COOLING BENEFIT

The City of New York Human Resources Administration (NYCHRA) is offering its annual cooling benefit. Income-eligible recipients can receive an air conditioner with free installation. Eligibility requirements state that you must not have an air conditioner presently. If you do have one, it must be at least five years old. If you have received an air conditioner through this program, you cannot apply for five years. The annual household monthly income for a family of four cannot exceed \$5,485. If you currently receive SNAP benefits and/or SSI or have received HEAP benefits during the winter then you are likely eligible for this program. To receive an application, you must call (718) 557-1399.

VOTER REGISTRATION

The deadline to register to vote for the City of New York 2025 Primary Election is June 14. Early voting begins also on June 14th and lasts through Sunday, June 22nd. Kindly contact us with your address and we can help you find your Early Voting polling place. Please know that your early voting polling place and your primary day polling place are not the same location. The last day to request an absentee ballot is also June 14th.

DID YOU KNOW?

According to constituents that are contacting our office, there is alleged license plate theft in our community. As always, please be sure to lock your car doors. Do not leave your car running with the keys inside. Always check the front and back of your vehicles to make sure your license plates are still affixed to your car. This is disappointing news to share. We know already that residents are reporting that their wheels and catalytic converters are stolen overnight. If you need assistance reaching out to the 45th Precinct's sector offices, kindly contact me. Lastly, please make sure that city streetlights are working properly. Call 311 immediately if the streetlight near your home is off.
