### Design an Ad -

The creative contest that brings together local students, local businesses and your local newspaper, the TimesDaily.

# Raising the Bar

The TimesDaily Design an Ad is an art competition open to all students within the Shoals area. It is an initiative to enrich the TimesDaily's Newspaper in Education (NIE) program.

The NIE program works closely with area teachers and makes it possible for them to use the newspaper in the classroom to enhance literacy, and teach core life skills such as comprehension, math and writing, social studies and science. It is interesting to note that research by the Newspaper Association of America Foundation has concluded that moderate instructional use of the newspaper in the classroom actually elevates student reading and comprehension test scores by as much as 39%\*.

The 2024 Design an Ad competition included schools from Lauderdale, Colbert and Franklin counties.

Local business and industry leaders purchased the ad space within this section and students designed the ads. Advertisers selected a single or multiple ads to represent their business. These are the ads you see highlighted in this special section.

Advertisers truly had a difficult task determining which of the many ads designed for them would be published within this special section of the TimesDaily. Many of the advertisers told us that they struggled to select just one ad from the students' work.

We hope that in years to come, more classes, teachers and students will become involved in Design an Ad, raising the bar for all competitors – both in terms of numbers of competitors and the overall quality of each participating classroom's artwork.

Congratulations to the students whose artwork is published here for a job well done!

This year our Design an Ad awards program was held at Sweetwater Depot in Florence. The TimesDaily staff would like to thank all our advertisers, teachers and students for your continued support in this program.

First, second, and third-place winners in three grade-level divisions were selected: Grades 3 through 6; grades 7 through 9; grades 10 through 12.

First-place winners from each division will receive a \$75 checking account; second-place winners will receive a \$50 checking account; and third-place winners will receive a \$25 checking account. Overall winner received \$100 checking account from Progress Bank

Northwest Shoals Community College Scholarship Winner – Wendy Smith, Deshler High School

United Community, the Design an Ad key sponsor, played a significant role in this competition. Our deepest thanks go to our friends at United Community for their support of this worthwhile program and our local schools. Special thanks to our event sponsor, Rick's Barbeque and our scholarship sponsor Northwest Shoals Community College. These businesses are a very important part of this event and program.

A special thank you goes out to each student and teacher who participated in the 2024 Design an Ad competition. Every student who participated is a winner when they stretch the limits of their capability.

Along with a listing of all teachers who participated, this special section contains a listing of all students who drew an ad for this year's competition. Thank you, students and teachers, for making this year's Design an Ad a success!

Our sincere thanks to the following community businesses and industry leaders who advertised in the TimesDaily Design an Ad special section this year. Your involvement truly makes a difference in the classroom.
