Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Fun By The Numbers

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Do you have HEEL pain or ARCH pain?

HEEL SPUR SYNDROME/PLANTAR FASCIITIS is a common problem among people who are active. It starts as a dull intermittent pain in the heel and progresses to a sharp persistent pain. Classically, it is worse in the morning with the first few steps, after sitting, after standing or after walking.

- Plantar fasciitis often begins with irritation and tearing of the fibrous band of tissue on the bottom of the foot, which may eventually result in the formation of a heel spur.
- Contributing factors: Flat pronated feet, high arched feet, poor shoe support, increased age, sudden weight increase, increased activity level, family tendency.
- 95% of our patients' symptoms are resolved with conservative treatment, avoiding surgical intervention.
- We also offer surgical procedures with the best post op success rates using Endoscopic Plantar Fasciotomy techniques (minimal incisions and scarring; often back in a shoe in 1 week).

Orleans/Niagara BOCES Names Its Employees of the Year

The Orleans/Niagara BOCES recently named its Employees of the Year for the 2023-2024 school year. Employees are nominated by their peers and a committee selects an awardee in each of these categories: Administrator, Clerical, Continuing Education, Custodial/Maintenance, Staff Specialist, Substitute, Teacher Aide and Teacher.

Melanie Conley is the Administrator of the Year. Melanie is the Director of Business Services and has worked at ONBOCES for seven and a half years. When asked what her favorite part of her job she answered, "As I thoroughly love what I do, it is difficult to narrow it down to one particular aspect. My favorite part is leading the business office, facilities, technology and print shop operations and knowing that all of these functions play a critical role in our students' obtaining a first-rate education. Another favorite part of my job includes being a resource for our component school districts when they may have a need or question in which they may be looking for direction. I also love the good people and the relationships that I have been able to establish with our Orleans/Niagara BOCES and component district staff! We have great people working hard every day to give our area students the best educational opportunities possible." Melanie adds that she is humbled and honored by the recognition.

Kristen Strassburg is the Clerical Person of the Year. A school nurse at the Niagara Academy, she has worked at that site for the past 20 years. "I love working with the kids and the staff. I have made some fantastic connections with many of them and have made lifelong friends at the school. There is something so special and magical about the Niagara Academy and I love how we work together as a team to help these students achieve their goals." She says she is honored at being named an employee of the year. "I believe I am the first school nurse to win in this category. I work with such an amazing group of school nurses, so I hope I am the first of many to win. They are truly the best and I look forward to our staff development day once a year. It is really the best day of the school year for me."

Katie Carlisle-Diemert is the Continuing Education Employee of the Year. She has worked as an Adult Literacy teacher in the incarceration program at Niagara County Jail since 2013. "I worked in the business world for a long time before I came to work for BOCES. The satisfaction of going home each day having helped another person change their life for the better is very powerful. It is like nothing you can get from corporate America. Watching people and helping people to make positive life change is my favorite part of my job." She says she is surprised and thankful about the honor. "I never expected to win this. I am appreciative that my colleagues have noticed the effort I put into my work and that they believe I make a difference."

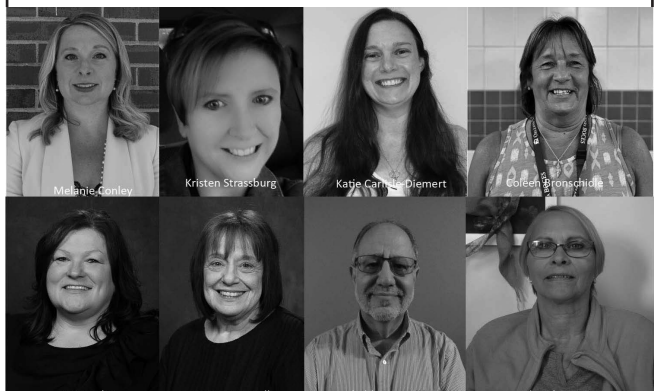

Colleen Bronschidle is the Custodian/Maintenance Person of the Year. She has been a custodian worker at the Niagara Academy since 2005. Before that she ran the school's kitchen for five years and was eventually hired by BOCES in 2010. "I started out as a teacher aide and substitute cleaner. I then went on to a full-time cleaner than custodian at the Niagara Academy. My favorite part of the job is the people I work with every day. They are like extended family to me. I was shocked to receive Employee of the Year. I am very proud of my job and I love the atmosphere at Niagara Academy. I would like to thank everyone for the opportunity and let them know I appreciate it very much."

Sheldon Soman is the Staff Specialist of the Year. Sheldon has worked at BOCES for ten years. He was shocked and surprised that he won Employee of the Year. "The best part of my job is working with my coworkers in the Tech Department.

Mary Kuhn is the Teacher of the Year. Mary is a Music educator with the special education students and has taught at BOCES since October of 1996. "The most enjoyable aspect of my job is connecting with my students through different elements of music. They are amazing, and teaching them something I am passionate about if truly awarding. I must acknowledge the incredible support from the staff who work alongside me in guiding our students. Without the dedicated aides and personal care aides, this wouldn't be possible."

Antonia Newell is the Teacher Aide of the Year. She has worked at BOCES for 17 years. "I absolutely love my job, coworkers and students! I am so humbled to be chosen for this and so excited. I am very thankful!"

Deborah Maclver was named the Substitute of the Year. Deborah worked as a teacher aide with ONBOCES since 2016. When she retired in 2023, she started substituting for the organization.

John "Jack" Edward Baron Jr., age 72, died July 28, 2024 at his home. He was born June 1, 1952, in Harrison Township, Pennsylvania to the late John E. Baron Sr. and Jean Helene (Firanski) Baron. He moved around when he was younger, until they had found the quaint town of Albion, which is where he had lived

for much of his life. Jack graduated from Albion High School in 1970 and attended every reunion. He worked as an electrician for FMC in Middleport for 37 years, and then retired after working for Chapin International in Batavia, where he continued to attend every summer BBQ. Truly sticking to his nickname, Jack was a "jack of all trades" and found the value in giving his time. If he didn't know how to do something already, he was a quick study in figuring it out. He was very invested in scouting with his boys, having been a den leader, Cubmaster, and assistant scout leader. Jack was very supportive of his children, attending every school event that they were a part of; sports games, musicals, plays, concerts, and any other school event they participated in. Not only was he supportive of his children, he was also supportive to others as well, lending a helping hand whenever he could. Jack was a member of the First Presbyterian Church and had just joined the choir this year. You could always catch him humming and singing tunes, even at the dinner table. Jack was predeceased by not only his parents, but also by his son, Andrew "Andy" John Baron. He is survived by his children, Jeanine Baron and Jeff (Shannon) Baron; grandchildren, Chloe, Natalie, Zack, and Jay; siblings, Bonnie Baron, Tom Baron, Jill (Roger) Chandler, and Trudy (Ben) Andersen; and many nieces, nephews, and cousins. His family will receive friends at the First Presbyterian Church, 29 E. State St, Albion, NY 14411, on Sunday, August 4, 2024, from 2-4pm with his Celebration of Life Service following at 4:00pm. In lieu of flowers, donations may be made to the WNY Scout Council #380, 2860 Genesee Street, Buffalo, NY 14225. Arrangements were entrusted to the Christopher Mitchell Funeral Homes, Inc. Albion.
