A day well spent is me . . .

- F. Enjoying an afternoon with family on the ice and finally learning how to skate backwards at Mentor Civic Ice Arena!

In the evening, you will find me . . .

- A. Attending an evening art class with Busy Bees Pottery & Art Studio, or shopping and playing at White Rabbit, a place to empower kids!
- B. Taking a guided lantern tour through the Lake County History Center, one of the haunted, historical destinations in Lake County.

5 Tasting Tips

Enhance your wine tasting experience with these tips from Grand River Cellars Winery owner Cindy Lindberg

1. Look at your wine and observe the color. See if it's clear and bright. It's best to put your glass up against a white background.
2. Aerate your wine before drinking it. This can be done by using an aerator or by swirling your glass.
3. Be sure to take a minute to sniff your wine before drinking it to enhance your tasting experience. The aroma will give you a sense of what to expect in your glass.
4. When tasting wine, always taste twice. The first sip is cleansing your palate. The second sip is getting the true flavors of the wine.
5. Allow the wine to linger on your tongue in order to savor the flavors.

Unique Experiences + Exceptional Wines

By David S. Glasier

Baci Winery is the re-imagining of a Lake County favorite in the heart of Grand River Valley wine country.

That re-imagining began in February 2021 with the purchase of the popular St. Joseph Vineyard in Harpersfield Township by Highland Heights residents Dominic and Shelley Piunno.

Dominic Piunno is the owner of MCR Printing and Packaging in Willoughby. He and his wife, Shelley, have overseen a remarkable transformation of the 60-acre property.

With its complex of new and renovated buildings, patio, and vineyard, along with an impressive wine list and expanded food menu, Baci Winery is positioned to compete with established, ambitious wineries in the Grand River Valley.

"Our vision for Baci Winery is to offer a unique experience with exceptional wines, high quality Italian food and a beautiful property," Dominic Piunno said. "Our team is dedicated to creating the best of what our land and our space can provide so that our guests enjoy Baci during each and every visit."

The Piunos engaged the services of Candace DiGirolamo to be vineyard and operations manager of Baci. She is well-versed in the dynamics of the Grand River Valley, having previously held the same jobs at nearby Laurentia Vineyard and Winery.

"This is Ohio's wine country, a destination for people to enjoy," DiGirolamo said. "The GRV is becoming an experience and not just a place to drink wine."

DiGirolamo savors the challenge of having her hands on every phase of the operation at Baci. The winery has 32 employees.

"We want this to be a welcoming, happy place where people can relax, enjoy great wine and food while experiencing the environment of wine country," she said.

DiGirolamo was pleased with the flow of business at Baci in 2023 as the winery moved through its first year of full operation.

"Summer was especially busy," she said. "There were a lot of new faces, but it also was nice to have so many familiar faces coming to the winery." The new patio proved to be a hit with customers.

"We only have so many nice

weather months in Northeast Ohio," DiGirolamo said. "Having a large outdoor space to accommodate guests is so important."

A graduate of the viticulture program at Kent State University Ashtabula, DiGirolamo spends many an hour tending to nine acres of wine grape vines at Baci.

Varieties under cultivation at Baci include Pinot Noir, Pinot Gris, Chardonnay, Corvina and Saperavi.

"When you take over a vineyard, you have to learn how it grows," DiGirolamo said. "These vines needed some work at the beginning. It will take time to get them where I want them to be."

DiGirolamo sees Baci and the other Grand River Valley

wineries having an uplifting effect on each other's businesses.

"I don't look at it as competition," she said. "Every winery offers something different. The more options we offer, the more people will come to our wine country."

“

We want this to be a welcoming, happy place where people can relax, enjoy great wine and food while experiencing the environment of wine country,

”

Candace DiGirolamo

Women Who Wine

When you and your girlfriends want to get away to relax and unwind there's no better place than the nearly 30 wineries of the Grand River Valley in Ohio's Wine Country. From signature wineries including the largest estate winery in the state of Ohio, to artisan and casual wineries, there's a winery vibe that is sure to fit your taste. Speaking of taste, our wine region in northeast Ohio is known for its unique climate and grape-growing acumen which contributes to numerous wineries producing estate-grown, award-winning varietals ranging from dry reds to sweet whites and everything in between!

Shop Local

A girls' trip to Lake County isn't complete without visiting the myriad of historic downtowns throughout Lake County featuring locally-owned shops, restaurants and coffee shops. Along the shores of Lake Erie is Fairport Harbor which offers a unique, local shopping experience for visitors with a coffee shop and numerous boutiques peppered throughout the area. While there, take a walk along the beach at Fairport Harbor Lakefront Park, climb the historic Fairport Harbor Lighthouse and grab an ice cream cone or boozy milkshake from the Fairport Harbor Creamery! Downtown Willoughby (DTW for us locals) is a must-visit as the historic downtown is

always decorated for the season and features an assortment of restaurants, breweries mixed with adorable retail shops. It is a perfect spot to spend your afternoon or evening!

Music & Theater

Nearly every weekend from early June through mid-September is filled with unique festivals sure to entertain. Love music festivals? Check out the calendar for WonderStruck in Cleveland 2024, held on the campus of Lakeland Community College. This two-day festival, typically held in early July, features an incredible, diverse list of music genres and artists you won't find anywhere else. Previous acts have included Third Eye Blind, The Lumineers, AJR, 24KGoldn, Coin, Khalid, Chris Lane, Walker Hayes, Flo Rida and Nelly. If you're looking for a little more laid-back entertainment option, check out an amazing live theater performance at the Fine Arts

Association in Willoughby or Rabbit Run Theater. Rabbit Run is one of the few remaining barn theaters in the country and their summer performances at "The Barn" are top-notch and sure to be one of your favorite memories on your tour of Lake County.

Pro tip

Plan your trip in mid-July and check out Willoughby ArtsFest featuring nearly a hundred juried artists spread throughout Downtown Willoughby!

Unleash the Fun

A Family Weekend Packed with Core Memories!

Adventure Play at Jordan Creek Park

For parents and kids alike, there's nothing better than finding and exploring a brand new playground. When that playground is a totally unique, natural playground tucked into the woods it's even more exciting! Take the time to visit Adventure Play at Jordan Creek Park where kids will experience a 30-foot rope bridge that connects two lookout towers, a slackline forest, a 15-foot tall climbing wall and to top it off...a zipline! The park also includes 2.5 miles of trails and two creeks, Big Creek and Jordan Creek, that run through the property. Hike, play and explore at Jordan Creek Park and we promise the kids will get a great night of sleep when it's time to call it a day!

Full Day of Fun

Many families plan their summer trips around festivals or events and if you haven't been to The FEST you don't know what you're missing. This one-day, free family festival takes place annually on the first Sunday of August and welcomes over 30,000 people to Wickliffe in Lake County each year. This unforgettable day of music, community and faith inspires attendees not for a day, but for the entire year. While The FEST is known for its nationally known bands and live music, it's also a day of food, activities, crafts, inflatables, and entertainment spanning the grounds of the festival. One of the headlining acts already announced for The FEST in 2024 is Grammy-nominated group, We The Kingdom, who is sure to deliver an unforgettable performance.

Pro tip

After your day at the beach, walk up the tower of the Fairport Harbor Lighthouse for an amazing view of Lake Erie and then grab some delicious homemade ice cream from the Fairport Harbor Creamery!

Lake Metroparks Farmpark

Fun on the Farm

Cows, pigs, sheep, chickens, rabbits, horses, alpacas, and goats oh my! While Lake Metroparks features many beautiful, scenic parks that are great for hikes and recreation, there's nothing quite like the Farmpark. This nearly 250 acre working farm gives kids and families an educational and up-close look at animals and everything else you'd expect to find down on the farm. Make sure to check out the Farmpark event calendar before your trip to see what special events might be taking place such as the Ice Festival, Maple Sugaring Weekends or Fall Harvest Weekends to name just a few.

Beach Day

There's just something so special and memorable about a day at the beach. What does a beach have to do with northeast Ohio? Lake County is home to the longest beach on Lake Erie, Headlands Beach State Park, as well as the family-friendly, sandy beach at Fairport Harbor Lakefront Park which was named one of the best beaches in America by Coastal Living Magazine. Lakefront Park rents kayaks and paddleboards during the summer and features paved parking, an ADA accessible boardwalk, a huge playground, full restroom facility and snack bar. Take a family photo in the giant Adirondack chair and share it with your friends and family!

Guys & Golf

What golfer wouldn't want to play a nationally-recognized and award-winning golf course? And to play one for less than \$100? Seriously?! Manakiki Golf Course in Willoughby Hills (only about 20 minutes from Downtown Cleveland) has won numerous awards for being one of the best public golf courses in the country; most recently being named one of Golf Pass's top 100 courses in the country to play for under \$100. Manakiki has also been recognized by GOLF Magazine as one of the top 30 Best Municipal Courses in the country. The Donald Ross designed course offers a challenging round of golf in a well-maintained, picturesque setting featuring maple-lined fairways, water features and beautiful tee shots. Relax after your round in the historic clubhouse which was formerly a summer estate for prominent Clevelander Howard Hanna.

Boys of Summer

A trip to the ballpark on a beautiful summer evening is hard to beat. Grab your buddies and head over to Classic Auto Group Park in Eastlake to catch the Lake County Captains, Cleveland Guardians High-A Affiliate, where you can enjoy an ice-cold beer, popcorn and a hot dog while watching the next Jose Ramirez or Shane Bieber! The Captains play 66 home games from April through September with tickets starting at around \$12 each. Looking for a FULL day of baseball? Check out the Cleveland Guardians schedule and do a Cleveland baseball double header by catching an afternoon Guardians game at Progressive Field in downtown Cleveland and then taking the short 20-25 minute drive to catch a Captains night game! Before you go...check out the Captains' promotional schedule to plan your trip around games with giveaways (bobbleheads anyone?!) or post-game fireworks!

Big Fish, Big Pond

Whether you're a seasoned fisherman or have never dropped a line in the water, Lake Erie's fishing scene is as good as it's ever been. Lake Erie is the walleye capital of the world, for good reason, and you and your buddies won't get skunked on your fishing trip here in Lake County. If you have your own boat, public boat launches at the Mentor Lagoons Marina and Fairport Harbor Port Authority can handle most size boats or if you have a smaller boat check out the launch at Grand River Landing Park. Don't have a boat? That's ok too because there are plenty of experienced and certified charter boat captains here in Lake County. Start your charter search at Eyes Ready Charters, Top Flight Sport Fishing or Monkey Sea Fishing Charters. Not a fisherman but want to get out on the Lake? Check out JEO Sailing for a unique and memorable experience on the water!

Immersive Nature

Not all parks are created equally and the diversity in the parks found throughout our area is unparalleled. From beaches to waterfalls, to rolling hills to steep cliffs you'll find it all in Lake County. If you and your traveling partner are looking for a relaxing walk together, begin your tour of Lake Metroparks at Chagrin River Park in Willoughby. This sprawling, relatively flat park has almost three miles of trails and spans nearly 250 gorgeous acres along the Chagrin River. Visitors can easily walk down to the river and dip their toes in the water, or go for a river walk, where you're bound to see folks fishing for steelhead trout. Stroll through the lush forest and get close-ups of grazing deer and keep your eyes open for many different species of birds throughout park. If you're searching for a little more of a workout on your hike, visit the 400-acre Chapin Forest Reservation where nearly six miles of trails await. Walk up the Lucky Stone Loop Trail for one of the most amazing, panoramic views in all of northeast Ohio. So good you can almost see Canada on a clear day!

Towers + Canopy Walks

You may have been to an arboretum or botanical garden in your hometown or on another trip, but we promise you've never experienced anything like the 3,000-acre, Holden Arboretum. Distinct gardens are found throughout the park highlighting wildflowers, Rhododendrons, butterfly habitat and so much more. You can't miss the Murch Canopy Walk on your trip to Holden where you'll walk amongst the treetops on the 500-foot-long walkway that takes you more than 65 feet above the ground! Not high enough for you? The Emergent Tower at Holden Arboretum is spectacular as it rises 120 feet above the ground, taking you above the tree canopy. The view from the top is absolutely breathtaking where you can see for miles, including Lake Erie which is almost 10 miles away! Before you go, check out Holden's event calendar as they feature a rotating roster of seasonal activities at the Arboretum as well.

Wine & Unwind

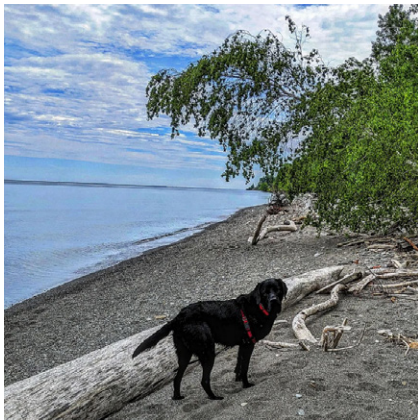

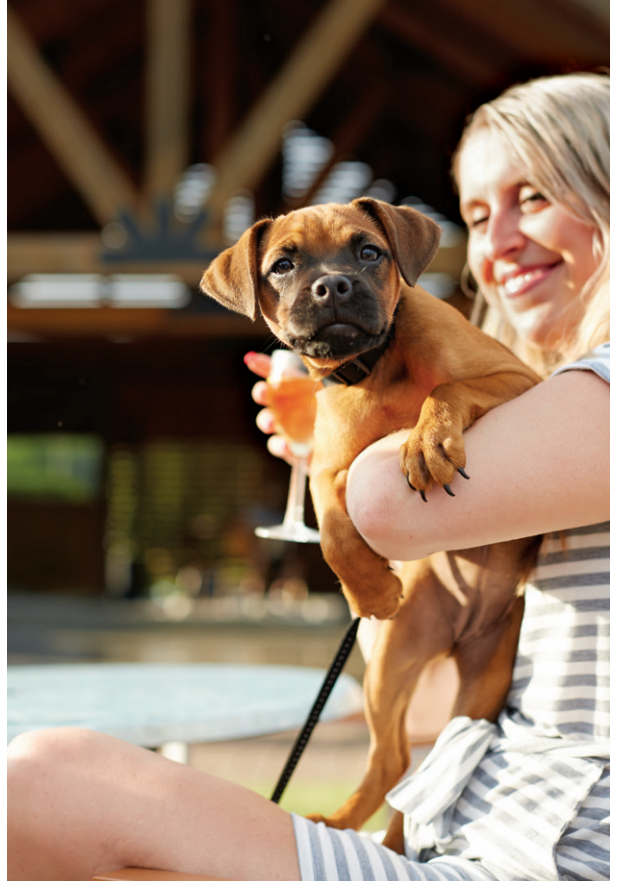

After blowing off the dust and getting your steps in at one of our Metroparks or Holden Arboretum, it's time to relax. What better way to relax than with a glass of award-winning, estate wine from one of the nearly 30 wineries of the Grand River Valley (GRV) here in Ohio's Wine Country. Whether you kick back and take in the scenery and calm of the vineyards at Cask 307, Laurentia, Silver Crest or Baci or are looking for live entertainment at a winery like Debonne, Grand River Cellars, Stonegait, Laurello or Harpersfield Vineyard there's an experience for everyone. When you're ready to call it a night, couples have to check out the brand new, upscale cabins and lodging options at Standing Rock Farms in Madison. This former Boy Scout camp has been converted into gorgeous, modern cabins set in a stunning, picturesque setting with ponds, and nature all around. A perfect way to cap off a perfect tour of Lake County!

... But First Coffee

Looking to start your day the caffeinated way or for a midday pick-me-up? Lake County has a coffee shop for every occasion.

Arabica Coffee House

Established in 1996, Arabica Coffee House has been a Willoughby staple for over 25 years. Located in Historic Downtown Willoughby, this coffeeshop offers the perfect balance of relaxation and charm.

Arabica is known for its specialty coffee, which is roasted and blended from coffee beans from over 40 countries around the world. Stop in for a cup of coffee or one of their signature mochas, which pair perfectly with any of their fresh-baked treats. You'll find jumbo cookies, cakes, and muffins; their Cranberry Orange Muffin is a fan favorite!

Fiona's Coffee Bar & Bakery

In the heart of Downtown Willoughby, Fiona's Coffee Bar & Bakery is serving handcrafted coffee, espresso, and tea beverages. Located in the former Willoughby Hardware building, Fiona's makes house-made bagels and mini donuts daily. Fiona's utilizes locally sourced products throughout their

menu, like Rising Star Coffee and Hartizer Dairy. This cozy coffee shop, equipped with a fireplace, is a great work-from-home alternative or spot to grab a quick sandwich for lunch, like their Meg Chix Salad or Turk Avocado BLMT.

1922 Coffee and Brew

If you're looking for coffee and cocktails, look no further than 1922 Coffee and Brew! Inside this Painesville coffee shop and lounge, find a prohibition-era motif, which is only fitting with the name "1922." For coffee drinkers, you'll find a variety of hot and cold drinks, like their Carm Macchiato. If something on the boozy side is calling your name, 1922 offers beer on tap, wine, and cocktails - Espresso Martini, anyone? Make sure to come hungry, as they offer All-Day Breakfast, Sandwiches, and Sunday Brunch.

Julbean's Coffee and Crêpes

Fairport Harbor's Julbean's Coffee and Crêpes is serving up welcoming vibes, delicious crêpes, specialty coffee, and teas, like their Thai Tea.

Donuts

Donuts are the perfect food, as they can be enjoyed properly any time of day: for breakfast with coffee, as an afternoon snack, or as a sweet treat to end the day. Lake County has its fair share of donut shops and bakeries, so consider this your sign to try them all!

Biagio's Donut Shop

Shop has been an Eastlake landmark for over 60 years. Their donuts are fried, filled, and glazed in-house daily; everything is made in-house fresh. Classic Biagio flavors include Glazed and Chocolate Iced. For a more adventurous choice, try their Maple Pecan Apple Fritter. Pro-tip, Biagio's also offers pizza, so bring a slice home to enjoy with your donuts. **Gartman Model Bakery**, which is an old-world-style Painesville bakery established in 1898, makes donuts using high-quality ingredients and no preservatives. Try a Danish Kruller or Glazed Apple Cinnamon Donut. Tasty and crave-worthy donuts can also be found at **Maggie's Doughnuts** (Madison), **T&T Bakery** (Painesville), and **Golden Crust Bakery** (Mentor).

Julbean's made-to-order crêpes can be prepared with a variety of fillings, both savory and sweet. Craving something savory? Try the Figgy Piggy (prosciutto, fig jam, and goat cheese). If you're feeling sweet, treat yourself to the Queen Elizabeth (lemon curd, blueberries, and powdered sugar). If you have your dream crêpe creation in mind, you can always create your own!

CouchLand Coffee

Stop into CouchLand Coffee and enjoy your coffee on one of their many, comfortable couches. Located in Wickliffe, this ultra-relaxed coffee house, which uses Portland's Stumptown coffee, offers beverages like house-drip coffee, cold brew, and lattes. Their Honey Lavender Latte comes highly recommended. In a hurry? Order your coffee and pick it up in their drive-thru window.

Something Sweet

Satisfy your sweet tooth with Lake County's finest ice cream, candies, chocolates, and baked treats.

Fairport Harbor Creamery

Just steps away from Fairport Harbor Marine Museum & Lighthouse, Fairport Harbor Creamery is making all its ice cream in-house. They offer their staple ice cream flavors as well as seasonal options; staple flavors include Strawberries & Cream, Mint Chocolate, and Cookies & Cream. If you can't decide which flavor to get, opt for their Sampler, which includes your choice of four ice cream flavors. For those 21+, Fairport Harbor Creamery's ice cream (and milkshakes) can be made boozy! (P.S. New putt-putt course coming soon right next door!)

Kirtland Creamery

Regardless of your preferred type of ice cream, Kirtland Creamery has something for everyone. With over 20+ hard scoop ice cream varieties, soft serve, milkshakes, and their signature Garbage Cans, the choices are endless. If you love S'mores, try the Campfire Garbage Can (vanilla soft serve, hot fudge, crushed graham cracker, and marshmallow creme). Enjoy your ice cream on their covered patio, and if you have a dog in your life, bring them and treat them to a Pup Cup!

Red Berry Candy Shop

Red Berry Candy, located in Madison, is home to over 2,000 unique candy options. The store is filled with classic, nostalgic candies as well as treats that you've never likely seen before. From chocolates to Saltwater Taffy to Jelly Belly to Bulk-Candies, you WILL feel like a kid in a candy store!

This Madison chocolate shop makes chocolates that are free of the top 13 allergens, gluten-free, vegan, kosher, and non-GMO. Sweet or Savory? Scrambled or Fried? Lake County has a Breakfast destination for any craving!

Willoughby has several delectable diners to choose from. **JT's Diner** serves casual, affordable breakfast food classics. It is evident that JT's prioritizes humor, as their motto is "Eat and Get Out!" To satisfy a sweet tooth, their Mixed Berry Stuffed Hotcakes are a great balance of fruity and creamy. **Kleifeld's Restaurant** is an old-fashioned diner that has been in Willoughby since 1928; you'll know you have arrived when you see the "Good Coffee ALWAYS" mural outside. For a modern choice, try their Philly Cheesesteak Omelet. **Chagrin River Diner's** scratch kitchen offers breakfast favorites, most of which can be made vegetarian and/or gluten-free. This diner's Eggs Benedict, which is made with pork tenderloin, offers a twist on the classic.

Breakfast classics and unique, mouthwatering specialties can both be found at **The Spot on Lakeshore** in Mentor. Their English Breakfast (braised white beans, smoked sausage, red skin potatoes, goat cheese gravy, and toast) is a dish not typically seen in northeast Ohio, which makes

this an automatic must-try! Concord's **Sunny Street Cafe** is known for its made-from-scratch breakfast fare that will brighten your day. When ordering Sunny Street's pancakes, waffles, or French toast, make sure to add local Chardon maple syrup! Classic breakfast favorites can also be found at **Sidewalk Café** (Painesville), **Petie's Family Restaurant** (Willowick), and **Anthony's Family Restaurant** (Eastlake).

Concord Sunny Street Cafe

This is a place that makes you feel like you're a part of the family, from the moment you enter the inviting cafe, to the moment you depart. Here you'll find the made-from-scratch classics you expect and tasty concoctions you don't in a bright and cheerful environment. Fresh ingredients and sunny service will make you come back again and again.

Located near Mentor Headlands Beach, **Scooter's World Famous Dawg House** is known for its Dawgs (hot dogs). With more than 20 Dawg House Specialties, Scooter's has something for everyone's tastes. Also in Mentor, **The Brew Kettle** serves cold brews and BBQ. Having over 30 beers on tap, they have a beer to complement any meal. Order The Pitmaster (pulled pork, smoked chicken wings, and spicy beef sausage) for a well-rounded BBQ experience. **Happy Moose** is known as Mentor's favorite neighborhood sports bar; it's the go-to spot to watch sports, drink a beer, and eat some tasty American food! Stop in for a juicy burger, jumbo wings, or homemade Buffalo Chicken Dip.

In 1936 **Silvestro's Depot Café** opened its doors as an Italian restaurant and bar, serving railroad workers and travelers using the Painesville train station. Experience

their Italian comfort with spaghetti with meatballs, veal parmigiana, or eggplant parmigiana. Italian favorites can also be found at **Mama Roberto's** pizzeria in Mentor, such as Mama's Tour of Italy (lasagna, linguine aglio y olio, and chicken or veal parmigiano). **Mama Roberto's**, which is carryout only, boasts the title of the Original Cleveland-Style Pizza, too.

Hola Tacos in Willoughby is serving scratch-made Mexican cuisine alongside their in-house brewery, **Pulpo Beer Company**. This Brewpub makes divine Birria Tacos (braised beef, melted Chihuahua cheese, and crispy consome grilled tortillas). Fusion dishes featuring their popular Birria, like their Mexican Ramen and Birria Pizza, are also offered. Tasty Mexican dishes can also be

found at **Wild Burrito** in Madison, offering lunch-sized portions of the restaurant's favorites.

Kirtland's rustic and charming **Tavern Six** offers elevated pub-style food. If warm and cozy is what you are craving, their Mac n Cheese will do the job! Take your Mac to the next level by adding Pulled Pork with Cherry Chipotle BBQ Sauce. **Flagship-Craft Cocktails & Eatery** has a passion for using the freshest ingredients to artfully craft their food and cocktails. Located in Madison, their cocktail (and mocktail) menu changes with the seasons.

In Downtown Willoughby, **Sage Karma Kitchen** is providing the community with a healthier dining option, focusing on using organic foods and fresh produce throughout. On Sage's menu, most items can be prepared to accommodate a vegetarian, vegan, and/or gluten-free lifestyle.

Good Food Mood

Dinner + Drinks

Located minutes from the Fairport Harbor beach, **The Pompadour** offers small plates and hand-crafted cocktails. This cozy, vibey oasis is a great spot for an intimate night out with friends or date night. Their tapas are meant to be shared, so order a selection for the table! The restaurant is open Thursday through Saturday and reservations are highly recommended.

If a martini is your drink of choice, **Billy's - A Cappelli Martini Bar** is your destination! This Mentor bar/restaurant has more than 40 martinis to choose from, including their Chocolate Covered Cherry and The Dirty Pickle.

Noosa Bistro, also in Mentor, is a fine-dining

wine and martini bar. Creative, modern dishes deliver a memorable meal, such their Shrimp N Grits (jumbo shrimp, cheesy grits, crispy pulled BBQ pork, Cajun cream sauce, and sunny side up egg). Visit **Red, Wine, & Brew** to eat, drink, and be social! This Mentor dining, drinking, and shopping establishment offers craft beers, fine wines, and a contemporary, scratch-made menu; look for pairing suggestions on their menu.
