Frank J. Goodrich, It is with great sadness and love we announce the passing of Frank J. Goodrich on Oct. 30, 2024, at the age of 69 in Brunswick, Ohio. Frank was born to Robert M. and Arlene H. (Waterstram) Goodrich on March 1, 1955, in Buffalo, NY. The first son and grandson on both sides of the

family, Frank was someone we looked up to growing up. His sense of fun and adventure will be remembered with smiles and head shakes as Frank loved life and the people who are a part of his life. Frank grew up in Lyndonville, NY, and graduated in the class of 1973. He enjoyed playing football and baseball and hanging around his many friends. He enjoyed all kinds of music and dabbled with various instruments, including a harmonica which he played rather well. Over the years he traveled and sought out warm climates as he hated the cold. Frank did a brief stint in the Navy. He achieved his Master's in Business Administration and worked with both youth and the elderly in residential settings alongside his beloved wife Gwen. Frank is survived by his sweet wife and caretaker of 24 years and 8 months, Gwen Goodrich. His sisters, Kathleen (Dan) McGillivray of Hilton, NY, and Nola (Rick) Kresse of Lyndonville, NY. His sons, Ian (Tricia) of Batavia, NY, and Jamie of Buffalo, NY. Stepson, Christopher (Robin) of Ontario, NY, and stepdaughter, Kristin (Jason) of Brunswick, OH. He leaves his legacy of love and joy to his 13 grandchildren, 5 great-grandchildren, nephews, nieces, great-nephews, and nieces and great-great nieces and nephews. He also leaves behind aunts, uncles, and many cousins who looked up to him as a big brother. Besides his parents, Frank was pre-deceased by his fraternal and maternal grandparents. Several aunts and uncles and his stepson Todd Holzschuh (Mercy). A celebration of life will be planned in mid-May during lilac season where family and friends can gather and share dishes to pass of Frankie's favorite foods. The date, time, and location will be announced at a later date. In lieu of flowers, donations can be made to the family to assist with final expenses. Thank you to the staff at Divine Rehabilitation and Nursing at Pearlview, Brunswick, Ohio for caring for Frank and supporting Gwen during this time. Arrangements were made courtesy of Waite and Son Funeral Homes, Medina, Ohio. "I know for certain that we never lose the people we love, even to death." - Leo Buscaglia

Robert Kavanaugh, Bob passed away peacefully in his home surrounded by family and friends on Nov. 7, 2024 following a year-long private battle with cancer. He was born on May 20, 1949 in Albion, NY to the late Edward and Beatrice Kavanaugh. He graduated from Albion High School in 1967 and was

employed by Fisher Price for 5 years before creating his own business, B&B Communications, for several years. He moved to Colorado in 1981 and became the owner of Page One Wireless in Fort Collins in 1996 retiring in 2010. Bob enjoyed spending time with family, his dogs and very much enjoyed picking on his nieces and nephews. His sense of humor remained throughout his last day which was not surprising to those who knew him. Along with his wife, Brenda, he is survived by his two sisters, Kathy (Gary) Gibbs, Lynda (Jim) Vohs, nieces Liza Gibbs (her husband Kyle Schuyler), Becky Gibbs, Marie Vohs, and nephews Mike (Chelsea) Vohs, Brian Vohs, and James Vohs, all of Colorado. Funeral arrangements have been made at the Vessey Funeral Service in Fort Collins. Condolences can be shared at vesseyfuneralservice.com No services will be held per Bob's wishes. Because of his love of animals, in lieu of flowers donations can be made to bigbonescaninerescue.org/donate/ or milehighcanine.org noting in memory of Bob Kavanaugh.

Once retired Brian went back to work as a Private Investigator, because as he put it, he could not sit still. Brian was a man who loved his family dearly, especially his dogs and grand puppies, enjoyed

the outdoors, hummingbirds, and his flower gardens. He enjoyed southern rock music, fishing at the Gasport Marina, and was an avid Yankees and Buffalo Bills fan. He is survived by his wife of 25 years, Marie; his children, Brian (Heather) Waill, Jr. of Casco, ME, Lisa (Martin) Fragale of Charlotte, NC, Megan (Mikeal) Davenport and William (Jessica) Waill, both of Medina, NY and his precious Ginger (goldendoodle); eleven grandchildren, Breanna (James), Brian III, Owen, Emma, Maggie, Molly, Gavin, Gage, Alexis, Chloe (Joshua), Luke (Darriel), and several great-grandchildren, Adah, Rhys, Cameron, Kaleb, Willa and Ryanna. Burial will be private for the family. Please light a candle or share a memory of Brian at www.bogantuttlefunerals.com

Born March 16, 1939 in Hope, Rhode Island, he was a son of the late Thomas Frank Dale and Ruth (Isaacs) Dale. One of six children, Dr. Dale grew up on

a farm in Cranston, Rhode Island. It was there that his love for animals began. He went on to earn his Doctor of Veterinary Medicine from Cornell University in 1962. On February 3 that same year, he married the love of his life, the former Maryellen Pendergast. Dr. and Mrs. Dale moved to Medina in 1964. Dr. Dale founded Ridge Animal Hospital in Middleport, which he owned and operated for many years, caring for all animals, big and small, in the surrounding communities. A pillar of his community, Dr. Dale served for many years on the Medina Central School District Board of Education, serving two years as President. He also served for many years on the Orleans-Niagara BOCES Board of Education, where he was integral in establishing the Animal Science Program. Dr. Dale was a parishioner of St. John's Episcopal Church and in later years St. Peter Evangelical Lutheran Church in Medina. He was very active in the vestry of both churches. He also belonged to the Western New York Veterinary Medicine Association. In addition to his parents, he was preceded in death by his beloved wife, Maryellen Dale in 2016 and all five of his siblings. Survivors include his two sons, T. Gregory Dale of Albany and Christopher Dale of Buffalo; and several nieces and nephews. His funeral service will be held on Friday, Nov. 15 at 11AM at St. Peter Evangelical Lutheran Church, 1355 West Ave., Medina, NY 14103. Interment will follow in Mt. Pleasant Cemetery. In lieu of flowers, memorial donations would be greatly appreciated to St. Peter Evangelical Lutheran Church at the address above. Arrangements are in the care of Cooper Funeral Home, 215 W. Center St., Medina. Share memories and condolences at www.cooperfuneralhome.com

**Do you have HEEL pain
or ARCH pain?**

HEEL SPUR SYNDROME/PLANTAR FASCIITIS is a common problem among people who are active. It starts as a dull intermittent pain in the heel and progresses to a sharp persistent pain. Classically, it is worse in the morning with the first few steps, after sitting, after standing or after walking.

- Plantar fasciitis often begins with irritation and tearing of the fibrous band of tissue on the bottom of the foot, which may eventually result in the formation of a heel spur.
- Contributing factors: Flat pronated feet, high arched feet, poor shoe support, increased age, sudden weight increase, increased activity level, family tendency.
- 95% of our patients' symptoms are resolved with conservative treatment, avoiding surgical intervention.
- We also offer surgical procedures with the best post op success rates using Endoscopic Plantar Fasciotomy techniques (minimal incisions and scarring; often back in a shoe in 1 week).

Refill with Randy

by Randy LeBaron

Good morning! Grab your favorite cup. Fill it up. And let's start this week right TOGETHER!!!

Today I would like to talk about an integral part of any service-oriented organization and will use the Hands 4 Hope Street Ministry as an example. Previously I have shared about how H4H launched almost 9 yrs. ago under the leadership of John "Jack" Burris & Kevin Lemcke (my only contribution was the name ☺), I have discussed it's mission to be a beacon of hope in our community by going where the need is and offering people food, clothing, and prayer, and I have told you the testimonies of those who have received help over the years. This time however I would like to shine the light on those who are so vital to the sustainability and long-term success of H4H—the volunteers.

To say that H4H would not exist without volunteers is an understatement. We all know that volunteers are the lifeblood of any good mission organization, but I would argue

even more so in this case because week in and week out every single task is done by volunteers. From purchasing and putting together food shares, sorting and boxing up clothes, loading up the van, setting up all of the tables and benches at each location, manning the prayer table, handing out tickets, assisting anyone who needs help carrying their bags, and so on, volunteers get it done. Some are regulars who are there almost every week and others are committed to certain locations, but everyone works together to offer hope and to show the love of Christ through tangible, practical means. Is it rewarding? Yes. But is it also draining at times and it would be impossible to accomplish any of

it without the many volunteers who commit to coming out anywhere from 1-4 times each month, who help with fundraising and other special events like the recent Red Jacket Rally, and who are not only willing to give up their Saturday mornings but also some holidays. Since people rely on H4H to keep their schedule of stops each month we have worked hard to always be where and when we say that we will be, that has meant having to get creative during the Covid quarantine and, a few years ago, showing up on both Christmas morning and New Year's. FYI - it was so worth it!

I know that H4H is certainly not the only organization that relies on others willing to donate their time and talents to serve others, shout out to Orleans Koinonia Kitchen in their effort to provide food and fellowship every Thursday including the upcoming Thanksgiving holiday, but it is one which I have personally participated in for a long time. It was for this reason that I had initially wanted to interview several of the long-term volunteers, but I soon realized just how long that list was and how many might inadvertently be left off. Instead, I decided to focus on a couple who are newer to the ministry but who have found passion and purpose in learning to serve others.

I first met Matt Caldwell and Rebecca Ugorek when they showed up at my church, New Hope Community in Medina, a little over a year ago. At that time Matt was a self-proclaimed atheist who had felt led to check out this church which was literally in his backyard. Well, a lot has changed since then and even in the past couple of months both Matt and Rebecca were baptized and became members. One of the many reasons leading to this life change and spiritual growth was becoming involved with H4H. New Hope Community (First Baptist Church of Medina until recently) had made a decision to be outward focused and to find ways

to serve the community and support area missions. One of those was H4H and it was decided that in addition to promoting the ministry and collecting donations that we would commit to having church members serve at the Medina location (across from The MAAC Depot) every first Saturday of the month.

Along with several others Matt and Rebecca showed up and started right in helping out in any way necessary, that was when they started to feel God calling them to more. In Matt's own words, after sensing that they should plan to serve at all four locations each month, he said, "I think for both of us it was because we had both been through seasons in our lives that we could have used what H4H offers, so now being able to help others out

of the bad places, which we knew intimately, feels good and right. The praying came later, and I didn't think I was capable (I still don't lol), but when asked to do it by Jack, I said I would try. I didn't know what I was doing, but God does, and I could feel him moving through me and using me. I was an infant in my faith at the time, but I was willing to try. The experience strengthened our faith because every week we showed up and God used us. He kind of nudged Becca to take charge of set up, organization, and helping people on the line while he continues to put me in a position to listen to hurting people and pray with them from a place of understanding, having been on some of their roads.

I went from never praying to praying for others because coming to know God taught me humility. Reading his word and discussing it with others and

beginning to live his word. Our God has listened to our cries for thousands of years despite how often we get it wrong and sometimes outright deny him as I did for most of my life. Still he is faithful and loves us. Our God is almighty, but at the same time humble because he forgives and loves us without limit. C.S. Lewis once said "Humility is not thinking less of yourself, it's thinking of yourself less.". Changing the position of the word "less" in that statement is such a profound shift in perspective. It's also very similar to something Jesus himself said. 'Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind. This is the first and great commandment. And the second is like unto it, Thou shalt love thy neighbour as thyself' (Matt 22:37-39) I didn't pray with others before I knew God because I did not know these things, but now that I know these things to be true in my heart I can't comprehend how I could listen to God's example and not do for others as my Lord has done for me."

If you would like to join Matt, Becca, or the many other volunteers feel free to show up at any of the following locations on Saturday mornings from 10:30am-Noon (1st - Medina at corner of Starr & Orient, 2nd Holley Square, 3rd - Albion Hoag Library, 4th Albion Lydun Dr. Extension).

See you in two weeks!

Pastor Randy

Shop smart for vintage signs

Decorating with vintage pieces can add an eclectic flair that sets your home apart from others. Instead of the cookie-cutter designs mass-produced for home centers and department stores, antique decor can be interesting, eye-catching and, depending on where you shop, more affordable.

One growing trend in decorating with antiques is the use of vintage signs as artwork or even to serve as cabinet doors or headboards. Vintage signs lend well to kitchens and bathrooms but can be used throughout a home as well. Few things can compare to the drama, color and unique typography provided by antique signs. And they can be used with cottage decor or even in more contemporary homes.

Those shopping for vintage signs may have noticed that the increase in demand for such signage has led to an increase in price. However, there are still bargains to be had with regard to vintage signs.

Savvy shoppers often begin their quests for vintage signs at estate and garage sales. Many times people stash away old belongings in attics and basements, unaware that vintage items are highly valuable to others. Shoppers can find great deals on vintage signs at estate and garage sales. Bargains also can be found at store closings and liquidations. You may even be able to purchase the actual sign from the shuttered store.

Online auctions are another place to search for vintage signs. Buyers can bid on signs offered at auction and have many options to choose from. Keep in mind that you may pay more for the convenience of online auctions, and other shoppers can quickly drive up auction prices.

Antique shops are another venue for antique signs and coordinating pieces. Some sellers specialize in vintage signage. Antique stores are popular in many tourist towns and major cities, where more artistic neighborhoods tend to include one or more antique shops. If a particular antique store does not have what you are looking for, they may be able to secure certain pieces you desire from other vendors.

Shoppers looking for antique signs also can purchase reproductions. There are many retailers that produce very good likenesses that may be considerably more affordable than the originals. You also can commission an artist to reproduce signage that fits with your design plans. Some research online or a query of artists in your community may yield prospects who can produce the sign you covet.

Decorating with vintage signs and other artwork becomes much easier when you know where to start your search for materials. Scouring sales, antique stores and even online auctions can generally produce a bevy of options.
