HISTORICAL FILM CHALLENGE

Sponsored by the Town of Ocean City

Friday, 10am, Gold Coast Theater

**NEW FILMS CELEBRATING
150 YEARS OF
OCEAN CITY HISTORY**

Ocean City's Tourism Team has been hard at work planning 150 days of celebrations during 2025 that honor Ocean City's rich 150-year heritage.

To celebrate on film and capture personal stories and memories that could be lost forever if not recorded, the 2025 Ocean City Historical Films Challenge reached out to filmmakers to create a short film about OC history, honoring Ocean City's evolution from a small fishing village into a premier seaside destination.

The Historical Film Challenge encouraged storytelling that captures the essence of Ocean City's legacy, showcasing its unique landscape and community while encouraging creativity and local engagement.
