites and fit right in with the theme of this tour (check our Mid-Year Mailer in the summer for the name). Once called the Fulton Opera House, it is now a designated National Historic Landmark.

**SIGHT & SOUND's "DANIEL":** We have great seats at the Millennium Theater for their newest production, "Daniel"! Completely re-done and very different from the 2002 'Daniel and the Lion's Den', new technology, new music, and a myriad of new dynamics have created a spectacular theatrical experience about one of the Bible's most hope-filled stories. Since Christmas Eve 1895, George Vanderbilt's Biltmore mansion has been a classic for unsurpassed Christmas cheer and celebration. It still is... and we can't wait for you to see it! Plus many other excellent elements are included in this top-shelf tour. If you've never been to Biltmore, you couldn't find a better trip to see it on - we've planned the best! ~ Located in Asheville, NC, 'Christmas at the Biltmore' features America's largest home meticulously adorned with dozens of decorated fir trees, thousands of lavish holiday decorations, and endless miles of brightly lit evergreen garlands. In total, there are over 100 Christmas trees scattered around the 8,000-acre estate - more than half inside the house! ~ But here's one of the reasons our itinerary is ideal - if you only go for the evening candlelight tour, you aren't able to see the expansive, majestic grounds, nor take in the stunning views that caused Mr. Vanderbilt to build here, nor any of the other sights that can only be viewed in the daylight. So we do both! ...a daytime tour AND the Candlelight Tour so that you don't miss a thing = perfect!! On our evening visit, tour the magnificent rooms lit by flickering candles and filled with elegant mid-century antiques and tapestries. The gentle glow of the candles, the cozy firelight, and live performances of holiday music make for a truly enchanting experience. Afterwards, savor a Candlelight Christmas Dinner in the Stable House. \* Our visit also includes a time at Antler Hill Village on the Estate, the unique Biltmore Winery, and Lunch on the property. ## **HOW TLC is ADDRESSING COVID/VARIANTS on the Coach**

- 1.) Every Campbell coach is completely disinfected before they depart for a trip. You can be assured that the bus that arrives to pick you up has been thoroughly cleaned with an environmentally-friendly solution that is EPA-approved, and not diluted or mixed at our facilities. The solution is rated on the EPA K-List that supersedes the current EPA suggestion for elimination of Corona Virus, and has no harmful properties. It has received the Green Seal certification. The solution is applied with electrostatic sprayers to increase coverage to eliminate all pathogens on hard surfaces.
- 2.) We have upgraded all air filters and increased the frequency that we change the air filters on the coach to reduce contamination. Our motor coaches refresh the air on the coach every five minutes, and combined with the upgraded filters, will reduce stale used air in the coach.
- 3.) We have UV lights in our HVAC system to eliminate any airborne pathogens.
- 4.) Disinfecting wipes available for the Driver & Escort, and hand sanitizer on board for your use.
- 5.) Should the situation regarding pandemic conditions rise during the year, we are prepared to increase the level of our procedures accordingly.

# GENERAL INFORMATION:

**Ohio Departure Points:** Our departure points are as follows - **Akron:** Home Depot, 2811 S. Arlington St, Akron – just down from the Walmart – park in the front corner behind Golden Corral; **Canton:** Target parking lot behind Panda Express, 5584 Dressler Rd. NW – near Belden Village; **Alliance:** (NEW) the front parking area of Lowe's, 2595 W. State St.; **Salem:** Burger King on E. State St. (rear parking area); **Columbiana:** our TLC Office at 44139 St. Rt. 14. Other departure points may be established for groups of 10 or more if the itinerary and direction of travel permits. We reserve the right to change departures. Departures are arranged in the direction of travel, with last departure being the closest to the destination, for the convenience of all passengers.

**Pennsylvania Departure Points:** \*We may use smaller shuttle buses to make these pickups and will join the tour en route at a logical transfer point. ~ **For Overnight Trips:** **Slippery Rock:** Campbell Bus Lines, 258 Grove City Rd; **Butler:** Ollie's, 602 Moraine Pointe Plaza; **Grove City:** County Market Plaza, 49 Pine Grove Square; **Mercer:** Rodeway Inn, 835 Perry Hwy. ~ **For One-Day Trips:** We have PA pickups if the trip is going EAST into PA. If the trip is going WEST into Ohio, our PA folks board at our Office in Columbiana to join the tour.

**Seating:** On all overnight tours, we use a daily seat rotation. The first day of a trip, you choose your seat when you board, and rotate from there. We feel this is fair to all. If the coach is not full, a less formal rotation may be used at the Escort's discretion. Persons traveling single or with uneven amounts in their group may need to sit with other like-travelers. We cannot guarantee that small groups will be seated together. We welcome single travelers, but the single rate does not include two seats on the coach. \* We cannot accept doctor's notes regarding requests to sit in the front seat/s. Please consider boarding at the first pickup location if your seat location is of concern. It is also recommended to see your doctor for motion sickness medication, if this should apply.

**Smoking/Drinking:** We make regular stops for restrooms and for the convenience of smokers; however, we have a NO SMOKING (or vaping) policy aboard all coaches. If someone violates the non-smoking policies of places we are staying or visiting while on tour, it is the sole responsibility of that person should there be any penalties and/or fines for not adhering to their rules and regulations. Consumption of alcoholic beverages is not permitted at any time on the coach.

**Transportation:** All of our tours use beautiful modern, deluxe wide-body motorcoaches from Campbell Bus Lines. Campbell has received the highest possible rating with the Dept. of Transportation. The motorcoaches are equipped with air-conditioning, reclining seats, public address system, DVD player, outlets for each passenger, and emergency restrooms. Our intent is for all overnight tours to be professionally escorted. Upon occasion, in order to avoid canceling a trip with a low passenger count, our Driver may serve both positions of Driver and Escort, and are professionally trained to do so.

**Lodging and Meals:** Your quality lodging is included on all overnight tours. We never use second-rate hotels, restaurants, or activities on any tour, to the best of our ability to make that determination. If you need two beds in your room, please state this when making your reservation. Generally, some meals are included on overnight trips (see individual tour inclusions); however, we cannot guarantee any special dietary requirements.

**Border Crossings:** As of June 2009, a Passport or Passport Card is required for border crossings. Either of these travel documents may be obtained through your local courthouse. The Passport Card is limited, but is sufficient for Canadian border crossings and is good for 10 years – it is also very easy to apply for. Your Driver and/or Escort will be asking to see one of these documents before boarding the coach for trips with this requirement. We cannot be responsible if you are unable to travel due to failure on your part to obtain the proper documentation. Please begin the process early enough to ensure that you will have it in time for your tour's departure. For more information via the Internet: [http://travel.state.gov/passport/ppt\\_card/ppt\\_card\\_3926.html](http://travel.state.gov/passport/ppt_card/ppt_card_3926.html)

**Luggage:** One suitcase per person is included in the price of your tour. We ask that you are respectful of the weight. Our Drivers handle up to 54 pieces of luggage multiple times throughout a tour, and if it's too heavy for you to lift comfortably, it is too heavy for them. You are also permitted a carry-on, which is your responsibility. Additional luggage may be transported at the cost of \$10.00 per bag, per day – you must clear this with the Office ahead of time. It is wise to travel light. Luggage tags are provided and required for hotel identification, and are sent with the final letter and phone numbers of your hotels.

**Medical Devices:** Medical devices must be handled by you, the passenger. They are either to be stored under your seat (not protruding out into the person's space behind or in front of you), or if too large for that accommodation, they must be placed under the coach by you, and taken off at each place it's needed by you. It is not safe for a medical device to ride in an overhead compartment for multiple reasons, nor are our Drivers or hotel personnel allowed to handle it for safety and liability reasons. If it needs to ride under the coach, please have it in a quality container (as small as possible) to assure it rides safely.

**Taxes and Gratuities:** All taxes and gratuities for included meals and activities are included, unless otherwise mentioned by the Escort. Driver and Escort gratuities are not included in the price of your tour. The suggested rate for a "job well done" is a minimum of \$4.00-\$4.50 per person/per day for the Tour Escort, and a minimum of \$4.00-\$4.50 per person/per day for the Driver. We request that you express this on an individual basis, and let the quality of service received be your guide.

**TLC Reward Cards:** TLC Cards are non-transferable and non-replaceable. Please take care to keep it in a safe place you will remember. If you decline your TLC Card punch while on tour, you cannot get it later.

**Payment:** All prices listed are per/person rates. On one-day tours, full payment must be made with the res-

ervation. For overnight tours, see "How To Make A Reservation". Balance of an overnight tour is due 60 days prior to departure (unless otherwise stated/notified). Confirmation will be sent after we receive your deposit. Please call as soon as possible if you should decide not to go.

**Refunds:** Prior to 60 days before departure date, a full refund will be made. \* *Tours that include tickets generally have earlier non-refundable dates – ask upon booking.* There are no refunds for cancellations made within 60 days prior to your departure date. However, we will do our best to recover as much as we can, but cannot guarantee anything including prepaid reservations and other costs that are non-refundable to us. There will be a \$75.00 per/person charge for this service for overnight tours and \$25.00 for day trips. There will be no refund, for any reason, for a "no-show" on the day of the tour. ~ Please Note: Refunds will be made by the same method you paid us; e.g., if you paid by credit card, the refund will be put back on that credit card. No exceptions.

TLC Tours offers a "Refund Protection Plan" for overnight tours that is available at our office at a minimal cost. It needs to be purchased when you book your trip. This insures you a full refund in case of A.) a death in your immediate family (requires a copy of death notice), or B.) personal illness (requires a doctor's written note confirming you were too ill to travel). Exceptions would be made if an immediate family member's serious illness necessitates you staying home, but would still need confirmed by a doctor's note. \**Immediate family, in these situations, includes spouse, parents or children only.* Call our office for full details about TLC's RPP. We encourage you to take advantage of the protection plan, or secure insurance on your own if you prefer "cancel for any reason" coverage. Our Refund Protection Plan is not available for Day Trips, nor are there any refunds for Day Trips, with a few exceptions.

**Cancellations:** TLC Tours reserves the right to cancel any tour that has not reached a minimum number of reservations. We always avoid changes and cancellations, if at all possible, as we realize the inconvenience to you, our valued customer. We reserve the right to cancel or refuse service to anyone, in our sole discretion. Any person may be dismissed from a tour at any time or place by the Tour Escort or Driver should their conduct be problematic in any way. No refund will be made, nor will any further responsibility be assumed by TLC Tours or anyone in their employment.

**Responsibility:** TLC Tours, LLC is insured. Campbell Bus Lines is registered and insured with the ICC. TLC Tours acts only as an agent. We are not responsible to any person for any loss of time or money due to a change or delay beyond our control. Nor are we responsible for non-performance by those we have contracted with. We reserve the right to change tour prices, inclusions, and itinerary, if so dictated by circumstances beyond our control. We are not responsible for pricing, typographical, or other errors. Any claims against TLC Tours must be made in writing within 30 days of the trip.

## You're Invited To One of Our Wonderful 2024 TRAVEL MEETINGS

Traditionally, in order for you to meet us personally, each year we would take our "Show on the Road" shortly after our Tour Books came out. When

the pandemic hit, we changed the format to create as safe of an environment as possible for everyone, yet still provide you the opportunity to meet our great team of Escorts, Drivers and Office Staff, plus give the ability to take part in all the other important things we always do at them. Because of your cooperation and great attitudes, the new format was well-received and extremely successful, so we are going to again hold our Travel Meetings in a manner much like the recent years.

### *Here's how it works:*

On the dates and at the locations on the right, along with personally meeting us, you'll be able to collect fully-detailed flyers of our overnight tours (2 nights or more), find out which trips have special Travel Meeting Incentives (discounts) if you book that day or by the following Monday – and you'll also receive a little bag of delicious home-style cookies to take home! We will have a Reservation Table for those who wish to sign up early for your trips so you're sure to have a spot on

the ones you're interested in (check or credit card). ~ Also on the way out, you'll receive a very special coupon for a FREE PUNCH on your TLC Rewards Card!

As a way to replace our much-loved 'big-screen show' of Tour Destination Pictures that we used to present "live", we instead now make a special DVD "TLC Tour Video" full of TLC information (including a Q & A section) that features a beautiful picture presentation of many of this year's tours which you will take home to watch at your leisure. One thing people really liked about the DVD was that they could play it multiple times and go back and look at other trips they may not have noticed fully the first time. It was definitely a winner and people are asking for it again!

In order to keep everyone from coming at once and avoid waiting in long lines to go through the displays, we do need you to call our office and sign up for one of the time slots listed to the right. We are allowing 30 minutes for each slot, and ask that you stick to the one you've signed up for so that all flows well throughout each of the locations. ~ ~ Thank you so much for your help with this – we are extremely appreciative of your great attitudes to make our Travel Meetings work so well!
