Face

BEHIND THE CARD

In 1986 Four Way Roofing was established by Gene, Brian, and Bruce Schutt.

The business was housed in Hospers for the first 22 years before it was moved in 2008 to its new shop and office located in Alton in the Industrial Park (the red and white building).

Owner and President Bruce Schutt credits his employees combined 86 years of experience for much of their success.

The business installs a variety of roofing materials, such as TPO & EPDM membranes, standing seam metal roofing, and decorative metal wall panels.

Four Way Roofing is a licensed GAF Master Contractor, a licensed Firestone Contractor, and a Carlise Licensed Contractor. They cover a 150 mile radius of customers.

So remember... A solid roof is a very important asset. Let Four Way Roofing help you cover your business or personal belongings.

Call 712-756-4391 or Bruce's cell 712-395-0839 or just email them at bruce@fourwayinc.com.
