## Salome's Stars

**ARIES** (March 21 to April 19) Avoid having someone else take credit for a project that you started by finishing it yourself. Then it will be you lovely Lambs who will be wearing those well-deserved laurels.

**TAURUS** (April 20 to May 20) The facts about a new opportunity are still emerging. Wait until they're all out in the open, then use your keen business sense to help make the right decision.

**GEMINI** (May 21 to June 20) You might feel confused or even hurt by a friend who suddenly puts distance between you. If they won't discuss it, don't push it. An explanation should come in time.

**CANCER** (June 21 to July 22) Your willingness to be part of a team opens doors that had been shut to you. Keep them open by honoring your promises, even when your commitment seems to be wavering.

**LEO** (July 23 to August 22) Congratulations! You're really getting things done to perfection. And don't forget to take a catnap now and again to keep those energy levels up and bristling for action.

**VIRGO** (August 23 to September 22) Your plain-talking honesty is admirable, but sometimes sharp words can leave painful scars. Be careful that what you say doesn't come back to hurt you.

**LIBRA** (September 23 to October

22) A stress-filled period takes a positive turn as you deal with the underlying problem. Act now to avoid a recurrence by changing some basic rules in your relationship.

**SCORPIO** (October 23 to November 21) Your rising energy levels make it easier for you to achieve some important objectives. This could lead to a big boost in how you're perceived, both at home and on the job.

**SAGITTARIUS** (November 22 to December 21) A changing picture begins to emerge as you learn more about an offer that seemed so right but could be so wrong. Look to a trusted adviser for guidance.

**CAPRICORN** (December 22 to January 19) Spiritual aspects are strong. Take time to reflect on the path that you're on and where you hope it will lead you. It's also a good time to reach out to loved ones.

**AQUARIUS** (January 20 to February 18) You could be assuming far too many responsibilities, whether it's at work or in personal matters. Be careful that you're not weighed down by them.

**PISCES** (February 19 to March 20) You're getting closer to your goals. And since nothing succeeds like success (or the promise thereof), don't be surprised to find new supporters swimming alongside you.

**BORN THIS WEEK:** You are always the first to try new ventures and confront new challenges. You inspire others with your courage to follow your bold examples.

**Eagle Symbolism**

The Fourth of July is a time to display American symbols like stars and stripes; red, white and blue; Uncle Sam, Lady Liberty and, of course, the majestic eagle. The bald eagle became the national bird of the United States with the creation of the Great Seal in 1782. Eagle symbolism was already well established by then.

Eagles are sacred to many Native American nations. European colonists brought their own eagle symbolism to the Americas. Eagles were associated with the divine in mythological pantheons and appeared in heraldry. The eagle, "aquila" in Latin, was used as a standard by ancient Roman legions. "Aquila" is also the name of a prominent constellation in the summer skies of the Northern Hemisphere.

Eagles also appear in American folk art. This carved and painted wooden eagle, wings outstretched like the eagle on the Great Seal, sold for \$5,000 at Brunk Auctions. It is attributed to Wilhelm Schimmel, who emigrated from Germany to the United States in the late 19th century. Wandering around Pennsylvania, having run-ins with the law, doing odd jobs at farms and selling his wooden carvings, he was something of a folkloric figure himself.

*Folk art is an important part of American history. American symbols, especially eagles, are favorite subjects, like this wooden sculpture attributed to artist Wilhelm Schimmel.*

In 1912, collectors call his pictures "prints," but they are hand-tinted photographs. Nutting took the photographs and his staff printed, colored, titled, signed and framed the pictures. Millions of copies were sold. There are over 10,000 different titles. Twelve of the pictures were reprinted by machine in the 1930s and early '40s. Some prints sell for \$10 to \$20, some for over \$100. If the picture is in poor condition, it will be hard to sell.

TIP: Don't frame a good print in a clip frame. There should be air space between the paper and the glass.

**Piedmont Pets**  
June 20, 2024 By Paulette Dean

We have already had some very warm days; they remind us that summer is on the horizon. It is a good time to begin summer preparations for pets. Each year, we are heartbroken when dogs and cats are brought to us with varying degrees of heat exhaustion. And once you have seen a dead dog on a chain with no water or shade in sight, you realize how deadly the heat can be.

996 South Boston Rd.,  
Danville, VA 24540  
Phone: (434) 799-0843

- Once the temperatures are in the low 60s, pets should be kept home unless it is possible to have someone stay in the car with them while someone else completes the shopping or errands. Never rely on cracked windows or cars parked in the shade to keep animals cool!
- Owners of all companion animals are required to provide standards of adequate care. For the purposes of summer, that means animals must be safe from the adverse effects of direct sunlight and heat. That is very clearly defined in the Code of Virginia. Doghouses quickly become sweltering heat boxes! There must be a way for the animal to escape direct sunlight and heat.
- It is now illegal in Virginia for any companion animal to be tethered during a heat advisory.

We strongly urge people to walk dogs in the early morning or in the evening. Pavement can quickly burn paws. If you don't want to walk on pavement with bare feet, your animal should not have to!

It is more important than ever to provide a constant source of drinkable water. This means that outside companion animals should not be expected to drink hot water.

This is definitely not a comprehensive list, but will help some owners get prepared for the summer care of pets.

**Q:** Now that Katy Perry is leaving "American Idol" as a judge, who will take her place?  
— N.N.

**A:** Singer Katy Perry recently announced that she was leaving "American Idol" as a judge after seven seasons to focus on her own music career. She says that the show opened her heart and has given her an education that she couldn't have found anywhere else. Judges Lionel Richie and Luke Bryan are reportedly staying put for now, but the guesses are already rolling in regarding Perry's replacement.

One superstar who won't be taking the job is Kelly Clarkson. Known as the winner of the competition's first season, Clarkson lives in New York and now hosts her own daytime talk show. In an interview with "Entertainment Tonight," she said she had to quit as a judge on "The Voice" because the show films in Los Angeles. Clarkson wants to spend more time with her kids, and "Idol" would take her away from New York and her children.

**Q:** Do you know if there is going to be a season two of "Tulsa King" on Paramount+?  
— J.S.

**A:** "Tulsa King," starring Sylvester Stallone as a mafia capo newly released from prison, was a huge hit for Paramount+; therefore, it was quickly renewed for a second season. While the setting of the show isn't changing, production of the show has moved from Tulsa to Atlanta, which probably isn't surprising after Stallone tweeted two hot summers ago that being in Oklahoma has definitely prepared him for a lifetime in hell if he ever got sent there.

According to Deadline.com, joining the cast in the upcoming season are Rich Ting ("Warrior") as Jackie Ming, a quiet but ruthless man with his own ambitions in Tulsa. The charismatic Neal McDonough ("Suits") will play Cal Thresher, a powerful and extremely territorial businessman.

The show was created by Taylor Sheridan, the mastermind behind the smash-hit series "Yellowstone" and its spin-offs. There's talk that "Tulsa" could also spawn a spin-off someday if it continues its upward trajectory of success. Para-

mount's Tanya Giles said, "The huge success we've had with 'Tulsa King' and Sylvester Stallone opens up possibilities with Taylor Sheridan. ... His mind works in terms of universes and backstories, so I think there's always a possibility that there's more to that universe and more to that story."

With production on season two currently in progress, expect to see the new episodes premiering on Paramount+ as early as the fall or as late as the beginning of 2025. In the meantime, non-subscribers will be able to watch the first season on CBS later this summer.

**Q:** Have they released the Emmy nominations yet? Isn't the ceremony usually in September?  
— G.S.

**A:** The Primetime Emmy Awards will air live on ABC on Sunday, Sept. 15, this year. The lucky and talented nominees will be announced on Wednesday, July 17. A host hasn't been announced yet, but Anthony Anderson ("Black-ish") was behind the mic last time. Be sure to visit [www.Emmys.com](http://www.Emmys.com) for the latest news.

Participating businesses included: 2 Witches Winery & Brewing Co., B and B Travel Getaways, Danville Paint and Supply, Justus Chalking It Up, Kegerreis Digital Marketing, Mélange Productions, Once Upon a Child Danville, Patrick Gibson Photography LLC, Rippe's, River District Social, S. Jones Photography, and Valkyrie Aerial Acrobatics LLC. "My husband, Winston, and I have thoroughly enjoyed this marketing workshop," says Vice President, Once Upon a Child Danville, Whitney Harrell. "We are appreciative of this opportunity to learn new ways to communicate with our target audience and attract new clients to our store, Once Upon a Child Danville. We enjoyed meeting and networking with other small businesses during this time."

"I think the best part about the workshop was how empowered it made me feel to take the marketing side of my business to the next level," says Will Justus, owner of Justus Chalking It Up.

"Not only did this class take a deep dive into the analytics of social media and advertising, giving us strategies to implement, it also created a welcoming space to network and get to know some other great businesses in the area interested in growing together. The City of Danville does such a wonderful job uplifting its small businesses with resources like this, and I can't wait for the next opportunity."

## Laidback Golf Tour Holds its 3rd Major of the Season

On Monday June 17th as the US Open was just finished at Pinehurst the Laidback Golf Tour held its 3rd Major of the season at Olde Mill Golf Resort in Laurel Fork, VA ( better known as Groundhog Mountain). Much like Pinehurst the resort has a reputation of humbling even the best of golfers while luring them back for more with its breathtaking views and layout. Just as the previous events the Tour has held here in past seasons the course gave up limited good scores and birdies. The group of 13 only managed to card four birdies and two rounds in the eighties. There were no rounds in the seventies and five players finishing 100 or better. The Tour only had two flights competing in this event instead of the usual four flights.

The Championship Flight was decided by a card match of the number 1 handicap hole #13 ( the days Honey Hole) between the Father/Son combination of Robbie Revis and Allen Revis. Both players finished tied at 87 with the son Allen winning with a par on the par five hole as his dad three putted for a bogie. The win was Allens second of the season tying him with Fran Hensley, Tim Shelton,- Jody Myers, and Randy Kenyon; all who have two wins each. Revis however is leading in the Tours points race for the Championship by 32 points over his dad Robbie. In the other flight newcomer David McNichols got his first Tour win by birdying two of his first four holes and holding on to finish with a round of 94. This was David's second start of the year and his first ever time playing at Olde Mill. Right behind McNichols was Jody Myers who was trying for his third win of the year at 96.

The Tours next tournament will be Monday July 15th at Caswell Pines beginning at 10am. Entry fee for Tour members will be \$75 cash. Tour memberships are now available for second half of the season for 1/2 price at \$20 if you still need a membership. Purchase or register for a tournament by emailing [golftripman@yahoo.com](mailto:golftripman@yahoo.com) . Registration for all tournaments is request a week prior to the event or no later than noon on the Saturday prior to the event. All payments are made in person at tournament sites with cash payments only. All Tour information, stats, and schedules can be found on our website: Team-Pages - Laid-Back Golfers

There were no Honey Hole winners so the \$160 will carry over to the Caswell Pines tournament . Also in order to win the Tour Championship for the season Only the players with the most wins will be considered. Then the player with the most points will decide the winner if mutable players are tied with wins. Beginning with the Caswell Pines tournament we will have two Honey Holes each tournament: One for the A and B Flight players and One for the C and D Flight players. \$2 of each players entry each tournament will go into their Honey Hole Pot which will be divided by all within their pools having birdie or better on the selected hole for that day. Holes will be selected and announced prior to play each day. If no winner each time the pools will carry-over to the next tournament and increase in value. If at final tournament of the season there is still money in the pools it will be awarded by a contest or drawing at season ending ceremony.

# OBITUARIES

"For whether we live, we live unto the Lord; and whether we die, we die unto the Lord: whether we live therefore, or die, we are the Lord's." - Romans 14:8

## Alice Huff Smith

November 7, 1931 - May 20, 2024

Alice Huff Smith took her heavenly journey to be with her savior - Jesus Christ - on May 20, 2024. Alice passed away while at her residence. Alice was born in Danville, Virginia to Jesse and Rosa Mann Huff. Alice had

four brothers and two sisters. Her brothers and their wives were: Clarence Huff ( Bessie ), Jesse Huff Jr., John Huff ( Arlene ) and Ed Huff ( Eliza ). Her sisters and their husbands were: Lillian Thornton ( Russell Moorefield ) and ( George Thornton ) and Adell Henderson ( Aubrey ). Alice's parents and all of her brothers and sisters and their spouses proceeded her in death except her youngest brother, Ed. Ed was very good to my mom and she loved going fishing with him.

Alice was married to Alton Smith. Alice and Alton lived out in California until they divorced. They were married from 1951-1977.

Alice was survived by me, Suzanne Smith Clay and my husband, David Clay. David was more like a son instead of a son-in-law. Alice was also survived by two grandsons, Eric Clay and Brandon Clay. My mom and I used to love to go to the Casinos, bingo games and the yearly fairs. She also used to enjoy playing video games and board games with her grandsons.

Alice had a few nieces and nephews. Her nieces were: Cathy Barrett ( Fred ), Edie Lambert ( Gene ), Falina Long ( Guy ), Bonnie Henderson, Cindy Barber ( Buford ) and Peggy Dove ( Vernie ). Eddie Huff ( Christy ) was Alice's only nephew. I remember how much my mom used to enjoy talking to Cindy on the phone. A lot of the time they talked about Jesus. When the conversation was over Mom would seem to be content and at peace.

Alice was buried on the 22nd day of May, Swicegood-Barker Funeral Services performed the graveside rites with Duane Blevins officiating. Thanks also to Danville Memorial Gardens for taking care of the arrangements and completion of her funeral.

I want to say a heart-felt "Thank You" to those people who attended the graveside rites. Ed Huff, Eddie Huff, Falina Long, Amber Long, Cindy Barber, Thomas Clay, Thomas and Rachel Patton. I would be telling a lie if I said I wasn't sad due to my moms passing but I am content knowing that she believed in Jesus and I also believe that Jesus was waiting on her to come home. We will all take our turn. Thanks to all who were so nice and helpful to the Smith and Clay family. I hope that you could remember my mom working at Woolworth's. The Smith Family and Clay Family.

\* To clean out your coffee grinder in order to use it for spices, add about a half-cup of white rice, then pulverize it. Repeat until scent is gone and rice powder comes out clean.

\* It's food-smart to separate utensils and cutting boards used for veggies, meats, poultry, etc. Here's a handy chef's trick: Color code. Paint a different color stripe down the edge of cutting boards and around the handle of utensils for each variety: green for veggies, yellow for poultry and red for beef.

\* Line the bottom of your dog's food dish (underside) with silicone caulk. Use a crisscross pattern in the center. This will keep the dish from sliding around when your pet eats.

\* "If you are painting your ceiling and are bothered by drips, try protecting your eyes with an old pair of swimming goggles. They will keep your eyes safe from drips and splatters, and fumes will be much less bothersome." -- E.G. in Virginia

\* "I needed a hot water bottle for my legs, but I couldn't find mine anywhere. My husband suggested filling a soda-pop bottle (the two liter kind) with hot water and wrapping a towel around it. It worked magically, and I think better than the regular bottle." -- C.C. in Iowa

\* Want quick-cooking meatloaf? Use your muffin tins. The same meat mixture and flavor cooks in half the time and is in a cute, easy portion. I also make mashed potatoes as "frosting" for these dinner "cupcakes"!

Each numbered row contains two clues and two 6-letter answers. The two answers differ from each other by only one letter, which has already been inserted. For example, if you exchange the A from MASTER for an I, you get MISTER. Do not change the order of the letters.

# Strange BUT TRUE

By Lucie Winborne

\* In 1865, William E. Brockway printed a counterfeit \$100 bill that was so perfect, it left the Treasury Department with the sole option of withdrawing all authentic \$100 bills from circulation.

## FRESH PEACH PIE

### Ingredients

- 1 (14.1-oz.) package refrigerated pie crusts
- 5 cups sliced peeled peaches (7 or 8 medium peaches)
- 1/2 cup granulated sugar
- 1/4 cup cornstarch
- 1/4 cup packed brown sugar
- 1 Tbsp. fresh lemon juice
- 3/4 tsp. vanilla extract
- 1/4 tsp. table salt
- 2 Tbsp. unsalted butter, cut into small pieces
- 1 large egg, lightly beaten
- 2 Tbsp. turbinado sugar

### Directions

Prepare pie crusts:  
Preheat oven to 375°F. Set pie crusts out at room temperature according to package directions.

Prepare pie filling:  
Combine peaches, granulated sugar, cornstarch, brown sugar, lemon juice, vanilla, and salt in a large bowl; toss gently to combine.

Add crusts and filling to pie plate:  
Unroll 1 pie crust onto a work surface and gently roll to a slightly larger circle. Fit dough into a 9-inch pie plate, pressing into bottom and up the sides (allow excess to extend over the edge). Spoon filling into crust (it will likely be very juicy). Scatter butter pieces over filling. Unroll the other pie crust and fit on top of filling; fold edges under, sealing to bottom crust, and crimp. Brush top of pie crust with egg; sprinkle evenly with turbinado sugar. Cut 4 slits in top of pie for steam to escape.

Bake pie:  
Bake at 375°F until crust is golden brown and filling is bubbly with thickened juices, 55 to 60 minutes, shielding with foil after 40 minutes if crust starts getting too browned. Cool on a wire rack for at least 30 minutes before slicing.
