A rabbit walks into a store. The clerk says "may I help you sir?" "yes" says the rabbit. "I'd like a sandwich with some coleslaw please". "I'm sorry sir", says the clerk, "but we don't have that here". "Oh ok", says the slightly deflated rabbit. "I guess I'll have a house salad". "sir", replies the slightly annoyed clerk, "we don't have that. Is there something else I can help you with?" "Well", says the rabbit, "in that case I'll just have a bowl of tomato soup". The clerk is now incensed. "Sir, we don't have food! The sign outside clearly says 'Men's clothing store!' Can't you read?" "Listen buddy", says the rabbit, "if I could read, I would have asked you for a menu!"

# What is A Town?

**A town is a group of people.**

- It is a school.
- It is a city government.
- It is churches.
- It is industry and jobs.
- It is retail businesses.

**They all have to work together. All must have the support of the people or there is no town.**

Give your local merchant a chance for your business and the first opportunity to make the sale. The local retailer pays the highest percentage of local taxes. They are the ones contacted first for contributions to charitable projects. They provide jobs. Without their store, you have no town.

**GIVE THE LOCAL MERCHANT A FAIR SHAKE.**
