# Wuzzles

Each Wuzzles is a word riddle which creates a disguised word, phrase, name, place, saying, etc. For Example, NOON GOOD = GOOD AFTERNOON

## Even Exchange

Each numbered row contains two clues and two 6-letter answers. The two answers differ from each other by only one letter, which has already been inserted. For Example, if you exchange the A from MASTER for an I, you get MISTER. Do not change the order of the letters.
