PURCHASE YOUR HOME WITH A CEMA MORTGAGE

You may be able to save \$1000's on the Mortgage Tax

Would you like to reduce or ELIMINATE paying NY State mortgage tax? You may be able to do so by simply closing as a "Purchase CEMA," and we can help you get it done!

What is CEMA:

A Consolidation Extension Modification Agreement (CEMA) allows you to pay mortgage tax only on the difference between your new loan amount and the seller's unpaid principal balance. So, say goodbye to paying mortgage tax on your total new loan amount.

What is required for a CEMA?

- You must be buying a condo or house. Co-ops are personal property and do not apply.
- The seller needs to agree. A Buyer cannot simply take over the Seller's mortgage. Plus the seller may benefit from potential savings as well.
- Exclusive to the state of New York.

COOLING BENEFIT

The City of New York Human Resources Administration (NYCHRA) is offering its annual cooling benefit. Income-eligible recipients can receive an air conditioner with free installation. Eligibility requirements state that you must not have an air conditioner presently. If you do have one, it must be at least five years old. If you have received an air conditioner through this program, you cannot apply for five years. The annual household monthly income for a family of four cannot exceed \$5,485. If you currently receive SNAP benefits and/or SSI or have received a HEAP benefit during the winter then you are likely eligible for this program. To receive an application, you must call (718) 557-1399.

COMPOSTING

The City of New York is requiring property owners to compost. While there are no longer fines, the regulation remains in place. We must still compost and set outside our bins on our recycling pick-up days. Composting is food waste and food scraps. You can place clear bags in your compost bin as you do for recycling.

SERVICE LINE PROTECTION PROGRAM

Property owners are responsible for maintaining water and sewer lines in and outside of their property. Repairs could cost tens of thousands of dollars when issues arise. The City of New York encourages all its property owners to enroll in the American Water Resources (AWR) program. AWR protects its customers from costly repairs that are often not covered by insurance companies. When you enroll, you will pay an extra \$84.84 annually for your water line and \$143.04 annually for your sewer line through your New York City Department of Environmental Protection water bill. To enroll, simply call (888) 300-3570. If you enroll in autopay for your next water bill, the City of New York will reduce the bill by \$50. While this is a one-time reduction, it may be helpful to you. Consider enrolling in autopay by logging onto your NYCDEP online account or call (718) 595-7000.
