Bart Wolf wins Gold Medal

Prototype 2 gold medal awarded at 60th anniversary SCCA® National Championship Runoffs® presented by Sunoco

By Philip Royle, SCCA

It was Bart Wolf who won the Prototype 2 (P2) gold medal during the 60th anniversary SCCA® National Championship Runoffs® presented by Sunoco. Taking place Sept. 28-Oct. 6, 2024 at Road America, the 4.048-mile, 14-turn circuit welcomed P2 racers with temperatures in the high 60s, but also a healthy wind blowing to the north.

The field was led to the green flag on the second of three Hagerty Race Days by Milwaukee Region member Wolf and his No. 28 Wolf Motorsports Ligier JS49 Honda, in which he'd earned the Tire Rack Pole. The qualifying gap to two-time National Champion Mike Reupert was not much, although the top two had a comfy margin to third-, fourth-, and fifth-place qualifiers Tim Day, Jr., Greg Gyann, and Raiden Nicol.

As the racers headed toward the starter's stand for the green, they were desperately trying to anticipate the flag for the best chance to cut through the wind into Turn 1. When the green flag flew, more than a dozen highly tuned engines began to sing.

Wolf got the jump ahead of Reupert, but as Reupert tucked in behind, he appeared to make contact with Day, spinning Reupert backwards in Turn 1. Unfortunately, Reupert couldn't refire his car, and a full course caution was called.

The restart saw Wolf repeat his performance from the original green, with him retaining the lead and pulling a gap on Day, Nicol, and the rest of the field. Nicol was quick to drop a spot, but a deep dive into Turn 5 claimed the position back from Gyann.

While Wolf pulled a 3.5sec lead over Day by lap five, Gyann and Pancea had caught Nicol and began to challenge for the third step on the podium, with Nicol's larger Radical punching a sizable hole in the air for the smaller Stohrs. Nicol protected, but it wasn't enough, and Pancea and Gyann made the pass on lap seven, making it Pancea's turn to defend the bronze position.

Tucked together, Gyann and Pancea had Day in their sights, reeling in the second-place Day at the rate of half a second per lap. Gyann slipped a little wide into Canada Corner on lap 12, with Pancea not hesitating to slip into third as the two continued their pursuit of Day.

By lap 11, Wolf had afforded himself a nine second lead while the battle for second raged. At Turn 5, Pancea made the pass on Day, leaving Day to drag race down the straight with Gyann as Pancea began to build an untouchable cushion in second.

The last lap involved Wolf cruising to victory, followed by Pancea with a well-earned gap to third. The story for third was different – it was an all-out battle between Day and Gyann, with challenges occurring in nearly every braking zone. As the pair entered the Hurry Downs, Day poked inside and went super deep into Canada Corner, making the pass.

The duo engaged in another drag race down the front straight, this time for the checkered flag, with Day edging out Gyann for third by just 0.096 seconds. Sherman Chao followed in fifth, some two seconds later.

Wolf's pre-race plan was to drive away from the field but, racing being racing, he wasn't positive his plan would come to fruition. "We were trying, I mean, that was the idea," he laughed after the race, adding, "but it usually never works as planned. Since the June Sprints®, we've pretty much lived and camped [at Road America]. So, yeah, it was a lot of testing, a lot of development."

Take a look at the November Mystery Photo. Do you know anything about it? Where is/was the location? What year was this photo taken?

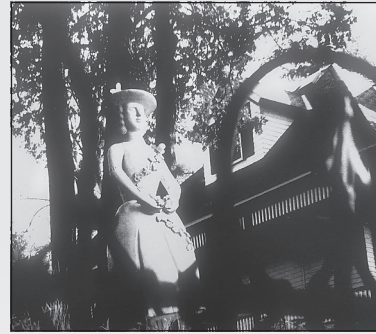

If you know, let us know! To enter the November contest, send an email to depotdispatch@elkhartlake.com or a letter with as many details as you can to the Elkhart Lake Chamber, P.O.

Box 425, Elkhart Lake, WI 53020, or drop off at the Chamber Office, 41 E. Rhine Street.

The person with the best submission will receive a finely matted, quality enlarged print of the original, courtesy of Schamberger Gallery in Elkhart Lake.

The winner should contact The Chamber at 41 E. Rhine Street or call 920.876.2922.

answer October Mystery Photo

The winning submission came from Deirdre Garton

The statue is at the Villa VonBaumbach (also known as The Overflow). It is a copy of a statue designed by Alfred Lunt in the 1930's. Here is what the folks at Ten Chimneys Foundation in Genesee Depot said when I asked for more history.

"Her name is Siglinda and the original statute would be around 90 years old. The statute out now is a duplicate because the original had decayed beyond repair. I am unsure exactly when the duplicate was created (early years of TC?).

Siglinda was made by the Wilbur Lumber Company in Waukesha during the depression. They were willing to take

any jobs they could. She is based off a drawing Alfred sketched. I am not sure but do think she is based on something he saw in one of the Scandinavian countries."

My late husband, Joe Garton, and I bought the Villa from the Wintzer family who built it in 1896.

I think some folks at Elkhart refer to her as Clara after one of the VonBaumbach family members who died there in the early 1900's.

Joe was always interested in historic preservation thus his work to preserve Ten Chimneys.

Thank you to Anabelle Paulsen for her submission!

The picture shows the statue of the self proclaimed Elkhart Lake "lady of the lake". In Elkhart lake, people used to see what was often described as an apparition, or a ghost, of a woman who would wander around the town, usually by the lake. The townspeople worked together to figure out what the woman looked like and made a statue of her. After the statue was placed, the woman specter disappeared. The statue and house are located on Elkhart Lake.

New Mobile Manufacturing Lab Unveiled at Lakeshore College

The state-of-the-art training on wheels is ready to hit the road.

Lakeshore College unveiled its new mobile manufacturing lab Oct. 1, making advanced manufacturing training more accessible throughout the community. The state-of-the-art self-contained training space is available to any organization interested in providing or demonstrating hands-on manufacturing-focused training. Lakeshore provides the instructors.

Funding for development of the lab was provided through the Workforce Innovation Grant program, in cooperation with the Wisconsin Economic Development Corporation and Department of Workforce Development. The lab was a key component of the \$1.64 million grant awarded in 2022 to address the pandemic-exacerbated critical labor shortage threatening the economic stability of the region.

“With manufacturing serving as the largest industry sector in our community, we understand how critical it is for Lakeshore College to not only provide the workforce education and training employers need to succeed but also to make it accessible,” says Lakeshore College President Dr. Paul Carlsen.

Carlsen explained the value to the community of having various organizations host the lab. Schools

can capture the attention of students interested in high-paying, stable career options. Employers can make upskilling workers more convenient, leading current workers to advance their skillsets and earning power. Organizations wanting to help lift disadvantaged populations can host the lab anywhere to demonstrate new skills, which can elevate income.

Lakeshore College provides instructors and delivers the mobile lab to an organization’s desired location. Individuals trained in the lab can become certified in 15 industry-relevant skills in

welding, quality assurance, computer numerically controlled machine tooling, and electro-mechanical systems. The lab can be stocked with equipment including programmable logic controller machines, Fanuc robot trainers, hydraulic systems, and AC/DC electrical trainers.

Information about the mobile lab can be found at gotoltc.edu/mobile-lab. It can be scheduled by contacting Lakeshore College at mfg@gotoltc.edu.

During the Oct. 1 unveiling of Lakeshore College’s new mobile manufacturing

lab, representatives from the Wisconsin Department of Workforce Development learned from college leaders about skills that can be learned in the lab.

ABOUT LAKESHORE COLLEGE

Lakeshore College, formerly known as Lakeshore Technical College, is a comprehensive community and technical college educating more than 9,000 students annually. Students enroll at Lakeshore to master real-world, employable career skills and start their pursuit of a bachelor’s degree. Lakeshore faculty and staff are focused on providing each student an individualized learning experience.

Lakeshore College is a nationally recognized two-year college. The college was ranked #2 in the nation by Washington Monthly, #17 in the nation by Forbes, #20 in the nation by WalletHub.com, a top-150 two-year college by the Aspen Institute, a 2024 Bellwether Award winner, and named the 2021 Large Business/Industry of the Year by the Chamber of Manitowoc County.

Approximately 800 students graduate from Lakeshore each year, and associate degree graduates report earning a median salary of \$55,698 within six months of graduating. In addition to the Cleveland campus, Lakeshore educates students at learning campuses in downtown Manitowoc and downtown Sheboygan. Classes are also offered at additional sites throughout the district. Visit Lakeshore at gotoltc.edu.

ELGSD Veterans Day Program

The Elkhart Lake-Glenbeulah School District will hold a Veterans Day Program on Monday, November 11th at 11:00am in the high school gymnasium. The High School Band and Chorus will perform a few selections for this event, which will also include speeches and poetry readings from high school students.

Guest speaker for the program is Bill Ray, retired US Army MAJ. Major Ray joined the 101st as an Airborne Ranger Infantryman in 1959. He spent over 42 years as an Army Intelligence Special Agent including 20 years conducting Intelligence investigations and operations in Europe. MAJ Ray spent five years as an instructor at the US Army Intelligence School. He finished his career with the 101st in late August of 2013 at Bagram, Afghanistan managing all Counterintelligence (CI) Investigations and CI Operations in Regional Command-East.

Bill and his wife Sandy live in Elkhart Lake, as do their daughters Kelley and Shan-

non. They also have four sons, two of whom are retired Army Intelligence Soldiers.

The school district would like to invite the community to attend and share in this event of honoring all who have served or are currently serving.

The two developments are nearly occupancy for at least some of the buildings. The Preserve also just got approval to place solar panels on its roof, so you may see this construction in the coming weeks. The Village is waiting on a few final items for completion of Leonard's Way. We are waiting on streetlights from We Energies, as well as solar lighting on the pathway to Aero Drive.

The Preserve at Elkhart Lake leasing office is expected to be available in the Fire Station parking lot in the coming weeks. You can email thepreserve@oakbrookcorp.com for more information. For more information on leasing at Whitetail Ridge, please email Leasing@northtownpartners.com.

FACILITY PLANNING

The Village continues to plan for future facilities, including a welcome center and a new Public Works facility. The Village is working with PRA architects with the designs of the buildings. The Village is also working with Jos. Schmitt on pricing and construction management. We are working on the interior design of both of buildings, then we will have outside renderings completed. The current discussion is that construction on new facilities would begin sometime in 2025.

SEWER RATES INCREASING

Sewer rates will be increasing in 2025. The increase is due to Northern Moraine increasing rates and a high rate of infiltration which we are trying to solve, so in turn we need to increase our rates. These rates will not increase until January 1, 2025. The sewer consumption rates will increase from \$7.55 per 100 cubic feet to \$8.00 per 100 cubic feet. If you have any questions on these rate increases, please contact 920-876-2122.

AUTO PAY YOUR WATER BILL

The Village of Elkhart Lake accepts Automatic Clearing House (ACH) payments for your water/sewer bills. If you are interested in having your water/sewer bill automatically debited from your bank account, please contact the Village at 920-876-2122 or email clerk@elkhartlakewi.gov and we will work to set you up on the program.

WINTER RULES BEGIN NOVEMBER 15TH

Winter parking regulations go into effect on November 15th. As a reminder, here is the ordinance. There will be no overnight parking allowed on Leonard's Way for this winter from November 15th through April 1st.

Parking is allowed overnight in the N. East Street parking lot overnight until 6 am, at that time your vehicle must be moved.

PARKING REGULATIONS

All Night Parking Regulated.

6.04(2) (a) No parking of any motor vehicle shall be permitted on either side of any Village street or in the parking lot north of Square Street between the hours of 2 am. and 6 am, and no parking in the lot on North East Street from 6 am until 9 am commencing the fifteenth (15th) day of November and ending on the first (1st) day of April of every year.

(b) Any vehicle parked in violation of the provisions of this ordinance shall be removed from the streets and stored, and such removal and storage shall be at the expense of the owner of said vehicle.

Vehicles violating this ordinance will be ticketed.

SNOW REMOVAL

Ordinance 10.03 Removing Snow from Sidewalks: residents must clean snow and ice from sidewalks within 14 hours of any snowfall in a 24-hour period.

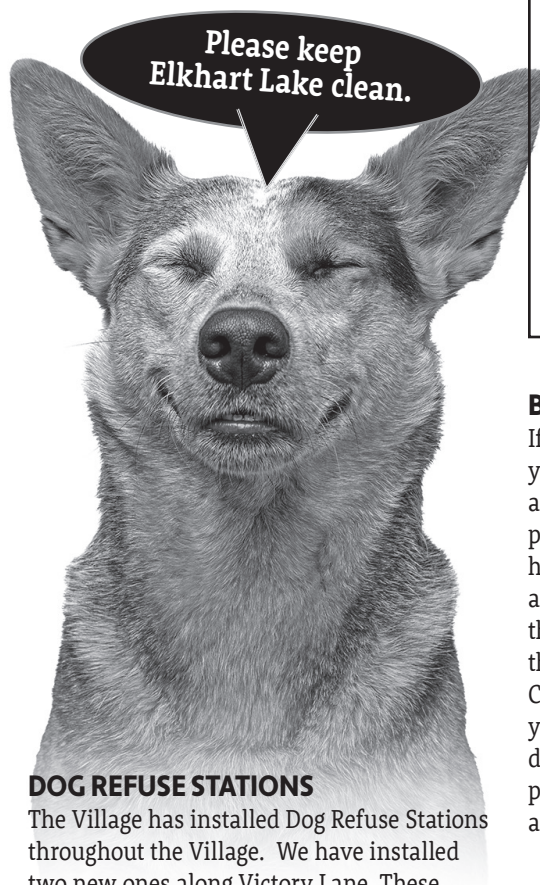

Snow cannot be blown or plowed onto Village Streets. Residents must also shovel out any hydrants near their home.

Snow Removal Warning

As in past years, you will not be notified that snow needs to be removed. If you have not shoveled in the prescribed time, the Village will shovel your walk and bill the property owner. Also, the entire width of the sidewalk must be shoveled. A path is not sufficient and you will be in violation.

VILLAGE ORDINANCE - 8.32 ANIMAL FECES

Any person owning or having control of any animal shall clean up the feces of such animal immediately and dispose of it in a sanitary manner when the animal has defecated on the property of another or on public property. Please be aware, the sidewalk, the area between the sidewalk and street (parkway), the street, lake street walkway, and all parks and parking lots are public property!! If you see this happening, you can report it to the police. If you know the owner of the dog, you are able to make a statement to the police and the owner will be cited. Also, if you catch someone on video (doorbell cameras) not picking up animal waste you can turn the video to the police, who can then cite the owner of the animal.

DOG REFUSE STATIONS

The Village has installed Dog Refuse Stations throughout the Village. We have installed two new ones along Victory Lane. These stations will dispense plastic bags to help in the cleanup effort. The dog stations are located at:

- S. End of Walkway
- N. End of Walkway
- Near Village Square Park
- S. Lake Street near Elm St.
- Osthoff Avenue
- Lions Park
- E. Rhine St. near Charlene's
- E. Rhine St. near Two Fish Gallery
- Victory Lane near Cedar Landing
- Victory Lane near Moraine Drive

BUILDING PERMIT REQUIRED

If you are planning a construction project on your home or business, you must apply for a building permit. Permits must be obtained prior to commencement of work. We have had a few people looking to install patios and doing some work and then finding out they cannot have one. We want to prevent this from happening. It is best if you call the Clerk's Office at 920-876-2122 to find out if your project will require a permit. Failure to do so will result in double the permit fees, potentially tearing out of what has been done, and could even result in a fine of up to \$1,000.

EMAIL NOTIFICATION LIST

The Village would like to keep you informed of news and changes that may occur on occasion. We would like your email address. These will be kept confidential. We will remind you of changes in the garbage collection schedule and any other things that come up periodically.

Email Jessica Reilly at jreilly@elkhartlakewi.gov to be added to the list.

Road America Announces its 2025 Season Schedule

America's National Park of Speed Celebrates its 70th Anniversary

As the motorsports world eagerly anticipates the dawn of the 2025 racing season, enthusiasts have reason to rejoice. Road America, the hallowed ground of high-speed competition nestled near the picturesque village of Elkhart Lake, Wisconsin, has unveiled its tentative 2025 schedule, marking its 70th Anniversary, which promises many experiences for fans and competitors alike. With a storied history from its inception in 1955, Road America has become synonymous with world-class events, and the 2025 season is poised to be no exception as America's National Park of Speed ushers in its platinum jubilee.

The season starts in style with the **Spring Vintage Weekend with SVRA from May 16 to May 18**. This nostalgic celebration pays homage to classic cars and the racing heritage that has captivated generations. Enthusiasts can witness timeless race machinery thundering around the track, evoking the glorious days of motorsport's past.

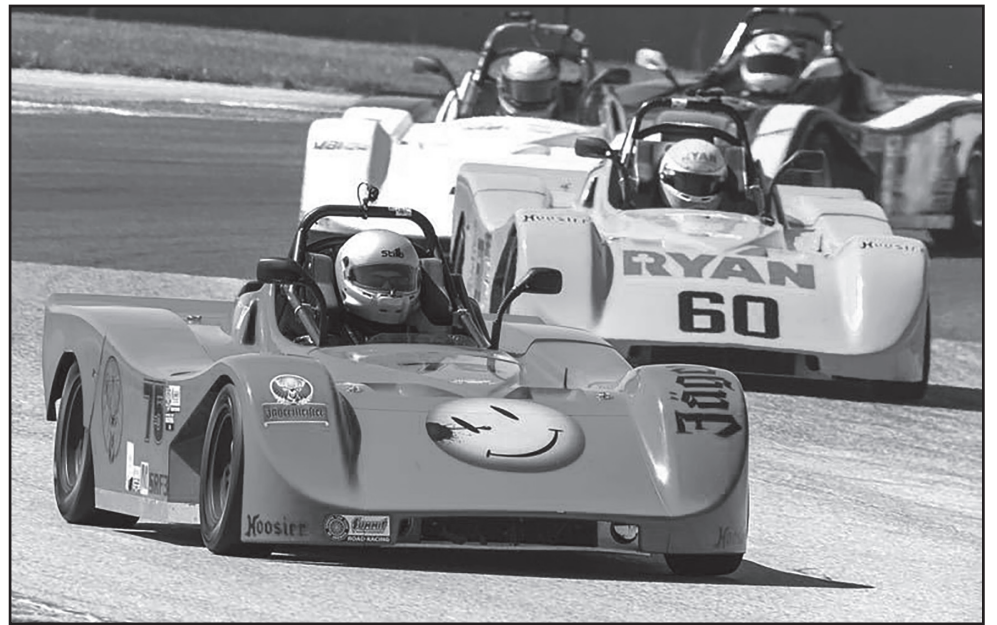

MotoAmerica Superbikes and Vintage MotoFest hit the track from May 30 to June 1. Prepare for heart-pounding motorcycle racing action, where competitors will push the limits in a quest for supremacy. The event promises fierce competition and unforgettable moments that will leave spectators on the edge of their seats.

Mid-June ushers in the **WeatherTech Chicago Region SCCA June Sprints from June 6 to June 8**. This tradition spotlights grassroots racing talent and an eclectic array of vehicles, making it a fan favorite.

The season's open-wheel crown jewel arrives with the **INDYCAR XPEL Grand Prix presented by AMR from June 19 to June 22**. This prestigious event gathers the finest open-wheel racers from around the globe, ensuring a breathtaking showcase of speed, skill, and strategy. It's an electrifying spectacle that no motorsports enthusiast should miss.

The Cheese Capital Cup, featuring the Trans Am Speed Tour, roars into action from June 27 to June 29. Witness iconic American muscle cars battling it out on the track. Mustangs, Camaros, Challengers, and Corvettes provide a dose of pure Americana, promising thrilling races and high-speed nostalgia. The event also gives a tip of the hat to Wisconsin history and the production of award-winning cheeses, most of which are crafted in nearby Plymouth, Wisconsin, which is affectionately known as 'The Cheese Capital of the World.'

July brings the **WeatherTech Vintage Weekend with Brian Redman from July 17 to July 20**. Historic racing machines take center stage, paying tribute to the golden era of motorsports. It's a must-see event for those who appreciate the timeless beauty of vintage racing. This year's feature is expected to include an extraordinary Formula 1 Exhibition and the United States Road Racing

Championship (USRRC) invitational. The USRRC was a sports car racing series organized by the Sports Car Club of America (SCCA) from 1963 to 1968, featuring iconic American and European sports cars competing on challenging road courses across the country. Renowned for its high-speed battles and legendary drivers, the USRRC laid the groundwork for future endurance racing events in the United States.

The **GRIDLIFE Summer Apex Music & Motorsports Festival takes place from July 25 to July 27**. Blending motorsport and music for an unforgettable weekend of high-energy fun. This unique festival combines on-track action with off-track entertainment, making it a hit with fans of all ages.

August heats up with the **SportsCar Weekend with IMSA from July 31 to August 3**, where fans can witness cutting-edge sports car technology and intense competition on Road America's iconic circuit, a true testament to the evolution of motorsports.

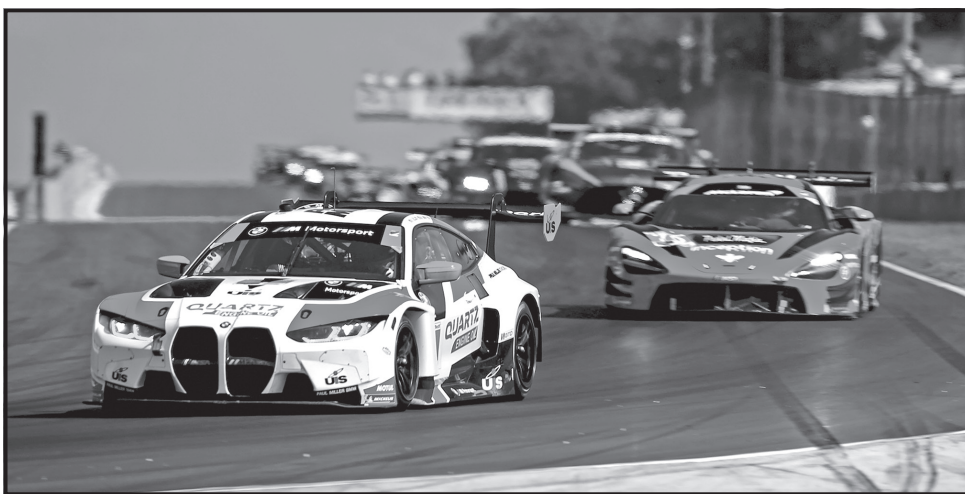

Also in August is the **GT World Challenge America, which runs from August 15 to August 17**. This adrenaline-fueled extravaganza celebrates speed, skill, and cutting-edge engineering, showcasing the finest performance racing machines from elite global luxury auto brands. Expect to see magnificent GT3, GT4, and Touring Car machines as they take on the legendary 4-mile, 14-turn road race circuit at America's National Park of Speed.

The **Ariens Art on Wheels Vintage Weekend with VSCDA from September 12 to September 14** adds an artistic flair to the racing scene. It seamlessly blends vintage cars with the art world, creating a unique and captivating atmosphere.

The grand finale, the **SCCA National Championship Runoffs, which will take place from October 3 to October 5**, promises an adrenaline-packed spectacle. Competitors nationwide will vie for championship glory in various classes, bringing the season to a thrilling close.

Road America's 2025 season schedule promises a breathtaking journey, with each event offering its unique blend of history, competition, and excitement. Whether you're a die-hard enthusiast or a casual spectator, Road America has something extraordinary in store for you. Mark your calendars as the roar of engines and the thrill of racing await you at America's National Park of Speed. Event tickets, camping, and more are now available at www.roadamerica.com

Road America's season pass is the most affordable way to attend all the events, with **over 50 days of action**. The season pass is available at an advance price of only \$575 until December 31, 2024. From January 1 through June 1, 2025, the price is \$660. Each season pass provides admission, special events, and incentives for club events—details are available at www.roadamerica.com/season-pass.

Lakeshore College Students Receive Record Amount In Scholarships

Nearly \$300,000 in scholarships was awarded by the Lakeshore College Foundation to 273 students for the fall semester. This includes a record number of 54 scholarships covering full tuition and fees. A total of 360 scholarships were awarded.

“We are excited to announce that 50% of Lakeshore College students who applied for fall scholarships received at least one scholarship,” said Vice President of Institutional Advancement Kristy Liphart, who oversees the Lakeshore Foundation. “We anticipate awarding another \$200,000 for the spring semester, so encourage students to apply now.”

According to Liphart, the record value of awards resulted from donors daily seeing the impact of a Lakeshore College education and choosing to support the college’s efforts. Scholarships supported students seeking degrees to become nurses, auto maintenance technicians, software developers, dental assistants, police officers, welders, and many other professions Liphart notes are valued by the local community.

Current Lakeshore students can apply for spring semester Lakeshore College Foundation scholarships through the

AwardSpring app on their MyLakeshore dashboard. The deadline to apply is Nov. 15.

ABOUT LAKESHORE COLLEGE

Lakeshore College, formerly known as Lakeshore Technical College, is a comprehensive community and technical college educating more than

9,000 students annually. Students enroll at Lakeshore to master real-world, employable career skills and start their pursuit of a bachelor’s degree. Lakeshore faculty and staff are focused on providing each student an individualized learning experience.

Lakeshore College is a nationally recognized two-year college. The college was ranked #2 in the nation by Washington Monthly, #17 in the nation by Forbes, #20 in the nation by WalletHub.com, a top-150 two-year college by the Aspen Institute, a 2024 Bellwether Award winner, and named the 2021 Large Business/Industry of the Year by the Chamber of Manitowoc County.

FOUNDATION

Approximately 800 students graduate from Lakeshore each year, and associate degree graduates report earning a median salary of \$55,698 within six months of graduating. In addition to the Cleveland campus, Lakeshore educates students at learning campuses in downtown Manitowoc and downtown Sheboygan. Classes are also offered at additional sites throughout the district. Visit Lakeshore at gotoltc.edu.

Bring Joy and Hope to Local Families This Holiday Season

The holidays are a time for giving, and this year, you can make a real difference in the lives of local families by donating to ElkhartCares. As a trusted local non-profit, ElkhartCares provides vital support to those in need right here in our community.

- Provide warm winter clothing for children and families, including scarves, boots, coats, and mittens.
- Assist with utility bills to ease the burden of rising heating costs.
- Ensure every child feels the magic of the season with holiday gifts.
- Offer financial support for holiday meals for struggling families.
- Support children and families in our local school district with their unique needs, both in the classroom and at home.

Be Part of the Holiday Spirit!

Your contribution also supports special holiday events. Your generosity also helps fund cherished community events, like our annual Christmas in the Square, where Santa gifts hundreds of presents to local children beneath the Elkhart Lake Train Depot.

'Tis the season of giving

“With Santa’s help, ElkhartCares brings the magic of the season to life by offering hundreds of gifts to children at the Elkhart Lake Train Depot during the community Christmas in the Square event.”

Make an Impact Today!

Whether you’re donating as a family or through your business, your contribution will have a lasting effect on local families and children in need.

Donate now to help bring warmth, joy, and hope to our community this holiday season.

- Visit www.ElkhartCares.org/donate to give online.
- Or mail donations to P.O. Box 537, Elkhart Lake, WI 53020.

Questions about corporate or personal donations can be directed to info@elkhartcares.org or (920) 226-0903.

Together, let’s make the holidays magical for all.

PAC 29th Annual Holiday Membership Open House Social & Member's Exhibit

The Plymouth Arts Center's Holiday Membership Exhibition will be on display beginning Friday, November 22nd, however, be sure to mark your calendar for the festive holiday open house reception which will be held two weeks later on Friday, December 6th from 5pm to 7:30pm with an awards ceremony at 6pm. The reception is free and open to the public. Enjoy live musical entertainment by the Malone/Sucherman Duo performing A CHARLIE BROWN CHRISTMAS plus other holiday favorites. Complimentary appetizers and desserts will be served along with a cash bar. The show runs through Friday, January 10th, 2025.

Artist Bonnita Budysz is the judge for this year's Membership Exhibition. The following awards will be presented at the opening reception: Best of Show, First through Third Place and Merit Awards. We also honor the memory of our dear friend of the Arts, Robert Heuel, with the presentation of the Robert Heuel, O.P.A. (Oil Painters of America,) Award to an artist who

displays exceptional skill in his/her chosen path.

About the Judge: Bonnita's highly acclaimed, internationally awarded paintings are widely exhibited and sought after by private and corporate collectors, fine galleries, and museums alike and consistently garner prestigious awards at the American Impressionist Society, Oil Painters of America, and the Pastel Society of the West Coast. International Artist Magazine, American Artist, Art of the West, Plein Air Magazine, and Wisconsin Trails chose to showcase her work and inspired way of going. As founder of the ecologically sensitive plein air painting group Water's Edge Artists,

and with the launch of the Water Dance Project, she continues to champion conservation issues. She shares her love of art by conducting popular workshops; by exhibiting locally, nationally and internationally, and by demonstrating and lecturing at prestigious learning institutions worldwide.

Presenting sponsors for the Holiday Membership Show are: Sargento, Franz Backus, and the Paul Sartori Memorial Fund.

Gallery 110 North is located in the Plymouth Arts Center, 520 E. Mill Street, downtown Plymouth, Wisconsin. Regular gallery hours are Tuesday-Friday 10AM to 4PM and Saturday and Sunday, 1-3PM. Chesters Challenge Winners Announced

The Chesters Challenge saw 35 students in Culinary Arts 1 & 3 enter creative new sandwiches for consideration to be temporarily added to the Chester's menu. Richard Sadiq, the owner of Chesters, came in and tasted them and chose 2 sandwiches to try out at the restaurant. For one week people could order the sandwiches as part of the daily specials. Over 250 sandwiches were sold over the week and they were within 2 sandwiches of each other right up until the last day, where the hot honey patty melt edged out the spicy chicken deluxe sandwich by just 24 orders! The winning team members were: Marvin Guzar, Margo Howard & Zander Lulloff. The competition was a great way to give real world experience in marketing, menu creation, costing, as well as working on their culinary skills. The students loved the friendly competition. It was a win win situation for the students and Chesters! We hope to do more challenges in the future!

FRIENDS OF THE ELKHART LAKE PUBLIC LIBRARY NEWS**"Lights of Love"**

The 2024 holiday season brings with it the 25th annual "Lights of Love" program, a unique opportunity to financially support our much-loved community library. Funds from last year's campaign supported the **Summer Reading Program, 4 of the 5 summer performances, WIFI Hot Spots, and Experience Passes.**

The lights on the holiday tree are lit by the donations made through the "Lights of Love" program. Each **light** reflects a **memory** of someone or **honors** a special person. Please consider joining our efforts to support the ongoing and new projects of the library. Your generous gift will set our tree ablaze with the holiday spirit and is tax deductible. Forms will be available at the library after Thanksgiving or you may send checks to "Lights of Love", P.O. Box 432, Elkhart Lake, WI 53020. Please designate if your gift is given in honor of someone (and name them) or in memory of someone (again, please name them).

Plymouth Arts Center Singers Present: "Colors of Christmas" Concert

The Plymouth Arts Center Singers, under the direction of Barbara Zirwes-Nysse, with accompaniment by Tom Armstrong and Jodi Voss, will be presenting their annual Christmas Concert, "Colors of Christmas." Two performances will be presented at the Plymouth Arts Center on Saturday, December 7th at 7:30pm and Sunday, December 8th, 2024 at 2:30 PM. This production is generously sponsored by Sargento and the

Paul Sartori Memorial Fund. The PAC Singers are a group of 45+ volunteers who enjoy sharing their talent with the community. They are excited to perform their program of holiday favorites for audiences of all ages. "Colors of Christmas" will feature nostalgic and colorful holiday songs, including favorite Christmas Carols, Popular Christmas hits, novelty numbers, and beautiful heart-warming tunes we've all come to love.

MEET THE DIRECTOR: BARB ZIRWES-NYSSE

Barb has been a resident of Plymouth since 1978. She has spent the majority of her time teaching vocal and general music in private and public schools in Sheboygan County. Prior to directing the PAC Singers, she sang with the choir for many years. Her motto is, "When you sing, you

share your soul!"

CHAMBER SPOTLIGHT

A Wisconsin Historic Site. Located in Greenbush, WI, The Wade House showcases the horse-powered world that existed before planes, cars, and railroads. Explore the golden era of the carriage through their stagecoach inn and historic structures, a state-of-the-art modern museum, and Wisconsin's largest collections of carriages and wagons. Visiting The Wade House historic site takes you on a journey through Wisconsin's past with tours of the Wade House Stagecoach Inn, stops at the blacksmith shop & sawmill, and the exhibits of the Wesley W. Jung Carriage Museum & Visitor Center. This historic site is named for the inn built by the first European settlers of the town, Sylvanus and Betsey Wade.

This stately stagecoach inn offers a fascinating glimpse into the long-ago era of horse-drawn travel, but it's far from the only reason to hop in the car and venture to this historic site in the scenic northern Kettle Moraine. The beautifully preserved inn is just one of many interactive attractions exploring pioneer life in the 1800s that you will find on the site's 280 acres.

Congratulations 2024 Distinguished Alumni

Photo by LesTension Photo

L-R Athletic Director and Matt's H.S. golf coach Bart Larson and Matt Majkrzak.

Elkhart Lake-Glenbeulah Schools, on 10/17, held an induction ceremony to its Distinguished Alumni Club for Matt Majkrzak, a 2008 alumnus. He is the head basketball coach at the Northern Michigan University and has been since 2019 when he was hired as the youngest D1-D2 head coach in the country. His teams have done very well and recently played Michigan State where the jersey of legendary head coach Tom Izzo was retired. The game was broadcast on the Big Ten Network.

Attached you will find a .pdf of coach Majkrzak's bio and two photos from today's ceremony where he spoke to the stu-

dent body and reminded them that even though they might not be the best student/athlete (he stressed his own mediocrity) it's important to find something that you are passionate about and do all that you can to seek opportunities to fulfill that dream. Unlike most D1-D2 coaches, Majkrzak never played college basketball.... but he persevered in his desire to coach and started as an assistant, proved himself and worked his way to where he is now. After the Michigan State game, Tom Izzo remarked that Matt is an excellent coach. His speech was very well received by the student body.
