National Auctioneer's Month

Going Once, Going Twice...

SOLD!

If you're planning an auction, call one of these auction professionals!

Many auction attendees find the experience addictive. They report that there's nothing quite like the thrill of finding something they want and then bidding against others who want the same thing. While you don't have to be a seasoned auction attendee to be able to experience the thrill of auctions, auctioneers across America are glad to welcome new bidders to their auctions. And though almost everyone has heard the old story about the person who attended an auction, scratched his nose and come home with an item he hadn't intended to buy, pay no heed to that myth.

3 Reasons Primo Kicks Ash on All Other Ceramic Grills.

1 Primo is the Only Ceramic Grill Made in the USA.

The Only American Made Ceramic Grill. Everything from mixing to hand assembly all takes place at our factory in Tucker, Georgia. That's why Primo has a high reputation for quality over its imported counterparts. Surprisingly, other major ceramic grill companies purchase their grills from foreign manufacturers.

2 Primo is the Only Ceramic Grill with the Patented Oval Design.

True Two-Zone Cooking & More Cooking Versatility. The patented oval shape delivers simultaneous direct and indirect cooking. Grill steaks, while roasting tender foods like seafood or vegetables on the other side. Round ceramic grills can't deliver the level of cooking performance as a Primo Oval Ceramic Grill.

3 Primo Offers a Best-in-Category Limited Lifetime Warranty.

A Limited Lifetime Warranty Backed by a 20-Year Guarantee. What most consumers don't know is that a "lifetime warranty" is defined by each state, and can be as little as a few years. Our 20-year guarantee means you can be rest assured that your Primo Ceramic Grill will be covered for years of enjoyment.
