- * "For nice, evenly sliced mushrooms, use an egg slicer for cutting. It's super-easy to use, since a boiled egg and a nice white mushroom are around the same size. I get good, uniform slices with the slicer." -- P.E. in Colorado
- * Try auto polish on tough bathtub stains. There is a little more grit in it than usual bathroom cleaners. Be sure to rinse well, and don't rub too hard, as it may scratch the tub surface.
- * "Tissue boxes can be used to hold plastic baggies under the sink in the bathroom. I use grocery-store bags to line my bathroom trash can. I choose a color-coordinated tissue box that has been emptied, and I fill it with the plastic liners, then set it under the toilet tank. It's still nice-looking, even though it's out of the way, and I have baggies at the ready." -- E.R. in Mississippi
- * "Return envelopes that come with junk mail can be saved and repurposed at coupon holders/grocery lists. I tuck my weekly coupons inside, and write my list on the back of the envelope, which is usually blank." -- C.G. in Oregon
- * To keep track of takeout menus, use a three-prong notebook with an assortment of sheet protectors. Insert the menu into a sheet protector and file away. You can group menus by cuisine or by price.
- * Tired of losing matched socks? Purchase a large delicates bag for each family member. Put dirty socks in the personal bag so they cannot be lost.

Salome's Stars

ARIES (March 21 to April 19) Taking some time out of your usually busy social life could be just what you need. You can focus on putting some finishing touches on those plans for a possible career change.

TAURUS (April 20 to May 20) A misunderstanding about a colleague's suggestions could create a delay in moving on with your proposal. But by week's end, all the confusing points should finally be cleared up.

GEMINI (May 21 to June 20) You might feel overwhelmed by all the tasks you suddenly have to take care of. But just say the magic word — "help!" — and you'll soon find others rushing to offer much-needed assistance.

CANCER (June 21 to July 22) Finishing a current project ahead of schedule leaves you free to deal with other upcoming situations, including a possible workplace change or a demanding personal matter.

LEO (July 23 to August 22) Turn that fine-tuned feline sensitivity radar up to high to help yourself uncover any facts that could influence a decision you might be preparing to make. Devote the weekend to family activities.

VIRGO (August 23 to September 22) A state of confusion early in the week is soon cleared up with explanations from the responsible parties. Don't waste time chastising anyone. Instead, move forward with your plans.

LIBRA (September 23 to October 22) You might feel obligated to help work out a dispute between family members. But this is one of those times when you should just step aside and let them work out their problems on their own.

SCORPIO (October 23 to November 21) Your ability to resolve an on-the-job problem without leaving too many ruffled feathers earns you kudos from co-workers. You also impress major decision-makers at your workplace.

SAGITTARIUS (November 22 to December 21) Newly made and long-held friendships merge well, with one possible exception. Take time to listen to the dissenter's explanations. You could learn something important.

CAPRICORN (December 22 to January 19) Be prepared to be flexible about your current travel plans. Although you don't have to take suggestions, at least consider them from experts in the travel business.

AQUARIUS (January 20 to February 18) A problem with a recent financial transaction could lead to more problems later on unless you resolve it immediately. Get all the proof you need to support your position.

PISCES (February 19 to March 20) Daydreaming makes it difficult to stay focused on what you need to do. But reality sets in by midweek, and you manage to get everything done in time for a relaxing weekend.

BORN THIS WEEK: Your ability to reach out to those in need of spiritual comfort makes you a much-revered and much-loved person within your community.

Project Imagine honors eight graduates

Eight teenagers were honored recently for completing life skills training and goal-setting exercises through the City of Danville's Project Imagine collaborative, which works to steer youths away from gang activity and community violence.

Graduating were Makiya Hampton, Jhysaun Harper, Ayden Johnson, Faith Logan, Brandee Miller, Micah Rutherford, Karmella Smith, Aaron Taborn.

The program steers youths away from gang activity and community violence by developing and maintaining relationships with mentors, and by focusing on goals such as having no contact with law enforcement, improving their grades, completing school, and becoming employed.

The teens in Project Imagine are chosen from referrals from the police department, courts, schools, and parents.
