GENISYS CREDIT UNION VOTED BEST OF THE BEST IN THE OAKLAND PRESS

Genisys Credit Union is celebrating another incredible milestone, earning the title of “Best of the Best” in the Oakland Press Readers’ Choice Awards for Best Credit Union, Best Financial Advisor, and Best Mortgage Lender. This marks 16 consecutive years of recognition as Best Credit Union and Mortgage Lender, along with nine years as Best Financial Advisor.

“What makes this recognition meaningful is that it comes from the people we have the tremendous privilege of serving every day,” said Jackie Buchanan, President & CEO of Genisys Credit Union. “Our mission has always been to help our members succeed financially, and we’re thrilled to see that commitment reflected in the votes of our community.”

Genisys Credit Union operates on the belief that banking should be about more than transactions; it should foster growth, create opportunities, and help individuals achieve their financial goals. To support this mission, the credit union offers competitive savings solutions such as high rate certificates of

deposit (CDs) and their industry-leading Genius High-Yield Checking Account. With an impressive 6.75% annual percentage yield (APY) on balances up to \$7,500, Genius Checking turns everyday banking into an opportunity to earn. The best part? No initial deposit or minimum balance is required. Members can qualify by enrolling in e-statements and using their Genisys Debit Mastercard® 10 times a month for purchases of \$5 or more, excluding ATM transactions.

For their youngest savers, the High-Yield Youth Savings Account is designed to teach smart financial habits early. Offering a 5.12% APY on balances up to \$500, this program helps kids and teens see the value of saving from a young age. “Financial literacy is a lifelong journey,” Buchanan said. “We want to give our youth members the tools to start strong and stay confident in their financial future.”

Beyond banking, Genisys Credit Union remains dedicated to fostering strong and thriving communities. Their *Committed to Community*

approach focuses on solutions that empower individuals and families. Whether through local partnerships, financial education initiatives, and volunteerism, the credit union works to create a lasting impact.

“Giving back isn’t just something we do; it’s who we are,” Buchanan added. “Each year, our employees contribute over 5,000 volunteer hours to community events and organizations, knowing that real change happens when people come together. Building strong relationships and creating meaningful connections is at the heart of everything we do.”

Genisys Credit Union expresses deep gratitude for the continued support and trust of its members. Being named “Best of the Best” is a great honor, and the credit union looks forward to another year of providing excellence, service, and financial success for the community.

Testimonials

"We are blessed to have encountered you as we travel this path to improved health and wellbeing. With your knowledge, experience and guidance the chronic digestive issues my husband suffered for years have disappeared. Additionally the condition of my skin has dramatically improved and we have boundless energy. You were the key to it all. Our bodies were in need of nutritional support, enzymes and a better understanding of how food helps and hurts our bodies."

Jeff and Angela F.

"Following abdominal surgery I developed small intestinal bacterial overgrowth or SIBO. Fortunately I found Natural Digestive Health Center and Karyn and I can now eat without fearing pain, diarrhea and bloating. The enzymes Karyn recommended help me lead a normal life. Karyn also suggested probiotics that target SIBO. Not only did Karyn recommend these products, but she also advised me on changing my diet and answered all of my questions regarding the changes. I was given recipes and also substitutions for food that was causing problems as well as help finding the stores that carry what I needed. Karyn is a thoughtful listener and researched my issues. She answered my phone calls and messages immediately and would meet me at her office whenever I needed products or advice.

I appreciate her open, caring approach and I'm thankful to have found her and Natural Digestive Health Center."

Pat P. Rochester Hills

"Karyn from Natural Digestive Health Center has really helped in the past year. No more bloating or indigestion!"

Cindy N. Rochester Hills

Hello Karyn,
Just a short letter to you to express my gratitude for you. Being educated in nutrition and digestive disorders was a blessing to me since I was in dire need of some help with my nutritional needs. I also learned how enzymes are essential for all digestive systems! Thanks to you I was able to plan my meals and have a better idea of my food choices and preparation. There are many food choices but there are also healthier ones. You taught me to be aware of hidden ingredients that are not so good and how to make the better choice.

Margaret C.

"I was in rough shape by the time I got around to contacting Natural Digestive Health Center — now I couldn't be happier or feel better! Words can't explain the transformation from feeling run down, pain in my side (which was constant) and digestive issues.

Kevin M. St Clair

"I suffered from acid reflux de to a hiatal hernia, and after using the enzymes recommended by Karyn the burning was gone and I was able to stop all acid reducing meds. NO more Tums in my pocket, NO more waking in the middle of the night in pain!"

Dianne H. Romeo

"I felt like I couldn't eat anything anymore because all foods made me sick and I felt depressed. I am so thankful I found Karyn."

Tessa G.

"I've been coming to Natural Digestive Health Center for almost a year and my digestive issues have really improved. I'm no longer constipated and which is a huge relief!"

Janice B. Rochester Hills

"I have been suffering from heartburn since I was 19 years old. I spent a fortune on doctors who would do scopes on me and would just put me on Omeprazole, and when that stopped working they would try another drug that would stop working, then switch me back to Omeprazole... nothing ever seemed to work. Then my Mom found an add for a nutritionist in Rochester.

I was a little skeptical but I was ready to stop suffering everyday, so I gave it a shot. Karyn ran some tests on me to find out what was going on in my stomach. She informed me of what foods reacted well and what food didn't react well with my stomach. She also started me on enzymes. I started to notice for the first time in years I stopped waking up with a burning throat. She is the first professional that actually wanted to help me and cared to fix the problem instead of just suppressing it.

I am very grateful for Karyn, and highly recommend her services."

Alex H. Washington

For over 10 years I struggled with stomach issues that impacted my quality of life. I had daily diarrhea, bloating, and gas. I saw several Western medicine/ traditional doctors but was never able to get to the root cause of my issues. After just a few months under Karyn's care, my symptoms improved 95%, and my quality of life has significantly improved. I no longer have to worry about rushing to the bathroom or feeling uncomfortable. I am so glad I made the decision to see Karyn at Natural Digestive Health Center.
