Notary Public Review

This course will demystify the office of notary public. For anyone planning to take New York's notary public examination, and for commissioned notaries who want to improve their understanding of regulations, this seminar will use plain English to clarify laws, concepts and procedures. You will learn how to avoid conflicts of interest, maintain professional ethics, establish proper fees, minimize legal liability, handle special situations and more. To become a notary, you must be at least 18 years of age and either reside in New York or engage in business in the state.

Security Guard 8-Hour Pre-Assignment

Under the Security Guard Act of 1992, licensing is mandatory for all contractual and proprietary security guard employers. The law also requires security guards, themselves, to register with the New York Department of State. This 8-hour course is for anyone seeking employment as a security guard and provides an overview of the Security Guard Act of 1992. One hundred percent attendance is required, and participants must earn a passing score on a final exam. Individuals who successfully complete the course will receive a certificate of achievement.
