Though it's an island, Cape May is part of a "cape," a strip of land projecting into a body of water. Settled by whalers and fishermen in colonial times, it has been the destination of vacationers since "resorting" to a different location began, making Cape May America's oldest seaside resort. Sailing the Seaside Resort of Ocean City!

with Oceanfront Rooms & Gorgeous Views

June 2-6 * Perfect Blend of Touring and Free Time!

If you love Seaside Resort Towns and the sensations that only sparkling waters & the gentle breezes of sailing can provide, you will want to join us for this VERY delightful tour we have planned for you! ~ The sun and surf of Ocean City, Maryland, has been attracting visitors since Algonquian tribes first came to the beaches to fish and sun themselves. In 1900, the wooden Boardwalk was added - (Fun Fact: Originally the boards were all taken up in the winter and stored 'til spring - Wow!). With the building of the Chesapeake Bay Bridge in the 60's, in a few short years OC became the favorite resort for visitors from all over the eastern seaboard. Today, Ocean City stretches along 10 miles of Delaware beach from the Inlet to the Delaware state line, and the Boardwalk offers nearly 3 miles of food, games and shopping. The weather this time of year is perfect, plus the crowds have not yet arrived and the water is warming up nicely - a wonderful time to visit the ocean! ~ **Look what all this scenic, care-free adventure holds:** 4 nights at the Beautiful Courtyard by Marriott Oceanfront Hotel with direct access to the beach and Boardwalk (unpack once!), and breakfast each morning * An educational Eco-Cruise on "The Explorer" around picturesque Assateague Island * Guided tour of Assateague Island's famous "Wild Ponies" - beautiful animals and great photo ops! * Dickens Dinner Theater & Show (our folks LOVE this!) * A 2nd delightful cruise highlighting the natural allure surrounding Ocean City! * Browsing in historic Berlin * The unique Discoversea Shipwreck Museum, a gem on Fenwick Island * A fun visit to Seashell City! * Wonderful Dinners at Coral Reef, The Captain's Table, and scenic Harborwatch (plus Dickens) * **A picturesque, relaxing trip that's especially fun with friends - call for some extra flyers to pass around!!** * \$1,675 p/p, double occ * \$1,455 p/p, triple occ * \$1,355 p/p, quad occ * \$2,315 single

Biltmore's Breathtaking Christmas

HOW TLC IS ADDRESSING COVID/VARIANTS FOR 2025

We are so thankful that most of our country has 'opened up' and we are back to being able to travel freely again. While rejoicing over such good news, there are still a few things we must remain aware of that are listed below. We believe these things are a very small price to pay to be "On the Road Again"! ~ Thank you for your gracious understanding and kind cooperation as we wisely embark on wonderful memory-making journeys together this year!

A. We ask that you take your own temperature before leaving home on the morning of Day One, and if you show any fever at all, please stay home. If you have additional/other symptoms that suggest Covid-19 or a variant, we ask that you please stay home. If you have been around someone with Covid-19/variant, or a highly-suspected Covid-19/variant, we ask that you please follow the CDC guidelines according to their timeline, and possibly stay home. Any of these methods are somewhat dependent on the "honor system". We trust that our upstanding TLC customers will "do the right thing" and not put anyone else at risk for contracting Covid or a variant on a TLC tour.

B. Should someone come down with Covid during or after their tour, we assume no responsibility or liability. We cannot control every minute of everyone's day, nor can we control how people handle themselves when off the coach. We have done our very best to secure accommodations and venues that state the highest sanitation protocols to the best of their ability. If on tour you should come down with Covid-19 or a variant, or strongly suspect it, you would be responsible to quarantine yourself and arrange for transportation home when appropriate. -- By traveling with us, you are agreeing that TLC Tours, LLC will not be held responsible for contracting Covid-19 or a variant, nor liable for any expenses involved in any way.

C. If you do need to cancel at the last-minute because of having covid/variant, being exposed to covid/variant, or suspecting a possible case of covid/variant, our normal cancellation policies apply, just as they would to any other last-minute illness that prevents you from go-

ing on a tour. See General Information/Refunds in this book. Without insurance, there is no refund except what we might be able to get back from individual vendors on your behalf. We highly suggest taking out either our in-house Refund Protection Policy, or another more comprehensive insurance plan of your own choosing if you would like full coverage 'for any reason'.

~~ Overall, please lovingly respect the concerns of others if they differ from yours.

Some may have health issues that cause them to be more cautious than you may feel is necessary for yourself.

- Here's the best plan: "Do Unto Others as You Would Have Others Do Unto You!" -

ON THE COACH:

1.) Every Campbell coach is disinfected on a regular basis. You can be assured that the bus picking you up has been cleaned with an environmentally-friendly solution that is EPA-approved, and not diluted or mixed at our facilities. The solution is rated on the EPA K-List that supersedes the current EPA suggestion for elimination of Corona Virus, and has no harmful properties. It has received the Green Seal certification. The solution is applied with electrostatic sprayers to increase coverage to eliminate all pathogens on hard surfaces.

2.) We have upgraded all air filters and increased the frequency that we change the air filters on the coach to reduce contamination. Our motor coaches refresh the air on the coach every five minutes, and combined with the upgraded filters, reduce stale used air in the coach.

3.) We have UV lights in our HVAC system to eliminate any airborne pathogens.

4.) Disinfecting wipes are available for Driver & Escort, and hand sanitizer is on board for your use.

5.) Should the situation regarding pandemic conditions rise during the year, we are prepared to increase the level of our procedures accordingly.

TLC Reward Card

Fill in your TLC Card and have a free \$100 to spend on future overnight travel!

Here's how it works: On your first overnight tour we'll give you a TLC Reward Card with four little squares across the bottom. Each time you take an overnight tour with us, the Escort will punch out the respective square, and when all four are complete, you can turn it in for \$100 of free travel on any overnight tour of your choice. You must get it filled within a year from the first punch, but once you do, it never expires! It is also non-transferable. Feel free to call our office anytime for more details ~ these are extremely popular, and we don't want you to miss out!

HOW TO MAKE A RESERVATION:

To reserve your seat, call the office with a credit card deposit, or stop in the office with a credit card, check or cash payment for deposit. We cannot hold a reservation without the required deposit. We will also take your name, address, phone number, and pick-up point at this time.

Or, send your deposit to our office along with your name, address, phone number – and a note as to which date and tour you are reserving. However, if you choose to mail it in, your seat/s cannot be held until we actually receive the deposit. ~ Once we receive your deposit by any of the above methods, we will send you a confirmation showing what you have paid, your remaining balance, and other pertinent information. Your final payment is due 60 days prior to departure unless otherwise stated. We do not send a 2nd invoice – it is up to you to call, or send your check, by your balance-due date. For overnight trips, we will send you a letter about a week before departure with information regarding any itinerary updates, dress code, passenger list, hotel phone numbers, etc.

Departures are arranged in the direction of travel, with last departure being the closest to the destination, for the convenience of all passengers. * We have a special TLC Tours rate at a nearby hotel in both Columbiana and Slippery Rock if you have an early pickup and would like to come stay the night before. Call for more info.

Pennsylvania Departure Points: * *We may use small shuttle buses to make these pickups and will join the tour en route at a logical transfer point. NEW! For Both Overnight and Day Trips, 2 Locations: Slippery Rock:* Campbell Bus Lines, 258 Grove City Rd; or **Butler:** Ollie's, 602 Moraine Pointe Plaza.

Seating: On all overnight tours, we use a daily seat rotation. The first day of a trip, you choose your seat when you board, and rotate from there. We feel this is fair to all. If the coach is not full, a less formal rotation may be used at the Escort's discretion. Persons traveling single or with uneven amounts in their group may need to sit with other like-travelers. We cannot guarantee that small groups will be seated together. We welcome single travelers, but the single rate does not include two seats on the coach. * *We cannot accept doctor's notes regarding requests to sit in the front seat/s. Please consider boarding at the first pickup location if your seat location is of concern. It is also recommended to see your doctor for motion sickness medication, if this should apply.*

Smoking/Drinking: We make regular stops for restrooms and for the convenience of smokers; however, we have a NO SMOKING (or vaping) policy aboard all coaches. If someone violates the non-smoking policies of places we are staying or visiting while on tour, it is the sole responsibility of that person should there be any penalties and/or fines for not adhering to their rules and regulations. Consumption of alcoholic beverages is not permitted at any time on the coach.

Transportation: All of our tours use beautiful modern, deluxe wide-body motorcoaches from Campbell Bus Lines. Campbell has received the highest possible rating with the Dept. of Transportation. The motorcoaches are equipped with air-conditioning, reclining seats, public address system, DVD player, outlets for each passenger, and emergency restrooms. Our intent is for all overnight tours to be professionally escorted. Upon occasion, in order to avoid canceling a trip with a low passenger count, our Driver may serve both positions of Driver and Escort, and are professionally trained to do so.

Age Requirement: All ages are welcome to join a TLC Tour beginning with age 5 years old and up. Because our goal is to provide a relaxing, enjoyable ride for all when on our coach, we must ask that adults plan

appropriate, quiet entertainment for their younger ones in order to not disturb the others aboard. There may be a reduction in cost for the younger children, but no guarantees, especially on Day Trips.

Lodging and Meals: Your quality lodging is included on all overnight tours. We never use second-rate hotels, restaurants, or activities on any tour, to the best of our ability to make that determination. If you need two beds in your room, please state this when making your reservation. Generally, some meals are included on overnight trips (see individual tour inclusions); however, we cannot guarantee any special dietary requirements. Most restaurants are now requiring us to order from a pre-set Group Menu. We cannot accommodate individual entrée requests other than the ones given to us by the restaurant.

Border Crossings: As of June 2009, a Passport or Passport Card is required for border crossings. Either of these travel documents may be obtained through your local courthouse. The Passport Card is limited, but is sufficient for Canadian border crossings and is good for 10 years – it is also very easy to apply for. Your Driver and/or Escort will be asking to see one of these documents before boarding the coach for trips with this requirement. We cannot be responsible if you are unable to travel due to failure on your part to obtain the proper documentation. Please begin the process early enough to ensure that you will have it in time for your tour's departure. For more information via the Internet: http://travel.state.gov/passport/ppt_card/ppt_card_3926.html

Luggage: One suitcase per person is included in the price of your tour. We ask that you are respectful of the weight. Our Drivers handle up to 54 pieces of luggage multiple times throughout a tour, and if it's too heavy for you to lift comfortably, it is too heavy for them. You are also permitted a carry-on, which is your responsibility. Additional luggage may be transported at the cost of \$10.00 per bag, per day – you must clear this with the Office ahead of time. It is wise to travel light. Luggage tags are provided and required for hotel identification, and are sent with the final letter and phone numbers of your hotels.

Medical Devices: Medical devices must be handled by you, the passenger. They are either to be stored under your seat (not protruding out into the person's space behind or in front of you), or if too large for that accommodation, they must be placed under the coach by you, and taken off at each place it's needed by you. It is not safe for a medical device to ride in an overhead compartment for multiple reasons, nor are our Drivers or hotel personnel allowed to handle it for safety and liability reasons. If it needs to ride under the coach, please have it in a quality container (as small as possible) to assure it rides safely.

Taxes and Gratuities: All taxes and gratuities for included meals and activities are included, unless otherwise mentioned by the Escort. Driver and Escort gratuities are not included in the price of your tour. The suggested rate for a "job well done" is a minimum of \$4.00-\$4.50 per person/per day for the Tour Escort, and a minimum of \$4.00-\$4.50 per person/per day for the Driver. We request that you express this on an individual basis, and let the quality of service received be your guide.

TLC Reward Cards: TLC Cards are non-transferable and non-replaceable. Please take care to keep it in a safe

place you will remember. If you decline your TLC Card punch while on tour, you cannot get it later.

Payment: All prices listed are per/person rates. On one-day tours, full payment must be made with the reservation. For overnight tours, see "How To Make A Reservation". Balance of an overnight tour is due 60 days prior to departure (unless otherwise stated/notified). Confirmation will be sent after we receive your deposit. Please call as soon as possible if you should decide not to go.

Refunds: Prior to 60 days before departure date, a full refund will be made. * *Tours that include tickets generally have earlier non-refundable dates – ask upon booking.* There are no refunds for cancellations made within 60 days prior to your departure date. However, we will do our best to recover as much as we can, but cannot guarantee anything including prepaid reservations and other costs that are non-refundable to us. There will be a \$75.00 per/person charge for this service for overnight tours and \$25.00 for day trips. There will be no refund, for any reason, for a "no-show" on the day of the tour. ~ Please Note: Refunds will be made by the same method you paid us; e.g., if you paid by credit card, the refund will be put back on that credit card. No exceptions.

TLC Tours offers a "Refund Protection Plan" for overnight tours that is available at our office at a minimal cost. It needs to be purchased when you book your trip. This insures you a full refund for two situations. In case of A.) a death in your immediate family (requires a copy of death notice), or B.) personal illness (requires a doctor's written note confirming you were too ill to travel). Exceptions would be made if an immediate family member's serious illness necessitates you staying home, but would still need confirmed by a doctor's note. * *Immediate family, in these situations, includes spouse, parents or children only.* Call our office for full details about TLC's RPP. We encourage you to take advantage of the protection plan, or secure comprehensive travel insurance on your own if you prefer "cancel for any reason" coverage (these companies are easily found via a Google search). Our Refund Protection Plan is not available for Day Trips, nor are there any refunds for Day Trips, with a few exceptions.

Cancellations: TLC Tours reserves the right to cancel any tour that has not reached a minimum number of reservations. We always avoid changes and cancellations if at all possible, as we realize the inconvenience to you, our valued customer. We reserve the right to cancel or refuse service to anyone, in our sole discretion. Any person may be dismissed from a tour at any time or place by the Tour Escort or Driver should their conduct be problematic in any way. No refund will be made, nor will any further responsibility be assumed by TLC Tours or anyone in their employment.

Responsibility: TLC Tours, LLC is insured. Campbell Bus Lines is registered and insured with the ICC. TLC Tours acts only as an agent. We are not responsible to any person for any loss of time or money due to a change or delay beyond our control. Nor are we responsible for non-performance by those we have contracted with. We reserve the right to change tour prices, inclusions, and itinerary, if so dictated by circumstances beyond our control. We are not responsible for pricing, typographical, or other errors. Any claims against TLC Tours must be made in writing within 30 days of the trip.

You're Invited To One of Our Wonderful 2025 TRAVEL MEETINGS

Traditionally, in order for you to meet us personally, each year we would take our "Show on the Road" shortly after our Tour Books came out. When the

pandemic hit, we changed the format to create as safe of an environment as possible for everyone, yet still provide you the opportunity to meet our great team of Escorts, Drivers and Office Staff, plus give the ability to take part in all the other important things we always do at them. Because of your cooperation and great attitudes, the new format was well-received and extremely successful, so we are going to again hold our Travel Meetings in a manner much like the recent years. Here's how it works:

On the dates and at the locations below, along with personally meeting us, you'll be able to collect fully-detailed flyers of our overnight tours (2 nights or more), find out which trips have special Travel Meeting Incentives (discounts) if you book that day or by the following Monday – and you'll also receive a little bag of delicious home-style cookies to take home! We will have a Reservation Table for those who wish to sign up early for your trips so you're sure to have a spot on the ones

you're interested in (check or credit card). ~ Also on the way out, you'll receive a very special coupon for a FREE PUNCH on your TLC Rewards Card!

As a way to replace our much-loved 'big-screen show' of Tour Destination Pictures that we used to present "live", we instead now make a special DVD "TLC Tour Video" full of TLC information (including a Q & A section) that features a beautiful picture presentation of many of this year's tours which you will take home to watch at your leisure. One thing people really liked about the DVD was that they could play it multiple times and go back and look at other trips they may not have noticed fully the first time. It was definitely a winner and people are asking for it again!

In order to keep everyone from coming at once and avoid waiting in long lines to go through the displays, we do need you to call our office and sign up for one of the time slots listed on the right. We are allowing 30 minutes for each slot, and ask that you stick to the one you've signed up for so that all flows well throughout each of the locations. ~~ Thank you so much for your help with this – we are extremely appreciative of your great attitudes to make our Travel Meetings work so well
