## Route 63 closing in refuge for 2 months this summer for culvert replacement

Press Release, NYS Department of Transportation

TOWN OF ALABAMA - The New York State Department of Transportation, in coordination with the Federal Highway Administration, today advised motorists that State Route 63 through the Iroquois National Wildlife Refuge in the Town of Alabama, Genesee County, will close to accommodate a federal culvert replacement project beginning July 1. The closure is anticipated to be in place until Sept. 1.

Motorists are encouraged to follow the posted detour that utilizes State Route 77, Gasport Road, and State Route 31. Local traffic will be able to access Route 63 up to the immediate work zone.

Access to the refuge will remain open for the duration of the closure.

Motorists should anticipate travel delays and build extra travel time into their schedule. Construction activities are weather dependent and subject to change based on conditions.

Motorists are urged to slow down and drive responsibly in work zones. Fines are doubled for speeding in a work zone. Convictions of two or more speeding violations in a work zone could result in the suspension of an individual's driver license.

## HOW TO HOST A YARD SALE

Hosting a yard sale doesn't have to be hard. Here are a few tips, tricks, and strategies to help you succeed.

From Neighbor.com

- 1 SELL THE RIGHT THINGS**  
Make sure you're selling quality items. No one wants to buy junk. Plus, only have a yard sale if you have enough to sale.
- 2 PICK THE RIGHT DAY & PLACE**  
Most yard sales happen on Saturday mornings. If you don't live in a central location, see if a friend or family member will let you use their yard.
- 3 CREATE THE BEST SIGNS**  
Your signs should only have the most critical information: yard sale, address, and time. Put signs on the main road and lead people to your house with more signs. Balloons and bright colors will help your sign stand out!
- 4 ADVERTISE ONLINE**  
Most yard sale shoppers will look online. Craigslist is still a popular place to post a yard sale, as is Facebook. check your local online classifieds to post your yard sale.
- 5 PRICE ITEMS CORRECTLY**  
Clothes: \$1-5. Jewelry: \$0.5-2. Shoes: \$3-7. Books: \$0.25-2. DVDs: \$2-3. Toys: \$2-5. Dishware: \$0.5-2 a piece, \$5-10 for sets. Small Appliances: \$1-2. Big Appliances: \$3-6. Decor: \$3-7. Furniture: \$10-\$100.
- 6 MAKE A HAGGLE STRATEGY**  
Shoppers will try to haggle prices with you. Develop a strategy before hand and know its totally acceptable not to lower your prices. Set a low point and consider pricing your items higher.
- 7 ACCEPT ALL TYPES OF PAYMENT**  
Go to the bank and grab a handful of \$10s, \$5s, and \$1s and some change. Most young shoppers will expect you to accept Venmo or a credit card. You can grab a free card reader at Square.com.
- 8 A FEW FINAL TIPS**
  - Put everything on tables, not sheets on the ground.
  - Use stickers to price every item. This will save you from taking questions all morning.
  - Put out a free box for the kids. A toy will keep them occupied while their parents shop.

# Tips on how to write CLASSIFIED ADS that sell!

- 1 USE A KEY WORD.** This immediately tells the reader exactly what you have to sell.
- 2 Make your description CLEAR AND FACTUAL.** State the year, make, model, color & size and tell what condition the item is in. Also, state the special features.
- 3 STATE THE PRICE.** Successful classified advertisers have learned that the price in an ad helps increase the chances for results.
- 4 IF THERE IS A GENUINE SENSE OF URGENCY,** say so. The words "We're moving," or "Must sell fast," suggest that readers respond immediately.
- 5 INCLUDE YOUR PHONE NUMBER.** Classifieds get results fast and often generate immediate sales. If you cannot be available to answer the phone at all times, be sure to specify special calling times such as "after 9pm" or "before 11am."

# Refill with Randy

by Randy LeBaron

**Good morning! Grab your favorite cup. Fill it up. And let's start this week right TOGETHER!!!**

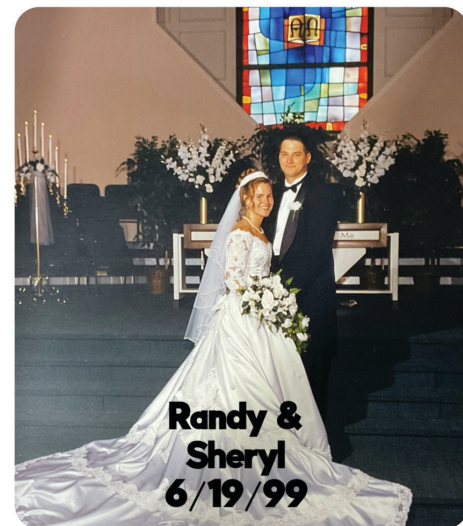

married half of my life!) and just 3 days later I had the privilege of walking my oldest daughter Ashlyn down the aisle of the same church we were married in!

Everyone asked if I was going to hold it together and I did simply because I was filled with so much joy. Not only did Ashlyn choose a young man of great character who we were excited to welcome into our family but seeing her so happy made me happy. Ironically, it seemed as if everyone else was crying as we made our way down the aisle.

Now we are preparing for her to move, as I mentioned above, for our son to move on campus at his college, and for our third child to start their Senior Year. It hardly seems possible that we moved here with an almost 2 yr. old and a newborn and now we have we have 2 young adults, 2 teens, and too many changes to keep up with.

Hey friends, I wanted to mention up front that this will be my last article for the summer. I will be taking July and August off to rest, recoup, and go on some new adventures to write about come Fall. In July I will be speaking at Highlander Camp in Kane, PA for a little over a week and then later we will be heading to Kentucky to help our daughter and son-in-law get settled into there new home at Asbury Seminary. I hope that you will have the opportunity to do something beyond the norm this summer as well.

Well, they say you should write about what you know so today I am going to write about milestones. A milestone is defined as an action or event marking a significant change or stage in development and my family has had our fair share this year. I have already shared a few with you like back in February when I hit the milestone of living in Orleans County for 20 years or in April when I officially became a quinquagenarian (aka I turned 50). Last month my daughter Ashlyn graduated from Robert's Wesleyan University with her Bachelor of Nursing Degree and proceeded to pass her boards a few weeks later. It's been a busy year so far.

As I look ahead I wonder what other milestones will come and go. Empty nest? More marriages? Grandchildren? Celebrating our 50th Anniversary? Whatever happens I will thank God for the significance of each of these events since I know all too well that they should never be taken for granted.

How about each of you? What milestones have you hit so far and which ones are coming up around the corner? As you head into summer what are you celebrating and what are you looking forward to? Be sure to make each new chapter in your and your family's lives count, and I will look forward to reconnecting in the Fall.

Over the past week I actually experienced two major milestones back-to-back. On June 19th my beautiful wife Sheryl and I celebrated our 25th Wedding Anniversary (I have officially been

## How to Prepare for a Bidding War

With so few houses available today, competition is heating up among homebuyers. Be ready for a bidding war with these 3 tips.

### 1 Get Pre-Approved

A mortgage pre-approval shows that a loan officer has reviewed your finances and determined your ability to get a home loan.

**★ PRO TIP**

Only 44% of today's prospective homebuyers plan to apply for pre-approval when beginning their home search. Pre-approval helps you stand out as a qualified buyer.

### 2 Know What You Can Afford

Be prepared to cover monthly expenses beyond your mortgage, like **general upkeep, utilities, and other unexpected repairs.**

**★ PRO TIP**

Getting serious about your budget now means you'll have more money for a down payment and a clear idea of your maximum offer price.

### 3 Make Your Best Offer

On average, there were **over 3 offers for every home sold in August**. If your offer isn't competitive, it probably won't be considered.

**★ PRO TIP**

Your real estate agent can help you determine what factors might make your offer more enticing, like:

-  Flexible Move-In Dates
-  A Competitive Offer Price
-  Minimal Contingencies

Being prepared means you'll be able to move quickly and confidently in today's competitive market.

Donald Blosenhauer, age 69, passed away June 25th, 2024. He was born May 29th, 1955, in Albion to the late Joseph and Leona (Salisbury) Blosenhauer. Donald enjoyed camping with his wife, spending time with family and friends, and working with his hands — fixing, creating, building, and welding. He volunteered with the FHM Fire Company and was recently recognized for serving 50 years as of 2023. Don was a long-standing member of the Sons of the American Legion. He had the gift of gab, especially at parties, and was good at playing euchre. Don was a fan of motorcycles, the Buffalo Bills, and a good DIY project. He was also a big fan of his wife through all the ups and downs of marriage. He was kind, giving, and often the peacekeeper for the family. Don showed up to sports games and dance recitals alike and always said yes to spoiling his grandchildren with his attention, love, and an abundance of ice cream. Much of his practical knowledge, fix-it-yourself attitude, and tinkering spirit will live on in his sons. He will be missed not because he was perfect, but because he was a good man. In addition to his parents, he was predeceased by his brother David. Donald is survived by his wife of 45 years, Mary, children D.J. (Chrissy), Adam, Michael (Amy) and Penny (Gabby), siblings, John (Jeannine), Gary (Sandy), Joseph (Barbara), Butch (Chris), grandchildren Alexis, Morgan, John, Amaya, Kairi, Jasmine, Autumn, Rayne. Donald's family will receive friends at the Christopher Mitchell Funeral Home 16650 State Route 31 Holley, NY 14470 on Tuesday, July 2nd 2024 from 4:00-7:00pm where a Fireman's Prayer Service will follow at 7:00pm. Memorial contributions in Donald's name may be made to the Fancher Hulberton Murray Fire Co., should be 3353 Hulberton Rd. Holley NY 14470.
