SERVICE LINE PROTECTION PROGRAM

Property owners are responsible for maintaining water and sewer lines in and outside of their property. Repairs could cost tens of thousands of dollars when issues arise. The City of New York encourages all its property owners to enroll in the American Water Resources (AWR) program. AWR protects its customers from costly repairs that are often not covered by insurance companies. When you enroll, you will pay an extra \$84.84 annually for your water line and \$143.04 annually for your sewer line through your New York City Department of Environmental Protection water bill. To enroll, simply call (888) 300-3570.

CONTAINERIZATION

It is now a City of New York Department of Sanitation (DSNY) rule that all business must place their waste and recycling in containers. Then, a private carting company will haul it away. You will now see containers all along our commercial corridors. This will also help to reduce rodent sightings. Additionally, DSNY holds an e-waste collection at its special waste drop-off location at Farragut Street and Food Center Drive in the Hunts Point section of our borough. You can dispose of electronics at this location every Saturday and every Friday from 10 a.m. to 5 p.m. This service is for NYC residents only.

FREE SMOKE ALARM INSTALLATION

The American Red Cross in partnership with the City of New York Fire Department and FDNY Foundation will install a smoke alarm in your household for free. Smoke alarms save lives. Please take advantage of this wonderful resource. For more information and how to apply, please visit www.redcross.org/sound-the-alarm.html. If you do not have access to a computer or smart phone, you may visit our office so that we can assist you. We are open Monday through Friday from 8 a.m. to 4 p.m. We are located at 3165 East Tremont Avenue.

PAN-ROASTED CHICKEN BREASTS

INGREDIENTS

- 4 boneless chicken breast halves with skin
- salt and black pepper to taste
- 2 tablespoons olive oil
- 1 tablespoon chopped fresh herbs (thyme, parsley, rosemary) (Optional)
- ¼ cup apple cider vinegar
- 4 tablespoons cold butter, cut into small pieces
- 1 tablespoon chicken broth (or water), if needed to thin sauce

DIRECTIONS

Gather all ingredients. Season chicken on both sides with salt and pepper.

Heat olive oil in a heavy skillet over medium-high heat until it starts to shimmer. Place chicken breasts skin-side down in the skillet. Sprinkle with fresh herbs. Cook until the bottoms are well seared and golden brown, 5 to 6 minutes.

Flip chicken breasts over and continue cooking until an instant-read thermometer inserted into the center of a breast reads 150 degrees F (66 degrees C), about 5 minutes.

Add vinegar and cold butter to the pan with chicken. Shake the pan gently until butter melts and the internal temperature of chicken reads at least 165 degrees F (74 degrees C), 2 to 3 minutes more.

Stir in 1 tablespoon chicken broth to thin sauce.
