Dear Residents and other Concerned Citizens,

The Albion Village Board would like to take this opportunity to provide additional information about the proposal to form a Joint Fire District and how we got here. The intent is not to point fingers, but to provide facts about what the next steps should be. In an effort of continued transparency, our goal is to address any remaining questions. We plan to provide a couple of opportunities where community members can voice their concerns, get questions answered, and show support for the proposed Joint Fire District.

Below is a list of facts that the current Village Board would like to convey:

- When most of us took office, there were no reserves to offset larger capital projects or equipment purchases. The Fire Department was forced to operate "paycheck by paycheck" with no savings for future expenses, planned or unplanned.
- The current Fire Department budget was not funded at proper levels to meet operational needs, and the Village was not able to increase funds without significantly increasing the Village tax rate. This resulted in a situation where needed improvements to facilities and equipment had to be delayed, "the can was kicked down the road."
- The fire contract money from the Town of Albion and Town of Gaines, along with supplemental funds from the Village, is keeping the Fire Department afloat but is not meeting current or future needs.
- We are faced with having to replace two aging apparatus (vintage 1992 & 1997). While evaluating this situation, the Chief Officers of the Fire Department proposed to the Village replacing three apparatus with only two to "right size the fleet." The Board agreed because long term, this would be a cost-saving move for the taxpayers. NFPA (National Fire Protection Association) Standards recommend that apparatus that are more than 25 years old be retired from the vehicle fleet.
- The Village of Albion does not have the ability to take on the debt for the replacement of fire apparatus, or any other necessary improvements, without significant increases in the Village tax rate.
- Providing fire protection is not an optional service. It must be provided by law. Providing inferior fire protection not only puts our volunteer firefighters at risk, but it is also a letdown to those that expect a high-quality life and property saving service.
- Providing inferior fire protection lowers the community's Insurance Services Office (ISO) rating and would likely increase the insurance premium of every homeowner and may even cause an insurer to deny you coverage in some circumstances. ISO ratings reflect an area's preparedness to prevent and extinguish fires, such as the number of firefighters, training, apparatus maintenance and reliability, water supply, emergency communication system, and fire safety education and prevention.

Benefits of forming a Joint Fire District for the Town Albion and Town of Gaines:

- The District offers a way to right the mismanagement of past fire protection service and spread the cost of this necessary service evenly across a larger tax base.
- Every registered voter in the Joint Fire District has a say and has the ability to run for Commissioner.
- Every registered voter has the ability to vote for Commissioners, bonding referendums, creation of reserve accounts, etc. that affect the operation of the Fire District. You eliminate "taxation without representation".
- Your tax bill will have a separate line item with the Fire District Tax. You will have peace of mind that your fire tax dollars are being spent on fire protection.

What happens if the Joint Fire District is not approved:

- If the Joint Fire District is not approved, the Village of Albion will be forced to raise Village taxes about \$5 per \$1,000 of assessed value (a 25% increase in Village taxes). In addition, once the Town Fire Protection Contracts expire at the end of 2026, the Village will be forced to negotiate higher rate contracts with the Towns to properly fund and operate the Fire Department. The towns will then need to increase taxes to pay the higher rates.

The Albion Village Board and the Albion Village Fire Department are setting up two Public Informational Meetings to provide additional information about the proposed Joint Fire District and also answer questions the public may have. Please join us on June 10, 2024 and June 17, 2024, at 6pm at the Hoag Library located at 134 S Main St, Albion, New York 14411.

Do you have HEEL pain or ARCH pain?

HEEL SPUR SYNDROME/PLANTAR FASCIITIS is a common problem among people who are active. It starts as a dull intermittent pain in the heel and progresses to a sharp persistent pain. Classically, it is worse in the morning with the first few steps, after sitting, after standing or after walking.

- Plantar fasciitis often begins with irritation and tearing of the fibrous band of tissue on the bottom of the foot, which may eventually result in the formation of a heel spur.
- Contributing factors: Flat pronated feet, high arched feet, poor shoe support, increased age, sudden weight increase, increased activity level, family tendency.
- 95% of our patients' symptoms are resolved with conservative treatment, avoiding surgical intervention.
- We also offer surgical procedures with the best post op success rates using Endoscopic Plantar Fasciotomy techniques (minimal incisions and scarring; often back in a shoe in 1 week).

REAL ESTATE GUIDE

3 Tips for First-Time Home Buyers

Real estate has garnered considerable attention since 2020, and for good reason. Though speculators and real estate professionals may point to a number of variables that have affected the market for homes in recent years, the pandemic certainly was among those factors. Real estate prices and mortgage interest rates increased significantly during the pandemic and have remained well above pre-pandemic levels ever since.

The spike in home prices and interest rates has had a significant impact on young home buyers, some of whom feel as though their dream of home ownership may never be realized. And data from the National Association of Realtors indicates the median age of home buyers is now significantly higher than it was two decades ago. In 2023, the median age of buyers was 49, which marked an increase of 10 years compared to the average buyer age 20 years ago.

First-time home buyers may face a more challenging real estate market than they would have encountered just a half decade ago. The following three tips can help such buyers successfully navigate the market as they look to purchase their first home.

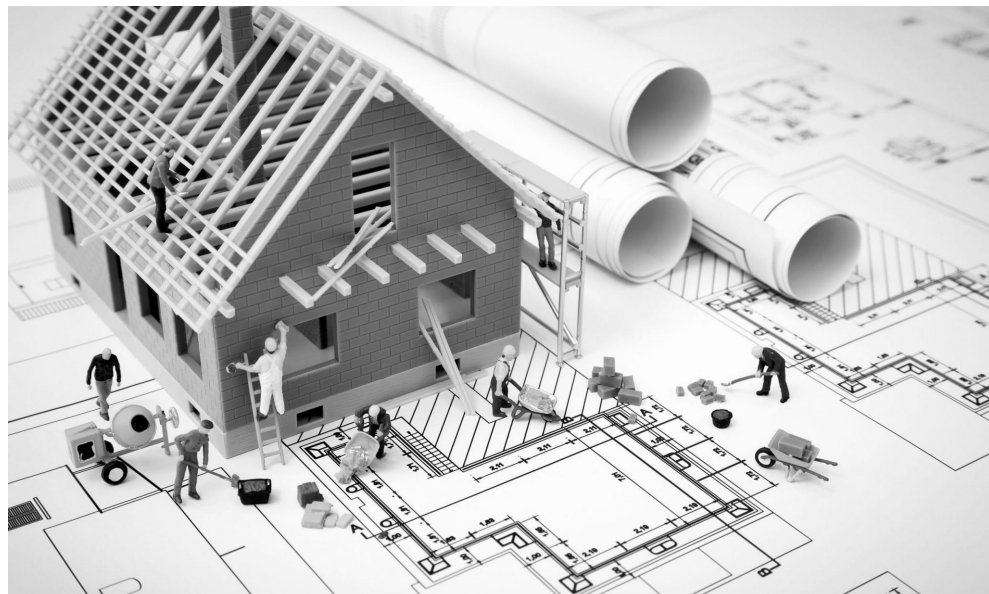

1. Expect to move quickly. Inventory remains very low, which means buyers are in heated competition for the few homes that are on the market. In late 2023, NAR data indicated the rate of home sales were the lowest they had been in 13 years, so buyers will likely need to move quickly and make an offer if they see a home they like, as chances are the property won't be on the market too long before it's sold. In fact, the NAR noted that homes spent an average of just 23 days on the market in October 2023.

2. Apply for mortgage preapproval. The competitive nature of the market for buyers means it's in their best interests to arrange financing prior to beginning their home search. A mortgage preapproval can be a competitive advantage, as it indicates to sellers that buyers won't be

denied a mortgage or lack financing after making an offer. The financial experts at NerdWallet note that buyers will be asked to provide details about their employment, income, debt, and financial accounts when applying for mortgage preapproval. Gather this information and clear up any issues, such as credit disputes or delinquent accounts, prior to applying for preapproval.

3. Set a realistic budget and expect to offer over asking price. A financial planner and/or real estate professional can help first-time buyers determine how much they should be spending on a home. In the current market, buyers should know that they will likely need to pay more than asking price for a home. For example, the NAR reports that 28 percent of homes sold for above list price in October 2023. With that in mind, first-time buyers may do well to look for homes that are under budget in anticipation of offering more than list price after seeing a property.

The real estate market remains competitive for buyers. First-time buyers can utilize three strategies to increase their chances of realizing their dream of home ownership.

OBITUARIES

Rebecca Lynn "Becky" Bailey transitioned peacefully to her heavenly home with her family at her bedside after an unexpected and quickly progressing illness. As our mother, sister, and grandmother, she was taken far too early from us. Becky's creative mind and light spirit were shared with the world from her youngest years to

her final days. She was a skilled seamstress and made many of her own fashionable clothes for herself and her sisters during high school, and for her children throughout their lives. She trained as a private airplane pilot in her younger years. She enjoyed interior decorating according to clever themes using unique items that she found while thrifting and bargain shopping. She discovered jewelry-making of her own accessories, as well as beading eye-catching items for her daughter-in-law and granddaughter. She refinished furniture found on roadsides into household centerpieces and beautiful accent pieces. She fawned-over her beloved canine companions Pepper and Robbie. She was enraptured by murder-mysteries and true crime exposés. She would research, compare, and painstakingly select the best birthday and Christmas gifts. She loved to laugh, and to listen to the adventures of her children and grandchildren. In recent years, her greatest affections were invested into her sons, her grandchildren, and her job that she did not want to retire from. Joshua (1979-) and Patrick (1983-) were honored to have Becky as their mother, especially because most of her middle years involved sacrifice and devotion to their care and support. Amelia (2015-) and Finn (2017-) received their grandmother's admiration and interest whenever they met. And her workplace colleagues and friends at the Monroe-2 Orleans BOCES received her warmth, positivity, careful attention for work tasks and social connections alike. Becky was predeceased by her eldest sister Carol E. (Bailey) Basinait (1950-1989), her mother Alice (Hucknall) Bailey (1927-2020), and father Carson H. Bailey (1925-2022). She is survived by her loving and devoted son Patrick Carson Kirby (1983-), who grieves deeply for the loss of his rock and pillar; her eldest son Dr. Joshua Aaron Kirby (1979-), his wife Dr. Rebecca Jane (Morgan) Kirby, and grandchildren Amelia Jane Kirby and Finn William Kirby; sisters Nancy (Eddie) Zielonko, Janice (John) Travis, and Molly (Craig) Tuohey; and many nieces and nephews. The family wishes to recognize the undaunted professionalism, expertise, and compassion of the entire staff of the Batavia United Memorial Medical Center's Intensive Care Unit. Without people like Marie, Kirstin, Taylor, Amanda, Austin, Mary Anne, Thomas, and many other nurses, doctors, and specialists who provided round-the-clock never-give-up intensive medical care in the face of long odds, Becky would have had far less of a chance at life. Visitation and a celebration of life will be held privately at the convenience of the family. In lieu of flowers, please consider a donation to the Intensive Care Unit Fund (write-in) with the Batavia United Memorial Medical Center Foundation (<https://rrhgive.org/find-a-cause/ummc>) Becky's arrangements have been entrusted to the Christopher Mitchell Funeral Home of Albion. Nancy Ann Clary, age 73, affectionately known as Nanc, passed away on May 30, 2024 in her home of Webster, NY. Born on November 30, 1950 in Medina, NY to Martha and Stanley Fraczak, Nancy was a cherished member of the Medina community, where she was born and raised and continued to enrich the lives of those

around her. Nancy graduated from Medina High School in 1968, started a job at Xerox and eventually moved to Rochester, NY and lived with her best friend Sue Finn. In August of 1974, Nancy married the love of her life, Michael J. Clary, in a beautiful ceremony at the Sacred Heart Church in Medina, NY. Together, they raised two children of their own, Alana and Alan, along with step-children Steven, Kathy, and Laurie. They were blessed with five grandchildren: Stephanie, Sebastian, Reese, Addie and Avery. Nancy loved people. She could talk with a complete stranger for hours and could become new best friends immediately. Nancy was selfless with the biggest heart as she always thought about and put the needs of her family, friends, and pets first and did little for herself. She loved her cats, who were like children to her, loved traveling, cooking family meals, putting on garage sales, and most of all loved shopping, finding a good deal and had a coupon for everything. She would listen, observe and remember conversations. She knew what everyone liked, didn't like, and applied that to thoughtful gifts, meals, and anything to bring a smile to another person's face. Whether it was her own work, household tasks, kids school projects or sewing together Halloween costumes, she always devoted all her time and energy into everything she put her mind to and had the "will not rest until it's done" mentality. She taught her family to never give up on something and to give it their all. Her generosity and selflessness is something that will live on forever through her kids and grandkids. Predeceased by her parents, Martha and Stanley (Slats), Nancy's legacy of love, generosity and selflessness lives on through her family. She is survived by her husband Michael; her children, Alana (Michael) Letendre and Alan (Allison) Clary; step-children, Steven (Shawn) Clary and Kathy Clary; her grandchildren, Stephanie, Sebastian, Reese, Addie, and Avery; and her brother, Larry (Annette) Fraczak, along with their families. Calling hours will be Fri. June 7 from 4-7pm at Falvo Funeral Home, 1295 Fairport Nine Mile Pt. Road (Rte. 250) Webster, NY 1480. The Funeral Mass to honor and celebrate Nancy's life will be held on Sat. June 8, at 10 am, at St Paul's Church, located at 783 Hard Road, Webster, NY 14580. She will be interred at Webster Union Cemetery at a later date. Nancy Ann Clary will be remembered as a loving wife, mother, grandmother, sister, and friend. Her spirit of generosity and love will continue to inspire those who knew her. She will be deeply missed. In lieu of flowers, donations can be made in Nancy's name to Lollypop Farm, The Humane Society of Greater Rochester. <https://www.lollypop.org>

Brian Froman words can't describe how grateful our family is for the love shown to us during the loss of our husband and father, Brian Froman. From the support surrounding us immediately from family and friends. Those who dropped off food, flowers, and much needed hugs. Big hugs, just like the ones he gave. The stories that

were shared about Brian and the impact that he had on those around him we will carry in our hearts forever. The work that was put into his service and the dinner is hard to even thank because it's hard to find the words to express our gratitude. I guess I'll end it with something Brian would say "if your gonna do something - do it right!" YOU DID IT RIGHT!! He was smiling, enjoying the most delicious spread of food, and laughing at the stories right there with us. Lastly we want to thank everyone that was there for Brian and our family these past few years. Hospice of Orleans for the love shown to Brian, and our entire family. The laughs that were shared, the absolute comfort. We cannot thank you enough. The Village House restaurant for the support and care you have shown our family all along the way. Our family and friends who provided love, food, laughs, transportation, smiles, emergency medical support, a listening ear...we thank you. With so much love and gratitude, Diane, Lace & Brandi

David R. Tower, age 45, of Lyndonville, died unexpectedly on Friday, May 31, 2024 at his home. Born January 14, 1979 in Medina, he was a son of Sandra (Kennedy) Rodgers and the late Ronald Tower. Dave grew up in the Medina area and attended Medina Central School. An outdoorsman, he enjoyed hunting, fishing and riding dirt bikes and four-wheelers. Most of all Dave loved spending time with his children. Predeceased by his father, Ronald Tower in 1980. Left to cherish his memory are his mother, Sandra Rodgers of Lyndonville; son, Riley Tower of Medina; daughter, Skylar Tower of Lyndonville; loving friend, Miranda Tower; brother and best friend, Jason (Tiffany) Tower; sisters, Tara (Mark) Rader, Jillian (Ryan) Keller and Shelly Martin; grandmother, Shirley Tower; nieces and nephews, Justice, Dustin, Amber, Breah, Kaiden, Ava and Kennedy; and several aunts, uncles and cousins. Services will be privately held at the convenience of the family. In lieu of flowers, memorial donations may be made to the American Diabetes Association at www.diabetes.org. Arrangements are in the care of Cooper Funeral Home, 215 W. Center St., Medina. Share condolences at www.cooperfuneralhome.com.

Thomas Vosteen, 80, of Iowa City, passed away peacefully with family by his side on May 30, 2024. Born on February 7, 1944, in Buffalo, New York, to B. Earle and Mary (Sinclair) Vosteen, Tom was destined for a life filled with French flair and a lot of laughs. Tom's journey began at Medina High School in Medina, New York. From there, he moved on to Dartmouth College, where he earned a bachelor's degree in French. Not one to stop there, Tom collected a Master's Degree in French from Middlebury College, another Master's in French and Education from the University of Iowa, and ultimately, a Ph.D. in French from the University of Iowa. Clearly, Tom believed you could never have too many degrees—or too much French. A lifelong educator, Tom taught French with passion and humor, retiring as a Professor Emeritus from Eastern Michigan University. His students undoubtedly left his classes knowing French and, more importantly, knowing how to laugh at life. On February 10, 1990, Tom married Michele Favre in Iowa City. They made their home in Ann Arbor, Michigan, before they settled back in Iowa City, after retirement. Tom leaves behind his loving wife, Michele; stepdaughter, Sandrine (John) Gabriel; and grandchildren: Jackson, Katherine, and Sophie Gabriel. He also leaves his "sister" and lifelong friend, Peggy Hart Nelson, and nephews Bob, Bill and Jim Vosteen. Preceding him in this great journey

were his brothers, Robert Vosteen and The Reverend J. Peter Vosteen. In line with Tom's laid-back and loving nature, cremation has been accorded, and a celebration of his life will be held at a later date. Private interment will take place in Medina, New York. Tom was a loving husband, grandfather, and friend who loved to laugh and share joy. He was quoted in his later years saying, "Being alive is about loving people. Without love, what do you have?" It's clear that Tom lived his life by these words, leaving behind a legacy of love and laughter. So raise a glass, share a laugh, and remember Tom as the joyful, witty, and loving man he was. Cheers to a life well-lived, Tom!

Tonya E. Yanicki, 39, of Lyndonville, NY, passed away after a long, courageous battle with cancer on Monday, June 3, 2024, at Buffalo General Hospital. She was born on November 15, 1984, in Medina, New York, the daughter of Nancy (Wise) Skellon and the late David Yanicki. Tonya graduated from Lyndonville High School in 2002. She was a self-driven entrepreneur who loved the outdoors, especially playing with her three dogs. She enjoyed traveling and never met a stranger. Tonya is survived by her mother, Nancy Skellon; five siblings, Gypsy Skellon, Brandon Skellon, Butch (Alicia) Yanicki, Eli Starr, and Hattie Starr and several nieces and nephews; her dearest friend, Mark Ellis and her three furry companions, Helix, Phoebe, and Onyx. There are no calling hours. A private service will be held at the convenience of the family. In lieu of flowers, the family asks that you plant a tree in her name. Arrangements were entrusted to the Bogan & Tuttle Funeral Home, 226 Pearl St. Medina, NY 14103. Please light a candle or share a memory of Tonya at www.bogantuttlefunerals.com

ALBION - Jim Aina, left, and Mike
 Rutkowski of the band Carlton Station
 opened the Village of Albion Summer
 Concert Series this evening at the
 amphitheater at Bullard Park.

Albion will have concerts 11 Wednesdays
 and all will be at Bullard Park this year,
 after some of the concerts have been by
 the canal and in the downtown in recent
 years.

The concerts are mainly funded with
 state arts money that is administered
 by the Genesee-Orleans Regional Arts
 Council. Bidleman Ford also is a sponsor
 of the concerts this year.

The events include food and beverage
 vendors. This evening there was the
 Albion Masonic Lodge, Wild Flour Deli &
 Bakery, and Last Call Cocktail Co.

Carlton Station's Jim Aina and
 Mike Rutkowski performed on the
 amphitheater while people brought lawn
 chairs to the park. Chris Moore followed
 Carlton Station on the stage this evening.

ARIES - Mar 21/Apr 20
Aries, you may have to shuffle your schedule a bit this week to accommodate some interesting ideas that you have come up with on the fly. It's a good thing you're adaptable.

TAURUS - Apr 21/May 21
Taurus, think about where you want to go in the upcoming weeks, because you have some pretty influential supporters who can help propel you in that very direction.

GEMINI - May 22/Jun 21
Gemini, you may be involved in a few different projects right now, but often you start things and do not finish them, which can be frustrating to others. Do not take on any additional tasks.

CANCER - Jun 22/Jul 22
You have some high hopes regarding something that has been taking up your time for quite a while, Cancer. Although you're getting good feedback, don't count your chickens just yet.

LEO - Jul 23/Aug 23
Leo, if you haven't been doing so already, it is important to set aside some savings so that you'll have a safety net in the future. It's essential that you are not just living for today.

VIRGO - Aug 24/Sept 22
Virgo, get together with your significant other or another partner and figure out how to divide the workload that has been bogging you down. It's alright to admit that you need help.

LIBRA - Sept 23/Oct 23
Libra, if you think about it, you have been procrastinating a bit more than usual. It might be because your tasks are not interesting you much. That could mean finding new hobbies.

SCORPIO - Oct 24/Nov 22
Scorpio, get essential tasks out of the way early this week, because it's likely you will not be enthusiastic about mundane jobs later on. Save plenty of time for fun and entertaining.

SAGITTARIUS - Nov 23/Dec 21
Emotions are roiling right now, Sagittarius. Perhaps it is not the best time to reach out to an estranged friend or family member. Instead, wait things out a little longer.

CAPRICORN - Dec 22/Jan 20
It is time to disconnect from all of the gadgets and feeds that are constantly drawing your attention, Capricorn. Enjoy a technological detox and reconnect with friends.

AQUARIUS - Jan 21/Feb 18
Aquarius, you are a major force to reckon with when you pair your creative visions with solid, grounded plans. Things will start falling into place soon enough.

PISCES - Feb 19/Mar 20
This week you get a free pass to put yourself first and foremost for a change, Pisces. Go to the head of the line, because it's all about you for the next few days.
