The basics of estate sales

Between online retailers, secondary sites like Facebook Marketplace and, of course, traditional brick-and-mortar stores, consumers have no shortage of options when looking for furnishings for their homes. One often overlooked option can be a great place to find classic furnishings at bargain prices.

Estate sales are a great way to offer the contents of a home for sale all at once. Many estate sales are conducted by families when a loved one passes away, though some may be organized when individuals are leaving their home and want to sell most, if not all, of their belongings. Buyers can find just about everything people typically have in their homes for sale during an estate sale. That includes big ticket items like dining sets to small items like coffee mugs and cooking utensils.

How are estate sales conducted? Many estate sales are conducted in person. In person estate sales are typically conducted at private residences and items will be marked with price tags. Buyers at estate sales typically walk through the home at their leisure. Sellers may be willing to negotiate sale prices, though buyers should not count on that. The sheer volume of items available for purchase at estate sales means sellers typically don't have the time or energy to haggle over prices for individual items, so buyers who love to negotiate may not get the opportunity to do so at estate sales.

Are estate sales and estate auctions the same?

Estate sales and estate auctions differ in various ways. Estate auctions may be conducted in person, though many are now conducted via a third party website. In person estate auctions may be managed by an auctioneer, and items will ultimately go to the highest bidder once the item goes up for sale. Web-based estate auctions ask prospective buyers to create an account via their website, and potential participants may be asked to enter their credit card information prior to bidding. Users then submit bids and the auction will continue for a predetermined period of time. The responsibility of inspecting and picking up items typically rests with the buyers.

First-come, first-serve is how many estate sales are conducted. In such instances, the first person to meet the seller's asking prices gets the item. Newspaper classified sections are great resources for people looking for local estate sales. Buyers who want high-quality items should try to arrive at the estate sale when it begins, if not earlier.

How long do estate sales last?

Many estate sales are conducted over a full weekend. Sales may begin on Saturday morning and then end on Sunday afternoon. Early birds might find the most high-quality items, but those simply looking for bargains may find great deals in the final hours of the estate sale when sellers are simply looking to unload items.

Community Comes Together for Shed Building at Middle School

Royalton-Hartland Middle School is so grateful for the number of volunteers who showed up on November 11th to help build a garden shed. Many community members, such as the Royalton-Hartland Agriculture Foundation, students, staff and neighbors, spent a cold Saturday constructing the building. Additionally, many were called on to provide nourishment, donate building materials and/or their time to help our Farm to School committee with this project.

This past June, the Royalton-Hartland Middle School was awarded a \$5,000 stipend from New York State's Farm to School Institute. Our Farm to School committee agreed to use a portion of that award to pay for the materials for the shed after Dominick Ciliberto, owner of All Metal Works, donated ten raised garden beds. "We purchased all of our materials locally from Newfane Lumber and All Metal Works," explains Principal Wendy Schlosser. "Newfane Lumber was generous enough to waive the delivery fee and donate the windows. We want to extend a special thank you to Tommy Brigham, who donated the cement, Barden Homes, who donated the door and Tony Marvin and his Roy-Hart ground crew who prepared the site for the concrete as well as wood chipping the area to place our garden beds to keep our weeds down for easier maintenance."

The Royalton-Hartland Central School District was the recipient of a USDA grant for outdoor growing spaces that is still in the process of being developed. This building and growing area at the middle school will help build a bridge between the agriculture, technology and science curriculum at the elementary and that of our nationally acclaimed high school program.

OUR CONSTITUTION DIDN'T PREVENT SECESSION IN 1861. WHAT HAS CHANGED TO PREVENT A SIMILAR OUTCOME?

Refill with Randy

By Randy LeBaron

Good morning! Grab your favorite cup. Fill it up. And let's start this NEW YEAR right... TOGETHER!!!

Believe it or not that young couple in the photo is my wife Sheryl and I leading worship at our church in Niagara Falls in the fall of 2003. Little did we know then that our lives were about to change as we were asked by my Conference Superintendent to consider transferring to Albion, NY to pastor the First Free Methodist Church there. We had many questions like, "Was God calling us to go somewhere new?", "Did we really want to move when we had a not quite 2 yr old, Ashlyn, and another baby on the way?", and first and foremost... "Where in the world was Albion?"

I had been a youth pastor at a Christian Camp in Cattaraugus for a number of years and I remembered that New Albion was in the vicinity so I figured "old" Albion wasn't too far from there. Ironically enough, my church in The Falls was on Rt. 31 and our new home would turn out to be just 1 hr away down that same road. More than that I realized that I had actually been to Albion three times previously; in 1991 when I took 1st Place at a Bible Quiz Meet (I still have the trophy), in 1996 for my friends Tom and Marsha Rivers wedding, and in 2002 at a reunion for the Staines' Family who were distant relatives of my wife's. Whatever the reason though Albion just had not stuck in my mind.

We found Albion all over again though as we traveled out the weekend before Thanksgiving 2003. I remember that it was a dark and gloomy kind of day and there was a lot of construction going on so many of the road signs were down making it tough

to navigate. Nevertheless, after meeting with the church leadership God answered our first question and we agreed to start that following March. From there it was a bit of a whirlwind as we had our baby boy, Brendan, at the end of January and then just two weeks later we bought and moved into our first home. I should also note that we left a place where we had a Walmart, K-Mart, Target, Tops, Wegmans, two malls, and any restaurant we could want within 2 miles of us and moved to a town where there would not even be a Walmart within 20 miles until a couple of years later. Needless to say we experienced a lot of change and it continued as I moved my father to Albion to care for him that very next year.

Now though, after calling Orleans County home for 20 years this week, I can't think of any place else where I would rather be. Since moving in on that cold February day we have added two more beautiful girls, Madison and Jillian, to our family, I had the privilege of becoming the longest tenured pastor at the oldest Free Methodist Church, more than fifteen years, and Sheryl has found joy in her work as a teacher at Albion Elementary. Our kids grew up engrained in music and sports, our oldest graduated valedictorian in spite of finishing her final year online due to the pandemic, and, after stepping away as Lead Pastor at AFMC and starting Go Scatter Ministries, I was able to connect with so many more throughout the County by speaking at several local churches, counseling at Care-Net, helping out with Hands 4 Hope, becoming an Orleans County Volunteer Sheriff's Chaplain, coming beside both patients and families through my work at Hospice, and even serving coffee and ice cream for a while at Hebrews 5:9 and Lugia's on Wheels respectively.

And now, as I finish up my first year as pastor at First Baptist in Medina, I think back to when my Bishop read my original appointment to AFMC in 2004. He made sure to highlight the fact that I was being appointed not to a church building but rather to a community—one that I still feel very much called to. One of the reasons why I wanted to start writing this column last

February (It's Refill with Randy's 1 year Anniversary too) was because over these past couple decades of meeting so many amazing people and experiencing so many of the good, though often overlooked, aspects of Orleans County I wanted to shine a light for all to see.

So, I will plan to continue sharing about the people, places, and things that inspire me in hope that they might inspire you as well. And, as always, if you see me out and about please don't hesitate to say stop me and say hello. Better yet, let's sit down with a cup of coffee so that you can tell me some of your story.

See you in two weeks!
Pastor Randy

PUZZLE SOLUTION

Lockport Practical Nursing Class Starts with 35 Students

On February 5, 2024, a class of 35 aspiring students started their journey toward becoming Licensed Practical Nurses through the one-year program at Orleans/Niagara BOCES. Students come from all parts of Niagara County, Orleans County, and even a few from Erie County.

Under Lead Teacher Jennifer Peters and Assistant Teacher Anne Fetterhoff, the class will meet four days per week at the Orleans/Niagara BOCES' Lockport Community Education Center at 50 Main Street in Lockport.

The 1,236-hour program, delivered over 52 weeks, incorporates theory, lab, medication dosage calculation, and clinical training. The Nursing students will be ready to begin their clinical training in May, at which point their days will be split between the Lockport Community Education Center and clinical opportunities in area facilities and clinics for the remainder of the program.

Following graduation in February 2025, successful students will be eligible to take the NCLEX-PN exam for New York State licensure as LPNs.

The Orleans/Niagara BOCES program has a long history of student success on the NCLEX-PN licensing exam. The past two classes have had the opportunity to participate in a free, two-week Pre-PN class designed to prepare students for the rigors of the curriculum. The Pre-PN program incorporates computer literacy and study skills as well as math and science refreshers for students who may have been out of school for a long period of time. The Pre-PN program has received very positive feedback from students.

Health Science Coordinator Diana Petrizzo said that programs like this are increasingly important in today's healthcare climate. "The US healthcare industry is experiencing a severe shortage of workers at every level - a crisis worsened by the pandemic. It is estimated that New York will face a shortage of almost 40,000 nurses by 2030. LPNs are being sought for a wide variety of positions in the healthcare field from long-term to acute care. O/N BOCES has the only Practical Nursing program in Niagara and Orleans Counties offered during the day. We are thrilled to have 35 students currently enrolled, and intend to enroll up to 40 students for our next class in February 2025. Interested applicants should apply now."

According to Adult Education Coordinator Maureen Bartlett, "We have spent the past year revamping the Practical Nursing program to provide the best quality education possible, while remaining competitively priced. We are pleased that so many of the students who completed the Pre-PN program in spring 2023 have joined those who just finished. We are happy to have such an enthusiastic group of aspiring nurses in the program." The program received a grant from the Grigg Lewis Foundation to support the purchase of state-of-the-art nursing education software.

Local health care facilities who would like to present opportunities to the class and/or would like to discuss clinical placement opportunities for students should contact Diana Petrizzo at dpetrizzo@onboces.org. Students looking to apply for the next class in 2025 should call Kathy Dix at (716) 731-6800 Ext. 4445. Information about this and other health careers training programs at Orleans/Niagara BOCES can be found at: <https://www.onboces.org/o/orleans-niagara-boces/page/healthcare>.

Norma "Jean" Pollard Heaven's "Words With Friends Team" must have been struggling on a fierce competition where on January 30, 2024, the Good Lord called up his most competitive "Ringer" Jean Pollard to secure a big win for his angels. Jean was born November 13, 1947 to Edward and Marion Taylor. Jean was the middle child and proud sister of her two brothers, Daniel and Mark. The three were raised in Lyndonville NY where they all enjoyed growing up. In 1966 Jean graduated LCS as a very proud Lyndonville Tiger where in her senior year she was awarded the coveted "Babe Ruth Award" for her dedication to her school as a spectator and her amazing sportsmanship. Jean was the first non-athlete to ever be pinned this honor and she was always elated to have received it. Higher education was very important to her so she continued on receiving her degree at Rochester Institute of Technology in Medical Health Administration/Management. Jean married her high school sweetheart Paul T. Pollard the summer of 1971 and soon after welcomed four beautiful daughters, Alison, Elizabeth "Libby", Megan and Hannah. After raising her children at home until they were all of school age, Jean then went on to thoroughly enjoy a career where she managed the medical practice of Dr. David Bell for many years. After a long-dedicated commitment to the community through PTA, LCS School Board, Medina Memorial Twig, LPC Adult Fellowship, LPC Women's Guild, Area Christian Women's Club, Welcome Wagon, publisher of local medical advocate authors, quilting group, numerous book clubs, and many others she finally retired to Jekyll Island Georgia with her best friend, husband Paul. While on Jekyll Island, the two continued to selflessly serve their community and their church in many facets which included their participation in restoring historic landmarks and building a jubilant music program in the Jekyll Island Presbyterian Church which has thrived to this day. Jean will forever be remembered for her generosity of her love for everyone, she was so profoundly kind, a genuinely caring woman with the most forgiving heart. She was the best listener and always had the ability to guide someone to set them up for success. She may have been extremely competitive but, at the same time she was always a cheerleader and championed for the underdog every single time. The world was certainly a much happier place with her here, but Heaven will now be so much brighter. She is preceded in death by her parents Edward and Marion Taylor, father and mother-in-law Henry and Joy Pollard, her brother Daniel Taylor and her best friend and partner Paul T. Pollard. Left to admire her love and guidance are Jean's daughters; Alison (Philip) Boseck of Canandaigua, Elizabeth "Libby" (Joel) Woodroe of Medina, Megan (Scott) Szalay of Belmont and Hannah (Bill Sipple) Pollard of Medina. Her legacy of kindness and generosity will live on in her grandchildren and great grandchildren that she cherished so deeply; Tyler, Andrew, Brandon, Ashley, Hayden, Gavin, Jamie, Luke, Abigail & little Jaxson. Also, her beloved family always in her heart; Mark (Lois) Taylor, Sarah (Craig) Lacy, Timothy (Karen) Pollard, Amanda Pollard, many dear nieces and nephews as well as an endless list of very close cousins along with lifelong friends. On behalf of her entire family, we would like to express our sincere gratitude to the entire staff of Orleans Community Healthcare "North Wing" facility where Jean was cared for like royalty. The staff there, from maintenance, housekeeping, nursing, dietary to administration were nothing short of remarkable. While there, she was surrounded by so much love and loads of fun every single day and for that we will be forever grateful. Family and friends are invited to celebrate the beautiful vibrant light of Jeans life on Saturday, March 2, 2024 at Lyndonville Presbyterian Church with visitation of her family 1-2pm and her celebration of life to immediately follow. Donations and memorials may be made in Jean Pollards name to: Orleans Community Health North Wing 200 Ohio Street Medina, NY 14103, To: Children's Miracle Network support@cmnhospitals.org, To: Lyndonville Presbyterian Church lyndonvillepresbyterian.org or To: Jekyll Island Presbyterian Church "Pollard Music Fund" 475 Riverview Drive Jekyll Island GA 31527.
