READER'S Recipe

CHICKEN PIE

1 chicken, cut in pieces
salt and pepper to taste
1 medium onion, minced
2 or 3 Tbsp. celery leaves

small bunch parsley, minced
several carrots, diced
several potatoes, diced

Add salt and pepper to chicken and boil until very tender, then bone. Boil onions, carrots, and potatoes in some of the chicken broth. Do not boil vegetables too long. Butter may be added in case chicken broth is not rich enough. Remove cooked vegetables from stove and add celery leaves and parsley. Mix vegetables with chicken and add more salt and pepper according to taste. Put mixture in buttered casserole and top with dough. Bake in moderately hot oven until dough begins to brown.

Dough:
2 c. flour
1/2 c. lard or other shortening

1/2 tsp. salt
1 level tsp. baking powder
water

Mix well and add cold water gradually. Add just enough water to moisten and work into a ball of dough. Roll dough and cut in squares. Lay squares of dough on top of vegetables and chicken mixture.

WHAT IS A TOWN?

A town is a group of people.

It is a school.

It is a city government.

It is churches.

It is industry and jobs.

It is retail businesses.

They all have to work together. All must have the support of the people or there is no town.

Give your local merchant a chance for your business and the first opportunity to make the sale. The local retailer pays the highest percentage of local taxes. They are the ones contacted first for contributions to charitable projects.

They provide jobs. Without their store you have no town.

GIVE THE LOCAL MERCHANT A FAIR SHAKE
