TAWANNA'S BUSINESS ADVENTURES

Tumbleweed Smith

"To keep my mind going I have to be doing stuff," says Tawanna Fields of Dallas, "because I don't like to be bored." She learned how to cook while taking home economics courses at Amarillo High School. "I didn't go to college. I moved to Dallas at 18 years old right out of high school, moved in with a cousin and started my first company."

Tumbleweed Smith

She had \$200 she had saved while working at Braum's in Amarillo. In Dallas she went to Sam's and bought \$150 worth of food essentials and started preparing plate lunches of chicken tetrazzini, green beans, corn, a piece of chocolate cake and a roll that she tried to sell at car dealerships for \$7. "They said no every time I went in. On about the 5th try, the manager of a car dealership bought a plate of food and so did a policewoman customer. They both raved about the food. Then the policewoman asked Tawanna if she could cook for 250 people. Tawanna said yes. That was the start of TAWANNA'S KREATIONS 'N MORE CATERING. Then she started selling barbeque.

"I was everywhere," she says. "Beauty shops, barber shops, parking lots nightclubs at night, I was making 4 or 5 thousand dollars a day. Then I started really diversifying." She started a house cleaning business, had a bunch of vending machines, a couple of restaurants, had 11 dump trucks to help out at disasters all over the south. Then a man told her he would give her \$5000 to haul something to Oklahoma City. "I found out it was a very long light pole. So I ended up buying a seven dually trucks and seven forty feet long gooseneck trailers and we started hauling freight to 48 states."

Tawanna had a fleet of Amazon trucks delivering goods all over East Texas. She owns BLACK DIAMOND TRANSPORTATION that takes celebrities all over Dallas and beyond.

"I have 24 black Suburbans, 2 Cadillac Escalades, 3 Mercedes Sprinter vans and 1 party bus."

She wrote a book and gives entrepreneurial brunches. "I tell people how to start a business or take their business to the next level. Then I give them my resources that have made me successful. I have these at the first of the year every year."

One thing that got her on the road to success was while she was working at Braum's. She worked there all 4 years she was in high school, had keys to the store and was the store leader, opening and closing the business every day. She worked even on her days off. She got a raise but it was an increase of only pennies per hour. That's when she decided she didn't want to work for anyone else. She wanted to be her own boss, work when she wanted and make as much money as she could. She cried and prayed all the way during the long drive from Amarillo to Dallas.

WEST OAKS FUNERAL HOME

Roberta Winona Newsome

Roberta Winona Newsome, age 98, passed away on Saturday, December 14, 2024 at her residence with her loving family around her. Roberta was born on February 8, 1926 in Hopkins County, the daughter of Martin Jones and Effie Stephenson Jones. Roberta was a homemaker who loved taking care of her family.

She is survived by one son, William Penson and wife Jeanie of Sulphur Springs, daughter, Sarah Dunn and husband Marshall of Sulphur Springs, one brother, William Gene Jones, 8 grandchildren, along with numerous great grandchildren, great great grandchildren, nieces, nephews and a host of friends. She was preceded in death by her husband Carl Newsome, sons, Gordon "Butch" Penson, and David Penson, 5 sisters and 2 brothers. A private graveside service will be held at Shooks Chapel Cemetery with Bro. Jim Moore Officiating. Arrangements are under the direction of West Oaks Funeral Home. www.westoaksfuneralhome.com

James Jones

James Jones loved jazz, reading the Wall Street Journal, chocolate, Arkansas, his dog named DOG, and walking. He was known on the east side of town for walking around the health department building on College Street while he read his newspaper. He was shy and was uncomfortable as the center of attention, but he was always willing to help others whether it be putting up Christmas lights on the buildings on the square, working for several years as the sound/lights tech for the civic center, putting out Christmas wreaths at City Cemetery, building floats, and helping family members with any projects in which they were involved. No one ever asked IF he wanted to help; it was just assumed that he would be there.

James was an active member of the local American Legion serving at various times as Commander, Vice Commander, and currently as treasurer. In the past he was a member of the Hopkins County Regional Civic Center Board and could cook a mean hamburger.

Additionally, he worked with Sulphur Bluff Scholarship Foundation. He was a member of Sulphur Bluff Methodist Church. As a

youngster he belonged to his local Boy Scout troop, earning the Life and Order of the Arrow levels.

James was born August 16-17, 1936, Henderson, TX, to Frank H. Jones and Della Justiss Jones. The confusion as to the exact day was because one date was on the birth certificate and Miss Della claimed the other date. He always accepted Miss Della's version .

Because his dad worked in the oil business, they often moved, and the family wound up in the oil field at Sulphur Bluff where James and his sister Barbara Ann grew up. That community, and school, and his amazing parents molded my Jim and his sister into superior citizens. James graduated from Sulphur Bluff High School and from ETSTC with a BS degree in Industrial Design. Shortly thereafter, he was drafted and served his country for 2 + years in the Army.

James is survived by his wife Annada Elliott Jones: (They would have celebrated 48 years on December 17); niece Nancy Smith, of New Mexico, and special cousins, Gary Harrell(Lynn), Mary Pierce (Ed) of El Dorado, Arkansas, and cousin by marriage, Jimmy Gilbert (Susie), Darrell Baxter. Kim Baxter and David Baxter, Trey Elliott, and Joel Elliott.: Those relatives who paved the way for James are Frank and Della Jones, sister Barbara Ann Jones Smith, niece Kathleen Smith Sartin. A Gathering in James' memory will be held at a later date.

Arrangements are under the direction of West Oaks Funeral Home. www.westoaksfuneralhome.com

BUSINESS SERVICES

The business services industry is a very broad industry encompassing many different categories of business operations; all of them provide some sort of financial service to other companies. These services include advertising, marketing, consulting, litigation (including travel and facilities services), waste handling, staffing services, shipping, administration, and security services to name a few. Nearly every business in operation has need for at least one of the different kinds of service offered by the industry. Marketing companies are responsible for increasing the sales of a client company by helping the company gain new customers as well as keep current ones. Legal services are needed to deal with business transactions, as well as for litigation purposes. Logistics and shipping companies are responsible for connecting businesses to other businesses or consumers by collecting, storing, transporting, and delivering products. Staffing companies match people in need of jobs, temporary or permanent, with companies in need of qualified employees. Leasing companies fill a client's need for certain items without requiring full purchase. Security companies are responsible for keeping a company's assets secure. Consulting companies are in the business of filling needs for expertise that clients cannot fulfill themselves. These companies may offer professional, scientific, or technical consulting, management or energy consulting, or human resources consulting.
