Fair FAQs & Fairgoer Code of Conduct

Should I bring a pet?
 While there are animals at the fair it's not a good place for your pet. Only service dogs are allowed as per NYS regulations. All other animals will be asked to leave.

Can I smoke/vape, or consume alcohol?
 Sorry, no. This is for the consideration of other fairgoers and making sure we continue to have a safe and family friendly atmosphere.

Why can't I ride all the rides?
 Rides have height restrictions for your safety. Adults may not be allowed to ride with children on some rides for this reason. Before buying your tickets you can check the height guidelines at the ticket booth. Remember, you can be too big as well as too small for a ride!

Is there an ATM?
 You will find an ATM near the Midway as well as near the fair office.

Where do I go for help?
 Our fair office and first aid are located on the north side of the fairgrounds, right off of Route 31.

Congratulations, 4-H'ers!

Volunteer with 4-H

Volunteers make a difference in our programs! Did you know that more than 102 adults volunteer with Orleans County 4-H programs each year? Volunteering is fun and rewarding, and enables you to share your experiences with others. Do you like bird watching, cooking, gardening or working with animals? There are many interesting projects and fun things to do in 4-H.

Imagine a young person's satisfaction at learning a new skill, or at doing a job well. Imagine your own satisfaction at watching a young person blossom. You can help our young people as they gain confidence and self-esteem - essential ingredients for happy, productive citizens.

Whether you want to be a club leader or work with kids on a short-term project, there's a role for you in 4-H. Many volunteer roles involve working directly with youth while others do not. Some volunteers are engaged with the program for a long period of time, such as leading a 4-H Club for several years. Others volunteer on a one-time, short-term or even an annual basis, for example, being a homework helper at an after school program, volunteering at a special interest workshop, serving as a judge for public speaking or for an event at the Orleans County 4-H Youth Fair. In whatever role you may choose to volunteer, our 4-H office can provide training, resources and support that can help make your volunteer position as rewarding as possible for everyone involved.

Prospective volunteers complete an application form. In addition, those who volunteer to work directly with youth will be asked to consent to a criminal background screening at Cooperative Extension's expense, as a means of ensuring the safety and security both of our volunteers and of the people we serve through our programs.

From one 4'er to another:
Best wishes for another successful year!
