Advocates for Mental Health

Mental Health America Lakeshore amps up outreach initiatives for Mental Health Awareness Month. New local findings show mental health is Sheboygan County's top public health concern

New! MHA Lakeshore Signature Fundraiser "Whole In One" Golf Outing at Whistling Straits Hosts Former Packer John Kuhn as Keynote Speaker on May 31

Mental Health America Lakeshore (MHA Lakeshore) makes the most of May! MHA Lakeshore helps Sheboygan County find "Where to Start" for mental wellbeing journeys as the organization continues to find new ways to advocate and educate for mental health. Following the recent release of the Healthy Sheboygan County Community Health Assessment reporting that mental health is Sheboygan County's top public health concern, MHA Lakeshore takes additional action throughout the month of May and beyond.

"Now, more than ever, we have to activate and advocate for mental health in our community," said Julie Preder, executive director of MHA Lakeshore. "We serve as mental health connectors, raising awareness and providing essential support to our community, schools, and businesses through community programs, support groups, and information services. Our mission is to champion mental health and wellness for all, not just in May but every day!"

In support of the national arm of Mental Health America, the local chapter themes its initiatives and messaging on the nationwide Mental Health Awareness Month focus of "Where to Start". This year's Mental Health Month theme, "Where to Start: Mental Health in a Changing World," focuses on how external factors, such as society, politics or the economy, can make seeking help for a mental health condition even more overwhelming. According to MHA National, while society is getting more comfortable discussing mental health, it can still be hard to know "where to start" when it comes to taking care of your own wellbeing.

"We have found that mental behavioral

health is a very complicated system, MHA Lakeshore is seen as experts in finding, navigating and linking the right resources and programs for our community members through educating and advocating for mental health," said Preder. "It is our hope that our community finds a sense of comfort in knowing 'where to start'."

The Lakeshore community is encouraged to contact a local Mental Health Resource Specialist at 920-458-3951 ext. 1001 on questions and accessing services. This is a FREE and confidential program. This is where to start.

During the month of May, MHA Lakeshore offers a wide variety of mental wellbeing-forward programs and events. In addition to the recently launched Mental Health and the Great Outdoors Series (press release) and a new signature fundraiser "Whole In One" Mental Health Awareness Golf Outing at Whistling Straits. This new initiative is led by MHA Lakeshore board president-elect Barbra Klug, Sr. Counsel - Commercial and Real Estate at Kohler Co. The all-day event will include a putting contest, round of golf, dinner, and keynote speakers Julie Preder, MHA Lakeshore executive director, and John Kuhn, former Green Bay Packer and two-time Super Bowl Champion. Sponsorships and silent auction donations are still being accepted for the sold-out golf outing by contacting info@mhalakeshore.org.

Throughout the month, the community is encouraged to review the full list of ongoing support groups and programs online at: <https://www.google.com/url?q=https://mhalakeshore.org/services/support-groups/>

How to help support MHA Lakeshore? Learn more and how to make a difference go to the local website at www.mhalakeshore.org. Help support the mission with a donation to provide financial support for initiatives to drive MHA Lakeshore's mission.

A Month of Recognition

It's been a month of recognition for the local chapter of Big Brothers Big Sisters.

years of service as a mentor to young women in our community.

BBBS WI Shoreline was recognized by the national organization as a recipient of the 2023 Big Brothers Big Sisters of America Growth Award. The prestigious award recognizes the hard work of agency leadership, staff, and "Big" mentors to provide high-quality programming and mentorship for the children served by the organization.

"Big" mentor couple Barry and Kay Blatz were also welcomed into the Quarter Century Club for 25 years of service as mentors. The couples recognition included remarks by key leadership from Sargento where Barry has spent the last 31 years in the engineering division.

"We're passionate about helping children in our community reach their full potential and evidence shows our mentoring programs lead to positive outcomes for youth," said Denise Wittstock, CEO of Big Brothers Big Sisters WI Shoreline. "With 60 years of history in this community, backed by 120 years of research across the US, we know this work truly changes the story for young people who get involved."

"Whether you're passionate about helping the next generation coming into the workforce or growing the economy in our communities, engaging in mentoring a young person can play a role. People like Nancy, Barry and Kay are rare in today's society and we need more and more people to follow their lead and get involved," said Wittstock.

Agencies who receive the Growth Award have shown growth in several key categories including the total number of children served in matches between mentors, called "Bigs" and children, called "Littles." BBBS WI Shoreline will be formally recognized during a national conference, June 10 in Dallas.

In the community, another "Big Sister," Maggie Hernandez, was recognized as Community Volunteer of the Year by the Sheboygan County Chamber of Commerce Best 40 Under 40 Awards. Hernandez was nominated by friend and fellow Big Sister for providing inspirational mentorship to her "Little."

The recognition comes just after BBBS WI Shoreline wrapped their inaugural "A Match Made at Dinner" fundraiser gala presented by The Vollrath Company. Held April 27 at Nourish Farms, the gala exceeded expectations with a keynote address by Green Bay Packers Quarterback, and former Big Brother, Sean Clifford.

"There are still more than 175 kids in our community waiting for a mentor like Maggie and Nancy and The Blatzs," Wittstock said. "It takes little to be big."

"Since 2015, Big Brothers Big Sisters has been a special program in my life. I'm so thankful to have been able to share my story alongside so many fantastic individuals," shared Clifford.

Several mentors were recognized at the event for their service to the community. Big Sister Nancy Wagner, Vice President - Business Process and Intelligence at The Vollrath Company, earned the Lifetime Achievement Award for 30

ELGHS Junior Prom Court

CHAMBER SPOTLIGHT

Henschel's Indian Museum & Trout Farm

Our May Chamber Member Spotlight is Henschel's Indian Museum and Trout Farm. Located at N8661 Holstein Road in Elkhart Lake, the Henschel Site is a wonderful place to get outside and enjoy some family fun! When you arrive at the Henschel Site, you will be greeted with smiles and welcoming arms. The museum is full of both artifacts found on the Henschel site and the surrounding area, as well as collections on loan.

The ancient springs that feed the trout ponds no doubt was a source of fresh water for the indigenous peoples of the area. Since the first Henschel homesteader settled in Sheboygan County in 1849, the family's land has yielded evidence of 10,000 years of human occupation.

Today the Henschel collection is one of the most complete in Wisconsin. These items - chipped stone tools, projectile points, ground stone tools, bone tools, copper implements, and pottery - trace the lives and times of the original culture inhabiting the area. Please visit www.henschelindianmuseumandtroutfarm.avandale.net for more information and follow them on Facebook. [henschelindianmuseumandtroutfarm.avandale.net](https://www.facebook.com/henschelindianmuseumandtroutfarm) for more information and follow them on Facebook.

Outstanding Senior Students

Each year the Elkhart Lake Men's Service Club celebrates the achievements of the Outstanding Senior Students at the Elkhart Lake-Glenbeulah High School. This year's fete was held May 2nd, 2024 at Lake Street Cafe in Elkhart Lake.

Top Lakeland Teacher

Evan Chancellor named top Lakeland teacher for 2024

Lakeland University Assistant Professor of Music and Director of Bands Evan Chancellor, D.M.A., is the 2024 winner of the annual Underkofler Excellence in Undergraduate Teaching Award.

Chancellor is Lakeland's 33rd winner of the Underkofler, which recognizes outstanding performance in undergraduate teaching.

A member of Lakeland's faculty since 2017, Chancellor is known for being a student-focused instructor who helps his students develop a passion for music in his classroom and with performers through his conducting.

In nominating Chancellor, students noted he was encouraging, takes on additional responsibilities, demonstrates instrumentation by playing alongside them and delivers lessons that are clear and well thought out. Recently, Lakeland's choir director abruptly left the institution. Chancellor seamlessly filled the role on an interim basis, and he created a space for students to share their opinions about the situation.

In addition to his work in the classroom, Chancellor founded LU's Muskie Pride Marching Band, he directs the campus musical and he organizes Lakeland's summer music camp. Outside of Lakeland, Chancellor serves as the music director of the Fond du Lac Symphonic Band and is active as a guest conductor and clinician.

As a horn player, he has appeared with the Sheboygan Symphony, Milwaukee Philharmonic and other groups in Eastern Wisconsin.

In nominating Chancellor for the Underkofler Award, students offered these thoughts:

"Music comes easy to some, and hard for others. And it can be hard to join an already established group. With this in mind, Dr. C is so exceptional because he is fully able to welcome and integrate people in the group and help them grow in such a natural way that it is barely noticeable. Not every teacher can create an environment like that."

"He is a great teacher who cares a lot about his students and wants everyone that passes through his classes to succeed in life.

"Teaching doesn't just mean helping in an educational sense. Dr. C stops what he is doing the second any student needs something to help them."

"I switched to Music Education because

Dr. C was able to help me make a smooth transition. I knew I had to sacrifice maybe being here another year to finish classes, but we put together a four-year plan and he made class scheduling seem like a breeze. I never have had a bad experience talking with Dr. C. He truly is a great human being.

"The environment he creates in class is so positive, welcoming and productive, and I have always looked forward to every class with him."

Before coming to Lakeland, Chancellor was assistant professor of music and director of bands at Oklahoma Baptist University. He also taught at East Central University and Oral Roberts University.

He is a founding member of the Frontier Brass Band and the Oklahoma Haydn Festival and performed regularly with the Oklahoma City Philharmonic, Tulsa Symphony, Enid Symphony and the Symphony of Northwest Arkansas. Chancellor is a member of Phi Mu Alpha Sinfonia, Kappa Kappa Psi, the Wisconsin Bandmasters Association, the Collegiate Band Directors National Association and NAFME.

Chancellor has a bachelor of music, music education from the University of North Texas, a master of music, horn performance from Oklahoma City University and a doctor of musical arts from the University of Oklahoma.

The Underkofler Award is presented through the Alliant Energy Foundation and the Wisconsin Foundation for Independent Colleges, Inc. The Underkofler Endowment Fund was created in honor of past Wisconsin Power & Light president and chairman James R. Underkofler to recognize his 48 years of service to the utility industry.

Record-Breaking Support

In 2023, more than 800 individuals received a record-breaking 98,168 home-delivered meals from Fresh Meals On Wheels of Sheboygan County (FMOW). While most people were over the age of 75, there were also people in their 20s and 30s who needed assistance for a short period of time as they were recovering from illness or injury. Regardless of the reason, FMOW delivers.

"As the temperatures rise outside, older adults and homebound individuals may have a harder time getting around because of the impact heat has on their bodies," explained Amy Stader, FMOW client coordinator. "These deliveries help make sure people are okay in their homes, it gives them and their loved one's peace of mind knowing that we are here to help if something is askew.

Stader said that several times in the last few months volunteers were able to notify they FMOW team so that assistance could be rendered for a few Sheboygan County residents. "This meant that help was made available and most were able to return home and continue receiving meals," Stader said.

She is passionate about her calling to help those who are widowed and homebound and who just need a little help with good nutrition to be more comfortable at home.

FMOW works with qualified volunteers to deliver meals Monday through Friday to individuals residing in all corners of Sheboygan County. A nonprofit organization, FMOW has no age or income restrictions and can help people as they recover from short-term or long-term illnesses or injuries, or even if someone needs to cook a few less times a week.

Multiple diets and meal preferences are available including heat healthy, controlled carb, renal, gluten free, bland and lactose intolerant. All diets may be served cut up, ground or pureed for those with chewing or swallowing issues. There is also the option to eliminate fish, pork and/or eggs. All meal choices are made fresh with local ingredients

as frequently as possible.

Meal recipients get the dignity of selecting their hot meal daily and can choose the best option that works for them including a hot meal only, hot and cold meal, or frozen meals. Individuals can receive as few as three meals per week, or as many as 14 meals a week – and that number can be adjusted at any time. Various meal patterns are available, with a minimum of three meals per week. Financial assistance may be available. SNAP payments are also accepted.

With Fresh Meals On Wheels you are not just getting a meal, you're getting community support," Stader said. "Volunteers are stopping by, saying hello and making connections. They account for every person they serve every day. There are also caring callers who can check in by phone multiple times a week if requested."

Gift certificates are available – great for Mother's and Father's Day. Anyone interested in learning more about meal delivery or volunteering in the garden, kitchen or with meal delivery should call 920-451-7011 or email FreshFood@FreshMealsOnWheels.org. FMOW is on Instagram and Facebook @ FreshMealsOnWheelsSheboygan.

Women Finding Success in Tech

Though mechanical design and engineering is a field historically dominated by men, anyone who is naturally curious about things, detail-oriented, and good at solving problems has the potential to succeed. Jill Brotz, a May 2024 Lakeshore Technical College graduate of the college's Mechanical Design & Engineering Technology program, is doing her part to increase diversity in the field.

"I strongly encourage females to enter this field!" says Brotz, who is employed as a mechanical design engineer. "Females are definitely underrepresented in Mechanical Design Engineering."

Brotz, a Sheboygan resident, says she didn't grow up with much interest in mechanical things and struggled with confidence when she first entered the program in spring 2022.

"I was comparing myself to men who grew up with it. But I've learned that there are so many other skills that go into being successful as a design engineer, such as a high attention to detail, a curious mind, and a problem-solving mentality. Learning the ins and outs of mechanical design comes with time, through school and job training," Brotz says.

Brotz became interested in mechanical design and engineering after observing

engineering teams at the fabrication company she previously worked at. She wanted to move forward in her career, and the design engineers were very helpful in advising her on the proper steps to take. Some of the design engineers she worked with at the time were Lakeshore graduates who recommended the Mechanical Design & Engineering Technology program to her.

"Jill is proof of how successful females can be in a field traditionally filled with men. I welcome more females to join me and Jill in this field," says Lakeshore Adjunct Instructor Kelly Ryba.

Brotz started as an intern at UNISIG before getting offered her current full-time position a few months later. The Menomonee Falls company engineers and manufactures drilling machines and systems for use worldwide.

Brotz brought design work experience from her previous job and believes she was ultimately hired due to her experience with the design software, the impending completion of her associate degree, and her previous experience as a hands-on fabricator. Brotz says UNISIG also appreciated her having Lean Six Sigma Blackbelt certification, which she earned at Lakeshore.

While Brotz was still a Lakeshore student,

UNISIG tasked her with redesigning a particular mechanism.

"I was able to improve on the design by making it more cost-effective and easier to manufacture. I also worked closely with our electrical and automation teams to improve the design for their needs. It turned into a more complex project than what was initially planned, but the result was very positive," says Brotz. In addition,

Jill Brotz stands in front of a machine she redesigned at UNISIG before graduating from Lakeshore Technical College.

Brotz says she will be able to apply the improvements to similar products.

During a tour of UNISIG in April, Ryba had the opportunity to see the machine Brotz redesigned and learn more about how valuable Brotz had become to the company.

"Not only was the company impressive in their engineering, manufacturing, and machine building, but for me it was so great to see how Jill has applied the skills she learned at Lakeshore to the significant work she does at UNISIG as a mechanical design engineer," says Ryba.

Ryba also says she learned from UNISIG representatives that Brotz was instrumental in the company bringing its fabrication department in-house, work which had previously been fully outsourced.

"Jill is a terrific example of the top caliber Mechanical Design & Engineering Technology program students Lakeshore is training to satisfy needs in the manufacturing industry," says Ryba.

In spring 2024, Brotz was one of only four females enrolled in the program at Lakeshore.

Elkhart Lake Chamber
NEW MEMBER
Lakehouse Bar & Grill

Along with their various daily specials, Lakehouse also has a golf card special every day, where if a customer turns in their golf card (same day) from any of the courses in the county, they can get their second drink free. Lakehouse also has a pull tab happy hour Monday through Friday from 3 until 6 p.m.

SCFB Recieves Donation

Making Spirits Bright Board Supports Sheboygan County Food Bank with Special Donation

The board of directors for the drive-through holiday lights show at Evergreen Park donated \$50,000 to Sheboygan County Food Bank for replacement of a food collection transport truck.

The Making Spirits Bright board of directors presented a \$50,000 check to Sheboygan County Food (SCFB) in support of the purchase of a food collection transport truck. During the annual Making Spirits Bright drive-through holiday lights show, SCFB is the partner organization and recipient of the food pantry donations collected. The SCFB trucks have moved over 1.1 million pounds of food over the event's 12-year run. The special \$50,000 donation, made possible by the generosity of the just over 73,000 visitors to the Making Spirits Bright event, will go towards the purchase of a truck that will replace the one currently used, which needs many expensive repairs and is not reliable.

The check presentation occurred during the Sheboygan Rotary's Good Citizen of the Year dinner. Liz Kroll, founder of SCFB, was this year's Good Citizen award recipient. Dave Hoffman, Making Spirit's Bright steering committee chair, presented the check. Hoffman is a fellow Rotarian and became the Making Spirits Bright event chair starting in 2024. Also

on hand was Mike Vandersteen, chair of the board of directors for Making Spirits Bright. This check brings the total Making Spirits Bright donations to SCFB to \$205,000.

Sheboygan County Food Bank's latest data reveals that inflation and the cutbacks in government benefits are continuing to make it tough for families to put food on the table. SCFB serves an average of over 6,400 families each month through food pantries and their other partner organizations. This equates to the same number of local neighbors served during the height of the 2020 pandemic. To make a donation to SCFB, dedicated to the major truck purchase or for ongoing support, visit www.sheboygancountyfoodbank.com

Making Spirits Bright is a drive-through holiday lights show choreographed to music in Evergreen Park, Sheboygan. Originally conceived and presented by the three Rotary Clubs of Sheboygan County, the event has grown to encompass volunteers from throughout the area. The focus continues to be the collection of food pantry item donations for the Sheboygan County Food Bank. Annually the event runs the night after Thanksgiving through New Year's Eve (closed Christmas Eve). In addition to the lights show, across the street Quarryview Center offers visits with Santa, concessions, wreath raffles, and trolley rides. For more information, visit www.MakingSpiritsBright.com

Sheboygan County Food Bank (SCFB) distributes culturally-relevant and nutritious food to partner organizations and through its core programs – Food for Thought for Kids, Community Cafe, Food+ for Neighbors, and Sheboygan Cares Food Pantry – to ensure that no one in Sheboygan County goes hungry. In 2023, SCFB distributed 1.1 million pounds of food to support over 5,300 families each month. To learn more and donate, visit www.sheboygancountyfoodbank.com

DESIGN SHOWROOM BY APPOINTMENT:
101 N. Lincoln St, Elkhart Lake

SCCA 2024 Youth Turkey Hunt

The 2024 Youth Turkey Hunt was done on private land in Iowa county Wisconsin. This property is owned by the Andy & Linda Burkart Living Trust. We're honored to be able to use the property for youth hunting in honor on Linda's behalf and she was an excellent hunter. Linda would have never have had this sort of opportunity growing up in Appalachia. It is a tribute to her legacy to provide the experience to a new generation of hunters and the SCCA is truly blessed to offer this hunt to our youth.

The SCCA can accept three hunters for this hunt. Our Youth Committee hands out applications for those who would like to participate and this year we selected Jacob Ar buckle, Isaiah Kopp and Bentley McDonald as our hunters. The hunters are required to have a parent or guardian accompany them on the hunt. We had a meet & greet for our hunters and parents as well as the three mentors from the SCCA (Dennis Stuckmann, Ken Dolezal and Cole Binversie) a few weeks prior to the hunt to discuss what everyone needed to bring and explain the weekend events which was April 13th & 14th. This is a NO COST HUNT for our hunters and parents other than their hunting license. We are able to provide this because of our amazing sponsors and donors which include....

- Signature Dental of Sheboygan
- Sheboygan Roosted Gobblers

- Northern Kettles Chapter of the NWTFF
- NWTFF (National Wild Turkey Foundation)
- Oostburg Lumber
- Drexel Building Supply
- Stuckmann Rentals LLC
- Muskies Inc.
- Cleveland State Bank
- Parker John's
- Wings over Wisconsin Eden Chapter
- Mike DeMaster
- All of the support from clubs and members of the SCCA

Because of them, this program is allowed to grow year after year.

Mentors left Friday morning April 12th (the day before the hunt) to set up blind locations for the hunters and discuss strategy for the weekend hunt. We were done by noon that day to let things settle down for the next morning's hunt.

Our hunters arrived on April 12th early evening at the Deer Valley Lodge in Barneveld, Wisconsin. The mentors briefed the hunters and parents on the plans for the next day which included meeting down in the lobby @ 4 AM Saturday morning.

Saturday morning, April 13th, all hunters and family members were in the lobby and ready to go in time and were pumped to go. We had a nine mile ride to the property. Upon arriving, we were paired off with hunter and mentor. The morning

started with a short prayer thanking God for bringing us together to share God's goodness to us all. Each group went off to their hunting blinds and were settled in by approx 5 AM. 1st gobblers were heard around 5:25 and the fun began, there was gobbling everywhere around all of the hunters, it was a great show. 1st bird was taken by Cole's hunter Jacob around 8am, Dennis's hunter Isaiah had an encounter at approx 8:30 am with a long beard about thirty yards away, but the bird was on another landowners property and we could not shoot, the excitement was high as the bird gobbled to every call Dennis made...very close range but the bird would not cross onto our landowners property. Isaiah surely had an exciting encounter. Ken's hunter Bentley had birds around them but no real opportunity. Hunters left their perspective locations and returned to the trucks around 10:30 am and congrats were given to Jacob on his fine turkey.

We all returned to the lodge and Dennis cooked out venison brat patties with all kinds of fixings. Story's were shared at the cook out. After a lot of conversation, we had our hunters sign thank you card for all our sponsors that made this possible.

About 3pm we headed back out for the evening hunt and we switched hunter locations and mentors. Dennis took Bentley, Cole took Isaiah and Ken took Jacob even though we was done hunting, we wanted him to enjoy more action for the experiences. Isaiah had an opportunity at a long beard but missed and needless to say was very disappointed, BUT good lessons were learned from such an event, which will help them in the future. Bentley experienced 4 long beards and 4 Jakes (which are 1st year males) and multiple hens out in the field but would not get any closer than 120 yards. With them going back and forth multiple times, they sure gave Bentley a show for sure. With all that happening we all headed back to the trucks around 7:30 pm and by then everyone was quite tired. On our way back to the lodge we stopped at a bar & grill and ate together. Once again shared stories about the night's events which were very exciting

to say the least. After we were done eating and telling stories we headed back to the lodge and called it a day, because the next morning was sure to come quickly.

4am Sunday morning, April 14th, we once again met in the lobby, this time without Mentor Ken and hunter Jacob because his tag was filled and they stayed back to catch up on some sleep. The rest of us headed back out to hunt the morning with Bentley going with Cole and Isaiah going again with Dennis. Bentley, that morning, had a morning he will probably never forget. At about 7:20 we heard a shot across the valley, Bentley had 5 long beards come into their location and had to wait for them to separate so that he would not shoot multiple birds. Wow, what an experience for Bentley. Isaiah had birds around him but without any opportunity, exciting none the less. The greatest thing about this morning hunt was as Isaiah and Mentor Dennis were coming back to the trucks after the morning hunt, Bentley must have sprinted a 1/4 mile to tell us all about his experience, he was so excited and rightfully so. After sharing stories again and giving congrats, we all headed back to the lodge, took a lot of pictures and again shared a lot of truly great experiences that these fine young men will never forget.

For sure, hunters, family and mentors alike have memories that will last a lifetime, we were all blessed to share this time and to make these memories together.

LTC President Elected

Lakeshore Technical College President Elected to National Board. Dr. Paul Carlsen joins American Association of Community Colleges board of directors.

Lakeshore Technical College President Dr. Paul Carlsen has been elected to the American Association of Community Colleges board of directors. The AACCC is a national advocacy organization representing more than 1,000 two-year community colleges across the country that serve nearly 12 million students. Board members are elected by CEO members of the association.

Dr. Paul Carlsen

“That Dr. Carlsen was elected by his peers across the country to serve on the AACCC Board is not just a testament to his leadership, but also to the caliber of our college and the impact we have on our students and our communities. Paul’s dedication to our mission will undoubtedly enrich the discussions and decisions made at the national level, driving positive change for technical and community colleges,” says Lakeshore Board Chair John Wyatt.

Carlsen, who was 33 when selected in 2017 as Lakeshore’s fourth president, says he wanted to serve on the board to represent his generation. “As one of the first millennials to become a community college president, it is time for me and others from my generation to step up and maintain the momentum of AACCC’s mission to build a nation of learners.”

Carlsen’s campaign focused on

Lakeshore’s accomplishments related to increased enrollments at Lakeshore, revenue generation through grants and donations, becoming a leader in initiatives such as implementing competency-based education and securing authorization for Lakeshore to offer associate of arts and associate of science degrees, and prioritizing human development.

Carlsen begins his three-year term July 1.

ABOUT LAKESHORE TECHNICAL COLLEGE

Lakeshore Technical College is a comprehensive community and technical college educating more than 9,000 students annually. Students enroll at Lakeshore to master real-world, employable career skills and start their pursuit of a bachelor’s degree. Lakeshore faculty and staff are focused on providing each student an individualized learning experience.

Lakeshore Technical College is a nationally recognized two-year college. The college was ranked #2 in the nation by Washington Monthly, #17 in the nation by Forbes, #20 in the nation by WalletHub.com, a top-150 two-year college by the Aspen Institute, a 2024 Bellwether Award winner, and named the 2021 Large Business/Industry of the Year by the Chamber of Manitowoc County.

Approximately 800 students graduate from Lakeshore each year, and associate degree graduates report earning a median salary of \$59,899 within six months of graduating. In addition to the Cleveland campus, Lakeshore educates students at learning campuses in downtown Manitowoc and downtown Sheboygan. Classes are also offered at additional sites throughout the district. Visit Lakeshore at gotoltc.edu.

Scholarship Awarded

The Elkhart Lake Study Club 2024 scholarship in the amount of \$2500.00 was awarded to Charles Loeffler, son of Thilo and Catherine Loeffler, by club president Deborah Lind on May 1 at the Elkhart Lake - Glenbeulah High School. Charles is continuing his education at the Milwaukee School of Engineering focusing on software engineering. The Elkhart Lake Study Club is celebrating its 100th year focusing on the intellectual improvement of its members and service to the community.

Open for 2024 Season

Both the Timm House and Pioneer Corner Museum are open for the 2024 season! The two New Holstein Historical Society venues opened for the 2024 season on Saturday, May 4.

New at the Pioneer Corner for 2024 is the "Incomparable" exhibit. This exhibit displays items relating to the noted chanteuse Hildegard. The entertainer spent the first 12 years of her life in New Holstein before moving to Milwaukee and eventually embarking on a career

that led to worldwide fame and acclaim during a span of over 50 years.

Both sites are now open on Saturday and Sunday from 1 to 4 pm and will remain so through the final Sunday of September. Admission is \$7.00 per adult ticket and \$3.00 per child's ticket to either site, or a \$10.00 and \$5.00 combo ticket is available to visit both sites. Combo tickets do not need to be used for both sites on the same day.

WAEELDERHAUS

Two Performances in June

In June, the Waelderhaus in Kohler will be hosting two performances as part of the Arts at the Waelderhaus Series: The Music of Cole Porter with the Erin Krebs Trio on June 2 and Viennese Fortepianist Daniel Adam Maltz on June 30.

Erin Krebs will perform at the Waelderhaus on June 2 at 2:00 p.m.

The Erin Krebs Trio, which features accomplished vocalist Erin Krebs, along with talented musicians Paul Sucherman on piano, and Mike Underwood on drums, will entertain with the expressive and romantic music of Cole Porter on June 2 at 2:00 p.m. Erin says "I love celebrating Cole Porter because he was a very gifted songwriter. His lyrics are very witty and full of imagery, and his melodies are beautiful. The music & lyrics complement each other so well, and it's a joy to perform his music!" Songs you will hear include It's De-lovely, I've Got You Under My Skin, Let's Do It (Let's Fall in Love), Ev'ry Time We Say Goodbye, Night and Day, Anything Goes, and more.

The June 2 program is planned to take place outside on the front lawn of the Waelderhaus. It is recommended to bring chairs or a blanket to sit on for the most comfortable experience. In the event of inclement weather, this event will be held inside.

On June 30 at 2:00 p.m., Daniel Adam Maltz returns to the Waelderhaus to

share his specialty in the First Viennese School — Haydn, Mozart, Beethoven, and Schubert — and performs on Viennese fortepianos used in these composers' era. During the June 30 concert, Daniel will be playing on a 1792 Anton Walter fortepiano replica by Paul McNulty — the same instrument that Mozart used. Daniel is devoted to performing on historic Viennese fortepianos — utilizing the vast range of tones and colors familiar to the composers. He brings his expertise in the Viennese sound, culture, philosophies, and practices of the Classical era to his interpretations. This performance will take place inside and there will be a ramp into the main area of the Waelderhaus so the space will be accessible to all guests.

Each performance begins at 2:00 p.m. on Sunday afternoons and is open to the public and free of charge. Reservations are appreciated and can be made by calling Waelderhaus at 920-453-2851 or by emailing jen.balge@kohler.com. More information on these performances and the rest of the Arts at the Waelderhaus season can be found at www.kohlerfoundation.org.

managed by Kohler Foundation, Inc. It is located at 1100 Riverside Dr., Kohler, and is open daily (except holidays) to the public for guided tours, free of charge, at 2:00 p.m., 3:00 p.m., and 4:00 p.m. For the latest news and Waelderhaus events, visit www.kohlerfoundation.org, or follow Kohler Foundation on Facebook, Instagram, and X.

Daniel Adam Maltz will share his Viennese fortepiano at the Waelderhaus on June 30 at 2:00 p.m.

Welcome Gifts of Grace

New Elkhart Lake Chamber of Commerce members and owners of Sonlight Books, Dan and Erika, recently opened Gifts of Grace at 111 E. Rhine St. in Elkhart Lake, and are looking to continue to grow in the future.

At Gifts of Grace, customers are able to peruse the various selections that are available for purchase including:

- Lake/Home Decor
- Christian Tees and Books
- Items for Men and Women
- New York Times' Bestsellers (which are replenished once a month) and inspirational books
- Jewelry
- Gifts for Children
- Duke Cannon Supply Co. items

Alongside the above listed items, Gifts of Grace has also become a "purse central," offering Harris Tweed tartans by English and Scottish vendors. These bags are imported from the UK and made from

100 percent pure wool. Dan added they also have a lot of racing history items in the store and books by Dale Earnhardt Jr., Steve McQueen and Evel Knievel available for purchase.

Those interested in checking out Gifts of Grace and being helped by their friendly staff are able to do so during their summer hours listed below:

Sunday: Noon until 4
Monday, Tuesday, Thursday and Friday: 10 a.m. until 6 p.m.
Saturday: 10 a.m. until 5 p.m.

Gifts of Grace is the first branch off of the Sonlight Bookstore that is located on South Pier, which Dan and Erika purchased when the store was closing in 2021. Dan stated they believed the community needed a Christian bookstore, and knew they wanted to expand. Dan also stated

that they are one of a handful of several Christian bookstores left in Wisconsin, explaining that they have learned a lot in the process and love it.

When asked about community support, Dan stated the community has been fantastic, stating local churches help out. He also said that one of the best parts of being in Sheboygan County are the loyal customers they have had over the years, pointing out that Sonlight is in its 43rd year of operation.

Dan said they believe the people closest to the customers should have the ability to have buying power. For Gifts of Grace, Dan said in an interview that his manager, Shannon, is fantastic and knows what the people want. He also said they work hard to get a mix of products for their customers, stating they also purchased machines in order to manufacture a

number of items in Wisconsin, offering semi-custom products in the process.

When looking to the future, Dan explained they are hoping to expand their hours, and are hoping to offer a "See it now, buy it now" option in September 2024. This option would be like a vending machine at locations like churches and funeral homes for products that can be purchased via a QR code. Dan continued and said they aim to expand into 10 stores soon, with five stores open by the end of 2025.

When looking to the future, Dan explained they are hoping to expand their hours, and are hoping to offer a "See it now, buy it now" option in September 2024. This option would be like a vending machine at locations like churches and funeral homes for products that can be purchased via a QR code. Receive a complete list of new library materials every month by subscribing to our e-newsletter. Go to www.elkhartlakepubliclibrary.org, click on the CONNECT tab and select NEWSLETTER. We will only use this information for sending out our monthly newsletter.

FRIENDS OF THE ELKHART LAKE PUBLIC LIBRARY NEWS

Two major fundraising events for the Friends of the Elkhart Lake Public Library are coming this summer. Please consider supporting both events:

FIREMAN'S PARADE COOKIE SALE

July 7th beginning at 9:30am until the start of the parade. There will be a signup sheet in the library for those who want to help by baking, wrapping, or selling cookies!

ANNUAL BOOK SALE

Saturday, July 27th from 9am-3pm (Friday, July 26th TBD). We will accept your donations of books from July 23rd to July 25th (Tuesday, Wednesday, and Thursday) at the Grashorn Civic Center from 9am-3pm. Please no magazines or encyclopedias. We also need volunteers to help set up, sort, and sell books. A sign up sheet is in the library.

These fundraisers support the library's Summer Reading Program, Experiences passes, and much more! To join the Friends, see our page on the library's website under the "Connect" tab.

TRIVIA NIGHT

Wednesday, July 31st at 6pm, Civic Center– Let's play trivia! Come on your own or with friends. Refreshments provided. Register online, at the library, or call 920-876-2554.

REGULAR PROGRAMMING

FRIDAY MOVIE MATINEE, "ORDINARY ANGELS"

Friday, June 7th at 1pm- Enjoy a free movie and popcorn at the Grashorn Civic Center on the first Friday of every month. Our June movie, "Ordinary Angels", is a heartwarming story that will give you all the feels. Rated PG.

UKULELE CLUB

Thursday, June 13th at 1pm, Grashorn Civic Center. Play Ukulele with us! All levels welcome, no registration required. For more information and to get on our contact list (and to obtain music), please email rmontes@monarchlibraries.org. Don't have a ukulele? Check out our Ukulele Kit at the library to give it a try.

BOOK CLUB

Friday, June 14th at 1pm, Grashorn Civic Center Our June selection is Tomorrow and Tomorrow and Tomorrow by Gabrielle Zevin. "In this exhilarating novel by the best-selling author of The Storied Life of A.J. Fikry, two friends-often in love, but never lovers- come together as creative partners in the world of video game design, where success brings them fame, joy, tragedy, duplicity, and, ultimately, a kind of immortality." To be placed on our book club list, email Angela Ruh at aruh@monarchlibraries.org.

COMMON THREAD: NEEDLEWORK AND FIBER ARTS CRAFTING CIRCLE

Tuesday, June 18th at 10:30am, Library. Bring your own project and join us for some crafting camaraderie. All fiber crafts welcome! Share patterns, get ideas, and just enjoy the company of fellow crafters.

COFFEE HOUR AND BOOK CHAT

Wednesdays at 10am, Library. Come for a little coffee, a lot of conversation, and a sneak peek at this week's new releases. All welcome, no registration required.

Cheers to Summer

By Kathleen Eickhoff, Elkhart Lake Tourism

It's that time of year when our businesses and Village are preparing for the kickoff of our summer season. Everyone is excited for warmer temperatures and the opportunity to gather and reconnect with friends and family in our beautiful Village. Dining outdoors is one of the highlights of summer in Elkhart Lake! If it's dining lakeside or people-watching in the heart of the village, gathering over food and drink leans into the genuine Elkhart Experience and camaraderie people are craving.

Another important date on the calendar is National Tourism and Travel Week - May 19th - 25th. During this week we shine the light more brightly on the importance

of the travel industry and the critical role it plays in powering the economy. The growth in Elkhart Lake's tourism economy has inspired new businesses to join our community this past year bringing gemstones, Roman-style pizza, home décor and Christian books and gifts. These businesses further stimulate economic growth and elevating Elkhart Lake's quality of life. The 20+ dining outlets, eclectic shops, live music scene, golf, outdoor recreation, and historic racing all cultivate our vibrant community culture which makes our Village a sought-after place to live, work and play.

However, we also understand Elkhart Lake's immense popularity as a vacation destination comes with challenges.

Elkhart Lake Tourism is cognizant of this and continues to work with our partner businesses and the Village to address concerns with additional trash receptacles, adjustments to outdoor music levels, seeking off-street event parking, and providing timelier event and street closure information. We hope this collaboration and sharing of information works towards a better balance and reduces the challenges to resident life.

We're looking forward to a great season and want to thank all our businesses and their staff for working hard every day to provide a great Elkhart Experience for our visitors and residents.

Cheers to Summer!

STEFANIE H.
WEILL presents
CENTER
FOR THE PERFORMING ARTS

Junior Marvin & The Legendary Wailers to perform in Sheboygan Weill Center announces summer show featuring Bob Marley's legendary Wailers The Weill Center for the Performing Arts, a 1,150-seat live event venue located in the heart of downtown Sheboygan's growing arts and entertainment district will welcome Junior Marvin & The Legendary Wailers to their stage on June 21, 2024.

Just in time for summer, the Weill Center is announcing that Bob Marley's band, The Wailers, are performing on stage with Junior Marvin for a Sheboygan concert. Junior has been performing with The Wailers band since 1977. He is the lead guitarist and musical contributor on all subsequent Bob Marley & The Wailers albums.

At the June 21 performance, fans can expect The Wailers to play reggae favorites like "Is This Love", "Get Up, Stand Up", and "Jamming". Embodying the spirit of the culture-defining reggae movement of the 70s, the commendable and admirable musicians who are The Wailers share a spectacular musical performance while

continuing to preserve the band's original legacy.

Tickets can be purchased starting at \$30 at weillcenter.com, by phone at (920) 208-3243, or in person at 826 N 8th Street in Sheboygan. The Weill Center ticket office is open from Tuesday to Friday, 12 - 4 p.m., and one hour prior to events.

About the Stefanie H. Weill Center for the Performing Arts

The Weill Center for the Performing Arts is a 1,150-seat live event venue in Downtown Sheboygan, WI. The Weill Center presents a series of live performances including music, comedy, variety acts, movies and more. In 2001 the theater was restored to its original Spanish Colonial Revival architectural style and atmospheric theater, as built in 1928. The theater is currently listed on the National Register of Historic Places. For more information and a full schedule of events, visit weillcenter.com

Village of Elkhart Lake Updates

DEPOT DISPATCH JUNE 2024

LIONS PARK

By the time this is published the new equipment at Lions Park will be installed. Work began in mid-May to install all new park equipment at Lions Park. This was a joint venture paid for by the Lions Club, Werner Homes, and the Village of Elkhart Lake. We will host a ribbon cutting in the coming month, so watch for details. We hope all the kids enjoy the updated park.

ARBOR DAY

The Arbor Day program was held on April 29, 2024. A Sycamore tree was planted on N. Lake Street across from Village Square Park. We were lucky enough to be joined by Olivia Witthun from the Wisconsin DNR, who along with our Tree Commissioners delivered a wonderful program. Poster contest winners were Aditsan Lisowe, Ruby Keske, and Haddie Biller. We would like to thank Sargento, National Exchange Bank & Trust, Cleveland State Bank, Chesters, Off the Rail, Tom & Jerry's Mini Golf, and Elkhart Cares for the gifts for the 5th graders. Lake Street Café has allowed the Commission to display the posters in their windows, so be sure to take a look at all of the great student work!

GENERAL CAPITAL & VAN HORN DEVELOPMENT

The development continues to move along on Highway 67. In the next few weeks work will begin on Leonard's Way and the sidewalk and pathway along Highway 67. The hope is

for this work to be completed by July. General Capital and Van Horn hope for occupancy sometime this fall.

CALL NOW FOR WATER LINE INSPECTIONS

The DNR is requiring all water systems to identify the piping of all private water laterals in the Village. Please call 920-876-2231 to schedule a time for Public Works to inspect your line.

BUILDING PERMIT REQUIRED

If you are planning a construction project on your home or business, you must apply for a building permit. Properties zoned commercial have their building permits reviewed and approved or denied by the Planning Commission. Please plan ahead as the Planning Commission only meets monthly. Permits must be issued prior to commencement of work. We have had a few people looking to install patios and doing some work and then finding out they cannot have one. We want to prevent this from happening. It is best if you call the Clerk's Office at 920-876-2122 to find out if your project will require a permit. Failure to do so will result in double the permit fees, potentially tearing out of what has been done, and could even result in a fine of up to \$1,000.

BEACH PASS INFORMATION

The Village is reminding people that the Village beach is for residents of the Elkhart Lake-Glenbeulah Joint School District only, per Village Ordinance. The Village Police and Village employees will be monitoring beach use more frequently. The prices of the passes is \$10 for residents and \$50 for school district residents, which are good for an even and odd year (this is the first year of the beach pass). These passes are available as of May 1st. The price of replacement passes is \$25 for Village residents and \$50 for school district residents.

Rental properties are to have their guests use Fireman's Park. Fireman's Park is the public access to the lake that should be used for guests. Some of the other regulations include, but not limited to:

- No person shall allow a dog to be on any public beaches owned or leased by the Village.
- No person shall use or possess beverages containing alcohol on the public beaches owned or leased by the Village.
- No person shall ignite nor maintain fires of any kind on the public beaches owned or leased by the Village.

NO FLUSHING OF SANITARY WIPES

Please remember do not flush sanitary wipes, sanitizing wipes or any other wipes into our sewer system. Even though they say they are flushable, these wipes are not tolerable for our sewer system and sewer treatment plant.

DOG REFUSE STATIONS

The Village has installed Dog Refuse Stations throughout the Village. We have installed two new ones along Victory Lane. These stations will dispense plastic bags to help in the cleanup effort. The dog stations are located at:

- S. End of Walkway
- N. End of Walkway
- Near Village Square Park
- S. Lake Street near Elm St.
- Osthoff Avenue
- Lions Park
- E. Rhine St. near Charlene's
- E. Rhine St. near Two Fish Gallery
- Victory Lane near Cedar Landing
- Victory Lane near Moraine Drive

VILLAGE ORDINANCE - 8.32 ANIMAL FECES

Any person owning or having control of any animal shall clean up the feces of such animal immediately and dispose of it in a sanitary manner when the animal has defecated on the property of another or on public property. Please be aware, the sidewalk, the area between the sidewalk and street (parkway), the street, lake street walkway, and all parks and parking lots are public property!!

AUTO PAY YOUR WATER BILL

The Village of Elkhart Lake accepts Automatic Clearing House (ACH) payments for your

Elkhart Lake Village Board Members

If you have concerns or questions call any of our Village Trustees

water/sewer bills. If you are interested in having your water/sewer bill automatically debited from your bank account, please contact the Village at 920-876-2122 or email clerk@elkhartlakewi.gov and we will work to set you up on the program.

EMAIL NOTIFICATION LIST

The Village would like to keep you informed of news and changes that may occur on occasion. We would like your email address. These will be kept confidential. We will remind you of changes in the garbage collection schedule and any other things that come up periodically.

Email the Clerk's office at clerk@elkhartlakewi.gov to be added to the list.

SMELLY WATER?

If you've ever experienced the unpleasant surprise of smelly water coming out of your tap, you know how important it is to get to the root of the problem. Don't let smelly water go unchecked; no one enjoys the smell of rotten eggs - take control of your water supply by bringing in a sample of your water to Haucke Plumbing & Heating for free hardness and iron water testing to help identify the problem.
