# Dear Mount Morris Community,

In our close-knit community of Mount Morris, there's a local family in need of our heartfelt support. Lily Bryant, a remarkable local girl, and her family are currently facing a challenging chapter in their lives.

Lily, a spirited 6th grade girl, has Cerebral Palsy, a condition that requires ongoing medical attention and support. Her family, consisting of her devoted parents, Jason and Barbara, and her sister Madalyn, are an integral part of our community. Jason, a hardworking farmer, and Barbara, a dedicated Teacher's Aide at MMCS, have been tirelessly balancing their responsibilities while providing unwavering care and love to Lily.

Lily's journey involves upcoming surgeries, extended hospital stays, and frequent travel to both Shriners' Hospital in Pennsylvania and Oishei Children's Hospital in Buffalo, where she receives extremely specialized care. These medical procedures are not only emotionally taxing but also come with significant financial burdens, including a minimum of six weeks off from work, travel expenses, accommodations, and medical bills.

In response to this, our community is rallying together to organize a benefit to help raise funds for Lily and her family's pressing financial needs. This benefit will play a crucial role in alleviating the stress caused by medical expenses and allow the family to focus on Lily's health and well-being.

We invite you to join us for a pulled chicken dinner on March 16th, 2024 from 11:00-5:00pm to show your support for Lily and her family. Your presence and contributions will make a meaningful impact, helping to ensure that Lily receives the care she needs while allowing her family to navigate these challenges with a little less burden.

For those unable to attend, donations can be made and given to Kim Wolcik and Sara Welch. Every contribution, no matter the size, will make a difference in Lily's life and provide much-needed relief to her family.

Let us come together as a community, as we always do, to support one of our own during this challenging time. Your generosity and compassion will be a beacon of hope for Lily and her family.

**The LCCNR Resident Craft Club was awarded an Arts in Education, Statewide Community Regrant (SCR) from the Genesee Valley Council on the Arts..**

Founded in 1977, the Statewide Community Regrant (SCR), formally called the Decentralization Program (DEC) was developed to ensure that New York State's cultural funding reaches every part of the state. SCR has since become one of the Council's most effective means of making arts support available to geographically, economically, and ethnically diverse segments of the state's population. The program serves each of the state's 62 counties and funds volunteer community organizations as well as established non-profit corporations with paid professional staff.

This was our 7th year applying for the grant and is the second time we have received the maximum amount.

We will be celebrating our 12th+ year doing FREE Crafts with the Residents of the Livingston County CNR and bringing Presenters in to have the residents try new things and have new memories to share with their loved ones.

As we are all trying to get back to "normal" and to give back opportunities for the residents of the LCCNR extra activities to keep the residents motivated and independent while learning more Visual Arts and Crafts, while improving hand eye coordination, having fun, trying new things and meeting new people.
