## BETTER HEARING CAN BE YOURS

### Advanced Hearing Technology Event

#### 3 Steps to Better Hearing

##### STEP ONE

##### CALL

Call and schedule a free hearing evaluation at one of our convenient locations.

##### STEP TWO

##### Free Hearing Evaluation

Find out what you're hearing and what you're not. Discover whether you have hearing loss or is it ear wax?

##### STEP THREE

##### Try Before You Buy!

Take the hearing aids home and wear them out and about in your normal daily life. If after wearing your hearing aids for a period of 2 weeks and you are not completely satisfied with them, just return them.

I finally took my lovely wife's advice and reluctantly looked into getting hearing aids. I am not deaf or anything, but I found I was asking folks to repeat themselves more often as I aged. I resisted hearing aids because it carried a stigma, for me anyway, that one is growing old and dependent. I contacted The Hearing Aid Center in Dickson and got tested by Cassie Tuminello who analyzed my hearing test and suggested a set that would be best for me. Cassie was a pleasure to deal with. She was professional and very knowledgeable of the products she offers. At no time did I feel pressured or pushed to decide on a product. She takes time to make sure you are well informed before making a decision. After the initial "fitting" and orientation, I was a satisfied customer. Tiffany Huskey met with me over the next month doing minor adjustments to make my auditory experience the best that it can be. Like Cassie, Tiffany was very professional and informative. She listened carefully to my feedback and questions, and made sure I am a satisfied customer. The whole experience at The Hearing Aid Center was pleasant and productive. I need to hear well in my career. The Hearing Aid Center made that happen. My lovely wife is happy too! Thank you Cassie and Tiffany!

Burial in Rose Hill Memorial Gardens. Mr. George passed away April 6, 2016. The most amazing thing happened on Wednesday, April 6, 2016. Robert Brady George was reunited with his parents, Annie and DB; grandmother, Darthula; sisters, Louanna and Imogene; brothers, Eucl, JD and Hubert; very special grandson, Nathan Allen Ray; and a host of angels, relatives and friends nurtured by 83 years of living. It had been many years since most had been together and the lull was long enough. From all accounts, the reunion was beyond what mere words could describe. Tears of joy, hugs and kisses, storytelling, thunderous laughter and a flood of emotions were said to have filled the sacred halls. After several hours of celebrating a beautiful life, the group was seen moving at the speed of light into the heavens. Survivors are beyond the limit of numbers, but include his sweetheart, his wife of 60 years, Bonnie; children,

The roots of this tree run deeper than names and blood; deeper than bone or the limit of words to page. Blessings have a way of multiplying; hearts, filling up until all we know is love. God is good (all the time).
