## Salome's Stars

**ARIES** (March 21 to April 19) Stop being the wool-gathering Lamb and start turning that dream project into a reality. You have the ideas, drive and charisma to persuade others to follow your lead, so do it.

**TAURUS** (April 20 to May 20) You've scored some big successes. But remember that all hard-working Ferdinands and Ferdinandas need some time to restore their energies and refresh their spirits.

**GEMINI** (May 21 to June 20) You're gaining a stronger mental image of what you're trying to achieve. Now look for the facts that will help get this to develop from a concept into a solid proposal.

**CANCER** (June 21 to July 22) Some of you eager-to-please Moon Children might want to delay some decisions until midweek, when you can again think more with your head than your heart.

**LEO** (July 23 to August 22) A new business venture seems to offer everything you've been looking for. But be careful that this rosy picture doesn't betray traces of red ink under the surface.

**VIRGO** (August 23 to September 22) A volatile situation needs the kind of thoughtful and considerate care you can provide right now. There'll be plenty of time later to analyze what might have gone wrong.

**LIBRA** (September 23 to October 22) Your loyalty to a friend in a tough situation earns you respect from the people you care about. Those who criticize you don't understand what friendship is all about.

**SCORPIO** (October 23 to November 21) Your strong work ethic is rewarded with the kind of challenging opportunity you love to tackle. Now go ahead and celebrate with family and/or close friends.

**SAGITTARIUS** (November 22 to December 21) A legal matter you thought had finally been resolved could require a second look. But don't make any moves yet without consulting your lawyer.

**CAPRICORN** (December 22 to January 19) Taking charge is what you like to do, and since you do it so well, expect to be asked to lead a special group. This could open up an exciting new vista for you.

**AQUARIUS** (January 20 to February 18) An important matter might wind up being entrusted to you for handling. The responsibility is heavy, but you'll have support from people who are able and eager to help.

**PISCES** (February 19 to March 20) Avoid getting lost in your thoughts early on in the week. Stay grounded until the week's end, when the aspects will give you a stroke of luck that can spur powerful action.

**BORN THIS WEEK:** You always try to do the right thing — and for the right reasons. No wonder people have come to depend on you.

**996 South Boston Rd.,  
Danville, VA 24540  
Phone: (434) 799-0843**

A few weeks ago, we said good-bye to a woman, Joan Schwarz, who was instrumental in starting the Danville Area Humane Society (originally named the Danville-Pittsylvania County Humane Society) in 1975. She was a dear friend, volunteer, and supporter. Meeting her in March of 1983 changed the path of my life and I am very, very grateful for that.

In those days, Danville had one animal control officer and he went off-duty at 3:00 in the afternoon. During an interview with a writer hired to record our history, Joan said she got "Bill [Schwarz] interested in helping the animals and would help me during the nights when we had to rescue hurt animals. We bought a little gurney to put the hurt animals on and a catch pole. When we got a call in the middle of the night from the city police dispatcher, we would go out and put the animals in my car and then call local veterinarians."

At that time, no services were offered for cats; however, Joan persuaded the city animal control officers to pick up cats once a week. She and Bill then began negotiations with the City for the humane society to add on to the very small shelter and begin operating the shelter. The addition was built and a contract signed in 1984.

With Joan's testimony at a City Council meeting, it became a city ordinance long before a state law, to require adopted dogs and cats to be sterilized.

Joan and Bill worked tirelessly. They were involved in every detail and even worked weekends and holidays at the shelter, cleaning the runs and cages. And still, they rescued animals in the middle of the night. Joan was a valued volunteer at the shelter for years and also was a dedicated fundraising leader.

Her beloved Bill died in 1998 and we established the William Schwarz Animal Hero of the Year Award. Last month, the board voted to change the name to the William and Joan Schwarz Animal Hero of the Year Award.

Joan, good-bye for now. Your life made a difference and we are eternally grateful. So are the animals.

\* When putting in new plants, you can tear strips of tin foil, then use toothpicks or small stakes to pin them to the ground in your new garden. It will keep the cats out, and can even discourage birds.

\* To remove the fat from your pot roast or other slow-cooked meat dish, make then refrigerate. The fat will float to the top of the juices and coagulate. Remove this layer of fat and then reheat.

\* "My kids are long past wagon size, but their wagon isn't done hauling yet. I put it to good use in the garden. I can park it in the shed stocked with all the things I might need. It's very handy." -- A.A. in Florida

\* "When starting out a new exercise class, be sure to give it a full month before you decide whether you like it or not. Especially classes that are harder, since you might be very sore and think that means you don't care for the class." -- L.M. in Virginia

\* "Dedicate a photo album to class photos. It will be easy to see the changes your little ones have gone through over the years. It's especially nice when you include the individual portraits for each year and make the album for just one child. It makes a special gift, too." -- J.K. in Pennsylvania

\* To sharpen a pair of worn scissors, try cutting through a piece of aluminum foil that is doubled or tripled over. Be sure to clean and dry scissors you use in the kitchen.

**Jerry Seinfeld Quotes**

Having a 2 year old is like having a blender that you don't have the top for.

Would somebody please explain to me those signs that say, "No animals allowed except for Seeing Eye Dogs?" Who is that sign for? Is it for the dog, or the blind person?

Responsible, who wants to be responsible? Whenever something bad happens, it's always, who's responsible for this?

Let's examine the dog mind: Every time you come home, he thinks it's amazing. He can't believe that you've accomplished this again. You walk in the door. The joy of it almost kills him. "He's back again! It's that guy! It's that guy!"

Somebody just gave me a shower radio. Thanks a lot. Do you really want music in the shower? I guess there's no better place to dance than a slick surface next to a glass door.

I will never understand why they cook on TV. I can't smell it. Can't eat it. Can't taste it. The end of the show they hold it up to the camera. 'Well, here it is. You can't have any. Thanks for watching. Goodbye.'
