### SOLVENTS, AUTOMOTIVE, FLAMMABLE AND ELECTRONICS (SAFE) DISPOSAL EVENT

There will be a SAFE Disposal Event rain or shine on Saturday, October 26 from 10 A.M. to 4 P.M. at the Orchard Beach Parking Lot. At this popular annual event, you can dispose automotive products and electronics such as televisions, old cellular phones, and computers. You can also safely dispose medical products such as old medication and/or used medical devices. Household products such as paint, batteries, light bulbs, and pesticides are also accepted. Absolutely no appliances such as microwaves, air conditioners and vehicular tires are accepted.

### COMMUNITY PRIORITIES

Each year the City of New York requires each Community Board to submit a list of capital and expense requests in its respective district for review. For example, Bronx Community Board #10 can suggest to the city to renovate an existing park, create a new park, or increase funding to the City Department of Transportation for road repair. If there is a particular city program that is successful and you would like its funding increased, let us know. An example of this is the Parks Department's tree and sidewalks program where high priority sidewalks damaged by a city tree are repaired. Please be advised that this process is now open, and you should submit your requests as soon as possible. You must be a resident of Community District 10 to suggest an item for our District Needs Statement. Requests are prioritized. You are to email us at [bx10@cb.nyc.gov](mailto:bx10@cb.nyc.gov).

### SAFETY TIPS

While September has been quite pleasant to us, we will soon get cooler weather and will have to turn on our heating systems. Con Edison advises us that a natural gas odor smells like rotten eggs. If you smell it, do not turn on or off lights or appliances as it could cause a spark. Immediately call 911 and then 800-752-6633 to report it to Con Edison. Never assume that someone else has called.
