\*Annual Percentage Yield designated as APY. Subject to change at any time. Paid on balances up to \$7,500 each month if requirements met. Balances over \$7,500 will earn .05%APY. Transactions that are pending on your account, and have not posted as of the end of the monthly qualification cycle will not count as a qualifying transaction for that cycle.

## GENISYS CREDIT UNION VOTED BEST OF THE BEST IN THE OAKLAND PRESS

Genisys Credit Union has been voted “Best of the Best” in the Oakland Press Readers Choice Awards for Best Credit Union, Best Financial Advisor, and Best Mortgage Lender. Genisys has been recognized as Best Credit Union and Mortgage Lender for 15 consecutive years and Best Financial Advisor for eight.

“To our members, my sincerest ‘thank you’ for making us your credit union of choice and voting Genisys as ‘Best of the Best.’ We appreciate your continued support and for allowing us the opportunity to make a positive difference in your financial lives,” said Jackie Buchanan, President & CEO of Genisys Credit Union. “Recognitions like these affirm our team’s effort to service excellence in our member experience.”

In an environment of people helping people, the team at Genisys works to ensure a strong, financial foundation in order to create an environment that supports member success; advancing their member’s financial goals & aspirations through building relationships, understanding financial needs, and meeting those needs in a way that works for them.

The credit union gives back with their Genius High Yield Checking Account, which pays an annual percentage yield (APY) of 5.25% and offers debit card rewards. Genius Checking is a high-yield, personal checking account that pays cash dividends on account balances up to \$7,500 and debit reward points on purchases. The requirements for the account are simple: no initial deposit or minimum balance requirement, enroll in e-statements, and use your Genisys Debit Mastercard® 10 times a month for purchases of \$5 or more, excluding ATM transactions.

For those 18 and under, they have a High Yield Youth Savings with an APY of 5.12% on balances up to \$500. “This program aims to help our youngest members learn the importance of financial literacy by growing their savings,” said Buchanan. “Financial knowledge and capability are key in empowering an individual to reach their goals for financial freedom and choice - it’s never too early to start that education.”

An important part of the culture at Genisys is the investment of support to help build a

strong future for their communities. They guide their actions with a *Committed to Community* approach, ensuring they foster sustainable solutions through projects that help community members learn, grow, and thrive.

“We work to elevate our communities through many channels such as financial literacy initiatives, event partnerships, community involvement and more; giving back for a greater tomorrow,” said Buchanan. “The team also emphasizes the importance of giving back through a commitment of time. Annually, the team at Genisys volunteers over 5,000 hours with our community events and partners; understanding that building relationships and creating connections is the foundation of community.”

With a commitment to drive their local economies forward, Genisys upholds its dedication to help individuals, families, and businesses manage their finances in a trustworthy, convenient, and economical manner while being a partner in community. The Genisys team appreciates your continued support.

# Rebekah's introduces new premium signature product line

Over these years of bringing great products to the market, I have always wanted to present a premium signature line that would best represent Rebekah's and myself. Something I would be proud to put my name on. Well, I have some exciting news for you! Introducing Rebekah's signature line of products! With over 200 herbal medicines and supplement products already in stock and many more on the way!

I have combined the best responsibly sourced organic herbal ingredients, added NO unnecessary fillers or sweeteners and packaged them in glass jars! By taking control of the manufacturing process we eliminated the middleman in the supply chain. This resulted in the most powerful, effective, medicinal

grade supplements available today, but at prices that are much less than our other top of the line products, without compromising ANY quality or effectiveness.

Rebekah's has worked hard to stay current and to bring to all of you products and brands that we felt would be the most beneficial to your health and lifestyle. We realize that the prices on many supplements have made them out of reach for some. In creating Rebekah's signature line our goals were to create best in the market products at pricing that would make these much more obtainable so that you wouldn't need to choose between your bills and your health.

I am extremely proud of the NEW Rebekah's signature line of

herbal medicine and supplements. So proud that I put my name on it! Come visit and try them for yourself. It's one of those rare moments in life when the best you can buy is actually easy on the wallet.

Rebekah Niman, owner of Rebekah's proudly displays the brand new line of premium signature products available at her Lapeer store.

## Professional Movers.com Voted Best Moving Company Again!

The Readers of "The Oakland Press" have voted Professional Movers.com as the "Best Moving Company" once again in their annual "Best of the Best" Readers' Choice Awards! This is the 13th time that Professional Movers.com is being recognized with this highly coveted award since 2011. The award places Professional Movers.com in a class of their own, having won more 1st place finishes than any other moving company in the history of the contest. The contest is organized each year by The Oakland Press, an iconic Michigan newspaper, tracing roots back to 1843 when it was known as the Pontiac Gazette.

The prestigious "Best Moving Service" honor has become known as the standard quality benchmark for identifying the VERY BEST LOCAL MOVING COMPANY in Michigan. Independent voting took place throughout the months of February and March via online and paper balloting. Readers picked the moving company they felt provided the best overall service. The Oakland Press calculated all votes and reported Professional Movers.com had again earned enough support from the local community to remain atop all other moving companies for 2024.

The 1st Place "Best Moving Service" Award announcement is perfectly timed with Professional Movers.com's roll-out of their "Perfect Move Process". This is their step-by-step playbook of standard procedures, processes, and checklists that their team follows to ensure a POSITIVELY DIFFERENT, five-star experience for every customer. Team Leaders from Professional Movers.com came together for multiple days discussing and documenting their best-practices. The "Perfect Move Process" has already been heralded by repeat customers for an incredible way to ensure consistency in their service, every time. All moves are completed in a systematic approach, with team members accountable for specific steps. The teams love it as well with each member being rewarded for achieving outstanding customer service.

Professional Movers.com announced their "Perfect Move Process" launch and celebrated their 13th "Best Moving Company" award by hosting a company-wide breakfast celebration in honor of the Team Members who made these historic milestones possible. Operations Manager, John Crowley said, "Beating the competition is relatively easy, but beating ourselves in improving a customers' experience is a never ending commitment. No other moving company has won Best Moving Company with such consistency. The "Perfect Move Process" is an extension of our company goal of driving consistency in GREAT SERVICE. I'm incredibly proud of our

customers' experiences better every year."
