VOTE

He is a profound embarrassment. His capacity as "By-Proxy Speaker" of our house. His bobble-headed response "A LA" Mike Pence to President Joe's comments, left no doubt he will try to sit in the V.P. Chair next November.

Now Mister Magoo (ish), takes his wrecking ball talents hovering above the office of the F.B.I., our office of National Security and defense operations budget. That's his get-even message for the Justice Department.

The Mister Magoo glasses combined, with a half-blind persona leaves us with an impression of some strange Alien "A.I. Creation", A robotic mime of America's worst threat to democracy at home and around the world. A political version of what we used to call "a cheap date".

The upcoming eclipse will be spectacular—but watch your eyes!

By Dr. Robert Ford, Chief of Optometry, Oak Orchard Health

As you may know by now, a rare total solar eclipse will happen Monday, April 8, 2024, and the Western New York region is one of the best places to experience it. Our region is in the path of totality—a narrow band of area across Earth where the moon briefly covers all but a thin disk of sunlight around its edges. The excitement begins at 2:07 p.m., when the moon begins to cover the sun, at 3:20 p.m., the total eclipse will begin and last for about 3 minutes. It is a spectacular moment to witness as day turns into night in a matter of seconds and the stars begin to shine.

The dark side of looking at the sun

The only safe way to view the event is with special solar viewing glasses. They are made with filters that block Ultraviolet—or UV—light. And it is best to plan to wear special viewing glasses for the entire event rather than risk any exposure.

UV sunlight can burn your eyes' retinas in less than a minute or two. Even a partially concealed sun is unsafe to view with the naked eye. Even though daylight will begin to dim, the ultraviolet rays will still be just as strong. The same is true when it is cloudy or you're wearing sunglasses or looking through your home's or vehicle's windows.

Oak Orchard Health has safety glasses for viewing

Oak Orchard Health will be giving away ISO Certified eclipse viewing glasses to their current patients in our offices starting April 2. They are appropriate for adults and children. Limited supply is available and there is no cost.

You can also find places to purchase special eclipse viewing glasses by Googling The American Astronomical Society, a trusted organization, or see if your local library has them available, as the organization StarNet Libraries has distributed millions of the special viewing glasses to libraries around the U.S.

Precautions about other devices

If you are taking photos with your phone or camera, you still need to wear your viewing glasses. But there are certain devices that are unsafe to view the eclipse through even if you are wearing your viewing glasses: telescopes and binoculars. This is because such devices use magnifying lenses that will ruin the protective structure of the viewing glasses and damage your eyes anyway.

Watching out for kids

As for young children, remember to protect their eyes as well as your own. Providing them with viewing glasses can still be risky unless you control every second of your children's behavior. So, the safest way for children to view an eclipse is indoors, on a television or computer screen, to be sure their eyes are never exposed to harmful rays. If your children are a bit older—teenagers—and want to experience the eclipse outdoors, just make sure they know to wear those special viewing glasses even as daylight dims. They may think, like other folks, that it is safe to look directly when it is not.

What to do about accidental exposure

After the eclipse, if you or a loved one have accidentally viewed direct sunlight and notice blurred or distorted vision, a change in the way you see colors, a blind spot, or a headache—usually within a few hours or the next day—make an appointment with an eye doctor right away. We have openings at our Brockport office. Just call (585) 637-3905 extension 3.

Sometimes, the symptoms of sun damage will go away after a few weeks or months. Sometimes, that damage is permanent.

DO YOU HAVE HEEL PAIN OR ARCH PAIN?

Heel Spur Syndrome/Plantar Fasciitis is a common problem among people who are active. It starts as a dull intermittent pain in the heel and progresses to a sharp persistent pain. Classically, it is worse in the morning with the first few steps, after sitting, after standing or after walking.

- Plantar fasciitis often begins with irritation and tearing of the fibrous band of tissue on the bottom of the foot, which may eventually result in the formation of a heel spur.
- Contributing factors: Flat pronated feet, high arched feet, poor shoe support, increased age, sudden weight increase, increased activity level, family tendency.
- 95% of our patients' symptoms are resolved with conservative treatment, avoiding surgical intervention.
- We also offer surgical procedures with the best post-op success rates using Endoscopic Plantar Fasciotomy techniques (minimal incisions and scarring; often back in a shoe in 1 week).

Refill with Randy

by Randy LeBaron

Good morning! Grab your favorite cup. Fill it up. And let's start this week right... TOGETHER!!!

This Sunday (Palm Sunday) is the beginning of Holy Week which caps off Lent, leads into Easter, and focuses on the the passion of the Christ. I know that not everyone celebrates Easter, some are preparing for Passover which is only a month away, but for me as a Christian pastor this is the climax of the Christian calendar. It is also, as I have found, a great time to connect with others in the community.

Over the past 6 weeks I have enjoyed gathering with others from different churches and different backgrounds at the Lenten Lunches offered in Albion and Medina. Not only do I like to fellowship with others in the community who I do not get a chance to see on a regular basis, but it is the one time of year that I am pretty much guaranteed to get a delicious egg salad sandwich. Even if you don't celebrate Lent you have probably partaken of a Friday Night Fish Fry with friends or family. Even as I write this, I am realizing how much this season of fasting is actually centered around food, but I digress.

Last year I participated for the first time in the MAAC Cross-Walk where I was one of many who took turns carrying a cross around Medina while pausing at different spots to read the Scriptural account of Jesus' journey to Golgotha. It was interesting last year because just before we were about to start a fire broke out filling the area with smoke and flames which caused us to reroute. Thankfully the first responders on scene did a good job containing it so after praying for the safety of all involved we began our walk. If you are interested, we will be doing it again at Noon this Good Friday starting at the Medina Town Hall.

Good Friday is also a great time to gather with other churches and denominations in order to reflect on the cross and look ahead to the empty tomb. For the past decade I have been a part of the P.A.C.T. Good Friday Service where hundreds come together to worship and share in Communion. Personally, this is one of my favorite and most anticipated events each year. If you would like to join us it is at the Oak Orchard Assembly of God Church @6:30pm on March 29th.

Lastly, another thing I was able to experience for the first-time last year was Easter Sunrise Service at Boxwood Cemetery in Medina. A little over 40 of us joined together on a cold, windy day to sing a few songs and hear a short message in what turned out to be a beautiful, serene setting. If you are an early bird we will be gathering there again at 7am this Easter morning.

See you in two weeks!
Pastor Randy

The point I am trying to make is that there are plenty of opportunities for people to come together during this time and it only multiplies during holy week. Most churches will have their own Palm Sunday and Easter morning services, we meet @10am at First Baptist Church in Medina in case you are looking for somewhere to go, but there are other occasions to connect with those outside of your immediate circle on Good Friday and Easter morning.

After teaching, she spent time at home with her animals and growing a beautiful garden with bright and colorful flowers that was the envy of the neighborhood. Selfless and quiet, Judy was a devoted Catholic. Her life reflected simplicity and the spirit of St. Francis of Assisi, who said, "Do few things but do them well; simple joys are holy." Judy was born on January 12, 1940 A Mass of Christian burial will be held on April 19, 2024, at 10 a.m. at St. Stephens Roman Catholic Church, 21 Vernon Avenue, Middleport, NY, 14105. Dr. Herbert G. "Herb" Koenig, 93, went to be with the Lord on March 16, 2024 at the Niagara Hospice House in Lockport. Born July 8, 1930, in Buffalo, Herb was the third of three children born to Leonard (Leo) M. Koenig and Edna (Pawlitz) Koenig. After graduating from Buffalo Teachers College, Herb earned his M.A and Doctorate in education, and spent his 30-year teaching career inspiring the students at Royalton Hartland Middle School. Herb was preceded in death by his brother Raymond (Jean) Koenig, sister Ruth (Arthur) Pelzer, and first wife Jean (Newman) Koenig. His joyous

legacy will be carried on by his second wife Virginia Laube Koenig, nieces Marcia (Brian) Ergort, Lynn (Tiff) Bates, Pam (Gary) Rost, Karen (Joe) Buranich, Sarah Fritton, nephews Bill Feldman, Matthew (Rita) Fritton, Christopher Fritton, stepchildren Jonathan (Kim) Laube, and Laura (Doug) Finney, and many great-nieces and nephews, as well as countless friends that he saw as his family. Herb's lifelong passions included his faith, education, travel, music, his Middleport community, and of course people. Herb never met a stranger and couldn't go anywhere without someone recognizing him. He always had a welcoming word, and usually a corny joke to go with it. From 1953-1957, He served in the U.S. Naval Reserve as a communications officer aboard the aircraft carrier USS Hornet in the Mediterranean and Pacific. He retired from the navy at the rank of Lieutenant. Herb began teaching for Royalton Hartland in 1952, and received an Outstanding Educator of America Award in 1975. In 1979, he was selected as a Fellow by the Science Teachers Association of New York State, for which he held many offices, including chairman of the Northwestern Zone. While teaching, Herb authored several science textbooks – an achievement of which he was very proud. He retired from teaching in 1986. He was an active member of the Middleport United Methodist Church, where he sang, and occasionally gave the Sunday message. Music was very important to him, and the Middleport Community Choir held a special place in his heart. Herb was instrumental in establishing a partnership between the choir and the Lubbecke Brass Ensemble of Germany. His work laid the foundation for multiple trips and cultural exchanges, as well as international friendships. He truly believed that music brought people together. As a 66 year Mason, Herb was a past District Deputy Grand Master of the Niagara-Orleans Masons, and past Master of Cataract Masonic Lodge 63, Middleport. Herb had a zest for life, and the world is a better place because he was in it. Calling hours will be held Saturday, Mar. 23, from 1-3, at the Bates, Wallace, & Heath Funeral Home in Middleport, with a Masonic memorial service to follow. In lieu of flowers, contributions in Herb's name can be made to the Middleport Community Choir, Middleport United Methodist Church, or Niagara Hospice. Nicole Lynn Poquette, passed away tragically in a car accident on March 11, 2024 in South Carolina where she was residing. She was born Sept. 14, 1982 to Mary Verhagen Carpenter and George Poquette in Brockport. Nicole (Nic) was a fearless, strong woman. Among her favorite pastimes were spending time with her daughter (and

best friend) and cuddling on the couch with her son and dogs. Nic was amazing at arranging any kind of get-together with anyone who wanted to participate. She could have a party put together with a moment's notice. She was happiest outside, either on the water or on a beach in the sun or working in her gardens. She also cherished the time she was able to spend in Puerto Rico with her love, Franky and his family. Nic was a bit wild and outspoken - you never had to wonder what she really thought (often that your food wasn't seasoned enough) and she was truly gifted at making up a good story. She will always be remembered by her mom for her beautiful smile. Her big brother Mike (Ken) was like a best friend and father-figure and she had a special twin-like bond with her younger sister Priscilla who she enjoyed going for long walks and bike rides with. Immediately following the service, there was a celebration of Nicole at the VFW in Holley. Born May 22, 1942 in Buffalo, she was a daughter of the late Maynard C. and Alice (Newton) Groves. She was the loving wife of Richard Schafer. A homemaker most of her life, she raised a family of five children. She also worked

for many years as an office manager for Hibbs-Schafer Dental Lab in Buffalo and the family's other business ventures. Always one to lend sage advice and to watch over her loved ones, Ceona was a true matriarch and pillar of her family. Whether it was bailing out a family friend or housing various family members and friends over the years, she was always willing to help anyone in need. Ceona was more than just a mother and grandmother, she was a confidant and friend with the patience of a saint. She was a voracious reader and she

loved to chat; her phone never stopped ringing. Ceona had a great sense of humor and loved to laugh. She enjoyed being social and going to different shows and events, camping, and loved listening to Elvis and gospel music. Ceona was the glue that held her family together and will be greatly missed. In addition to her parents, she was predeceased by her husband, Richard in 2000; and her infant son, Scotty Monti. Left to cherish her memory are her five children, David (Arlene) Monti of FL, Dennis (Saundra) Monti of Medina, Suzanne Schafer-Bobbitt of Gasport, Diana Schafer of Barker and Richard Schafer of SC; fourteen grandchildren; seven great-grandchildren; her brother, Wayne (Dawn) Groves of E. Aurora; and several nieces and nephews. All were welcome to join the family for a Celebration of Ceona's Life held on Thu., March 21 from 3-7PM at Riff City, 166 Chandler St., Buffalo, NY 14207. Private interment was in Acacia Park Cemetery, N. Tonawanda. Arrangements are in the care of Cooper Funeral Home, 215 W. Center St., Medina. Mary Lou Thompson age 75, passed away suddenly on March 14, 2024 with her husband Donald Thompson by her side. She was born June 25, 1948 in Rochester, a daughter of the late Mary (Switzer) and William Dragert. Mary loved gardening, and always had amazing gardens she made to include swimming pools surrounded by fossil

rocks. She would accommodate them with different Christmas lights for all occasions, even Ground Hog Day. After all, she enjoyed animals, especially her Pomeranian's. Mary enjoyed camping with her family at Green Harbor, riding motorcycles, 3 wheeling with all her kids. She even passed her pilots test and flew a plane over Niagara Falls. She was always baking and cooking big meals and was a pro, putting on big parties; such as her 40th birthday-band-bash, where just about the whole town of Clarendon literally danced the grass off of her front yard. Best party ever in Clarendon history. Christmas and Easter were her favorite holidays, and it didn't matter how old you were, because you still had to hunt down your over stuffed Easter basket full of goodies. Mary loved traveling/vacationing and dancing the night away at many wonderful resorts, including Hawaii and Acapulco which were her favorites. Friends meant the world to her and she loved spending time with them and her family; especially her grandson Michael. Mary and her husband of 35 years, Donald met at Davenport Tool and Die and it was love at first sight. They bought a party boat and journeyed off everywhere, especially Alexander Bay in the Thousand Islands. Whenever you hear the song "Hello Mary Lou Goodbye Heart", remember her, for she was a beautiful person with a super big heart. A real go getter. Always on the go and she definitely had a Great Life. Mary went out of her way to help anyone and we are proud to have her as our mother; a treasured memory forever. Unfortunately, loss of oxygen and malfunctioning equipment during her open-heart surgery at the age of 50 cost her injury and other medical issues which affected her quality of life. Never give up on family, you never know what tomorrow might bring. Until then, picture Mary Lou back in the day, driving off into the sunset in her sharp blue trans am, she called "Good Ole Betsey Wetzy" the little ole lady from Pasadena. In addition to her parents, she was predeceased by her sisters Glady Mae Christoff and Deborah Dragert. Mary is survived by her husband Donald; brother William "BJ" Dragert; daughter Regina V. (Royden) Guess, Jr.; grandson Michael Ross; son Jerry L. Walls and his children; daughter Trina L. Kennedy; grandson Evan Press; several nieces, nephews, cousins, great-cousins. A special thank you to Ronald Penna, Nick Long, Judy Ward and Quincy Washburn. At Mary's request there

The family of Wendy Sanders would like to give a heartfelt thank you to everyone who came to see Wendy in her last days; as well as those who came to her memorial service and all who kept her in their thoughts and prayers. We would also like to thank everyone who donated food and drinks or contributed in any way. Additionally a grateful thank you to the community that contributed to her fundraiser in 2017 for the double lung transplants she received. That fundraiser allowed us to have a few more years with her. Many thanks to my mother in law Doris, my mother Pat and my sisters Sandra and Sherry for accompanying Wendy and I on our many trips to Cleveland Clinic and staying for often times weeks on end. A special thank you to my sisters Sherry Montanari and Sandra Flugel for the around the clock care in her last days, and to Pastor Trellis Poor, Scott Flugel, Sandra Flugel and Sutton Sanders for honoring her with memories shared in such a beautiful way at her memorial service. Wendy's wish was that everyone becomes a donor. Blessings to all, Michael Sanders and family.
