Tributes

pg. 11

This special section includes listings of community members who were featured in the obituaries section of our newspapers between October 1, 2024 – December 31, 2024. You will find a truncated version of the notice featuring the following information, if provided: a photo, date of birth, date of passing and city of residence.

We publish this to remember those who passed and to create one more keepsake for those who remain.

If so included, please take another look at the guest book featured on our newspaper website to send another note of support to the bereaved or, if you have been affected by a death, please visit to remind yourself of the love and support around you during this difficult time. The guest book lives online in perpetuity.

We also invite you to receive daily updates of those who have passed in your email by going online and subscribing to our newspaper website.

We ask that you take the time to remember those who were lost and join us in a celebration of life. The next publication will be April 2025.
