Long Lake Conservation Center unveils camp schedule

New family camp and classic adventures await you at Long Lake Conservation Center. LLCC is an accredited Environmental Education school, operating as an enterprise of Aitkin County. Opened in 1963, LLCC sits on a lake in the middle of 760 acres with miles of hiking trails, ski trails, a dog boardwalk, geocaches, and more. Long Lake's mission is to inspire a deep appreciation of nature, promote wise use of our natural resources and foster a lifelong stewardship of the environment.

Are winter's long nights getting you down? Focus on longer sunnier days and get ready for an exciting summer

of exploration, learning, and outdoor fun at Long Lake Conservation Center. LLCC has just announced

its expanded 2025 summer camp schedule. The new lineup includes a variety of camps for all ages—highlighted by the addition of the Outdoor Explorers FAMILY Camp, a unique experience designed to bring families together in the great outdoors.

Starting January 1, 2025, families and individuals can sign up for one of the six camps being offered throughout the summer. The full schedule provides nearly every week of summer filled with adventure, learning, and hands-on activities.

Outdoor Explorers FAMILY Camp: a new adventure for all ages

This exciting new camp, running from June 8-11, invites entire families to step away from the hustle and bustle of daily life and immerse themselves in nature together. Whether it's bonding around a campfire, taking a scenic phenology hike, exploring bogs, or simply enjoying classic outdoor recreation activities, this camp is designed to create lasting memories for everyone—young or old.

"Whether you're young or old, the memories made during summer camps last a lifetime," said Beth Haasken, Long Lake's Education Coordinator. "We're thrilled to bring back a multi-generational camp for the first time in many years. The Outdoor Explorers FAMILY Camp will provide a perfect opportunity for families to disconnect

from technology and reconnect with each other and the natural world."

Returning favorites for young adventurers

For youth looking to dive into specific outdoor skills, Forkhorn I /Firearm Safety Training Camp will be available in three sessions: June 15-19, June 29-July 3, and July 13-17. This camp provides an important hands-on learning experience, focusing on firearm safety, responsibility, and conservation, all while fostering a sense of respect for nature.

Additionally, the Outdoor Explorers Adventure Youth Camp (running July 27-31) promises a week filled with outdoor activities to build skills in nature including wilderness meals, building survival shelters and more.

For young stargazers, Astronomy Camp (August 2-5)

MLEC Trust Board awards \$16,200

Thanks to the generosity of Mille Lacs Energy Cooperative (MLEC) members, the Mille Lacs Community Trust Board is making a big impact this holiday season by awarding \$16,200 in grants to local non-profit organizations. The board's quarterly meeting this December distributed funds raised through the Operation Round Up program, which helps support a variety of community initiatives throughout the area.

The latest round of grants went to several worthy causes, including the Aitkin Youth Bowling League, Crosby-Ironton Grad Blast, Cuyuna Range Youth Center, Depot Studios, Great River String Ensemble, Long Lake Conservation Center, McGregor Area Scholarship Foundation, McGregor Post

Prom Committee, Minnesota Historical Society / Mille Lacs Indian Museum, Nexus - Mille Lacs Family Healing, Rippleside PTO, and Riverwood Auxiliary. Each of these organizations plays a vital role in enhancing the local community, from youth programs and arts initiatives to historical preservation and family support services.

Since its inception, Operation Round Up has raised over \$1.6 million, directly benefiting the communities served by Mille Lacs Energy Cooperative. This innovative program allows MLEC members to voluntarily round up their electric bill payments to the nearest dollar, with the extra change going into the Trust Fund for local charitable grants. It's a simple yet powerful way for residents to contribute to the betterment

of their communities.

The Mille Lacs Community Trust Board, which oversees the distribution of funds, includes members Lisa Anderson, Kim Waffensmith, Mavonne Prokop, Bethany Sellers, Charles Schotzko, Becky Joerger, Bob Nelson, and Doyle Jelsing. The Board meets quarterly, with the next meeting scheduled for March 12, 2025. Applications for grants are accepted year-round, with deadlines for consideration a week before each meeting. Those interested in applying for a grant can contact Deb Chute at 218-927-8221 or 1-800-450-2191 for an application.

MLEC is a not-for-profit electric distribution cooperative, proudly serving over 13,000 members in parts of Aitkin, Crow Wing, and Mille Lacs counties.

"Busy Hands of Love" grows

What started as a small group of 4-6 members knitting and crocheting with the simple goal of giving back has blossomed into a vibrant and caring community. The "Busy Hands of Love" outreach program at Shepherd of the Lakes Lutheran Church in Garrison now boasts more than 20 members, all working together to create handmade items for those in need.

In the early days, the group supported just three charities. This year, they've expanded their reach and donated to seven local organizations, spreading warmth and kindness to people in Aitkin, Brainerd, Deerwood, and Garrison.

"We love to give to charities around Christmas time in hopes to make someone's Christmas brighter and warmer," said Cindy Kuehl, the group's leader.

This year, the group donated over 225 items, including scarves, hats, mittens, lap blankets, shawls, cowls, headbands, socks, baby blankets, baby hats, booties, and stuffed toys. Currently, these handmade items are given to seven local charities, which include Lakes Area Pregnancy Support Center (LAPS), Brainerd; Women's Shelter, Brainerd; Garrison Caregivers, Garrison; Hope House, Aitkin; Deerwood Fire Department, Deerwood; Aitkin Health Services, Aitkin and Operation Christmas, Aitkin. Each item is crafted with care and a desire to share God's love. Whether it's a cozy scarf or a warm baby blanket, every stitch is a message of support and hope for those who need it most.

The "Busy Hands of Love" group meets twice a year—during the spring and fall—at Shepherd of the Lakes Lutheran Church, located on Highway 169 in Garrison. The spring session runs every Thursday from March through May, while the fall session meets every Thursday from September until the week before Thanksgiving.

For those who can't make it on Thursdays, but still want to contribute, the group welcomes donations of handmade items or yarn.

For those new to knitting or crocheting, the group is always happy to teach and share their skills. If you're interested in joining or donating to the group, or if you have any questions, you can reach out to Cindy Kuehl at 712-840-9715.

Ruttger's Resort hosts mitten tree

This winter, Ruttger's Bay Lake Resort is inviting guests and community members to spread a little extra warmth by participating in their annual Mitten Tree donation drive. Now on display in the resort's main lobby, the Mitten Tree is a symbol of generosity and holiday spirit, and it's waiting for your contribution.

Whether you're a guest visiting for the weekend or a local resident passing through, the Mitten Tree is

a simple yet impactful way to give back. The resort is seeking donations of mittens, gloves, hats, scarves, and other cozy winter accessories for those in need. These items will go directly to individuals and families who are facing hardship this winter season.

The Mitten Tree will remain on display through Friday, Dec. 31, providing plenty of time to drop off donations at the resort. Each donated item is not just a piece of winter wear—it's a reminder that

small acts of kindness can make a big difference.

Whether you're in the area for a winter getaway or simply looking for a way to help, Ruttger's Mitten Tree is an easy way to contribute to those in need. A small donation can go a long way in ensuring that no one has to face the cold without the warmth they deserve.

Crow Wing County Landfill new operating hours starting January 2

Starting January 2, 2025, the Crow Wing County Landfill will be operating on new hours, offering residents a convenient and accessible way to dispose of waste. The landfill will be open Monday through Friday from 8:00 a.m. to 4:30 p.m., ensuring extended weekday access for those looking to drop off household waste, recyclables, and more.

Located at 15732 State Highway 210, just east of Brainerd, the landfill serves as an essential resource for residents across Crow Wing County.

What you can dispose of at the landfill

During these hours, the Crow Wing County Landfill will accept a broad range of items for disposal, including:

- Household garbage
- Mattresses and furniture
- Recyclables (such as cardboard, paper, plastic, and glass)
- And more

When visiting, customers are required to stop at the landfill office to speak with the attendant. The attendant will guide residents to the

correct drop-off areas, collect any applicable fees, and ensure that all waste is disposed of properly.

Important reminder: covered loads required

To help ensure the landfill remains safe and clean, all loads must be covered. Any uncovered loads will incur an additional fee, so it's important to take the time to secure your waste before heading to the landfill.

Free recycling at the crow wing recycling center

Residents can also take advantage of free recycling services at the Crow Wing Recycling Center, located at the landfill. The following items can be recycled or properly disposed of at no cost:

Household Hazardous Waste

- Lead-acid car and marine batteries (keep batteries separate from other waste)
- Used oil, oil filters, and antifreeze (available at several drop-off locations around the county)
- Residential recycling (cardboard, paper, plastics, glass)

Items Requiring a Fee

For certain materials, a

nominal fee will apply. These items include:

- Demolition materials
 - Large appliances
 - Fluorescent bulbs
 - Tires (with or without rims)
 - Scrap metal
 - Mattresses
 - Electronics
- For the complete list of

fees, please visit the Crow Wing County website at www.crowwing.gov/727/ Fee-Schedule and check the fee schedule.

What's coming in summer 2025

In May 2025, the landfill will resume summer hours with expanded weekend access. On Saturdays, the

landfill will be open from 8:00 a.m. to 12:00 p.m., making it even easier for residents to handle weekend waste disposal.
