### DID YOU KNOW?

You can request your MTA bus driver to drop you off at any location along the bus route that is not a bus stop between the hours of 10 p.m. and 5 a.m. Be sure to keep this in mind the next time you are riding on an MTA bus late at night.

### ILLEGALLY PARKED VEHICLES

We are trying our best to make headway with the never-ending saga of illegally parked passenger and commercial vehicles. If you see one or multiple, please jot down the make and model of the vehicle and kindly lodge the complaint with 311. Then, kindly call our office to give us the 311-service request number. This helps our staff and I follow-up with the 45th Precinct so that these vehicles are ticketed and hopefully towed in a timely manner. We thank you for your help and patience as we continue to tackle this issue.

### SERVICE LINE PROTECTION PROGRAM

Property owners are responsible for maintaining water and sewer lines in and outside of their property. Repairs could cost tens of thousands of dollars when issues arise. The City of New York encourages all its property owners to enroll in the American Water Resources (AWR) program. AWR protects its customers from costly repairs that are often not covered by insurance companies. When you enroll, you will pay an extra \$84.84 annually for your water line and \$143.04 annually for your sewer line through your New York City Department of Environmental Protection water bill. To enroll, simply call (888) 300-3570.
