Salome's Stars

ARIES (March 21 to April 19) A rejection of your attempt to be friendly leaves you with two choices: Try again or give up. If you want to make another effort, go slowly. Let things develop without pressure.

TAURUS (April 20 to May 20) It could be a problem dealing with unfamiliar people who do things differently from what you're used to. But rely on your strong sense of purpose to get you through this difficult period.

GEMINI (May 21 to June 20) To avoid neglecting a personal matter because of a demanding new workplace schedule, start prioritizing immediately. Knowing how to apportion your time takes a little while to set up.

CANCER (June 21 to July 22) It won't be easy to avoid some of the pressures that come with change. Best advice: Take things a step at a time, and you'll be less likely to trip up when things are in a chaotic state.

LEO (July 23 to August 22) A much-talked-about workplace change could be coming up soon. Be sure to get all the details involved in the process, and once you have them, you can decide how you want to deal with it.

VIRGO (August 23 to September 22) You might still believe that your trust was betrayed, although the facts would appear to prove the opposite. But by the week's end, you should learn something that will help set the record straight.

LIBRA (September 23 to October 22) Holiday plans could be a chal-

lenge because of shifting circumstances. But a more settled period starts by midweek, allowing you to firm up your plan-making once and for all.

SCORPIO (October 23 to November 21) The facts continue to be on your side. So, make use of them when dealing with any challenge to your stated position. Also, open your mind to an offer of help from an unlikely source.

SAGITTARIUS (November 22 to December 21) There still could be a communication problem holding up the resolution of a troublesome situation. Stay with it, and eventually, your message will get through and be understood.

CAPRICORN (December 22 to January 19) A possible change in your workplace schedule might create a chaotic situation for a while. But once things begin to settle down, you might find that this could work to your advantage.

AQUARIUS (January 20 to February 18) A recent job-linked decision might need to be reassessed because of the possibility of finding benefits that you might have overlooked. Check out all related data to help in the search.

PISCES (February 19 to March 20) A personal situation you agreed to might not be as acceptable to the other person who is involved in the matter. Avoid pressuring and bullying. Instead, seek common ground by talking things through.

BORN THIS WEEK: You have a gift for touching people's minds as well as their hearts. You would be an outstanding educator.

KOVELS Antiques & Collecting
By Terry and Kim Kovel

Turkey Platter

With a colorful image of a majestic turkey, this platter is ready for Thanksgiving. Despite the all-American bird (Benjamin Franklin famously praised the turkey as "a true original Native of America" and "a Bird of Courage," although, contrary to popular belief, he did not suggest it as a national symbol), it was made in England, marked for Copeland Spode.

This mark came into use about 1833, when William Copeland purchased the Spode pottery firm in Stoke-on-Trent. By this time, turkeys were known in England, but, being an exotic foreign animal, they were limited to the tables of the wealthy.

This platter, which sold for \$352 at a Nye & Co. auction, was probably made later. Copeland made a series of plates with game birds in the 20th century, intended as accent pieces for an earlier pattern. About the same time, they made multicolor versions of earlier patterns that were originally made as single-color transfers.

Q: I would like to know if wooden dice and marbles are of interest to anyone. Also, small guns, a rifle that actually opens up, old watch face, old compass, etc. I believe they are all from my grandmother who has been dead for almost 50 years and died in her 70s. Items are more than likely in excess of 100 years old.

A: There is plenty of interest in items like yours! If the guns you mentioned are real, not toys, check your local and state laws if you intend to sell them. The safest way to sell guns is through a reputable dealer. General antiques dealers will be interested in the rest of your collection. Antique toy and doll shows are usually the best places to sell old toys. There are many regional shows throughout the country. A collector's club can help you find one near you.

TIP: Silver and gold trim will wash

Happy Thanksgiving! With this platter, you'll have a turkey on your table no matter what you're serving.

off dishes in time. Do not unload from the dishwasher any dishes with metallic trim until they have completely cooled.

Al Pacino (Upcoming in Johnny Depp's "Modi")

ington. *** The Dolby Theater, home of the Oscars award ceremony, has a new landlord: Jebb Hollywood Entertainment. The investment group also owns the TCL Chinese Theater, whose forecourt is famed for the footprints of legendary Hollywood superstars (a huge Hollywood tourist attraction), as well as the Yamashiro Restaurant. They evicted Dolby for a mere \$50 million! ***

Hugh Jackman is teaming up with **Kate Hudson** for the musical-drama "Song Sung Blue" as two down-to-earth musicians who form a Neil Diamond tribute band. **Michael Imperoli** ("The Sopranos"), **Fisher Stevens** and **Jim Belushi** co-star. Hudson's recent screen appearance was in the comedy-horror film "Shell," with **Elisabeth Moss**. Meanwhile, Jackman's "Deadpool & Wolverine" grossed \$1.337 billion. Small wonder that he and **Ryan Reynolds** head the list to host the upcoming Oscars on March 2, 2025. If they accidentally slip into off-color language like they did in the film, the Oscars could slip into a Song-Sung-Blue-It!

© 2024 King Features Synd., Inc.

HOLLYWOOD — What could make **Al Pacino** shoot five films back-to-back at 84 years old? In 2011, he learned that his accountant stole \$50 million of his money for a Ponzi scheme, leaving Pacino with \$0. The 1993 Best Actor Oscar winner (for "Scent of a Woman") realized that he'd have to work to cover his losses. Pacino offered, "The big paydays that I was used to just weren't coming around anymore."
 He continued, "Jack and Jill" was the first film I made after I lost my money. To be honest, I did it because I didn't have anything else. **Adam Sandler** wanted me, and they paid me a lot for it. ... I love Adam; he was wonderful to work with and has become a dear friend."
 Pacino started doing commercial ads, sold one of his two houses, and hit the college talk circuit (which he used to do for free) and paid seminars. He details a lot of this in his recently released memoir "Sonny Boy."
 His upcoming films are "Modi," Three Days on the Wing of Madness," directed by **Johnny Depp**; "In the Hand of Dante" with **Oscar Isaac**, **Jason Momoa**, **Gerard Butler**, **Gal Gadot** and **John Malkovich**; "Lear Rex" opposite **Jessica Chastain**, **Ariana DeBose**, **Rachel Brosnahan**, **Chris Messina** and **Danny Huston**; the horror film "The Ritual," with **Dan Stevens**, **Ashley Greene** and **Patricia Heaton**; and "Easy's Waltz," starring **Shania Twain** and **Vince Vaughn**.

 Prolific horror novelist **Stephen King** has **Osgood Perkins** (son of "Psycho" star **Anthony Perkins**) bringing his book "The Monkey" to big screens on February 21, 2025. Perkins recently directed **Nicolas Cage** in "Longlegs" (a \$10-million cost with \$109-million grosses).
 "The Monkey" stars **Theo James** ("The White Lotus") playing twin brothers who find their father's old toy monkey in the attic and start to see a series of gruesome deaths happen all around them. It co-stars **Elijah Wood**, **Colin O'Brien**, and "Schitt's Creek's" **Sarah Levy**.
 In addition, James is soon to be seen in the crime thriller "Fuze," with **Aaron Taylor-Johnson** and **Sam Worthington**.

FAQ about Veterans Day

Each November, millions of people recognize the service and sacrifice of military veterans on Veterans Day. Initially commemorated as Armistice Day but renamed Veterans Day in the United States in 1954, the holiday is a federal holiday throughout the country. The first Armistice Day was observed in 1919. Despite that lengthy history, the general public may still have questions about Veterans Day.

When is Veterans Day observed?

The U.S. Department of Veterans Affairs notes that Veterans Day is always observed officially on November 11, regardless of which day of the week that happens to be.

Why is November 11 so significant?

November 11 is a significant day in world history because it marks the signing of the armistice between the Allies of World War I and Germany at 5:45 a.m. on November 11, 1918. Though the formal peace treaty, the Treaty of Versailles, was not signed until 1919 and hostilities between the sides continued for hours after the armistice was signed, the day is still viewed as the end of World War I.

What distinguishes Veterans Day from Memorial Day?

The VA notes that Veterans Day honors all those individuals who served

Holiday schedule for city offices, services

The Municipal Building and all other city government offices will be closed on Monday, Nov. 11, in observance of Veterans Day. Additionally, the public library and the James F. Ingram Justice Center (courthouse) will also be closed.

However, Danville Transit will operate, and household trash and yard waste will be collected on Monday as regularly scheduled.

honorably in the military during both wartime and peacetime. Memorial Day is a day to honor and remember military personnel who died in the service of their country, particularly those who lost their lives in battle or as a result of wounds sustained in battle.

What is the significance of red poppies?

Red poppies are ubiquitous on Memorial Day, but they're also visible on Veterans Day. Though it's not taboo to wear red poppies on Veterans Day, it's a tradition that aligns more with Memorial Day. That's because the poppies are typically worn to honor fallen military personnel. A 1915 poem written by a Canadian Lieutenant Colonel named John McCrae referred to the fields of poppies growing around the graves of World War I soldiers in Flanders.

Do other countries honor their military veterans?

Many countries across the globe honor their military veterans, and many do so on November 11 as well. For example, Canadians and Australians observe Remembrance Day in honor of their nation's respective veterans on November 11. Great Britain observes Remembrance Day on the Sunday nearest to November 11.

Veterans Day is a day to honor and commemorate the brave men and women who have honorably served in the U.S. military during wartime and peacetime.

Handy Hacks to Take the Stress Out of *Holiday Hosting*

FAMILY FEATURES

Hosting is a big responsibility, especially during the holidays when the pressure is on to create a magical and memorable experience. Planning a menu and decorating for the occasion is just the start.

Hosting also means ensuring all dishes are cooked to perfection and kept warm until serving time, guests' dietary needs are considered and table conversation topics are ready. Then, of course, there's the post-dinner cleanup.

This holiday season, consider these tips to help tackle your hosting duties with grace and create an event you can enjoy, too.

Request RSVPs

Planning a party is even more complicated when you don't know how many guests you'll be entertaining. If you create a guest list and ask invitees to let you know their plans, you'll have a better idea whether you should double your favorite dishes. You'll also know who has special dietary needs and be able to plan a seating chart that puts everyone at ease. Be sure to include a date that gives guests a specific RSVP deadline and plenty of time for you to adjust your plans before the big day.

Meal Prep as Much as Possible

Get as much of the food preparation out of the way ahead of time as you can. Some dishes can be prepared and even cooked ahead of time so you're just reheating, but you can also save a lot of time by organizing ingredients for the dishes that must be prepared the day of the event. A good rule of thumb: If it doesn't have to wait until the day of the party, do it before. That frees up your time so you can handle any unexpected hiccups that arise without piling on more stress.

Simplify the Cleanup Situation

Rely on tried-and-true products that do the heavy lifting for you when it's time to clean up after the meal. An option like Finish Ultimate Dishwashing Detergent cleans dishes in tough conditions, even without pre-rinsing, so you can focus on what matters during this time of year: spending more time with your loved ones. It removes tough stains like grease and cheese, as well as common holiday dishes like apple pie and mac and cheese. An added bonus: Since you don't need to pre-rinse, you'll save up to 20 gallons of water per dishwasher load.

Create Designated Spaces

Guests are likely to arrive with items in hand that need a place to go, like coats, shoes, handbags and gifts. Avoid clutter by determining ahead of time where you want to put these items. If you have a coat closet with space, that's a good solution, but a nearby bedroom may also be an option. Especially if you're hosting a potluck meal, be sure to plan ahead for where each course should go, with appetizer bars, dessert tables and a countertop with protective pads for warm foods.

Send Guests Off with a Parting Gift

A memorable event can be made even more so when guests have a token to take with them. Send everyone home on a happy note with a simple gift like a prewrapped holiday treat. Be sure to tuck these away someplace near the door so they're a pleasant surprise you can access easily when guests begin to make their exits.

Find more ways to tackle holiday messes and make hosting duties a breeze by visiting finishdishwashing.com.

Jalapeno Cornbread Mac and Cheese

- Jalapeno Cornbread:**
- 1/2 cup butter, melted, plus additional for greasing pan
 - 1 cup medium grind cornmeal
 - 1 cup flour
 - 1 teaspoon baking powder
 - 1/2 teaspoon baking soda
 - 3/4 teaspoon salt
 - 1 cup buttermilk
 - 2 eggs
 - 1 cup corn
 - 1/2 cup chopped jalapeno (about 2 large jalapenos)

Mac and Cheese:

- 1/2 pound dry macaroni
- 2 tablespoons butter, plus additional for greasing pan
- 3 tablespoons flour
- 2 cups milk
- 2 teaspoons Dijon mustard
- 12 ounces shredded cheese
- 1/4 teaspoon salt
- pepper, to taste

To make jalapeno cornbread: Preheat oven to 400 F. Butter 8-by-8-inch baking pan.

In mixing bowl, combine cornmeal, flour, baking powder, baking soda and salt.

In another bowl, whisk buttermilk, eggs, 1/2 cup melted butter, corn and jalapeno.

Add half the liquid ingredients to dry mixture, stirring just until

blended. Add rest of liquid and stir until just blended. Pour batter into prepared pan and bake 30-35 minutes, or until knife inserted in center comes out clean. Set aside to cool.

To make mac and cheese: Bring large pot of water to boil. Add macaroni and cook according to package directions. Drain under cold water and set aside.

Preheat oven to 350 F. Butter 9-by-9-inch square baking dish.

In heavy saucepan, melt 2 tablespoons butter. Add flour and whisk over low heat 3-5 minutes, making sure not to brown.

Whisk in milk and cook over medium heat, whisking often until mixture thickens, about 5 minutes.

Stir in mustard and cheese. Add salt and pepper, to taste. Add macaroni and stir until noodles are coated with cheese mixture. Pour mixture into prepared pan. Use back of spoon or spatula to even out mixture in pan.

Bake 25 minutes until mixture is bubbly.

Remove from oven, turn oven to broil and place rack on second from top. Break up about 1/3-1/2 of the cornbread into small pieces; place even layer of broken-up cornbread over top of mac and cheese. Put mac and cheese under broiler until lightly browned. Serve immediately with remaining cornbread or make ahead and warm before serving.

Tip: For spicier cornbread, keep some jalapeno seeds intact.

POST-PARTY CLEANING TIPS

1. Don't be afraid to ask for help, especially from your partner or children.
2. Prep your table the night before. Get sparkling dishes and glassware by using a product such as Finish Jet-Dry Rinse Aid, which assists in drying and helping your dishes shine when used in the rinse cycle.
3. Start by collecting trash and clutter. Throw trash away and create piles of items that need returned to their proper places. Remember that taking a few extra minutes to organize things like seasonal decor as you go can help make next year's event easier.
4. Complete each job before moving to the next. Some prefer to tackle a room at a time while others prefer to finish a specific chore, like sweeping the floors throughout the house, before moving on.

5. Be realistic about what must be done before you sleep. Some tasks really do need immediate attention, like collecting and emptying glasses that could be spilled and safely storing leftover food. The rest can likely wait until after you get some rest.

SENIOR NEWS LINE

by Matilda Charles

What shall we do with the extra \$50?

Social Security payments are going up 2.5% starting in January, which comes to an average \$50 increase for the 72 million recipients. That's less than the increase for 2024, and the previous year, and the previous year.

Your 2025 statement detailing your specific amount should arrive in the mail in early December. Read it to be sure you don't spot any mistakes.

Medicare cost is getting a bump, from \$174 to \$185. (Keep an eye out for your annual booklet "Medicare & You" to come in the mail.) Remember: Upon reaching age 65, you still need to sign up for Medicare within 3 months of your birthday.

Social Security fraud is still a big problem. If you suspect someone has tried to scam you, call the Inspector General's Fraud Hotline at 800-269-0271 and report it.

If you're scrambling and watching your savings dwindle because of the rising cost of, well, everything and you know that the Social Security increase won't make a dent, give your finances a good hard look.

Some ideas: Put off buying a new winter coat for one more year. Buy food in bulk and split with a friend or neighbor. Look for community rabies/distemper shot events to lower the cost of vaccines for your pet. Put clear plastic on the windows to block chilly breezes. Ask for discounts everywhere you go and shop on seniors discount days. Apply for energy, phone and internet assistance money. Consider a part-time job one day per week. If you can pay for the whole year on your auto or homeowner insurance, you might get a significant discount. Review your subscriptions and cable TV extras and see if you can delete any of them. Try out cheaper store brands. Explore GoodRx and America's Pharmacy for reduced prescription costs.

In short, look for spare dollars anywhere you can find them, because that extra \$50 isn't going to go very far.

Slow cook some spicy wings for the big game

The games garner the bulk of fans' attention when football season kicks off each year at the end of summer. While the exciting action on the gridiron is a cause for celebration among millions of football fans, the food enjoyed during game day provides much to look forward to as well.

Certain foods have become part and parcel of watching a particular sport. For example, who can attend a baseball game and resist the temptation to indulge in a hot dog? For football fans, chicken wings are the go-to game day dish. There's no shortage of ways to prepare chicken wings, but fans who like their game day grub to have a little kick can try this recipe for "Spicy Soy Chicken Wings" courtesy of Andrew Schloss's "Cooking Slow: Recipes for Slow-cooking Down and Cooking More" (Chronicle Books).

Spicy Soy Chicken Wings

Makes 4 servings

- 4 lbs. chicken wings, cut into sections at the joints, tapered wing tips trimmed and discarded
- Coarse sea salt and freshly ground black pepper
- 2/3 cup soy sauce
- 2/3 cup firmly packed dark brown sugar
- 1 teaspoon dark sesame oil
- 1/4 teaspoon cayenne pepper
- 1/8 teaspoon hot chili powder, preferably habanero
- 2 garlic cloves, minced

Combine the chicken wing pieces with a generous amount of salt and pepper in a large zippered plastic bag. Close the bag tightly and refrigerate for at least 12 hours or up to 24 hours.

Preheat the oven to 225 F. Transfer the chicken to a baking dish in a single layer without crowding.

In a small saucepan, stir together the soy sauce, brown sugar, sesame oil, cayenne, chili powder, and garlic and heat to a simmer, stirring to dissolve the sugar. Pour over the chicken. Cover the baking dish with aluminum foil and cook until the chicken is nearly falling off the bone, about 3 hours.

Raise the oven temperature to 450 F and continue baking until the chicken browns and the sauce thickens into a glaze, about 10 minutes longer.

Watch carefully near the end of the cooking time to avoid burning. Toss the wings in the sauce to coat and serve.

Variation: In a slow cooker:

Follow the recipe, cooking the chicken in a 6-quart slow cooker on high for 3 to 4 hours, instead of a baking dish in the oven. When the wings are cooked through, transfer to a bowl. Simmer the sauce with the lid of the cooker off until it thickens, about 10 minutes longer. Toss the wings in the thickened sauce and serve.

* "I have to wear my hair tied back for work. With all the ponytails, I get lots of little broken hairs that stick up all over my head when it's very dry or very humid, especially when I go from a wet, yucky outside to a dry, heated inside. I have tried lots of styling products that don't work very well. Then a co-worker suggested a fabric softener sheet. I can't believe it, but it works." -- P.G. in Michigan

* If you have an ink stain on fabric, try blotting it with hairspray. Saturate the ink spot with hairspray and blot using a clean white cloth or non-decorated paper towel. Repeat until all the ink is gone. Make sure you test on an inconspicuous area first.

* For every degree you lower your thermostat during the heating season, you generally reduce your energy costs by 3% daily. Also, turn down the temperature setting on your hot water heater.

* Here's a no-fail strategy for raking up leaves: Rake leaves into a single long line, preferably onto a sidewalk. Then turn a large garbage can on its side and sweep the leaf pile into the can, breaking to empty leaves into bags as needed. The raking goes much quicker when done in "stripes." And bagging is faster as well.

* "I have one of those big wall calendars for work. When the year is over, the kids like to cut out the months into bingo cards. They use stickers to create both the bingo cards and the puller's cards (the individual days and the different kinds of stickers). It's a fun craft that uses their brain cells, plus recycles the paper calendar." -- Y.R. in Arizona
