COOLING BENEFIT

The City of New York Human Resources Administration (NYCHRA) is offering its annual cooling benefit. Income-eligible recipients can receive an air conditioner with free installation. Eligibility requirements state that you must not have an air conditioner presently. If you do have one, it must be at least five years old. If you have received an air conditioner through this program, you cannot apply for five years. The annual household monthly income for a family of four cannot exceed \$5,485. If you currently receive SNAP benefits and/or SSI or have received a HEAP benefit during the winter then you are likely eligible for this program. To receive an application, you must call (718) 557-1399.

COMPOSTING

The City of New York is requiring property owners to compost. While there are no longer fines, the regulation remains in place. We must still compost and set outside our bins on our recycling pick-up days. Composting is food waste and food scraps. You can place clear bags in your compost bin as you do for recycling.

DID YOU KNOW?

We suffered a tragedy in Pelham Bay a few weeks ago. Do not leave your car running with the keys inside. Before leaving, check the front and back of your vehicle to make sure your license plates are still affixed to your car as we are experiencing license plate theft. This is disappointing news to share. We know already that residents are reporting that their wheels and catalytic converters are stolen overnight. If you need assistance reaching out to the 45th Precinct's sector offices, kindly contact me. Every neighborhood has sector cops who you can contact via e-mail in addition to calling 911 during an emergency.
