answer April Mystery Photo

The winner of our April Down Memory Lane print comes from **Yvonne Gessert Landgraf**.

The April mystery photo depicts the driveway through the original Siebken's Resort, looking north from Lake Street to Elm Street.

The left rear building originally housed an opera house on the second floor. At one time it became the Forrest Tucker Theater for Harand Camp, and after that it was used for the sale of antiques. The bar and sandwich shop on street level has remained as such through the years. The building on the left is the residence,

lobby, and dining room where Herman and Laura Siebken established the resort's reputation for good food served in an old-world atmosphere. Like the owners, many guests were of German heritage. Some were survivors of the holocaust.

Before being replaced by condos, the building on the right offered rooms for the guests. Its patio and large lawn presented a perfect background for summer weddings.

As shown in the picture, the rise in the sidewalk remains as it leads to the front of the resort.

\$1.9M in Grants Awarded to Lakeshore Technical College

Lakeshore Technical College was awarded \$1.9 million in state grants from the Wisconsin Technical College System. The funds will support 18 newly approved projects.

Among the program-related projects are a fast-track police academy, a Foundations of Teacher Education associate degree, and competency-based educational design for an online business management program.

LAKESHORE TECHNICAL COLLEGE

Among the support-related initiatives are resources for low-income students, students enrolled in programs leading to non-traditional occupations, reducing textbook fees, and adults enrolled in basic education and high school credential programs.

"Our ongoing ability to secure substantial amounts of grant funding allows us to offer more opportunities for students pursuing in-demand careers and skills here in our community," says Lakeshore President Dr. Paul Carlsen.

Information about Lakeshore can be found at gotoltc.edu.

ABOUT LAKESHORE TECHNICAL COLLEGE

Lakeshore Technical College is a comprehensive community and technical college educating more than 9,000 students annually. Students enroll at Lakeshore to master real-world, employable career skills and start their pursuit of a bachelor's degree. Lakeshore faculty and staff are focused on providing each student an individualized learning experience.

Lakeshore Technical College is a nationally recognized two-year college. The college was ranked #2 in the nation by Washington Monthly, #17 in the nation by Forbes, #20 in the nation by WalletHub.com, a top-150 two-year college by the Aspen Institute, a 2024 Bellwether Award winner, and named the 2021 Large Business/Industry of the Year by the Chamber of Manitowoc County.

Approximately 800 students graduate from Lakeshore each year, and associate degree graduates report earning a median salary of \$59,899 within six months of graduating. In addition to the Cleveland campus, Lakeshore educates students at learning campuses in downtown Manitowoc and downtown Sheboygan. Classes are also offered at additional sites throughout the district. Visit Lakeshore at gotoltc.edu.

2024-25 Military Friendly Gold School

For the 15th consecutive year, Lakeshore Technical College was named a Military Friendly School by Viqtory, a national organization that connects the military community to educational and entrepreneurial opportunities and civilian employment.

Lakeshore has been recognized for this award and the Military Spouse Friendly School since Viqtory launched the efforts. The college was designated gold level several times.

Institutions earning the designations were evaluated using public data sources and responses from a proprietary survey. More than 2,500 schools from across the country participated in the survey.

"Getting recognized every year since these awards launched demonstrates our ongoing commitment to working with our military students and their families. We are here to help them successfully navigate their way through college and back into the civilian work environment," said Lakeshore President Dr. Paul Carlsen.

Lakeshore works with County Veterans Services, Wisconsin Department of Veterans Affairs, and the Federal Veterans Administration to ensure veterans, as well as their spouses and dependents, have access to resources that can support success.

Tuition and material fee waivers, housing allowances, and additional stipends are available through the Wisconsin GI Bill.

Lakeshore processes state level Retraining Grant Applications for veterans who are dislocated workers, National Guard Tuition Grant Applications, and VetEd Reimbursement Grants. The college also participates in the My Career Advancement Account scholarship program that provides financial assistance to eligible military spouses pursuing careers considered portable.

Information about Lakeshore's military-related benefits can be found at gotoltc.edu/veterans.

Immigration Simulation

In their reading curriculum, the third grade students in Mrs. Stecker and Mrs. Porath's classes have been learning about the history of immigration, the experiences immigrants had while coming to America, the Statue of Liberty and Ellis Island, and the immigration process that took place over 130 years ago. On Wednesday, April 3 the students had the opportunity to participate in an immigration simulation while playing the part of an immigrant character they created. The Civic Center served as Ellis Island.

Assessment, and had their baggage checked. Once at the Processing Center, the official decided whether the student was granted entry to New York City (the Public Library) or detained for further evaluation. Happily, all students were eventually granted entry to America. This hands-on experience will help the students with a future task in which they will write a letter from an immigrant's experience at Ellis Island.

Upon arrival the students registered at the Welcome Station and then proceeded through a medical inspection, interview session, completed an English Language

Thank you to Dr. Courneene and the parent volunteers who helped make this a successful experience, as well as the village and Rachel Montes for allowing us to use the Civic Center and the Public Library.

Helping Hand to Benefit Students

The Elkhart Lake Public Library is gearing up for another enriching summer reading program, thanks to the generous support of local 501(c)3 non-profit organization, ElkhartCares. Continuing its commitment to fostering literacy and community engagement, ElkhartCares has once again extended its helping hand to benefit students in our district.

The recent grant from ElkhartCares will underwrite the summer reading programming at the library, alongside various initiatives aimed at bolstering literacy levels and fostering community involvement. ElkhartCares has also donated backpacks to the library, which will be filled with summer reading materials for distribution among children in the community. This initiative ensures that youngsters have access to quality reading materials throughout the summer break, mitigating the risk of learning loss during the hiatus from school.

Moreover, the grant facilitates the provision of incentives for participants, including prizes for avid summer readers. Such incentives, made possible by ElkhartCares, serve to motivate community members to engage in reading activities during the warmer months.

One particularly exciting aspect of this collaboration is the provision of renewed family passes to the Milwaukee Zoo. Made possible by the ElkhartCares grant, these passes offer families in our area the opportunity to enjoy the wonders of the zoo at no cost. Recognizing the significance of family bonding and outdoor experiences for mental well-being, ElkhartCares aims to make such outings accessible to all, thus enriching the community fabric.

Those interested in supporting these initiatives and others are encouraged to consider making a tax-deductible donation to ElkhartCares at www.ElkhartCares.org/donate - or scan this QR code to securely donate online via PayPal.

ElkhartCares offers such programs and assistances in the areas of:

1. School lunch meals and summer reading programs
 2. Internet services for school-aged children for their school work
 3. Working with the Elkhart Lake - Glenbeulah School District, offering assistance in earning college credit courses, financial assistance for uniforms and equipment in order for students to participate in athletics, band equipment, before and after school activities, and grants for teachers that help support learning and engagement in the classroom and beyond
- Family assistance programs such as:**
1. Fuel assistance for parents commuting to and from work, and taking their children to and from school
 2. Child care assistance for working families and single parents
 3. Holiday meals, Christmas presents for children of struggling families, and aiming to alleviate some of the financial stress the season can bring with Santa's Village--a family-friendly offering, free for the community to come together and enjoy holiday cheer
 4. Pet supplies
 5. Medical financial support
 6. Appropriate clothing for winter and summer needs
 7. Food support for families

These are but a few of the services and examples of support that make up the offerings provided by ElkhartCares.

ElkhartCares gratefully accepts any and all resources and contributions the community is willing to offer in pursuit of continuing our services and programs to our community. A full presentation of our services can be found on our website at www.elkhartcares.org.

ElkhartCares is a 501c3 organization, and all contributions are tax-deductible...those interested in helping, please donate online by visiting www.elkhartcares.org/donate, or by check via mail to P.O. Box 537, Elkhart Lake, WI 53020.

THANK YOU!!

Dear Community Members and School District Supporters,

A big thank you goes out to the community for their overwhelming support the past few months, and voting to pass the latest operational referendum question during April's spring election. We appreciate those who took the time to vote and express their opinions.

The referendum passed with the following votes:

Yes: 672 | No: 485

The successful referendum vote reinforces the partnership between the school district and the community, and continues to show support of the students and staff by providing them a safe, engaging, and productive educational environment.

Giving students the resources necessary to continue learning at a high level is an investment in the futures of the district and community. Please thank the Board of Education, staff, and students who have been part of this process. Their contributions are invaluable in telling the Elkhart Lake-Glenbeulah story.

It is an exciting time to be in the Elkhart Lake-Glenbeulah School District and continuing the district's commitment to challenge, inspire, and empower students, in a caring and innovative learning environment.

Thank you again for your support,

Commitment to Financial Education

Bank & Trust

National Exchange Bank & Trust strives to make financial education accessible on their website, through their social media profiles, and in the communities it serves. Part of the bank's mission statement is to "give back to the communities we serve with financial support and through the talents of our employees," and National Exchange Bank & Trust employees put the mission into action through teaching financial education in classrooms or at local organizations, participating in Reality Days at local schools, offering bank tours, hosting seminars for customers and more.

The month of April focuses on financial education through numerous efforts including National Literacy month, Teach Children to Save day, America Saves week and Money Smart week. Although April focuses on financial education, National Exchange Bank & Trust works with local schools and organizations year-round to provide financial education. The bank's efforts were recognized by the Wisconsin Bankers Foundation (WBF) on a bank wide and individual banker level at conferences held in November 2023 and February 2024.

In total, bankers at National Exchange Bank & Trust took part in 110 financial education presentations during WBF's last fiscal year. Thank you to the following employees for helping make an impact in the community: Kim Baillo, Jeanette Baughman, Karen Beck, Tya Beger, Josh Blatz, Leah Boettcher, Emily Brooks, Cassie Busalacchi, Shane Christophersen, Kari De Smith, Becky DeVries, Patti Dilley, JoNell Empereur, Patty Fritsche, Abby Funk, Linda Gage, Molly Gilbertson, Bryant Greenfield, Nicki Hau, Amy Hill, Debra Hopp, Kendra Hopp, Travis Immel, Jennifer Kinjerski, Kari Marquardt, Katie Morrissey, Karri Oelke, Sandra Payne, Candace Pierce, Tammy Pitts, Kelly Plocher, Sherry Pomplun, Betsy Reigle, Jaclyn Rutkowski, Heidi Sattler, Beth Schmidt, Amanda Schultz, Raechel Siegel, Wendy Soyk, Julie Stigler, Jodi Vande Kolk, Tammy Wagner, Monika Waisbrot, Josh Wegner, Mollie Wegner and Dustin Zanin.

The remarkable efforts shown by Jaclyn Rutkowski and Jodi Vande Kolk stood out among the many dedicated volunteers, and they received a Certificate of Excellence for surpassing 20 total presentations. Emily Brooks, JoNell Empereur, Molly Gilbertson, Nicki Hau, Karri Oelke, Tammy Pitts, Beth Schmidt, Amanda Schultz, Raechel Siegel, Monika Waisbrot, and Dustin Zanin were also each recognized with Certificates of Recognition for their individual efforts in financial literacy as well for surpassing five total presentations.

"Throughout Wisconsin, bankers go above and beyond in their commitment to their communities," said Chair of the Wisconsin Bankers Foundation Rose Oswald Poels. "We thank the team at National Exchange Bank & Trust for their outstanding work in helping individuals and families to build foundational financial skills."

In addition, National Exchange Bank & Trust was awarded WBF's Financial Education Innovation Award this past February, for the It's OK Not to Know program.

The Financial Education Innovation Award is the most prestigious Excellence in Financial Education (EFE) Award presented by the Foundation. The Financial Education Innovation Award recognizes one bank per year that has taken an outstanding, unique approach to empowering the financial decisions of Wisconsin's consumers.

The bank's program — It's OK Not to Know — includes a diverse range of content addressing a wide spectrum of financial questions. The WBF's selection committee

particularly appreciated the bank's use of popular social media platforms to proactively engage with its audience and position the institution as a judgment-free resource ready to provide support and guidance.

As the nonprofit arm of the Wisconsin Bankers Association (WBA), WBF's mission is to promote financial literacy and financial capability to the public and to broaden consumer empowerment in the financial services industry through research, education, grants, and scholarships.

National Exchange Bank & Trust is an independent bank with convenient locations throughout Southeast Wisconsin. For more information, visit the bank's website at nebat.com.

Van Horn Automotive Group Breaks Ground on New Kia Dealership in Sheboygan

The Van Horn Automotive Group recently broke ground on what will be a new Kia dealership, located at 3512 Wilgus Avenue in Sheboygan, WI. The new build was part of an agreement made with Kia Corporation to erect a stand-alone dealership, during the purchase of Brantmeier Ford Kia in November 2020.

The dealership and surrounding lot will occupy a total space of 3.5 acres, with enough room to park over 200 vehicles. The exterior design of the building will bring the philosophy of opposites united to the forefront. A striking black band will serve as a backdrop for the Kia brand mark contrasting with the unobstructed views of the showroom and customer area inside. The diagonal design of the sides will create a dynamic expression drawing eyes to the featured vehicles inside.

The main floor of the dealership measures 23,500 sq. ft. with a 4,200 sq. ft. second floor. 80% of the showroom will be exterior glass wall, bringing in a substantial amount of natural light. Customers will enjoy both private and semi-private consultation offices for a variety of options during the sales process. A full-service customer lounge will invite those waiting for sales or service to relax, with a variety of seating options, including a bar for customers to plug-in, and a hospitality wall with refreshments and large video screen.

The service area will feature a 2-bay, indoor service reception lane and 3 service writing workstations. Auto Tech employees will enjoy an air-conditioned shop and 18 total service work bays to

This state-of-the-art facility with modern amenities will be the third automotive-related project between Van Horn Automotive Group and Keller, Inc.

manage a high volume of jobs.

“We are very excited to see this project move forward,” said Jeff Niesen, President of Van Horn Automotive Group. “Kia has been a very successful brand for us for the past three years and they continue to turn out great new products. When we acquired Brantmeier Ford Kia in 2020,

we immediately started making plans to give Kia a separate dealership it deserves, which will also allow Ford to expand their operation at the current location.” Bob Pöch, Vice President for Keller’s South Central Region said, “Keller is very proud to be selected as the design/build contractor for the Van Horn facility, and we look forward to getting it completed on

time and on budget.” Construction of the Kia dealership will occur in the northwest section of the lot currently occupied by Van Horn Motors of Sheboygan. Once the project is complete, Van Horn Motors of Sheboygan will be demolished.

Construction of the new Kia dealership is expected to be complete by June of 2025.

Opera for the Young
 André Grétry's operatic fairy tale
BEAUTY AND THE BEAST
 an OFiY original production

"Handsome is as handsome does....A princely (yet frightening!) beast finds redemption and transformation through the friendship of a brave young woman. Bubbling with memorable Mozart-like melodies, this re-telling of the beloved fairy tale is set in a fantastical South Asian context influenced by Bollywood style. Local elementary students join professional opera singers onstage as the opera chorus of exotic birds and enchanted (kid-sized) fruit. In true Opera for the Young fashion, this show will be animated...but definitely not animation!"

Red Cabin at Green Acres Joins Chamber

New owners of Red Cabin at Green Acres Bar and Supper Club, Sara and Hailey, have joined the Elkhart Lake Chamber of Commerce.

Located at W2701 4th St. in Fond du Lac, Red Cabin at Green Acres is a 15 minute drive from St. Cloud. Sara and Hailey are thrilled to serve country comforts with big city tastes. Prior to purchasing the business in January 2023, both Sara and

Hailey worked for the previous owner, Dave Schuh, and learned the ropes of the business. They are branching out with a supper club feel.

The customers at Red Cabin love that everything is made fresh. The owners take pride in 20 different sides, gluten free soups and various steak and dessert specials. They are also known for their Friday Fish Frys, Saturdays Prime Rib, and Sunday Brunch Menu. They have a very diverse menu, and the best part is you can order anything at anytime! Hungry for Steak and Lobster at 11:00? They have it!!! You absolutely can not leave without trying the "Baker Cheese" Bites and bread pudding.

Village of Elkhart Lake Updates

DEPOT DISPATCH MAY 2024

SPRING ELECTION

The spring election took place on Tuesday, April 2nd. Elkhart Lake voter turnout was 46%.

The election results for Village Trustee are as follows:

John Schott	275
Terri Knowles	297
Lynn Shovan	269
Scattering	2

ARBOR DAY

The Village is holding an Arbor Day celebration on April 29, 2024 at 10:30 am. This year the event will take place at Village Square Park. There will be a program and the winners of the 5th grader poster contest will be announced. Please watch the Village website for more information.

BUILDING PERMIT REQUIRED

If you are planning a construction project on your home or business, you must apply for a building permit. Permits must be issued prior to commencement of work. We have had a few people looking to install patios and doing some work and then finding out they cannot have one. We want to prevent this from happening. It is best if you call the Clerk's Office at 920-876-2122 to find out if your project will require a permit. Failure to do so will result in double the permit fees, potentially tearing out of what has been done, and could even result in a fine of up to \$1,000.

BEACH PASS INFORMATION

The Village is reminding people that the Village beach is for residents of the Elkhart Lake-Glenbeulah Joint School District only, per Village Ordinance. The police will be monitoring beach use more frequently. The prices of the passes is \$10 for residents and \$50 for school district residents, which are good for an even and odd year (this is the first year of the beach pass). These passes will be available by May 1st. The price of replacement passes is \$25 for Village residents and \$50 for school district residents. Rental properties are to have their guests use Fireman's Park. This is the public access to the lake that should be used for guests. Some of the other regulations include:

- No person shall allow a dog to be on any public beaches owned or leased by the Village.

- No person shall use or possess beverages containing alcohol on the public beaches owned or leased by the Village.

- No person shall ignite nor maintain fires of any kind on the public beaches owned or leased by the Village.

NO MOW MAY

No Mow May was first popularized in the United Kingdom but is now gaining traction across North America. The goal of No Mow May is to pause mowing during the month of May, allowing flowers to bloom in your lawn to help early season pollinators. Late winter and early spring is a time when floral resources are often limited.

The Village is asking those who wish to participate in No Mow May to register with the Village by emailing us at clerk@elkhartlakewi.gov. We will provide you a sign we would like placed in your yard. The Village's ordinance on grass height is still in effect and if your grass is taller than 9" it will need to be mowed during the month. We also ask that if you choose to participate that you mow your lawn on June 1st or 2nd.

MEMORIAL DAY EVENT MAY 25TH

The annual Memorial Day Tribute Program will begin at 11:00 a.m. on Saturday, May 25th at Memorial Park, which is located on the corner of Highway 67 and Chicago Street. Immediately following the program, the Lions Club will be sponsoring a brat fry, with proceeds to be used for maintenance of the Veteran's Memorial.

DOG LICENSES

Please stop in at the Village Hall to license your dog by March 31st. You need to provide a proof of rabies vaccination and pay the fee (\$7.00 per spayed or neutered dog and \$14.00 per dog if not spayed or neutered). A late

charge will be assessed to all dogs not licensed by March 31st.

NOISE ORDINANCE REVISIONS

The Village Board revised the noise ordinance. They have put in place limits on outdoor live music on Mondays and Tuesdays besides holidays or special permits. They also reduced the time allowed for outdoor live music on Sundays to 3 to 8 pm. This is to keep with the tradition of having quiet Sundays on the lake.

DOG REFUSE STATIONS

The Village has installed Dog Refuse Stations throughout the Village. We have installed two new ones along Victory Lane. These stations will dispense plastic bags to help in the cleanup effort. The dog stations are located at:

- S. End of Walkway
- N. End of Walkway
- Near Village Square Park
- S. Lake Street near Elm St.
- Osthoff Avenue
- Lions Park
- E. Rhine St. near Charlene's
- E. Rhine St. near Two Fish Gallery
- Victory Lane near Cedar Landing
- Victory Lane near Moraine Drive

VILLAGE ORDINANCE - 8.32 ANIMAL FECES

Any person owning or having control of any animal shall clean up the feces of such animal immediately and dispose of it in a sanitary manner when the animal has defecated on the property of another or on public property. Please be aware, the sidewalk, the area between the sidewalk and street (parkway), the street, lake street walkway, and all parks and parking lots are public property!!

AUTO PAY YOUR WATER BILL

The Village of Elkhart Lake accepts Automatic Clearing House (ACH) payments for your water/sewer bills. If you are interested in having your water/sewer bill automatically debited from your bank account, please contact the Village at 920-876-2122 or email
