SERVICE LINE PROTECTION PROGRAM

Property owners are responsible for maintaining water and sewer lines in and outside of their property. Repairs could cost tens of thousands of dollars when issues arise. The City of New York encourages all its property owners to enroll in the American Water Resources (AWR) program. AWR protects its customers from costly repairs that are often not covered by insurance companies. When you enroll, you will pay an extra \$84.84 annually for your water line and \$143.04 annually for your sewer line through your New York City Department of Environmental Protection water bill. To enroll, simply call (888) 300-3570.

BRONX SPECIAL WASTE DROP-OFF

The City of New York Department of Sanitation administers a "Special Waste Drop-Off" every Saturday and every fourth Friday of the month at Hunts Point Avenue and Farragut Street from 10 A.M. to 5 P.M. It is open only to residents and not commercial entities. At this location, you may dispose of batteries, motor oil, light bulbs, latex paint, car tires and electronics.

COOLING BENEFIT

The City of New York Human Resources Administration (NYCHRA) is offering its annual cooling benefit. Income-eligible recipients can receive an air conditioner with free installation. Eligibility requirements state that you must not have an air conditioner presently. If you do have one, it must be at least five years old. If you have received an air conditioner through this program, you cannot apply for five years. The annual household monthly income for a family of four cannot exceed \$5,485. If you currently receive SNAP benefits and/or SSI or have received a HEAP benefit you are likely eligible for this program. To receive an application, you must call (718) 557-1399.
